Kinesic Magic - Donald Tyson 2020-08-08

Channel the Root Energies of the Universe with an Approach to Magic Unmatched in Elegance and Power Discover a system of magic that you can use to create any ritual, any charm, any spell you need in your life...with no special tools required. Kinesic magic is a new approach to Western magic that uses body postures and hand gestures to channel and utilize the fundamental esoteric forces. This book includes the basic postures and gestures as well as numerous practical exercises to master them. Renowned occultist Donald Tyson also shares a range of complete rituals—from simple to complex—for calling forth the powers of the elements and planets, commanding spirits, healing the body and mind, and more. Magical systems often require the use of tools, altars, jewelry, or other accoutrements. Kinesic magic simply uses twenty-four hand gestures and twenty-four basic postures to invoke, direct, concentrate, project, and banish powerful magical forces. This unique system connects your physical and mental energies with the five elements, the seven planets of traditional astrology, and the twelve signs of the zodiac. This magic of the empty hand can be used anytime, anywhere for remarkable magical results.

Do's and Taboos Around the World - Roger E. Axtell 1985-01-01

Do's and Taboos of Using English Around the World - Roger E. Axtell 1995-04-17

"Roger Axtell is the international Emily Post."-The New Yorker English has become the global language-the dominant language used in international trade, science, technology, and travel. But for most Americans, the potential for linguistic misunderstanding, confusion, and embarrassment when using English with nonnative speakers is greater now than ever. In this essential guide, veteran international businessman and raconteur Roger E. Axtell shows you how to use English successfully in any business or social context-and how to avoid making embarrassing or misleading statements to people who are trying to understand you. Inside you'll find: * Valuable rules for making yourself understood when communicating with people from other cultures * Dozens of amusing anecdotes that illustrate the potential trials and pitfalls of using American English around the world * The important differences between American English and the English spoken in Great Britain, Canada, Australia, and South Africa * Helpful advice on using interpreters and translators * Special sections on communicating in English with speakers of other languages, including Japanese, German, French, and Italian * Tips on telephone conversation and dangerous cognates

Recurrent Gestures of Hausa Speakers - Izabela Will 2021-11-15

This book presents a repertoire of conventionalized co-speech gestures used by Hausa speakers from northern Nigeria.

Essential Do's and Taboos - Roger E. Axtell 2007-09-10

"Roger Axtell is an internationalist Emily Post." --The New Yorker International business and leisure travel etiquette expert Roger Axtell's bestselling Do's and Taboos books have helped hundreds of thousands of business travelers and tourists avoid the missteps and misunderstandings the world traveler can encounter. In Essential Do's and Taboos, Axtell shares the wisdom he has compiled over a lifetime of

international experience. Whether you need to know the best time of year to set up a business meeting in Germany or why the O.K. sign is not O.K. in Brazil, you'll find practical, fascinating, culture-savvy, up-to-date advice to help you steer clear of faux pas and face the world with confidence. Essential Do's and Taboos features: * Information on customs, protocol, etiquette, hand gestures, and body language * Fresh advice regarding Internet business and communication options * Country-specific chapters on eleven popular locations--from old favorites like England, France, Japan, and Germany to hot tourist destinations and emerging economies like India, China, Russia, and Mexico * Guidance on hosting international visitors * Important tips on using English around the world * Special do's and taboos for women traveling abroad
Do's and Taboos Around the World - Roger E. Axtell 1990-02-21
When does a nod mean ``no''? In what countries is a handshake an insult? Where is the gift of a clock or watch considered the ``kiss of death''? In a lively blend of tips, facts, and cautionary tales, this fascinating guide tells travellers how to dress, exchange gifts, deal with unusual food, pronounce names, and interpret body language in 96 countries. Revised and updated, the Second Edition of this informative and fun-to-read guide remains the standard reference to good etiquette around the world.

The Cambridge Handbook of Sociopragmatics - Michael Haugh 2021-04-22

Sociopragmatics is a rapidly growing field and this is the first ever handbook dedicated to this exciting area of study. Bringing together an international team of leading editors and contributors, it provides a comprehensive, cutting-edge overview of the key concepts, topics, settings and methodologies involved in sociopragmatic research. The chapters are organised in a systematic fashion, and span a wide range of theoretical research on how language communicates multiple meanings in context, how it influences our daily interactions and relationships with others, and how it helps construct our social worlds. Providing insight into a fascinating array of phenomena and novel research directions, the Handbook is not only relevant to experts of pragmatics but to any reader

with an interest in language and its use in different contexts, including researchers in sociology, anthropology and communication, and students of applied linguistics and related areas, as well as professional practitioners in communication research.

