As this Jehovah Witness Children 2014 District Convention Notebook , it ends taking place physical one of the favored books Jehovah Witness Children 2014 District Convention Notebook collections that we have. This is why you remain in the best website to see the amazing book to have.

[The State of Knowledge on Medical Assistance in Dying for Mature Minors - The Expert Panel Working Group on MAID for Mature Minors 2018-12-12](#)

In December 2016, the CCA was asked by then Minister of Health Jane Philpott and Minister of Justice and Attorney General of Canada Jody Wilson-Raybould to undertake independent reviews related to medical assistance in dying (MAID). Specifically, the CCA was tasked with examining three particularly complex types of requests for MAID that were identified for further review and study in the legislation passed by Parliament in 2016: requests by mature minors, advance requests, and requests where a mental disorder is the sole underlying medical condition. On December 12, 2018 the CCA released the three final reports of the Expert Panel, one on each type of request: The State of Knowledge on Medical Assistance in Dying for Mature Minors; The State of Knowledge on Advance Requests for Medical Assistance in Dying; and The State of Knowledge on Medical Assistance in Dying Where a Mental Disorder is the Sole Underlying Medical Condition.

Migrant Youth, Transnational Families, and the State - Lauren Heidbrink 2014-05-08

Each year, more than half a million migrant children journey from countries around the globe and enter the United States with no lawful immigration status; many of them have no parent or legal guardian to provide care and custody. Yet little is known about their experiences in a nation that may simultaneously shelter children while initiating proceedings to deport them, nor about their safety or well-being if repatriated. *Migrant Youth, Transnational Families, and the State* examines the draconian immigration policies that detain unaccompanied migrant children and draws on U.S. historical, political, legal, and institutional practices to contextualize the lives of children and youth as they move through federal detention facilities, immigration and family courts, federal foster care programs, and their communities across the United States and Central America. Through interviews with children and their families, attorneys, social workers, policy-makers, law enforcement, and diplomats, anthropologist Lauren Heidbrink foregrounds the voices of migrant children and youth who must navigate the legal and emotional terrain of U.S. immigration policy. Cast as victims by humanitarian organizations and delinquents by law enforcement, these unauthorized minors challenge Western constructions of child dependence and family structure. Heidbrink illuminates the enduring effects of immigration enforcement on its young charges, their families, and the state, ultimately questioning whose interests drive decisions about the care and custody of migrant youth.

World Report 2018 - Human Rights Watch 2018-01-30

The human rights records of more than ninety countries and territories are put into perspective in Human Rights Watch's signature yearly report. Reflecting extensive investigative work undertaken in 2016 by Human Rights Watch staff, in close partnership with domestic human rights activists, the annual World Report is an invaluable resource for journalists, diplomats, and citizens, and is a must-read for anyone interested in the fight to protect human rights in every corner of the globe.

[God's Creative Power Will Work for You](#) - Charles Capps 1976-09-01

Many people have been defeated in life because they believed and spoke the wrong things. They have allowed the words of their own mouths to hold them in bondage.

General Principles of the European Convention on Human Rights - Janneke Gerards 2019-03-28

Provides broad and deep insight in the core concepts and principles of the European Convention on Human Rights.

[Asian Yearbook of International Law, Volume 24 \(2018\)](#) - Seokwoo Lee 2020-11-05

Launched in 1991, the 'Asian Yearbook of International Law' is a major internationally-refereed yearbook dedicated to international legal issues

as seen primarily from an Asian perspective. It is published under the auspices of the Foundation for the Development of International Law in Asia (DILA) in collaboration with DILA-Korea, the Secretariat of DILA, in South Korea. When it was launched, the Yearbook was the first publication of its kind, edited by a team of leading international law scholars from across Asia. It provides a forum for the publication of articles in the field of international law and other Asian international legal topics. The objectives of the Yearbook are two-fold: First, to promote research, study and writing in the field of international law in Asia; and second, to provide an intellectual platform for the discussion and dissemination of Asian views and practices on contemporary international legal issues. Each volume of the Yearbook contains articles and shorter notes; a section on Asian state practice; an overview of the Asian states' participation in multilateral treaties and succinct analysis of recent international legal developments in Asia; a bibliography that provides information on books, articles, notes, and other materials dealing with international law in Asia; as well as book reviews. This publication is important for anyone working on international law and in Asian studies. The 2018 edition of the Yearbook features articles on the practice of Asian states from the perspective of Third World Approaches to International Law (TWAIL).

