Born Again, in Exile - Mirela Roznoveanu 2004

"Within the tradition of polished verse, Mirela Roznoveanu has accomplished an astonishing marriage of Romantic elements. The elegance of Brecht and Rilke converses with the occasional surrealism of Rimbaud, flavored by a Baudelairian melancholy which moves the reader between the streets of New York City and ancient landscapes both historical and mythological. A good portion of the text is translated from the Romanian, and these especially seem masterfully rendered. At a time when formalist experimentation dominates much of the poetic scene, it is wonderful to have a collection that reaffirms the beauty and craft of the image within the geography of self discovery."--William James Austin, WilliamJamesAustin.com, kojapress.com

"This is the voice of a poet who identifies herself with Iphigenia by redeeming herself, transcending personal drama and sacrifice, and triumphing in the realm of culture and creation." --Nina Cassian

Translating Mirela Roznoveanu one cannot help being reminded of intensities and flights of the imagination from such distinctive poetries as those of Emerson, Dickinson, Plath, and Stevens. --Heathrow O'Hare

The Legends of Lohrendore - K. J. Stinnet
2013-10-30

After accepting his destiny as Dhenor's future king, Rishan decides to begin preparing for the impending war with Kalith by journeying to the farthest reaches of the realm to recruit alliances, both new and old. Meanwhile, a new hero enters the story in the form of a young local named, Caile. A true-born Dhenorian, Caile has grown up listening to story after story highlighting Dhenor's centuries of glory and valor, and dreams to one day fight beside the prophesized king of Dhenor. In Rishan's absence, the lowly Caile, eager to prove his worth, decides to become the leader that Dhenor's citizens are looking for and begins working to restore Dhenor and prepare her people for the king's return. In this second volume of *The Legends of Lohrendore*, allies are turned and the enemy seems to grow stronger with each passing day; and yet the only thing that our few heroes need in order to prevail is the one thing that will be the most difficult for them to achieve.

The Pari Dialogues - F. David Peat 2008-04
The first in a series of essays contributed by experts in their fields who reflect the philosophy of, and the discussions held at, the Pari Center for New Learning. Mr. Shivers - Robert Jackson Bennett 2010-01-15
It is the time of the Great Depression. Thousands have left their homes looking for a better life, a new life. But Marcus Connelly is not one of them. He searches for one thing, and one thing only: Revenge. Because out there, riding the rails, stalking the camps, is the scarred vagrant who murdered Connelly's daughter. One man

must face a dark truth and answer the question - how much is he willing to sacrifice for his satisfaction?

The Big Smoke - Jason Nahrung 2018-11-01
Kevin Matheson is coming to Brisbane with revenge on his mind. Even for a vampire, there is no time like the present. He has a score to settle with Mira, the sadistic killer who tore his life in outback Queensland apart. For Mira's bodyguard, Reece, worn out and fading a little more each day, the present is all he has. He is determined to spend it protecting his mistress, for better or worse. But as the two men head for a collision the vampires of Brisbane have their own plans - plans that will lead Kevin and Reece down roads they never expected to travel. And at the end of the line, at the intersection of loyalty and vengeance, both face the questions: who are they willing to sacrifice to win the war?

Girl at the Bottom of the Sea - Michelle Tea
2015-06-01

Sophie Swankowski is the hero from the stories she's been hearing all her life: she's the girl who will save the world. Or so she's been told. Now she and her unlikely guardian—the gruff, filthy mermaid Syrena—must travel the pitch-black seas from broken-down Chelsea, Massachusetts, to Syrena's homeland in Poland. Along the way, Syrena will reveal the terrible truth about her past, and teach Sophie about the ages-old source of her newly discovered power. But left behind in Chelsea, without Sophie to protect them from the dark magic she's awakened, what will become of Sophie's friends and family? *Girl at the Bottom of the Sea* is the follow-up to Michelle Tea's beloved *Mermaid in Chelsea Creek*, "a refreshing breath of air in the world of YA, equal parts eerie, heartbreaking, and fantastical." (ZYZZYVA).

