[Dark Night of the Soul](#) - John of the Cross 2003-02-04

While imprisoned in a tiny prison cell for his attempts to reform the Church, sixteenth-century Spanish mystic John of the Cross composed many of his now classic poems of the soul's longing for God. Written on a scroll smuggled to him by one of his guards, his songs are the ultimate expression of the spiritual seeker's journey from estranged despair to blissful union with the divine. After escaping his captors, John fell into a state of profound ecstasy and wrote *Dark Night of the Soul*. Later, he added an important commentary to his poem to guide other searching souls along the arduous path to communion with God. Here, for the first time, a scholar unaffiliated with the Catholic Church has translated this timeless work. Mirabai Starr, who has studied Buddhism, Hinduism, and Judaism, lends the seeker's sensibility to John's powerful text and brings this classic work to the twenty-first century in a brilliant and beautiful rendering.

[The dark night of the soul](#) - Aldivan Teixeira Torres 2018-02-13

The dark night of soul" is the continuation of "The seer". The main character returned to a mountain in search of answers for a troubled period of its life, moments who forgot of God, of its principles, losing itself in sins. In the mountain, "The seer" had contact with two "great beings", who guided him to knowledge. This book is a passage full of dangers, pirates, a great adventure in the sea, bringing us reflections and questionings, for which we wonder: Would be possible that a criminal recovers, and, really would find the peace for its crimes? He would find forgiveness in itself? He would find the happiness? Or would be only an illusion? PUBLISHER: TEKTIME

Humanism and Religion in Early Modern Spain - Terence O'Reilly 2021-09-30

Humanism and Religion in Early Modern Spain brings together twenty-five essays by renowned historian Terence O'Reilly. The essays examine the interplay of religion and humanism in a series of writings composed in sixteenth-century Spain. It begins by presenting essential background: the coming together during the reign of the Emperor Charles V of Erasmian humanism and various movements of religious reform, some of

them heterodox. It then moves on to the reign of Philip II, focusing on the mystical poetry and prose of St John of the Cross. It explores the influence on his writings of his humanist learning – classical, biblical and patristic. The third part of the book concerns a verse-epistle by John's contemporary, Francisco de Aldana. One chapter presents the text with a parallel version in English, whilst two others trace its debt to Florentine Neoplatonism, particularly the thought of Marsilio Ficino. The final part is devoted to the humanism of the poet and Scripture scholar Luis de León, and specifically to the confluence in his work of biblical and classical motifs. This book is essential reading for scholars and students of early modern Spanish history, as well those interested in literary studies and the history of religion.

Nine Centuries of Spanish Literature (Dual-Language) - Seymour Resnick 2012-10-31

This rich sampling of Spanish poetry, prose, and drama includes more than seventy selections from the works of more than forty writers, from the anonymous author of the great medieval epic *The Poem of the Cid* to such 20th-century masters as Miguel de Unamuno. The original Spanish text of each work appears with an excellent English translation on the facing page. The anthology begins with carefully selected passages from such medieval classics as *The Book of Good Love* by the Archpriest of Hita and Spain's first great prose work, the stories of Count Lucanor by Juan Manuel. Works by writers of the Spanish Renaissance follow, among them poems by the Marqués de Santillana and excerpts from the great dialogue novel *La Celestina* by Fernando de Rojas. Spain's Golden age, ca. 1550-1650, an era which produced its great writers, is represented by the mystical poems of St. Teresa, passages from Cervantes' *Don Quixote* and scenes from Tirso de Molina's *The Love-Rogue*, the drama that introduced the character of Don Juan to the world, along with other well-known works of the period. A cavalcade of stirring poems, plays and prose selections represent Spain's rare literary achievements of the 18th, 19th and 20th centuries. The translations were chosen for their accuracy and fidelity to the originals. Among the translators are Lord Byron, Henry Wadsworth Longfellow, Edward FitzGerald and John Masefield. As a treasury of masterly writing, as a guide for the student who wants to improve his or her language skills and as a compact survey of Spanish literature, this excellent anthology will provide hours of pleasure and fruitful study.

