**Welcome Home!** - Lita Linzer Schwartz 2013-10-08

Examine the pros and cons of nontraditional adoption! Welcome Home! An International and Nontraditional Adoption Reader is an essential guide to the process, pros, and cons of adopting children from outside the United States, with special needs, and/or from a different racial/cultural background. The book documents every aspect of the adoption procedure—from working with “facilitators,” adoption agencies, and attorneys to mixed reactions over a child’s possible loss of heritage as the result of a transracial or multicultural adoption. Parents and adoptees offer unique, firsthand perspectives on the cautions and benefits of nontraditional adoption. Americans adopted more than 20,000 children from other countries in 2001, a number that reflects humanitarian motives, the desire to adopt a child from a specific country, and/or frustration with the domestic adoption system. Including a foreword by United States Representative Ted Strickland, Welcome Home! is a practical resource for anyone thinking of establishing a family or adding to their own. The book provides insight into the adoption process, open adoption, biracial adoption, adopting a special needs child, cultural attitudes, and how to handle an adopted child’s questions in later years. It also addresses specific adoption issues, including: how to verify an agency’s credentials; how an agency negotiates with the birth mother; state and country laws and practices; tax benefits; and expenses, including legal and medical costs; and includes research findings on the Northeast-Northwest Collaborative Adoption Projects (N2CAP) Welcome Home! tells the stories of: Naomi and Fred, an intermarried couple (she’s Jewish, he’s not) who adopted a Greek baby in 1962 “Tina” and “Lee,” a lesbian couple, who adopted a baby from China Marianne, a professor of child and adolescent psychiatry at the University of Lund in Sweden, who adopted babies from Iran and Thailand—several years after her divorce Pamela, a divorced mother of four biological children who has adopted babies from Viet Nam and China All of her biological children Mildred—Pamela’s mother and the children’s grandmother Karen, adoptive mother and national chairperson for Families for Russian and Ukrainian adoption (FRUA) William, adoptive father of miracle sisters from Romania and many more! Welcome Home! is an invaluable source of unusual insight for

psychologists, psychiatrists, marriage and family therapists, adoption agencies, counselors, social workers, attorneys, physicians, academics, and, of course, anyone considering adoption.

**Criminal Law Case Digests** - Atty. DEOGENES NAMBAYAN AGELLON 2021-03-14

A hornbook and textbook – it explains the basics, fundamentals and rudiments of Criminal Law and conjunctively delves further into the legal texts and treatises upon which established precedents on the subject are based, wherewith the book descants the more subtle and perplexing issues and legal principles as pronounced by the High Court in the cases discussed and cited in this work. This volume contains an aggregate of four hundred and forty (440) cases, showing the facts on how the crime was perpetuated, and in plain and easy language the meaning of the legal provisions being discussed, carefully selected and culled from more than a century of Supreme Court decisions. The presentation deviates from the conventional method of article by article sequence of discussion, and instead sunders them into various segments according to the issues posed and the legal doctrines applied and discussed, with review materials – in outline form – on several aoristic and obscure areas interjected between the segments. By the described method of instruction, further guided by the syllabi systematically interwoven with a quick search subject index, thereby modifying the format of the index section to find easy-to-find additional review materials, the readers – the legal researchers, the students of criminal law, the bar and board reviewees and the police officers alike – would find ease in learning and understanding Criminal Law.

*International Women's Rights Cases* - Robyn Emerton 2016-09-17

The last two decades have seen major advances in the legal protection of the human rights of women around the world. A series of international and national court cases has developed an important body of jurisprudence that has been relied on by courts and advocates in many countries to support women's claims for equality and the full enjoyment of human rights and fundamental freedoms. Growing out of a series of judicial colloquia organized by the Commonwealth Secretariat, this compilation brings together a selection of over fifty significant cases from international and national courts. The cases are grouped by theme and presented in full text or edited format. Together they highlight the way in which courts have used international human rights norms and national constitutional standards to contribute to women's equality. A detailed introduction provides a summary of the significance of the cases and references further material available on women's human rights. Cases decided under United Nations human rights treaties, the European and American Conventions on Human Rights and other international instruments, as well as cases decided by national courts in Asia, Africa, Europe, Australasia, and North America are all included. The compilation will be of interest to all those with an interest in the advancement of the human rights of women especially equality advocates, lawyers and judges, scholars and students.

**Bitter Blood** - Jerry Bledsoe 2014-05-18

The “riveting” #1 New York Times bestseller: A true story of three wealthy families and the unbreakable ties of blood (Kirkus Reviews). The first bodies found were those of a feisty millionaire widow and her daughter in their posh Louisville, Kentucky, home. Months later, another wealthy widow and her prominent son and daughter-in-law were found savagely slain in Winston-Salem, North Carolina. Mystified police first suspected a professional in the bizarre gangland-style killings that shattered the quiet tranquility of two well-to-do southern communities. But soon a suspicion grew that turned their focus to family. The Sharps. The Newsoms. The Lynches. The only link between the three families was a beautiful, aristocratic young mother named Susie Sharp Newsom Lynch. Could this former child “princess” and fraternity sweetheart have committed such barbarous crimes? And what about her gun-loving first cousin and lover, Fritz Klenner, son of a nationally renowned doctor? In this tale of three families connected by marriage and murder, of obsessive love and bitter custody battles, Jerry Bledsoe recounts the shocking events that ultimately took nine lives, building to a truly horrifying climax that will leave you stunned. “Recreates . . . one of the most shocking crimes of recent years.” —Publishers Weekly “Absorbing suspense.” —Chicago Tribune “Astonishing . . . Brilliantly chronicled.” —Detroit Free Press “An engrossing southern gothic sure to delight fans of the true-crime genre. Bledsoe maintains the suspense with a sure hand.” —The Charlotte Observer