Carmer and Grit, Book Two: The Crooked Castle

- Sarah Jean Horwitz 2018-04-10

Carmer and Grit investigate a mysteriously magical flying circus in the follow-up to "a fun and frolicking middle grade adventure full of enough fantasy, humor and heart to make giddy even the most finicky reader." (BookPage) Shortly after saving the faeries of Skemantis, magician's apprentice Felix Carmer III and his faerie companion, Grit, head out to see the world. They soon come across a mysteriously magical flying circus. As they get to know the outlandish world of Rinka Tinka's Roving Wonder Show, it becomes clear there's something not quite normal about this circus or its inventor-and that recent airship disasters plaguing nearby Driftside City may have a sinister explanation. Fans of the Wildwood trilogy and Lockwood & Co. series will love the thrills and chills of Carmer and Grit, Book 2: The

Crooked Castle as it takes readers up in the air with a flying circus, under the sea to the evil Unseelie kingdom, through a terrifying magical snowstorm, and on a chase with the menacing Wild Hunt.

Spineless - Juli Berwald 2017-11-07

"A book full of wonders" —Helen Macdonald, author of *H Is for Hawk* "Witty, insightful. . . .The story of jellyfish. . . is a significant part of the environmental story. Berwald's engaging account of these delicate, often ignored creatures shows how much they matter to our oceans' future." —New York Times Book Review Jellyfish have been swimming in our oceans for well over half a billion years, longer than any other animal that lives on the planet. They make a venom so toxic it can kill a human in three minutes. Their sting—microscopic spears that pierce with five million times the acceleration of gravity—is the fastest known motion in the animal kingdom. Made of roughly 95 percent water, some jellies are barely perceptible virtuosos of disguise, while others glow with a luminescence that has revolutionized biotechnology. Yet until recently, jellyfish were largely ignored by science, and they remain among the most poorly understood of ocean dwellers. More than a decade ago, Juli Berwald left a career in ocean science to raise a family in landlocked Austin, Texas, but jellyfish drew her back to the sea. Recent, massive blooms of billions of jellyfish have clogged power plants, decimated fisheries, and caused millions of dollars of damage. Driven by questions about how overfishing, coastal development, and climate change were contributing to a jellyfish population explosion, Juli embarked on a scientific odyssey. She traveled the globe to meet the biologists who devote their careers to jellies, hitched rides on Japanese fishing boats to see giant jellyfish in the wild, raised jellyfish in her dining room, and throughout it all marveled at the complexity of these alluring and ominous biological wonders. Gracefully blending personal memoir with crystal-clear distillations of science, *Spineless* is the story of how Juli learned to navigate and ultimately embrace her ambition, her curiosity, and her passion for the natural world. She discovers that jellyfish science is more than just a quest for answers. It's a call to realize our collective responsibility for the planet

Hooked! - Leslie Leyland Fields 2011-09-01

The rousing sea stories are all here: The dramas

of near-death battles, the sickening tragedy of

lovers and friends lost to the waters - but this is

not the whole story. This collection represents

an extraordinary holistic view of Alaskan fishing:

Not just the dying, but the living; not just the

obsessive doing of fishing, but the passionate

being as well. Readers will understand why so

many are hooked, unwilling or unable to leave

this uncommon life. Collectively, the 15 fisher-

writers in this anthology have fished cod,

halibut, salmon, crab, and herring. Some have

fished commercially for several seasons; others

have spent most of their lives on the water. Included are Moe Bowstern, Michael Crowley, Wendy Erd, Leslie Leyland Fields, Naphtali Fields, Erin Freistrad, Joel Gay, Sig Hansen, Mary Jacobs, Nancy Lord, Marta Sutro, Toby Sullivan, Joe Upton, Spike Walker, and Shannon Zellerhoff.

Contemporary Rorschach Interpretation - J. Reid Meloy 2013-10-31

Appreciation of the beauty and complexity of the human mind when perceiving an ambiguous stimulus led Dr. Hermann Rorschach to develop his scientific method eighty years ago. Full of gratitude for his brief life and work, the editors hope this volume will stand as an idiographic testament to his brilliance for the Rorschach students of the future. The contributors are clearly the most notable Rorschach clinicians in practice, and their work integrates the Comprehensive System and psychoanalytic methods. This book is organized into four sections. Within each of the first three sections -- devoted to psychotic, borderline, and neurotic disorders respectively -- the editors and invited authors have contributed Rorschach case studies which vertically cut a character pathology, personality disorder, or clinical diagnosis through a particular level of personality organization. The last section charts the enormously varied course that Rorschach work can navigate -- from the understanding of a Nobel laureate, the pain of trauma and transexuality, and the Nazi perversion of youth, to the consensus Rorschach in couple's therapy and cutting edge work in neuropsychology.

