## **Seduced Exploited X'ed** - Bisop James C. Bailey PhD 2006-04-13

Book Title: Seduced Exploited Xed discusses live-in relationships, peer pressure, love and the lack thereof. It goes into the home, the work place, school and society to make an impact on the various age groups, socialites and students. It tells the story of how a child holds together an ideal with faith applying it in areas and amounts to resolve a combination of painful situations that sandwiched her in the middle. The center of attraction in this parabolic lesson is also the model of success in the midst of failure, and one who builds platforms out of her negative experiences in order to add height to her vision of a morally ordered and strategically planned, love laced future: Mollie refused to settle for less. As one of the main characters, she was able to teach her separated parents some basic moral and spiritual principles by subliminally subjecting them to her own strategically placed, wise responses to her friends and by displaying uncanny adult behaviors while addressing concerns with her parent figures, and other adults. Our scene is nestled in the growing, and prosperous city of Kalamazoo, in the state of Michigan. A portion of the scene takes place in the tailor made, Kalamazoo Jr. High School, which was specifically designed for this lesson. Nowhere is there a city, or Jr. High school exempt from, these or similar, behaviors as visited in this parabolic lesson. Every city school has these types of peer pressures, parent debaucheries, sibling concerns and such like. Every city has someone who meticulously set, or is setting his or her sights on their unwitting conquests, tactically pursuing; intent upon meeting their own vile and insensitive objective, leaving behind, a victim who would ascertain in the aftermath that they had been used, abused and discarded, or simply Seduced Exploited and Xed.

## **The Book of Mother** - Violaine Huisman 2021-10-19

A New York Times Notable Book A Library Journal Best Book of 2021 A "marvelous...superbly effective" (The New Yorker) debut novel about a young woman coming of age with a dazzling yet damaged mother who lived and loved in extremes. Met by rave reviews in The New Yorker, The New York Times, and more, this stunning translation of Violaine Huisman's "witty, immersive autofiction showcases a Parisian childhood with a charismatic, depressed parent" (Oprah Daily). Beautiful and magnetic, Catherine, a.k.a. "Maman," smokes too much, drives too fast, laughs too hard, and loves too extravagantly, and her daughter Violaine wouldn't have it any other way. But when Maman is hospitalized after a third divorce and a breakdown, everything changes. Even as Violaine and her sister long for their mother's return, once she's back Maman's violent mood swings and flagrant disregard for personal boundaries soon turn their home into an emotional landmine. As the story of Catherine's own traumatic childhood and adolescence unfolds, the pieces come together to form an indelible portrait of a mother as irresistible as she is impossible, as triumphant as she is transgressive. With spectacular ferocity of language, a streak of dark humor, and stunning emotional bravery, The Book of Mother is an exquisitely wrought story of a

mother's dizzying heights and devastating lows, and a daughter who must hold her memory close in order to surrender, and finally move on. *Incest and the Medieval Imagination* - Elizabeth Archibald 2001-05-24 Incest is a remarkably frequent theme in medieval literature; it occurs in a wide range of genres, including romances, saints' lives, and exempla. Historically, the Church in the later Middle Ages was very concerned about breaches of the complex laws against incest, which was defined very broadly at the time to cover family relationships outside the nuclear family and also spiritual relationships through baptism. Medieval writers accepted that incestuous desire was a widespread phenomenon among women as well as men. They are surprisingly open about incest, though of course they disapprove of it; in many exemplary stories incest is identified with original sin, but the moral emphasizes the importance of contrition and the availability of grace even to such heinous sinners. This study begins with a brief account of the development of medieval incest laws, and the extent to which they were obeyed. Next comes a survey of classical incest stories and their legacy; many were retold in the Middle Ages, but they were frequently adapted to the purposes of Christian moralizers. In the three chapters that follow, homegrown medieval incest stories are grouped by relationship: mother-son (focusing on the Gregorius legend), father-daughter (focusing on La Manekine and its analogues), and sibling (focusing on the Arthurian legend). The final chapter considers the very common medieval trope of the Virgin Mary as mother, daughter, sister and bride of Christ, the one exception to the incest taboo. In western society today, incest has recently been recognized as a serious social problem, and has also become a frequent theme in both fiction and non-fiction, just as it was in the Middle Ages. This interdisciplinary study is the first broad survey of medieval incest stories in Latin and the vernaculars (mainly French, English and German). It situates the incest theme in both literary and cultural contexts, and offers many thought-provoking comparisons and contrasts to our own society in terms of gender relations, the power of patriarchy, the role of religious institutions in regulating morality, and the relationship between life and literature.

## **Women, Seduction, and Betrayal in Biblical Narrative** - Alice Bach 1997-08-28

This accessible, readable book looks at the cultural study of the Bible, challenging the traditional mode of reading the women in the Bible. Alice Bach applies literary theory, cultural representations of biblical figures, films, and paintings to a close reading of a group of biblical texts revolving around the 'wicked' literary figures in the Bible. She compares the biblical character of the wife of Potiphar with the Second Temple Period narratives and rabbinic midrashim that expand her story. She then reads Bathsheba against a Yiddish novel by David Pinski, and finally looks at the Biblical Salome against a very different Salome created by Oscar Wilde, and the selection of Salomes created by Hollywood. Bach argues that biblical characters have a life in the mind of the reader independent of the stories in which they were created, thus making the reader the site at which the texts and the cultures that produced them come together.