A New History of Spanish Literature - Richard E. Chandler

1991-09-01

First published in 1961, *A New History of Spanish Literature* has been a much-used resource for generations of students. The book has now been completely revised and updated to include extensive discussion of Spanish literature of the past thirty years. Richard E. Chandler and Kessel Schwartz, both longtime students of the literature, write authoritatively about every Spanish literary work of consequence. From the earliest extant writings through the literature of the 1980s, they draw on the latest scholarship. Unlike most literary histories, this one treats each genre fully in its own section, thus making it easy for the reader to follow the development of poetry, the drama, the novel, other prose fiction, and nonfiction prose. Students of the first edition have found this method particularly useful. However, this approach does not preclude study of the literature by period. A full index easily enables the reader to find all references to any individual author or book. Another noteworthy feature of the book, and one omitted from many books of this kind, is the comprehensive attention the authors accord nonfiction prose, including, for example, essays, philosophy, literary criticism, politics, and historiography. Encyclopedic in scope yet concise and eminently readable, the revised edition of *A New History of Spanish Literature* bids fair to be the standard reference well into the next century.

Dark Night of the Soul - 2005-03-15

This new edition of the Image classic, with more than 100,000 copies sold, brings E. Allison Peers's magnificent translation of St. John of the Cross's masterpiece *Dark Night of the Soul* to a new generation of readers and will renew the interest of those already familiar with its soaring poetry and timeless truths. The sixteenth-century Carmelite

monk St. John of the Cross stands alongside St. Teresa of Avila as the West's best known and most beloved Christian mystic. As Peers writes in the Introduction to his definitive translation of *Dark Night of the Soul*, "The most sublime of all Spanish mystics, he soars aloft on the wings of Divine love to heights known hardly to any of them... True to the character of his thought, his style is always forceful and energetic." *Dark Night of the Soul* follows the soul's journey from a state of abandonment and darkness to a loving union with God. In a voice at once grandiose and melodious, and a style that combines the systematic theology of St. Thomas Aquinas with rapturous poetry, St. John describes the process of moving away from routine religious rituals and embracing a Being who can be known only through love. His words, Peers writes, "are a wonderful illustration of the theological truth that grace, far from destroying nature, ennobles and dignifies it, and of the agreement always found between the natural and the supernatural -- between the principles of sound reason and the sublime manifestations of Divine grace." One of the greatest contributions to the literature of mysticism, *Dark Night of the Soul* offers support and encouragement to all who seek oneness with God.

Noche Oscura Del Alma - San Juan de la Cruz 2017-04-12

San Juan de la Cruz (1542-1591) es el más importante escritor místico español. Este, al ser ordenado sacerdote le pidió a Dios que lo conservara en su gracia, libre de pecado y que le ayudara a sufrir toda clase de dolores, penas y enfermedades. Y de esta manera Dios le hizo sufrir grandemente para que pudiera ganar grandes regalos en el cielo. Por lo que el mismo cuenta todo lo que le sucedió a su alma en su caminar espiritual. Esta obra por lo tanto, describe toda su experiencia mística (desde los primeros amores del alma para todo lo espiritual, luego tiempos de sequedad, tentaciones del demonio, y santas consolaciones e inundación de luz espiritual). San Juan canta tratando de explicar la ascensión del alma hasta unirse con Dios. Canta como su alma (la de San Juan) calma su alma (la purga) y sale (se libera de su cuerpo) en medio de la noche (oscuridad de los sentidos) y guiada por la luz del amor (de la fe) se une finalmente a su Amado (Dios). Clásico

espiritual cuyo nombre "Noche Oscura del Alma" evoca el estado especial del alma en crisis.