Dictionary of Gestures - Francois Caradec 2018-11-27

An illustrated guide to more than 850 gestures and their meanings around the world, from a nod of the head to a click of the heels. Gestures convey meaning with a flourish. A vigorous nod of the head, a bold jut of the chin, an enthusiastic thumbs-up: all speak louder than words. Yet the same gesture may have different meanings in different parts of the world. What Americans understand as the "A-OK gesture," for example, is an obscene insult in the Arab world. This volume is the reference book we didn't know we needed—an illustrated dictionary of 850 gestures and their meanings around the world. It catalogs voluntary gestures made to communicate openly—as distinct from sign language, dance moves, involuntary "tells," or secret handshakes—and explains what the gesture conveys in a variety of locations. It is organized by body part, from top to bottom, from head (nodding, shaking, turning) to foot (scraping, kicking, playing footsie). We learn that "to oscillate the head while gently throwing it back" communicates approval in some countries even though it resembles the headshake of disapproval used in other countries; that "to tap a slightly inflated cheek" constitutes an erotic invitation when accompanied by a wink; that the middle finger pointed in the air signifies approval in South America. We may already know that it is a grave insult in the Middle East and Asia to display the sole of one's shoe, but perhaps not that motorcyclists sometimes greet each other by raising a foot. Illustrated with clever line drawings and documented with quotations from literature (the author, François Caradec, was a distinguished and prolific historian of literature, culture, and humorous oddities, as well as a novelist and poet), this dictionary offers readers unique lessons in polylingual meaning.

Body Ritual Among the Nacirema - Horace Miner 1993-08-01

What Your Body Says (And How to Master the Message) - Sharon

Sayler 2011-01-06

Train your body to communicate with confidence and clarity-have your body match what your mouth says... The popular phrase "leading from influence" takes for granted that influence derives chiefly from verbal communication. However, communication is about more than words. To get to the next level in your career, you must communicate with your entire self. What Your Body Says gives you the straight-up "how-to" on unifying what you say with what you do, allowing you to better connect with other people and reach your full leadership potential. It gives you a clear and simple process to follow, all drawn from an intense study of how language impacts people's lives and emotions. Filled with useful tools, strategies, and techniques, this book gives you the key to Speak intelligently while looking smart, engaging and real Deliver unpleasant messages without pain or guilt Having a committee meeting and getting something done And more Written by Sharon Sayler, a highly accomplished expert in marketing, presentations, and body language, What Your Body Says is the only guide you need to achieve the competitive edge in your personal and business communication style.

Convention Tourism - Kaye Sung Chon 2014-05-22

Stay up to date on international trends in convention tourism!

Convention Tourism: International Research and Industry Perspectives is a thorough analysis of the industry's key markets, combining insightful articles with detailed case studies. Equally valuable as a professional handbook, research reference guide, and textbook, this comprehensive book includes an account of the history of convention tourism and its economic contributions, marketing and human resources analyses, global and regional developments, and research issues and challenges.

Convention Tourism addresses issues critical to the three key regions of the convention and meeting industry--North America, Europe, and Asia-Pacific. The book features a wide range of material from the top educators around the world, reflecting an international perspective befitting the industry's growing trend toward globalization. Convention Tourism also presents in-depth studies that focus on the United States, the Mediterranean, Australia, and Korea, and takes a look ahead at likely

business, technological, and social trends that are likely to affect the convention industry in the coming years. Convention Tourism also examines: proposed economic impact assessment framework regional planning and development initiatives education and training programs from industry associations and universities research resources international meeting management As more and more international sites compete with traditional markets for lucrative convention contracts, it is crucial that professionals, researchers, and academics have a global understanding of the industry's past, present, and future. Convention Tourism is an essential overview of the most important element of the business tourism industry.