[Rescuing Slaves of the Watchtower](#) - Joe Hewitt 2011-05-01

Though its members represent one of the fastest-growing religions in the world, the Jehovah's Witnesses remain one of the most enigmatic and puzzling groups to many people today. Hewitt, formerly a third-generation Jehovah's Witness, pulls back the curtain of mystery and exposes lies, the mind control, and the glaring contradictions of biblical truth behind the organization.

[Speak of the Devil](#) - Joseph P. Laycock 2020-02-17

In this book-length study of The Satanic Temple, Joseph Laycock, a scholar of new religious movements, contends that the emergence of "political Satanism" marks a significant moment in American religious history that will have a lasting impact on how Americans frame debates about religious freedom. Though the group gained attention for its strategic deployment of outrage, it claims to have developed beyond politics into a religious movement. Equal parts history and ethnography, *Speak of the Devil* demonstrates why religious Satanism is significant to larger conversations about the definition of religion, religious freedom, and religious tolerance.

How to Be Invisible - J. J. Luna 2012-07-17

"Fascinating... a regular field manual... meticulously researched and very entertaining." --G. Gordon Liddy A thoroughly revised and updated edition of the essential guide to preserving your personal security From cyberspace to crawl spaces, new innovations in information gathering have left the private life of the average person open to scrutiny, and worse, exploitation. In this thoroughly updated third edition of his immensely popular guide *How to Be Invisible*, J.J. Luna shows you how to protect your home address, hide your ownership of vehicles and real estate, use pagers with dumbphones, switch to low-profile banking and invisible money transfers, use alternate signatures, and how to secretly run a home-based business. J.J. Luna is an expert and highly trained security consultant with years of experience protecting himself, his family, and his clients. Using real life stories and his own consulting experience, J.J. Luna divulges legal methods to attain the privacy you crave and deserve, whether you want to shield yourself from casual scrutiny or take your life savings with you and disappear without a trace. Whatever your needs, Luna reveals the shocking secrets that private detectives and other seekers of personal information use to uncover information and then shows how to make a serious commitment to safeguarding yourself. There is a prevailing sense in our society that true privacy is a thing of the past. In a world where privacy concerns that only continue to grow in magnitude, *How to Be Invisible*, Third Edition is a critical antidote to the spread of new and more efficient ways of

undermining our personal security. Privacy is a commonly-lamented casualty of the Information Age and of the world's changing climate—but that doesn't mean you have to stand for it. This new edition of J. J. Luna's classic manual contains step-by-step advice on building and maintaining your personal security, including brand new chapters on: - The dangers from Facebook, smartphones, and facial recognition - How to locate a nominee (or proxy) you can trust - The art of pretexting, aka social engineering - Moving to Baja California Sur; San Miguel de Allende, Guanajuato; Cuenca, Ecuador; or Spain's Canary Islands - The secrets of international privacy, and much more!

The Secret Lives of Saints - Daphne Bramham 2009-04-03

The Secret Lives of Saints paints a troubling portrait of an extreme religious sect. These zealous believers impose severe and often violent restrictions on women, deprive children of education and opt instead to school them in the tenets of their faith, defy the law and move freely and secretly over international borders. They punish dissent with violence and even death. No, this sect is not the Taliban, but North America's fundamentalist Mormons. Daphne Bramham explores the history and ideas of this surprisingly resilient and insular society, asking the questions that surround its continued existence and telling the stories of the men and women whose lives are so entwined with it—both the leaders and the victims.

The Orwellian World of Jehovah's Witnesses - Heather Denise Harden Botting 1984-01-01

Discusses the history and religious doctrines of the Jehovah's Witnesses and examines the parallels between the religion and George Orwell's novel, 1984

Jehovah's Witnesses in Europe - Gerhard Besier 2019-02-01

The religious association of Jehovah's Witnesses has existed for about 150 years in Europe. How Jehovah's Witnesses found their way in these countries has depended upon the way this missionary association was treated by the majority of the non-Witness population, the government and established churches. In this respect, the history of Jehovah's Witnesses in Europe is also a history of the social constitution of these countries and their willingness to accept and integrate religious minorities. Jehovah's Witnesses faced suppression and persecution not only in dictatorships, but also in some democratic states. In other countries, however, they developed in relative freedom. How the different situations in the various national societies affected the religious association and what challenges Jehovah's Witnesses had to overcome – and still do in part even until our day – is the theme of this history volume.