When You Are Down to Nothing, God Is Up to Something - Robert Anthony Schuller 2012-03-28

Everyone gets "down to nothing" at some point in life, whether in relationships, finances, vision and courage for the future, physical or emotional exhaustion, or disappointment with God--everybody at some time comes to the end of their rope. It's exactly at those points that God does His best work. When we're down to nothing, God is up to something--truths to teach us, answers to satisfy us, assurance to bolster us, resources to supply us, or directions to guide us. In this book, Robert Schuller chronicles a particularly dark period in his life and shares with the reader what he learned God was up to in his relationships, meeting his needs like health and finances, providing guidance in his emotional life, but most of all, in learning to know and trust God more.

Religion and Spanish Film - Elizabeth Scarlett 2015-01-13

Treatments of religion found in Spanish cinema range from the pious to the anticlerical and atheistic, and every position in between. In a nation with a strong Catholic tradition, resistance to and rebellion against religious norms go back almost as far as the notion of "Sacred Spain." Religion and Spanish Film provides a sustained study of the religious film genre in Spain practiced by mainstream Francoist film makers, the evolving iconoclasm, parody, and reinvention of the Catholic by internationally renowned Surrealist Luis Buñuel, and the ongoing battle of the secular versus the religious manifested in critically and popularly acclaimed directors Pedro Almodóvar, Julio Medem, Alejandro Amenábar, and many others. The conflicted Catholicism that emerges from examining religious themes in Spanish film history shows no sign of ending, as unresolved issues from the Civil War and Franco dictatorship, as well as the unsettled relationship between Church and State, continue into the present.

Baudelaire Judged by Spanish Critics, 1857-1957 - William F. Aggeler 2009-09-01

Baudelaire was practically unknown in Spain until the last two decades of the nineteenth century when the first important criticism of his work was published by two famous critics, Juan Valera and Clarín. Valera attacked Les Fleurs du mal on aesthetic grounds, basing his criticism entirely on the "satanic" poems. At the same time, Clarín published a series of articles favorable to Baudelaire. Save for Clarín, Spanish critics in the first two decades of the twentieth century based their opinions of Baudelaire solely on Les Fleurs du mal. A notable exception was an article written around 1910 by Emilia Pardo Bazan based on the full scope of Baudelaire's work. Since the 1920s Spanish critics have come to share the high esteem which Baudelaire continues to receive throughout the world.

[A Symphony of Silence: An Enlightened Vision 2nd Edition](#) - George A. Ellis 2015-05-01

The first edition of A Symphony of Silence: An Enlightened Vision was inspired by the desire to share with humanity, through multiple voices, the ineffable beauty we experience in our lives when the veil of ignorance is pulled back and the wonder of our essential nature is revealed.. The voices emerging from these pages add vitality and validity to our shared experience of the silence of the transcendent. It is not something beyond our reach, but a reality that has always been with us, quietly awaiting an opportunity to unfold. In this second edition of A Symphony of Silence, several new voices are added to the chorus of the first edition. A Catholic priest tells us of using TM as part of his inspired

vision of the power of love to transform the lives of abused and destitute children from the streets of South America. The founding director of an orphanage and school in Uganda, who likewise brings TM to children in need, describes to us his compassionate resolve to eradicate suffering within his community. A poet expresses for us in verse the joy of a seeker reaching for the light. A scientist and his colleagues show us the power of TM to reduce stress and alleviate PTSD in the field of law enforcement. An actor, director, producer, and entrepreneur, explores with us his innovative projects for inner city students through "Edutainment." Women, who for decades dedicated themselves to introducing the TM program to their multicultural community, share with us delightful and very personal stories. A pioneering social activist brings us into the conversation he had with Maharishi in 1968 at a conference in Squaw Valley, California. He talked candidly with Maharishi about the need to introduce TM as a tool to bring inner freedom to the inner cities, helping to fulfill the quest for true civil rights. The voices in A Symphony of Silence create a glimpse into the vast impact that Maharishi has on many lives throughout the world.
