Vogue - 1959

At the Table of Want - Larry Kimport 2009

Much scarred orphan, Truman Kramer, having joined the Peace Corps, is assigned to a small Malaysian community, serving an assemblage of all-but-forgotten handicapped children. Truman, never having kissed a girl, becomes involved with an unloved, married woman; a shopkeeper's wife craving anything of her own. As his service wanes, mired in earnestness and deceit, his lover's husband discovers his wife's affair. Torn with remorse, young Truman acts, plumbing the depths of love, and our need to attach ourselves to other human beings.

Pleasure Of Hell - Warren E. Henderson
2011-03-17

There has been many horror stories told, many horror stories written, and many horror movies made. But none has ever been or will ever be as horrible as the horror story, PLEASURE OF HELL. The most horrible horror story ever written. Said to be too horrible for the human mind. A horror story from a soul for sure who had to visit hell to even write a story so horrible. Pleasure of Hell will remain in your conscious mind for many years to come. It will stalk and linger in your subconscious mind for eternity.

El Dorado - B. Palma 2012-02-02

Three years have passed since that magical year when the young Palo Alto friends found the tunnel under the Hacienda Palo Alto ruins and discovered the ancient Tarascan tomb in the cavern. (Narrated in the first five books of the

Palo Alto adventure series.

www.paloalto-bilingual-adventures.com.) With the money from the lost treasure and from the gold found at the Santa Fe, NM, ranch, the Hacienda has been rebuilt and the new world-class equestrian center is rapidly becoming known among equestrians throughout the world. The Palma family, ancestral owners of the Hacienda, proudly feel that they have restored the family's importance to the level it had since the times of the earliest Colonial Spanish Viceroy's in Mexico. The four friends have separated; Juanita Reyes and Leora Hunter have just finished their first year of High School; Juanita in Morelia, Michoacan and Leora in Virginia. Rafael Palma and Pedro Hernandez are graduating from different High Schools in Mexico City. The horses are thriving and El Dorado, Juanita's favorite, has grown from the tiny foal she found into a magnificent Spanish stallion,

Kitty Genovese - Catherine Pelonero 2016-03-15
A New York Times bestseller! Written in a flowing narrative style, Kitty Genovese: A True Account of a Public Murder and Its Private Consequences presents the story of the horrific and infamous murder of Kitty Genovese, a young woman stalked and stabbed on the street where she lived in Queens, New York, in 1964. The case sparked national outrage when the New York Times revealed that dozens of witnesses had seen or heard the attacks on Kitty Genovese and her struggle to reach safety but had failed to come to her aid—or even call police until after

the killer had fled. This book, first published in 2014 and now with a new afterword, cuts through misinformation and conjecture to present a definitive portrait of the crime, the aftermath, and the people involved. Based on six years of research, Catherine Pelonero's book presents the facts from police reports, archival material, court documents, and firsthand interviews. Pelonero offers a personal look at Kitty Genovese, an ambitious young woman viciously struck down in the prime of her life; Winston Moseley, the killer who led a double life as a responsible family-man by day and a deadly predator by night; the consequences for a community condemned; and others touched by the tragedy. Beyond just a true-crime story, the book embodies much larger themes: the phenomenon of bystander inaction, the evolution of a serial killer, and the fears and injustices spawned by the stark prejudices of an era, many of which linger to this day.

The Fall of Faith - Jeff Berney 2022-10-28

How strong is your faith? "The Fall of Faith" is a gritty domestic thriller about love, faith and the consequences of doing whatever it takes to survive. The book follows Jimmy, a trucker on his last run who has nothing to go home to. When his truck breaks down in Eden, Missouri, Jimmy learns the hard way that the small town is nothing like its biblical namesake. And he soon finds himself falling in love with a local woman as danger closes in on him from every angle. Will he find love at long last? Will he make it out of Eden alive? Or will he lose his life along with his faith? Faith comes in many forms. It can take years to find and seconds to lose. And nothing, not money nor even morality, can help you hold onto it once it begins to slip away. How far would you be willing to go to regain your faith in something bigger than yourself? That's the question a cast of crazy, colorful characters confronts as Jimmy, a lost trucker, seeks redemption after a chance encounter with a stripper whose seductive secret threatens to unravel a town full of sin and deeply buried lies.

