Sweet Rains - Nora Roberts 2010-06-29
#1 New York Times and USA TODAY bestselling author Nora Roberts presents two classic stories of love that arrives like a storm and changes everything... Second Nature Lee Radcliffe got the scoops that no one else did, the interviews nobody could score. Like bestselling horror writer—and notorious recluse—Hunter Brown. show her a different way to live, and ultimately, to love. Lessons Learned Carlo Franconi embodied everything that Juliet Trent avoided in a client—he was arrogant, seductive, passionate and entirely too charming. But Juliet prided herself on being the consummate professional. Surely she could resist the famous chef, even if they were going to be spending every waking minute together. Even if Carlo was looking at her like a fine dish he just couldn't wait to taste...