World Report 2019 - Human Rights Watch 2019-02-05

The best country-by-country assessment of human rights. The human rights records of more than ninety countries and territories are put into perspective in Human Rights Watch's signature yearly report. Reflecting extensive investigative work undertaken by Human Rights Watch staff, in close partnership with domestic human rights activists, the annual World Report is an invaluable resource for journalists, diplomats, and citizens, and is a must-read for anyone interested in the fight to protect human rights in every corner of the globe.

Dissent on the Margins - Emily B. Baran 2014

Emily B. Baran offers a gripping history of how a small, American-based religious community, the Jehovah's Witnesses, found its way into the Soviet Union after World War II, survived decades of brutal persecution, and emerged as one of the region's fastest growing religions after the Soviet Union's collapse in 1991. In telling the story of this often misunderstood faith, Baran explores the shifting boundaries of religious dissent, non-conformity, and human rights in the Soviet Union and its successor states. Soviet Jehovah's Witnesses are a fascinating case study of dissent beyond urban, intellectual nonconformists. Witnesses, who were generally rural, poorly educated, and utterly marginalized from society, resisted state pressure to conform. They instead constructed alternative communities based on adherence to religious principles established by the Witnesses' international center in Brooklyn, New York. The Soviet state considered Witnesses to be the most reactionary of all underground religious movements, and used extraordinary measures to try to eliminate this threat. Yet Witnesses survived, while the Soviet system did not. After 1991, they faced continuing challenges to their right to practice their faith in post-Soviet states, as these states struggled to reconcile the proper limits on freedom of conscience with European norms and domestic concerns. *Dissent on the Margins* provides a new and important perspective on one of America's most understudied religious movements.

PreachersNSneakers - Ben Kirby 2021-04-27

Founder of the phenomenon social media account PreachersNSneakers tackles how faith, capitalism, consumerism, and (wannabe) celebrity have collided and asks both believers and nonbelievers alike: how much is too much? What started as a joke account on Instagram has turned into a movement. Through this provocative project, the founder of PreachersNSneakers is helping thousands of Jesus followers wrestle with the inevitable dilemmas created by our Western culture obsessed with image and entertainment. In *PreachersNSneakers: Authenticity in an Age of For-Profit Faith and (Wannabe) Celebrities*, Ben Kirby approaches many of the difficult questions plaguing countless Christians' minds, presenting experiences and input from both sides of difficult questions, such as: Should pastors grow wealthy off of religion, and can their churches ever be too large? Do we really believe that divine blessings are monetary, or is that just religious wallpaper to hide our own greed? Is there space in Christendom for celebrities like Kanye and Bieber to exist without distorting the good news? What about this: Is it wrong for someone—even wrong for author Ben Kirby—to call out faith leaders online and leverage “cancel culture” to affect change?

PreachersNSneakers will navigate these challenging questions and many more with humor, wit, candor, and a few never-before-published hijinks. Each chapter will explore the various sides of the debate, holding space for us to make up our own minds. This book is not about finding the perfect, “right” way to do something, but instead learning how to articulate what we believe, why we believe it, and what to do when we want to stand up against cultural norms. This book will doubtlessly become a staple for church small groups, college ministries, and book clubs, emboldening struggling believers who want to live a more genuine faith. After all, the Lord works in mysterious colorways.

End Time Delusions - Steve Wohlberg 2005-01-28

Will Christians vanish in a rapture? Will seven years of apocalyptic terror overtake those left behind? Will one future Mr. Diabolical—the antichrist—rise to control the world? Will he enter a rebuilt Jewish temple, claiming to be God? Will Earth's nations attack Israel at Armageddon? Best-selling books like *Left Behind* and popular apocalyptic movies predict such things. Are they correct? No area of Christianity has been subject to more misguided interpretation than end time prophecy. Millions of Christians sense we are nearing Jesus Christ's return. Yet when it comes to what the majority thinks will happen during Earth's last days, and what the Bible actually says will occur, the difference is seismic. With clarity and biblical accuracy, *End Time Delusions* exposes massive errors now flooding through media and in much of today's sensational prophecy writing. This book closely examines tightly meshed yet speculative theories about the rapture, seven-year tribulation, antichrist, and the modern Jewish state. This book is no novelty. Buttressed with solid teachings from many of Christianity's most illustrious scholars, it lets the Bible speak for itself about the past, present, and future.