Communication Between Cultures - Larry A. Samovar 2016-01-01

Packed with current research and examples, bestselling COMMUNICATION BETWEEN CULTURES, 9E equips readers with a deep understanding and appreciation of different cultures while helping them develop practical communication skills. Part I introduces the study of communication and culture; Part II focuses on the ability of culture to shape and modify our view of reality; Part III puts the theory of intercultural communication into practice; and Part IV converts knowledge into action. This is the only text to consistently emphasize religion and history as key variables in intercultural communication. Compelling examples help readers examine their own assumptions, perceptions, and cultural biases--so they can understand the subtle and profound ways culture affects communication. The ninth edition offers expanded discussions of the impact of globalization, a new chapter on intercultural communication competence, and more coverage of new technology. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Purity and Danger - Professor Mary Douglas 2013-06-17

Purity and Danger is acknowledged as a modern masterpiece of anthropology. It is widely cited in non-anthropological works and gave rise to a body of application, rebuttal and development within anthropology. In 1995 the book was included among the Times Literary

Supplement's hundred most influential non-fiction works since WWII. Incorporating the philosophy of religion and science and a generally holistic approach to classification, Douglas demonstrates the relevance of anthropological enquiries to an audience outside her immediate academic circle. She offers an approach to understanding rules of purity by examining what is considered unclean in various cultures. She sheds light on the symbolism of what is considered clean and dirty in relation to order in secular and religious, modern and primitive life.

The Art Of Seduction - Robert Greene 2010-09-03

Which sort of seducer could you be? Siren? Rake? Cold Coquette? Star? Comedian? Charismatic? Or Saint? This book will show you which. Charm, persuasion, the ability to create illusions: these are some of the many dazzling gifts of the Seducer, the compelling figure who is able to manipulate, mislead and give pleasure all at once. When raised to the level of art, seduction, an indirect and subtle form of power, has toppled empires, won elections and enslaved great minds. In this beautiful, sensually designed book, Greene unearths the two sides of seduction: the characters and the process. Discover who you, or your pursuer, most resembles. Learn, too, the pitfalls of the anti-Seducer. Immerse yourself in the twenty-four manoeuvres and strategies of the seductive process, the ritual by which a seducer gains mastery over their target. Understand how to 'Choose the Right Victim', 'Appear to Be an Object of Desire' and 'Confuse Desire and Reality'. In addition, Greene provides instruction on how to identify victims by type. Each fascinating character and each cunning tactic demonstrates a fundamental truth about who we are, and the targets we've become - or hope to win over. The Art of Seduction is an indispensable primer on the essence of one of history's greatest weapons and the ultimate power trip. From the internationally bestselling author of The 48 Laws of Power, Mastery, and The 33 Strategies Of War.

Do's and Taboos Around The World - Roger E. Axtell 1993-08-30

The ultimate guide to international behavior.now completely updated and expanded! Do's and Taboos Around the World 3rd Edition "Roger Axtell is an international Emily Post." --The New Yorker "Can help you make

friends [and] avoid travel trouble." --BusinessWeek "Helpful.fun to read."

Sales Management - Earl D. Honeycutt 2003

Designed to prepare upper-level undergraduate and graduate business students for work in the exciting field of global sales management, this text focuses upon the managerial and cross-cultural aspects necessary for leading the global sales force.

[Communication Disorders in Multicultural Populations - E-Book](#) - Dolores E. Battle 2012-05-14

Written by some of the top researchers and clinicians in the field, *Communication Disorders in Multicultural Populations*, 4th Edition offers an in-depth look at the major cultural groups in the U.S. and the issues concerning their communication development, common disorders, and treatment options. This fourth edition features a wealth of updates and new features — including the latest research and added coverage of communication issues in countries such as Australia, China, Canada, and Brazil — to give speech-language pathology students and speech-language pathologists a balanced and global perspective on the most topical multicultural communication issues of today. Comprehensive coverage focuses on a wide variety of cultural and age populations. Cutting-edge research and data offer up-to-date discussions based on the

latest studies in multiculturalism as it relates to the SLP and AuD professions. Diverse panel of expert authors include some of the top researchers and clinicians in the field. Additional resources provide a focused listing of print and electronic sources at the end of each chapter to support more in-depth study of a particular subject. Chapter on international perspectives tackles issues in countries such as Australia, Canada, China, and Brazil to give you a more global understanding of communication disorders. The latest statistics from the 2010 U.S. Census report offers the most current data available. Increased content on older adults covers the multicultural issues, voice disorders, and neurogenic disorders particular to this important demographic. Case studies give you practice solving realistic clinical problems. Chapter overview and conclusion outline the key information in each chapter and serve as a checklist for content mastery.