Metric Pattern Cutting for Women's Wear - Winifred Aldrich 2009-03-16

Downloaded from
omahafoodtruckassociation.org on by

Metric Pattern Cutting for Women's Wear, first published in 1975, provides a straightforward introductory book for students beginning courses in flat pattern cutting. This fifth edition continues to offer an introduction to the principles of pattern cutting, with a range of good basic blocks and examples of their application to garments. New for this edition is the inclusion of colour to help students recognize the different sections of the book and to enhance the garment illustrations? Colour illustrations also offer a new dimension to the updated material on computer-aided design and the CAD chapter now provides students with a clear guide to the technology. The size charts have been revised to reflect the changes in body sizing, the co-ordination with European size charts and to the way that clothes are now marketed to different sectors. The great expansion of casual wear has led to the growth of 'flat cutting' with no darting, and the section devoted to this type of cutting has been further expanded. This best-selling textbook with its tried-and-tested presentation of authoritative text and clear diagrams remains the essential purchase for students of fashion and design.

Three Messy Girlfriends in Frankfurt 3 - Danny Niceblouse 2022-01-06

Second continuation of the captivating story about three female friends who together live out their Wet and Messy Fetish increasingly intensively, combining more and more the desire for exclusive fragrances, excessive styling, and their luxury bodies with the allure of deliberately destroying the highest-quality garments. A Coming of Age Novel of a very special kind, which takes up and presents ever new and explicit forms of Wet and Messy play.

THE KILLER'S HANDBOOK - Robert P. Maroney 2013-12-05

In this second book in the series, retired detective Nicholas Pearce is struggling to return after recovering from a near-fatal knife attack. Although the problem is more mental than physical, the choice is made for him as he finds himself thrust into two perplexing cases. Two young college girls, abducted in Louisville, Kentucky, are discovered floating in the Kanawha River near Montgomery, West Virginia. The next day, another girl is abducted, but this one is from the local area. Nick and FBI Agent

Addie Curtis team up once again trying to save a life and find the killer before time runs out. During the investigation, Nick discovers a serial killer, known only as Reaper, who is bragging about his murders online. Pedophiles are being targeted in several states, but no one is connecting the murders, and even Nick is skeptical that Reaper's claims are genuine. But when Reaper authors an online murder manual, titled, *The Killer's Handbook*, Nick realizes it has gone too far. People are using the handbook to kill and Reaper is quickly becoming an underground Internet sensation. Nick knows he must be stopped, but how? Filled with interesting characters, absorbing dialogue, and disturbing events, *The Killer's Handbook* will keep you guessing until the very end.

Necroscope: Defilers - Brian Lumley 2011-04-01

Packed with hideous nightmares, walking corpses, last-minute escapes, blood-sucking ghouls, and even true love, *Necroscope: Defilers* will more than satisfy any Brian Lumley fan! Jake Cutter is reluctantly learning how to be a Necroscope--how to use the Mobius continuum to travel instantaneously from place to place, how to talk to the dead--but dead humans don't like him much. It seems Jake's got a hitchhiker named Korath. Since Korath holds the key to the Mobius equations, Jake can't just kick him out . . . though he's certainly trying. Jake's not sure he really wants to be a member of E-Branch, the supersecret ESP-powered organization that's dedicated to eradicating the vampire infestation of Earth. To the freewheeling, passionate Jake, the E-Branchers seem a little stuffy and hidebound--except for the lovely Liz, whom Jake wants to get to know better, body and mind. But Liz is a telepath, and if Jake's not careful, she'll find out about Korath. And that will likely be the end of Jake Cutter. In Australia, Jake helped E-Branch destroy the aerie of the mind-master , Nephtam Malinari, one of a trio of Great Vampires who came to Earth from the vampire world. Malinari escaped and went to ground with the hideously beautiful Lady Vavara. Vavara has taken over a holy monastery on a beautiful Greek island and turned the nuns into most unholy creature with fearsome appetites for all things carnal. Jake wants revenge against the Italian mobsters who killed the woman he loved

and nearly killed him. As far as he's concerned, E-Branch can search for Malinari, Vavara, and the metamorphic Lord Szwart without him until he's satisfied his own bloodlust. But it seems vampire hunting is truly Jake's job now--the men he's trying to kill aren't men at all, but vampire spawn, hidden for two generations in human guise! To defeat them, Jake will need every weapon in a Necroscope's arsenal, including the power to all the unsleeping dead out of their moldering graves. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Unto the Least of These... - Douglas Alan
2020-02-27