## **The Art and Science of Trauma and the Autobiographical** - Meg Jensen 2019-01-04

This book examines posttraumatic autobiographical projects, elucidating the complex relationship between the 'science of trauma' (and how that idea is understood across various scientific disciplines), and the rhetorical strategies of fragmentation, dissociation, reticence and repetitive troping widely used the representation of traumatic experience. From autobiographical fictions to prison poems, from witness testimony to autography, and from testimonio to war memorials, otherwise dissimilar projects speak of past suffering through a limited and even predictable discourse in search of healing. Drawing on

approaches from literary, human rights and cultural studies that highlight relations between trauma, language, meaning and self-hood, and the latest research on the science of trauma from the fields of clinical, behavioral and evolutionary psychology and neuroscience, I read such autobiographical projects not as 'symptoms' but as complex interrogative negotiations of trauma and its aftermath: commemorative and performative narratives navigating aesthetic, biological, cultural, linguistic and emotional pressure and inspiration.

**Arthur Machen. Complete Works (Novels, Poems, Horror Short Stories And Others). Illustrated** - Arthur Machen 2022-03-31

Arthur Machen is best known for his influential supernatural, fantasy, and horror fiction. His novella *The Great God Pan* (1890; 1894) has garnered a reputation as a classic of horror, with Stephen King describing it as "Maybe the best [horror story] in the English language." Machen was a great enthusiast for literature that expressed the "rapture, beauty, adoration, wonder, awe, mystery, sense of the unknown, desire for the unknown" that he summed up in the word *ecstasy*. But what of the vast precedent established by English literature, which was a major American import between 1750 and 1850? In *The Importance of Feeling English*, Leonard Tennenhouse revisits the landscape of early American literature and radically revises its features. Using the concept of transatlantic circulation, he shows how some of the first American authors—from poets such as Timothy Dwight and Philip Freneau to novelists like William Hill Brown and Charles Brockden Brown—applied their newfound perspective to pre-existing British literary models. These American "re-writings" would in turn inspire native British authors such as Jane Austen and Horace Walpole to reconsider their own ideas of subject, household, and nation. The enduring nature of these literary exchanges dramatically recasts early American literature as a literature of diaspora, Tennenhouse argues—and what made the settlers' writings distinctly and indelibly American was precisely their insistence on reproducing Englishness, on making English identity portable and adaptable. Written in an incisive and illuminating style, *The Importance of Feeling English* reveals the complex roots of American literature, and shows how its transatlantic movement aided and abetted the modernization of Anglophone culture at large.

**Mother-Texts** - Julie Kelso 2010-07-12

Every day, human beings tell and are told stories, sometimes in obvious ways, sometimes not. Most of our communication with each other, direct or indirect, involves narrative production and reception. Narrative is constitutive of human being. However, whose narratives are heard? Feminists argue that the relations between language, knowledge, gender and power, particularly the question as to whether man-made and controlled language is a material fit to receive and convey woman's stories, are critical issues, because historically, patriarchy has worked to silence women's dialogue. Male knowledge, unsurprisingly, created and continues to create unrepresentative maternal narratives which lead to unreal expectations of mothers and motherwork. It is, therefore, disconcertingly significant for mothers that neither mothers nor their motherwork have been considered worthy of historical record; nor are historical records usually written from a mother's perspective. Hence, the narrative research in this book, which gives recognition to motherhood, mothers and/or the work they do, is valuable. It adds to the rapidly accumulating maternal research—research that is now available for the historical record. Mothers are speaking up, developing a canon of literature/research narrated in maternal language and claiming maternal knowledge and power.

**The Uses of Enchantment** - Bruno Bettelheim 2010-05-11

Winner of the National Book Award and National Book Critics Circle Award "A charming book about enchantment, a profound book about fairy tales."—John Updike, *The New York Times Book Review* Bruno Bettelheim was one of the great child psychologists of the twentieth century and perhaps none of his books has been more influential than this revelatory study of fairy tales and their universal importance in understanding childhood development. Analyzing a wide range of traditional stories, from the tales of Sindbad to "The Three Little Pigs," "Hansel and Gretel," and "The Sleeping Beauty," Bettelheim shows how the fantastical, sometimes cruel, but always deeply significant narrative strands of the classic fairy tales can aid in our greatest human task, that of finding meaning for one's life.