What Does the Bible Really Teach? - 2005

Biblical theology and doctrines of Jehovah's Witnesses.

Courts and Comparative Law - Mads Tønnesson Andenæs 2015

While the role of comparative law in the courts was previously only an exception, foreign sources are now increasingly becoming a source of law in regular use in supreme and constitutional courts. There is considerable variation between the practices of courts and the role of comparative law, and methods remain controversial. In the US, the issue has been one of intense public debate and it is still one of the major dividing issues in the discussion about the role of the courts.

Contributing to the existing discussion of the use of comparative law in the courts, this book provides an inclusive, coherent, and practical analysis of the relevant law and jurisprudence in comparative law in the courts. It examines the consequences for court procedures and the form of judgments, as well as how foreign sources are drawn upon in private international law, European law, administrative law, and constitutional law as well as before general courts. The book also includes case studies of comparative law used in particular spheres of the law, such as tort law and consumer law. Written by practising judges and lawyers as well as leading academics, this book serves as a central reference point concerning the role of comparative law before the courts.

Leaving the Witness - Amber Scoriah 2020-06-02

"A fascinating glimpse into the consciousness of being an outsider in every possible way, and what it takes to find your path into the life you'd like to lead."--Nylon A riveting memoir of losing faith and finding freedom while a covert missionary in one of the world's most restrictive countries. A third-generation Jehovah's Witness, Amber Scoriah had devoted her life to sounding God's warning of impending Armageddon.

She volunteered to take the message to China, where the preaching she did was illegal and could result in her expulsion or worse. Here, she had some distance from her community for the first time. Immersion in a foreign language and culture--and a whole new way of thinking--turned her world upside down, and eventually led her to lose all that she had been sure was true. As a proselytizer in Shanghai, using fake names and secret codes to evade the authorities' notice, Scolah discreetly looked for targets in public parks and stores. To support herself, she found work at a Chinese language learning podcast, hiding her real purpose from her coworkers. Now with a creative outlet, getting to know worldly people for the first time, she began to understand that there were other ways of seeing the world and living a fulfilling life. When one of these relationships became an "escape hatch," Scolah's loss of faith culminated in her own personal apocalypse, the only kind of ending possible for a Jehovah's Witness. Shunned by family and friends as an apostate, Scolah was alone in Shanghai and thrown into a world she had only known from the periphery--with no education or support system. A coming of age story of a woman already in her thirties, this unforgettable memoir examines what it's like to start one's life over again with an entirely new identity. It follows Scolah to New York City, where a personal tragedy forces her to look for new ways to find meaning in the absence of religion. With compelling, spare prose, *Leaving the Witness* traces the bittersweet process of starting over, when everything one's life was built around is gone.

World Report 2022 - Human Rights Watch 2022-03-08

The best country-by-country assessment of human rights. The human rights records of more than ninety countries and territories are put into perspective in Human Rights Watch's signature yearly report. Reflecting extensive investigative work undertaken by Human Rights Watch staff, in close partnership with domestic human rights activists, the annual World Report is an invaluable resource for journalists, diplomats, and citizens, and is a must-read for anyone interested in the fight to protect human rights in every corner of the globe.

American Government 3e - Glen Krutz 2021-07-28

The Finished Mystery - Charles Taze Russell 1918

Rights of Students - David L. Hudson 2009

Is it fair to restrict certain students' rights in order to make schools safer?

Cowboys, Armageddon, and the Truth - Scott M. Terry 2012

Cowboys, Armageddon, and The Truth: How a Gay Child Was Saved from Religion offers an illuminating glimpse into a child's sequestered world of abuse, homophobia, and religious extremism. Scott Terry's memoir is a compelling, poignant and occasionally humorous look into the Jehovah's Witness faith--a religion that refers to itself as The Truth--and a brave account of Terry's successful escape from a troubled past. At the age of ten, Terry had embraced the Witnesses' prediction that the world will come to an end in 1975 and was preparing for Armageddon. As an adolescent, he prayed for God to strip away his growing attraction to other young men. But by adulthood, Terry found himself no longer believing in the promised apocalypse. Through a series of adventures and misadventures, he left the Witness religion behind and became a cowboy, riding bulls in the rodeo. He overcame the hurdles of parental abuse, religious extremism, and homophobia and learned that Truth is a concept of honesty rather than false righteousness, a means to live a life openly, for Terry as a gay man."