Do's and Don'ts in Thailand - Kenny Yee 2002-10-30

This book help the reader better understand Thai society as a whole and not to belittle anyone or any social norms of any culture. It also highlights those aspects of Thai culture and general situations that one is likely to encounter. It should prove useful to all new visitors who are not really conversant with the plurality of Thai society.

When Cultures Collide, Third Edition - Richard Lewis 2010-11-26

The classic work that revolutionized the way business is conducted across cultures around the world.

[Bodytalk](#) - Desmond Morris 2015-02-26

The first book to bring together the many different everyday gestures that are used all over the world. Desmond Morris has travelled to over 60 countries while making field studies of human body language, and made notes of hand gestures and facial expressions. The result is a fascinating reference book of over 600 different gestures from Europe, the Middle East, North & South America and the Far East. The book is arranged alphabetically under the part of the body used with Meaning, Action, Background and Locality and each gesture is illustrated with a line drawing. *The World Guide to Gestures* complements Desmond Morris's bestsellers *Manwatching* and *Bodywatching*.

A Different Kind of Animal - Robert Boyd 2019-11-19

"Human beings are a very different kind of animal. We have evolved to become the most dominant species on Earth. We have a larger geographical range and process more energy than any other creature alive. This astonishing transformation is usually explained in terms of cognitive ability--people are just smarter than all the rest. But in this compelling book, Robert Boyd argues that culture--our ability to learn from each other--has been the essential ingredient of our remarkable success. A Different Kind of Animal demonstrates that while people are smart, we are not nearly smart enough to have solved the vast array of problems that confronted our species as it spread across the globe. Over the past two million years, culture has evolved to enable human populations to accumulate superb local adaptations that no individual could ever have invented on their own. It has also made possible the evolution of social norms that allow humans to make common cause with large groups of unrelated individuals, a kind of society not seen anywhere else in nature. This unique combination of cultural adaptation and large-scale cooperation has transformed our species and assured our survival--making us the different kind of animal we are today. Based on the Tanner Lectures delivered at Princeton University, A Different Kind of Animal features challenging responses by biologist H. Allen Orr, philosopher Kim Sterelny, economist Paul Seabright, and evolutionary anthropologist Ruth Mace, as well as an introduction by Stephen Macedo."--

Gestures We Live By - Lluís Payrató 2019-12-16

This book examines emblems (or emblematic gestures) from a pragmatic view, that is to say, as autonomous gestures that fulfill communicative functions, embody illocutionary values, and act as signals of cognitive relevance. Emblems are conceived as multimodal tools on the frontier between verbal and nonverbal modes, and are part of the communicative repertoire of individuals and sociocultural groups. Emblems constitute clear cases of embodiment and are susceptible to many processes of metaphorization (contrasting or not with verbal metaphors), metonymy, and interference between modalities. The applications of emblematic

analysis are numerous, from lexicography to second language learning, or to natural language processing.

Guide to Getting it On! - Paul Joannides 2000

Covers many aspects of adult human sexuality, with a brief historical and educational overview of the body and detailed descriptions of various techniques, acts, and fantasies.

Communication Skills for the Healthcare Professional, Enhanced Edition - Laurie Kelly McCorry 2020-06-08

Gestures - Roger E. Axtell 1998

Lists and illustrates gestures and explains their meanings in eighty-two countries around the world, along with information about rules of decorum and when to make eye contact and touch

The Definitive Book of Body Language - Barbara Pease 2008-11-12

Available for the first time in the United States, this international bestseller reveals the secrets of nonverbal communication to give you confidence and control in any face-to-face encounter—from making a great first impression and acing a job interview to finding the right partner. It is a scientific fact that people's gestures give away their true intentions. Yet most of us don't know how to read body language— and don't realize how our own physical movements speak to others. Now the world's foremost experts on the subject share their techniques for reading body language signals to achieve success in every area of life. Drawing upon more than thirty years in the field, as well as cutting-edge research from evolutionary biology, psychology, and medical technologies that demonstrate what happens in the brain, the authors examine each component of body language and give you the basic vocabulary to read attitudes and emotions through behavior. Discover:

- How palms and handshakes are used to gain control
- The most common gestures of liars
- How the legs reveal what the mind wants to do
- The most common male and female courtship gestures and signals
- The secret signals of cigarettes, glasses, and makeup
- The magic of

smiles—including smiling advice for women • How to use nonverbal cues and signals to communicate more effectively and get the reactions you want Filled with fascinating insights, humorous observations, and simple strategies that you can apply to any situation, this intriguing book will enrich your communication with and understanding of others—as well as yourself.