Cinderella: Hired by the Prince - Marion Lennox 2010-08-01

Struggling cook Jenny works hard hiding her painful past behind fresh-baked muffins. Until a handsome stranger offers her a way out of her drudgery: a job on his yacht. Jenny is drawn in by Ramón, and together they sail into the sunset. It could almost be perfect.... Until Ramón reveals he's not a humble yachtsman but a secret prince—next in line for the throne. What future could a simple small-town Cinderella have with a crown prince?

The Imaginary Lives of Mechanical Men - Randy F. Nelson 2012-10-15

The mechanical men in these stories—Industrial Age holdovers, outsiders wanting for relevance

and respect, or overwhelmed people who confuse the certainties of one reality with the doubts of another—are cut off in some way from contemporary culture. Sometimes in these stories, which Randy F. Nelson calls "thought experiments about values in conflict," the characters are like the Native American prison guard in "Escape": Rifkin thinks that atonement is possible even for fugitive killers. Others are less sanguine. In "Breakers," a corporate hitman arrives on a forgettable island off the African coast. His mission: to shut down a hellish, polluting, ship-demolition business. His nemesis: a lawyer, now gone Heart-of-Darkness crazy, who preceded him years earlier for the same purpose. The bottom drops out in other stories, rearranging all reference points to good and bad, true and false. In "Abduction," for instance, a distraught young woman summons a tabloid reporter to a grubby hotel room, where the now-lifeless alien who had invaded her body lies wrapped in a sheet. Nelson once explained his motivations by alluding to a line in a Gabriel García Márquez story. A crowd of villagers are gazing upon a man, "but even though they were looking at him, there was no room for him in their imagination." "Stories and characters and situations that ask the imagination to accommodate something bigger, further, deeper—that's what I'm after," said Nelson.

The Wind-Up Bird Chronicle - Haruki Murakami 2010-08-11

A "dreamlike and compelling" tour de force (Chicago Tribune)—an astonishingly imaginative detective story, an account of a disintegrating marriage, and an excavation of the buried secrets from Japan's forgotten campaign in Manchuria during World War II. In a Tokyo suburb, a young man named Toru Okada searches for his wife's missing cat—and then for his wife as well—in a netherworld beneath the city's placid surface. As these searches intersect, he encounters a bizarre group of allies and antagonists. Gripping, prophetic, and suffused with comedy and menace, this is one of Haruki Murakami's most acclaimed and beloved novels.

The Thing About Jellyfish - Ali Benjamin 2015-09-22

This stunning debut novel about grief and wonder was an instant New York Times bestseller and captured widespread critical

acclaim, including selection as a 2015 National Book Award finalist! After her best friend dies in a drowning accident, Suzy is convinced that the true cause of the tragedy must have been a rare jellyfish sting--things don't just happen for no reason. Retreating into a silent world of imagination, she crafts a plan to prove her theory--even if it means traveling the globe, alone. Suzy's achingly heartfelt journey explores life, death, the astonishing wonder of the universe...and the potential for love and hope right next door. Oddlot Entertainment has acquired the screen rights to *The Thing About Jellyfish*, with Gigi Pritzker set to produce with Bruna Papandrea and Reese Witherspoon.

Becca by the Book - Laura Jensen Walker 2009-12-22

Adventurous and fun-loving Becca Daniels loves the rush of new experiences and is constantly pushing the envelope—trying everything from extreme sports, to wild hair colors, to skydiving. So when a broken leg grounds her temporarily, Becca doesn't take the interruption well.

Grumpy, restless, and at loose ends, Becca bristles one day when some of her Getaway Girls Book Club friends tease her about being commitment-phobic. To prove them wrong, Becca impulsively promises to accept a date with the next guy who asks her out; and to date him for three months or twenty-five dates—whichever comes first. Unfortunately, the first invitation comes from Ben—too “churchy” and definitely not Becca’s type. Determined to

win the bet, however, the two embark on a hilarious series of dates that plunge the outspoken, purple-haired Becca into a sea of church potlucks and prayer meetings.

Ultimately, the dating experiment opens Becca’s eyes to a new perspective on her life’s purpose and a new understanding of who’s directing her path—an epiphany that could lead to her biggest adventure yet.