Exploring America - Ray Notgrass 2014

In Search of Christian Freedom - Raymond Franz 2013-04-05

Finding a proper balance between freedom and responsibility is a problem that has faced every serious Christian. For those raised in a highly structured religious environment, balancing loyalties to a religious organization, family, and personal conscience may raise difficult issues. Raymond Franz's first-hand account of the issues with which he struggled forms the theme of his first book, *Crisis of Conscience*. In *In Search of Christian Freedom*, the sequel to *Crisis of Conscience*, provides even more comprehensive study. The issues and options discussed herein, although relating particularly to the structure of Jehovah's Witnesses, are not so very different from issues other Christians have faced and continue to face when they seek to reconcile considerations for conscience, loyalty, responsibility and freedom. This work will move readers -- of any religion -- to consider seriously how much they value Christian freedom and to ask how genuine their own freedom is.

Mental Capacity Act 2005 code of practice - Great Britain: Department for Constitutional Affairs 2007-08-16

The Mental capacity Act 2005 provides a statutory framework for people who lack the capacity to make decisions for themselves, or for people who want to make provision for a time when they will be unable to make their own decisions. This code of practice, which has statutory force, provides information and guidance about how the Act should work in practice. It explains the principles behind the Act, defines when someone is incapable of making their own decisions and explains what is meant by acting in someone's best interests. It describes the role of the new Court of Protection and the role of Independent Mental Capacity Advocates and sets out the role of the Public Guardian. It also covers medical treatment and the way disputes can be resolved.

Studies in the Scriptures - Charles Taze Russell 1889

Jehovah's Witnesses in Europe - Gerhard Besier 2016-08-17

The religious association of Jehovah's Witnesses has existed for about 150 years in Europe. How Jehovah's Witnesses found their way in these countries has depended upon the way this missionary association was treated by the majority of the non-Witness population, the government and established churches. In this respect, the history of Jehovah's Witnesses in Europe is also a history of the social constitution of these countries and their willingness to accept and integrate religious minorities. Jehovah's Witnesses faced suppression and persecution not only in dictatorships, but also in some democratic states. In other countries, however, they developed in relative freedom. How the different situations in the various national societies affected the religious association and what challenges Jehovah's Witnesses had to overcome -- and still do in part even until our day -- is the theme of this history volume.

Jehovah's Witnesses - Andrew Holden 2012-11-12

This is the first major study of the enigmatic religious society. By examining the Jehovah's Witnesses' dramatic recent expansion, Andrew Holden reveals the dependency of their quasi-totalitarian movement on the physical and cultural resources have brought about the privatization of religion, the erosion of community, and the separation of 'fact' from faith.

Parental Rights, Best Interests and Significant Harms - Imogen Goold 2019-11-28

This timely collection brings together philosophical, legal and sociological perspectives on the crucial question of who should make decisions about the fate of a child suffering from a serious illness. In particular, the collection looks at whether the current 'best interests' threshold is the appropriate boundary for legal intervention, or whether it would be more appropriate to adopt the 'risk of significant harm' approach proposed in Gard. It explores the roles of parents, doctors and the courts in making decisions on behalf of children, actively drawing on perspectives from the clinic as well as academia and practice. In doing so, it teases out the potential risks of inappropriate state intrusion in parental decision-making, and considers how we might address them.

The Changing World Religion Map - Stanley D. Brunn 2015-02-03

This extensive work explores the changing world of religions, faiths and practices. It discusses a broad range of issues and phenomena that are related to religion, including nature, ethics, secularization, gender and identity. Broadening the context, it studies the interrelation between religion and other fields, including education, business, economics and law. The book presents a vast array of examples to illustrate the changes that have taken place and have led to a new world map of religions. Beginning with an introduction of the concept of the "changing world religion map", the book first focuses on nature, ethics and the environment. It examines humankind's eternal search for the sacred, and discusses the emergence of "green" religion as a theme that cuts across many faiths. Next, the book turns to the theme of the pilgrimage, illustrated by many examples from all parts of the world. In its discussion of the interrelation between religion and education, it looks at the role of missionary movements. It explains the relationship between religion, business, economics and law by means of a discussion of legal and moral frameworks, and the financial and business issues of religious organizations. The next part of the book explores the many "new faces" that are part of the religious landscape and culture of the Global North (Europe, Russia, Australia and New Zealand, the U.S. and Canada) and the Global South (Latin America, Africa and Asia). It does so by looking at specific population movements, diasporas, and the impact of globalization. The volume next turns to secularization as both a phenomenon occurring in the Global religious North, and as an emerging

and distinguishing feature in the metropolitan, cosmopolitan and gateway cities and regions in the Global South. The final part of the book explores the changing world of religion in regards to gender and identity issues, the political/religious nexus, and the new worlds associated with the virtual technologies and visual media.