Do's and Taboos of Humor Around the World - Roger E. Axtell 1999
Provides anecdotes and advice for businessmen and women about the proper use of humor in international business

I Can Read You Like a Book - Gregory Hartley 2008-08-21

I can read you like a book: how to spot the messages and emotions people are really sending with their body language.

The Spell of the Sensuous - David Abram 2012-10-17

Winner of the International Lannan Literary Award for Nonfiction Animal tracks, word magic, the speech of stones, the power of letters, and the taste of the wind all figure prominently in this intellectual tour de force that returns us to our senses and to the sensuous terrain that sustains us. This major work of ecological philosophy startles the senses out of habitual ways of perception. For a thousand generations, human beings viewed themselves as part of the wider community of nature, and they carried on active relationships not only with other people with other animals, plants, and natural objects (including mountains, rivers, winds, and weather patters) that we have only lately come to think of as "inanimate." How, then, did humans come to sever their ancient reciprocity with the natural world? What will it take for us to recover a sustaining relation with the breathing earth? In *The Spell of the Sensuous* David Abram draws on sources as diverse as the philosophy of Merleau-Ponty, Balinese shamanism, Apache storytelling, and his own experience as an accomplished sleight-of-hand of magician to reveal the subtle dependence of human cognition on the natural environment. He explores the character of perception and excavates the sensual foundations of language, which—even at its most abstract—echoes the calls and cries of the earth. On every page of this lyrical work, Abram weaves his arguments with a passion, a precision, and an intellectual

daring that recall such writers as Loren Eiseley, Annie Dillard, and Barry Lopez.

What Every BODY is Saying - Joe Navarro 2009-10-13

Joe Navarro, a former FBI counterintelligence officer and a recognized expert on nonverbal behavior, explains how to "speed-read" people: decode sentiments and behaviors, avoid hidden pitfalls, and look for deceptive behaviors. You'll also learn how your body language can influence what your boss, family, friends, and strangers think of you. Read this book and send your nonverbal intelligence soaring. You will discover: The ancient survival instincts that drive body language Why the face is the least likely place to gauge a person's true feelings What thumbs, feet, and eyelids reveal about moods and motives The most powerful behaviors that reveal our confidence and true sentiments Simple nonverbals that instantly establish trust Simple nonverbals that instantly communicate authority Filled with examples from Navarro's professional experience, this definitive book offers a powerful new way to navigate your world.

Multicultural Manners - Norine Dresser 2005-07-29

Both highly informative and entertaining, *Multicultural Manners* gives readers the understanding they need, the perfect words to say, and the correct behavior to use in a wide range of cross-cultural situations. This incisive and award-winning guide to etiquette features completely updated etiquette guidelines with special emphasis on post-September 11 culture clashes as well as a brand-new section that demystifies unfamiliar cultures in the news. Norine Dresser identifies key cross-cultural hot spots and suggests methods that foster respect for diversity. Readers will discover the dos and don'ts of successful business and social interaction, detailed tips on avoiding embarrassment in a variety of social settings, amusing firsthand accounts of cultural gaffes, a breakdown of customs, religions, languages, and ethnicities for seventy different countries, and appropriate etiquette for innumerable settings.

Intercultural Communication - Tracy Novinger 2013-05-01

Successfully communicating with people from another culture requires learning more than just their language. While fumbling a word or phrase

may cause embarrassment, breaking the unspoken cultural rules that govern personal interactions can spell disaster for businesspeople, travelers, and indeed anyone who communicates across cultural boundaries. To help you avoid such damaging gaffes, Tracy Novinger has compiled this authoritative, practical guide for deciphering and following "the rules" that govern cultures, demonstrating how these rules apply to the communication issues that exist between the United States and Mexico. Novinger begins by explaining how a major proportion of communication within a culture occurs nonverbally through behavior and manners, shared attitudes, common expectations, and so on. Then, using real-life examples and anecdotes, she pinpoints the commonly occurring obstacles to communication that can arise when cultures differ in their communication techniques. She shows how these obstacles come into play in contacts between the U.S. and Mexico and demonstrates that mastering the unspoken rules of Mexican culture is a key to cementing business and social relationships. Novinger concludes with nine effective, reliable principles for successfully communicating across cultures.