Blue-Skinned Gods - SJ Sindu 2021-11-02

From the award-winning author of *Marriage of a Thousand Lies* comes a brilliantly written, globe-spanning novel about identity, faith, family, and sexuality. In Tamil Nadu, India, a boy is born with blue skin. His father sets up an ashram, and the family makes a living off of the pilgrims who seek the child's blessings and miracles, believing young Kalki to be the tenth human incarnation of the Hindu god Vishnu. In Kalki's tenth year, he is confronted with three trials that will test his power and prove his divine status and, his father tells him, spread his fame worldwide. While he seems to pass them, Kalki begins to question his divinity. Over the next decade, his family unravels, and every relationship he relied on—father, mother, aunt, uncle, cousin—starts falling apart. Traveling from India to the underground rock scene of New York City, *Blue-Skinned Gods* explores ethnic, gender, and sexual identities, and spans continents and faiths, in an expansive and heartfelt look at the need for belief in our globally interconnected world.

Classified - G.T. Engelke 2000-05-25
H4Detective William H. Ryan leads the detective

squad that is placed on the front lines to solve high visibility multiple murders. Murders that involve the excessive use of phlebotomy, the practice of opening one's veins to draw out the blood, and truculent and sexual torture. Their investigation and search intertwine and draw members of Ryan's family, organized crime, and the love of his life into the fray. The killer is smart, rich, and immutable in his quest to satisfy his unquenchable desire to kill and enjoy the pain and suffering he inflicts. Detective William H. Ryan is drawn, pulled, pushed and driven through levels of emotion that he never believed existed. His skills, abilities, and multiple avenues of information gathering are stretched to their limits. The involvement, and the unknown inter-workings, of organized crime interwoven with the hard-working Detective Division of a big city police force, offer some level of understanding of the complexities of finding the guilty. They all are striving to reach this one goal, with different conclusions in mind, and in their efforts offer some insight into the complex worlds that one must pass through to attain this goal. The investigation of all that confronts Detective Ryan takes one through many strange twists and turns and visits many dark places. Places that only excessive emotion can create, and/or cause to develop, places that are sometimes better left unvisited, investigated or disturbed.

Trace Evidence - Bruce Henderson 2018-12-12
The #1 New York Times bestselling true crime author presents “a solid, compelling account of that most vicious of criminals, the random serial killer” (Library Journal). Through the 1970s and 80s, a dangerous serial killer stalked Northern California along Interstate 5. Dubbed the I-5 Strangler, Roger Kibbe was incredibly skilled at staying ahead of investigators as his victim count rose. Even after he was identified, there wasn't enough evidence to charge him with murder. Instead, investigators had to build their murder case over the course of months while Kibbe was locked up on an assault conviction. Drawing on hundreds of hours of exclusive interviews with key investigators, as well as other important figures such as the Kibbe's reclusive wife, #1 New York Times bestselling author Bruce Henderson builds a fascinating portrait of this unrepentant murderer. “Trace Evidence is a gripping, fast-paced account of what it takes to capture and make a winnable case against an elusive serial killer.” —Vincent Bugliosi, author of *Helter Skelter* “A masterful job...Lusciously detailed and immensely readable.”—Booklist

The Last Mile - Tim Waggoner 2017-12-31
All Dan wanted was to be a good husband and father, to provide for his wife and daughter, to keep them fed, warm, and safe. But then the malevolent godlike beings called the Masters arrived, and their darkness spread across the world, reshaping it into a twisted realm of savagery and madness. In exchange for his family's protection, Dan now serves one of these alien gods, obtaining human sacrifices to feed his Master's eternal hunger. Like so many people since the world changed, Alice has had to

do unspeakable things to survive. Unfortunately for her, she's Dan's choice for his next sacrifice. Now Dan drives along the shattered remnants of an old-world highway, headed for his Master's lair, Alice bound hand and foot in the back seat of his car. Dan may not like what he's become, but he'll do whatever it takes to protect his loved ones. Alice doesn't intend to relinquish her life so easily, though, and she plans to escape, no matter the cost. But in the World After, everything—animals, plants, even the land itself—has become a predator, and the journey to the Master's lair is an almost guaranteed suicide run. But Dan won't give up, and he won't stop fighting. Not until he makes it through the Last Mile.