Rock Roadie - James "Tappy" Wright 2010-08-31
Rock Roadie takes you on an exclusive all-access tour of more than thirty years on the road with the biggest names in rock 'n' roll. As a roadie for some of the world's greatest music stars, James “Tappy” Wright has seen and done it all. He was there at the beginning when The Animals were formed and when they recorded their anthem, “The House of the Rising Sun.” He was there when an unknown guitarist called Jimi Hendrix played to a handful of listeners in a smoky New York club and the next day, recorded one of his biggest hits, “Hey Joe.” And as tour manager and often close confidante, Tappy has looked after superstar Tina Turner and her fiery husband, Ike, on tour, worked for Gene Vincent, helped to trap an egotistical Little Richard in an elevator, and hung up on Elvis for impersonating . . . Elvis. Packed full of conspiracy theories, truths finally told, and previously unheard anecdotes, Rock Roadie is a gripping and hilarious read that blows open the world of rock 'n' roll in the 1960s, '70s, and '80s, including an explosive revelation about the mysterious circumstances of Hendrix’s death.

CEO's Love Strategy - Xie Yu 2020-03-27

This marriage was very hasty, a child shouldn't be born so easily. She did not know if she liked him, much less who he liked! But then one morning she woke up crying in his arms. He looked deeply at her and asked softly, "Did you have a sad dream?" "I dreamed I lost you!" He held her tighter, running his fingers over the tears at the corners of her eyes. "Don't cry, this is just a dream!" She rubbed her hand against his chest, "But I'm afraid. I'm afraid that I might really lose you in the real world. What should I do then?" He squeezed her cold little hand and said softly, "It doesn't matter, I'll find you!" By then, the purple violets on the balcony were all in full bloom. Ps: purple violet flowery language: in a beautiful dream to fall in love with you.

All the Finest Girls - Alexandra Styron 2009-02-28

Now in paperback, the acclaimed first novel that movingly charts the intersection of two lives, two worlds -- the story of a fierce and untameable young girl, growing up "privileged" in a New England household darkened by her parents' epically unhappy marriage, and the Caribbean nanny who has left her own family a thousand miles behind to live among strangers. At the heart of this vibrant and emotionally searing novel is a tale of finding a sense of belonging in an unexpected place. -- Ideal for reading groups -- with a bound-in reading group guide. A novel sure to spark discussion about parent/child relationships.

[Girl Underwater](#) - Claire Kells 2015-03-31

An adventurous debut novel that cross cuts between a competitive college swimmer's harrowing days in the Rocky Mountains after a major airline disaster and her recovery supported by the two men who love her—only one of whom knows what really happened in the wilderness. Nineteen-year-old Avery Delacorte loves the water. Growing up in Brookline, Massachusetts, she took swim lessons at her community pool and captained the local team; in high school, she raced across bays and sprawling North American lakes. Now a sophomore on her university's nationally ranked team, she struggles under the weight of new expectations but life is otherwise pretty good. Perfect, really. That all changes when Avery's red-eye home for Thanksgiving makes a ditch landing in a mountain lake in the Colorado Rockies. She is one of only five survivors, which includes three little boys and Colin Shea, who happens to be her teammate. Colin is also the only person in Avery's college life who challenged her to swim her own events, to be

her own person—something she refused to do. Instead she's avoided him since the first day of freshman year. But now, faced with sub-zero temperatures, minimal supplies, and the dangers of a forbidding nowhere, Avery and Colin must rely on each other in ways they never could've imagined. In the wilderness, the concept of survival is clear-cut. Simple. In the real world, it's anything but.

Tatler - 1915

Tissue - Sally Berridge 2014-11-24

Tissue is both an autobiography and a comment on the autobiographical process. The first part describes a life lived in four countries: British India, the British colony of Kenya, England and Australia, and the consequences of the end of colonialism for a child that was inadvertently part of it. It also describes a return to Kenya in 2003 to find a lost farm, and a lifelong search for a lost mother and her family in England. The second part of the book looks at some of the ideas around autobiography that may be taken for granted: issues of memory, identity and time, and cultural narratives that may affect the ways in which autobiographies can be written.

[Take a Girl Like You](#) - Kingsley Amis 2015-04-28

Take a Girl Like You may well be Kingsley Amis's most ambitious reckoning with the serious subject at the heart of his work: the sheer squalor—emotional, material, sexual, you name it—of modern life. It also introduces one of the rare unqualified good guys in Amis's rogue-ridden world: Jenny Bunn, a girl from the (English) north country come south to teach school in a small smug town where she hopes to find love and fortune. Jenny is a beauty and men and women are crazy about her, most of all handsome Patrick Standish, who Jenny also likes. But Jenny and Patrick live in a world where it's becoming ridiculously difficult—disastrously difficult—to sort out the claims of sex and the claims of love.