The Impulse to Gesture - Simon Harrison 2018-08-31

Gestures are central to the way people use language when they interact. This book places our impulse to gesture at the very heart of linguistic structure: grammar. Based on the phenomenon of negation - a linguistic universal with clear grammatical and gestural manifestations - Simon Harrison argues that linguistic concepts are fundamentally multi modal and shows how they lead to recurrent bindings between grammar and gesture when people speak. Studying how speakers express negation multi modally in a range of social and professional contexts, Harrison explores how and when people gesture, what people achieve linguistically and discursively with their gestures, and why we find similar uses of gesture in different languages (including spoken and signed language). Establishing the inseparability of grammar and gesture, this book is an important reference for any researcher interested in the relation between language, gesture, and cognition.

Easy Beauty - Chloé Cooper Jones 2022-04-05

"Gorgeous, vividly alive." —The New York Times "Soul-stretching,

breathtaking...A game-changing gift to readers." —Booklist (starred review) From Chloé Cooper Jones—Pulitzer Prize finalist, philosophy professor, Whiting Creative Nonfiction Grant recipient—an "exquisite" (Oprah Daily) and groundbreaking memoir about disability, motherhood, and the search of a new way of seeing and being seen. "I am in a bar in Brooklyn, listening to two men, my friends, discuss whether my life is worth living." So begins Chloé Cooper Jones's bold, revealing account of moving through the world in a body that looks different than most. Jones learned early on to factor "pain calculations" into every plan, every situation. Born with a rare congenital condition called sacral agenesis which affects both her stature and gait, her pain is physical. But there is also the pain of being judged and pitied for her appearance, of being dismissed as "less than." The way she has been seen—or not seen—has informed her lens on the world her entire life. She resisted this reality by excelling academically and retreating to "the neutral room in her mind" until it passed. But after unexpectedly becoming a mother (in violation of unspoken social taboos about the disabled body), something in her shifts, and Jones sets off on a journey across the globe, reclaiming the spaces she'd been denied, and denied herself. From the bars and domestic spaces of her life in Brooklyn to sculpture gardens in Rome; from film festivals in Utah to a Beyoncé concert in Milan; from a tennis tournament in California to the Killing Fields of Phnom Penh, Jones weaves memory, observation, experience, and aesthetic philosophy to probe the myths underlying our standards of beauty and desirability and interrogates her own complicity in upholding those myths. "Bold, honest, and superbly well-written" (Andre Aciman, author of *Call Me By Your Name*) *Easy Beauty* is the rare memoir that has the power to make you see the world, and your place in it, with new eyes.

The Do's and Taboos of Hosting International Visitors - Roger E. Axtell 1990-04-13

Offers hosts an indispensable guide to entertaining and business protocol for visitors from specific countries along with guidance for doing business with special groups, such as the British and Japanese.

Do's and Taboos of Public Speaking - Roger E. Axtell 1992-08-14

Develop your powers of public persuasion with the ultimate guide to great speeches and business presentations. Do you get tongue-tied at the mere thought of speaking in public? Would you rather swim with sharks or undergo a tax audit than face an audience? Well, you're not alone. According to the Book of Lists' list of humans' greatest fears, the fear of death is our fourth greatest fear, while fear of public speaking commands a solid first place. Now from Roger E. Axtell, one of America's most accomplished public speakers, here's a book guaranteed to turn even the most stage-shy mumbler into a great communicator. Geared primarily, but not exclusively, for business people, this amusing and informative guide can show you how to possess the powers of public persuasion you've always dreamed of having. Whether it's making a pitch to the board of directors, or prepping the sales force, stating your case to the town council, or being interviewed on live TV, *Do's and Taboos of Public Speaking* can help you to be an intelligent, articulate, confident, and likable presence in front of any audience you'll ever face. * Surefire techniques for controlling fear, preparing for and organizing a business presentation or speech, using body language and humor, getting the most out of audio and audio/visual equipment, speaking in front of the camera, and much, much more * Helpful hints from successful business speakers and such greats as Winston Churchill, Lee Iacocca, Red Barber, Roger Ailes, and Charles Osgood * Special chapters on humor and roasts, speaking internationally, and even how to become a professional speaker