Black Masque - Anthony Stewart

Come Out and Play - Elliot Silvestri 2022-10-14

I got sucked into Ms. Daggett's influence because I was young and stupid and had an overabundance of lust and a shortage of common sense. Worse, I had a thing for older women. Even worse, I let my weaknesses result in losing my job and dignity. That was fine because I then encountered Ms. Daggett, she took me in hand and put me on a short leash. I was her caged possession. It was everything I wanted...until it wasn't. And then I just wanted it more. This is a 60,000 word erotic novella that contains explicit sex and sexual descriptions. It focuses on explicit sex, sex between adults of significant age difference, a femme domme submissive male cuckolding relationship, bisexuality, male chastity, risky sex, sexual domination, complicated sexual relationships, and other sexually explicit themes and language that not all members of the public will enjoy. All characters are 18 or older. Originally published in 6 parts. Excerpt: I couldn't help myself. My eyes automatically fell to Kris's bottom as she led me through the halls of the office. It was pleasantly big and round. Maybe the skirt she was wearing was a little too tight or maybe she had put on a few pounds recently, either way I didn't mind. Since I was coming to the end of my probationary first year at the investment bank with the clever moniker of Consolidated Investments and Financial Advisors, I figured she had summoned me for some paperwork. Ms. Taylor, as she liked to be addressed by everyone

who was her subordinate, always had a frown on her face and never looked happy. Oddly, that was a turn-on to me; I had a thing for older women. It had started in high school and went with me to college. I had tried bedding a few of my teachers but never with any success. Out in the workforce, I had hopes that my charm and good looks would take me further into the bedroom of these experienced and worldly women. The HR head indicated the folder.

"Please read the document." Two seconds after I did, my heart sank and my stomach tightened. I was certain I was going to throw up. They were my words, and they put in the crudest of terms exactly what I wanted to do to Ms. Strohmman.

Now, he's part of the connection to a string of fresh homicides and a horrible assault that Anna only survived thanks to him. More than anything, Anna wants to trust Dante. But as the bodies and the coincidences stack up, Anna will have to decide, and fast: Is the man she owes her life to the very same one who wants her dead?

The Sleeping Terrorist - Kenneth Fearnley
2013-01-09

Terrorism is probably the most cowardly act that one human being can commit against another. Terrorists target the vulnerable, the innocent and the weak. The Sleeping Terrorist is the story of a major terrorist event, although fiction it could easily be fact. 9/11 lives on not just in peoples memories but mainly in the way it effects every day living. To take a flight in an aircraft requires extended pre-flight check in time because of the security checks needed to ensure a safe journey. One major act of terrorism continues to have its effect long after the dust and smoke settles. The Sleeping Terrorist comes awake half a world away in a country that would have a low priority rating with the worlds Secret Intelligence Services. They train in a country so vast and sparsely populated that they go unnoticed. They mount an attack using a cover so despicable as to be unbelievable. Will they succeed or be defeated and how? You may be surprised at the outcome.

Cutting Loose in Paradise - Mary Jane Ryals
2015-04-01

Cutting Loose in Paradise is a mystery novel set in a remote island full of quirky people off the northeast coast of Florida. The story involves the death of a middle-aged woman who supposedly committed suicide by shooting herself in the chest. But local hair stylist and single mom LaRue Panther has her doubts. When part-Seminole LaRue is cutting the dead womans hair in the casket, she realizes the womans neck has been slashed and that there is no wound in the chest. LaRue and her local friends, a bartender and a journalist, are on the case to find out what really happened.

Official Privilege - P. T. Deutermann 2011-04-01

Official Privilege begins with a mystery: in the Philadelphia Naval Shipyard, the mummified body of a black Navy lieutenant is found bolted inside the boiler of a deactivated battleship. While the cause of death is clear, the officer's identity is not. With nerve ends raw from the media focus on recent scandals, the Pentagon bypasses its own investigative service and appoints a commander, Dan Collins, and a civilian, Grace Snow, to conduct an inquiry. Together they resolve to ignore the Navy's political sensitivities and conduct a by-the-book murder investigation. But then they uncover evidence that points back to Washington, D.C., and a two-year-old unsolved case involving another black Navy lieutenant, a beautiful young woman, who died under violent circumstances. While they search for links between the two deaths, they attract the attention of one Malachi Ward. Cunning, ruthless, well paid, and ferociously resourceful, he will do whatever it takes to protect his hidden client's privilege. In a tense, deadly game of cat-and-mouse, Malachi tracks Collins and Snow through Washington's streets and corridors of power, determined to keep them from learning the secret behind the body in the battleship.