Children's Rights in Health Care - Jozef H.H.M. Dorscheidt 2018-11-22

This volume contains several analyses of health rights issues related to children. The various chapters provide an overview of this captivating area and may be of special interest to lawyers, health care professionals, ethicists, psychologists, judicial institutions, policy makers, interest groups, students and all others who are concerned with the children's rights perspective on health care.

The Facts on Jehovah's Witnesses - John Ankerberg 2008-08-01

John Ankerberg, John Weldon, and Dillon Burroughs team up to revise and update *The Facts on Jehovah's Witnesses*, part of the popular *Facts On Series* (more than 1.9 million copies of books from this series sold). Known for their extensive research and Bible knowledge, these authors offer readers the essential facts they need to evaluate and discuss today's issues regarding the Jehovah's Witnesses, a religious organization, and the Watchtower Society. The concise, easy-to-follow information helps readers answer such questions as: What is the Watchtower Society and what power does it hold? Is the Watchtower Society's translation of the Bible accurate? Is the Society's teaching on salvation biblical? Whether the reader is merely curious or searching for specific information, *The Facts on Jehovah's Witnesses* will give them what they are looking for—easy-to-understand, factual, and relevant information about this group.

Apocalypse Delayed - M. James Penton 2015-02-26

Since 1876, Jehovah's Witnesses have believed that they are living in the last days of the present world. Charles T. Russell, their founder, advised his followers that members of Christ's church would be raptured in 1878, and by 1914 Christ would destroy the nations and establish his kingdom on earth. The first prophecy was not fulfilled, but the outbreak of the First World War lent some credibility to the second. Ever since that time, Jehovah's Witnesses have been predicting that the world would end "shortly." Their numbers have grown to many millions in over two hundred countries. They distribute a billion pieces of literature annually, and continue to anticipate the end of the world. For almost thirty years,

M. James Penton's *Apocalypse Delayed* has been the definitive scholarly study of this religious movement. As a former member of the sect, Penton offers a comprehensive overview of the Jehovah's Witnesses. His book is divided into three parts, each presenting the Witnesses' story in a different context: historical, doctrinal, and sociological. Some of the issues he discusses are known to the general public, such as the sect's opposition to military service and blood transfusions. Others involve internal controversies, including political control of the organization and the handling of dissent within the ranks. Thoroughly revised, the third edition of Penton's classic text includes substantial new information on the sources of Russell's theology and on the church's early leaders, as well as coverage of important developments within the sect since the second edition was published fifteen years ago.

Life of Pi - Yann Martel 2022-01-27

"Life of Pi will make you believe in the power of theatre" (Times). After a cargo ship sinks in the middle of the vast Pacific Ocean, there are five survivors stranded on a lifeboat - a hyena, a zebra, an orangutan, a Royal Bengal tiger, and a sixteen year-old boy named Pi. Time is against them, nature is harsh, who will survive? Based on one of the most extraordinary and best-loved works of fiction - winner of the Man Booker Prize, selling over fifteen million copies worldwide - and featuring breath-taking puppetry and state-of-the-art visuals, *Life of Pi* is a universally acclaimed, smash hit adaptation of an epic journey of endurance and hope. Adapted by acclaimed playwright Lolita Chakrabarti, this edition was published to coincide with the West End premiere in November 2021.

Due Diligence in the International Legal Order - Heike Krieger 2021-02-03

This book provides a comprehensive analysis of the content, scope, and function of due diligence across various areas of international law. Looking at current tendencies towards proceduralisation and more proactive risk management, it reveals the promises and limits of due diligence as a concept for enhancing accountability and compliance.

Bearing False Witness? - Douglas E. Cowan 2003

Analyzes and critiques the Christian Countercult movement as a discrete socioreligious entity.

Jehovah's Witnesses - Watchtower Bible and Tract Society of New York 1993

History and teachings of Jehovah's Witnesses organization.

Religion and Family Life - Richard J. Petts 2019