**There Once Lived a Girl Who Seduced Her Sister's Husband, and He Hanged Himself** - Ludmilla Petrushevskaya 2013-01-29

Love stories, with a twist, by Russia's preeminent contemporary fiction writer—the author of the prizewinning memoir about growing up in Stalinist Russia, *The Girl from the Metropol Hotel* By turns sly and sweet, burlesque and heartbreaking, these realist fables of women looking for love are the stories that Ludmilla Petrushevskaya—who has been compared to Chekhov, Tolstoy, Beckett, Poe, Angela Carter, and even Stephen King—is best known for in Russia. Here are attempts at human connection, both depraved and sublime, by people across the life span: one-night stands in communal apartments, poignantly awkward couplings, office trysts, schoolgirl crushes, elopements, tentative courtships, and rampant infidelity, shot through with lurid violence, romantic illusion, and surprising tenderness. With the satirical eye of Cindy Sherman, Petrushevskaya blends macabre spectacle with transformative moments of grace and shows just why she is Russia's

preeminent contemporary fiction writer.

**J.M. Coetzee and the Novel** - Patrick Hayes 2010-08-12

This book argues that the significance of Coetzee's complex and finely-nuanced fiction lies in the acuity with which it both explores and develops the tradition of the novel - ranging from Cervantes, Defoe, and Richardson, to Dostoevsky, Kafka, and Beckett - as part of a sustained attempt to rethink the relationship between writing and politics.

**A Woman's View** - Jeanine Basinger 1995-06-23

"In this highly readable and entertaining book, Jeanine Basinger shows how the "woman's film" of the 30s, 40s, and 50s sent a potent mixed message to millions of female moviegoers. At the same time that such films exhorted women to stick to their "proper" realm of men, marriage, and motherhood, they portrayed -- usually with relish -- strong women playing out liberating fantasies of power, romance, sexuality, luxury, even wickedness...Basinger examines dozens of films -- whether melodrama, screwball comedy, musical, film noir, western, or biopic to make a persuasive case that the woman's film was a rich, complicated, and subversive genre that recognized and addressed, if covertly, the problems of women." **Morning, Noon, and Night** - Arnold Weinstein 2011-02-15

From Homer and Shakespeare to Toni Morrison and Jonathan Safran Foer, major works of literature have a great deal to teach us about two of life's most significant stages—growing up and growing old. Distinguished scholar Arnold Weinstein's provocative and engaging new book, *Morning, Noon, and Night*, explores classic writing's insights into coming-of-age and surrendering to time, and considers the impact of these revelations upon our lives. With wisdom, humor, and moving personal observations, Weinstein leads us to look deep inside ourselves and these great books, to see how we can use art as both mirror and guide. He offers incisive readings of seminal novels about childhood—Huck Finn's empathy for the runaway slave Jim illuminates a child's moral education; Catherine and Heathcliff's struggle with obsessive passion in *Wuthering Heights* is hauntingly familiar to many young lovers; Dickens's *Pip*, in *Great Expectations*, must grapple with a world that wishes him harm; and in Marjane Satrapi's autobiographical *Persepolis*, little Marjane faces a different kind of struggle—growing into adolescence as her country moves through the pain of the Iranian Revolution. In turn, great writers also ponder the lessons learned in life's twilight years: both *King Lear* and *Willy Loman* suffer as their patriarchal authority collapses and death creeps up; Brecht's *Mother Courage* displays the inspiring indomitability of an aging woman who has "borne every possible blow. . . but is still standing, still moving." And older love can sometimes be funny (Rip Van Winkle conveniently sleeps right through his marriage) and sometimes tragic (as J. M. Coetzee's David Lurie learns the hard way, in *Disgrace*). Tapping into the hearts and minds of memorable characters, from Sophocles' *Oedipus* to *Artie* in *Art Spiegelman's Maus*, *Morning, Noon, and Night* makes an eloquent and powerful case for the role of great literature as a knowing window into our lives and times. Its intelligence, passion, and genuine appreciation for the written word remind us just how crucial books are to the business of being human.

**Love You Madly** - Michael Fleeman 2011-11-01

She posted it online: "Just to let everyone know, my mother was murdered." But those simple words written by sixteen-year-old Rachelle Waterman couldn't begin to describe the horror of the crime: Her mother's body locked in a van. Doused in gasoline. Burned beyond recognition... Alaska troopers arrested two young men—both of whom had dated Rachelle and claimed to still love her. Investigators grilled Rachelle until she made shocking and apparently incriminating revelations... Was this obviously intelligent young woman really an abused child coerced by police—or a deceptive murderess? The answer may lie in Rachelle's Internet journal, a disturbing glimpse into a troubled girl's mind. Did she convince her lovers to kill for her? That is the question at the heart of this shocking true story of madness, manipulation, and matricide.

**A Story of Her Own** - Nancy Kulish 2008

A Story of Her Own reviews and evaluates existing psychoanalytic theories about the 'female oedipal complex, ' from early theories by Freud to contemporary writings from many theoretical frameworks. Important aspects of the female triangular complex are examined in detail: entry into the triangular phase; dynamics and conflicts of the phase, such as separation from mother, sexuality, competition, and typical defenses; guilt and superego; and the role of the female body. Specific treatment issues related to these experiences are addressed, including gender-related transferences and countertransferences

**Silently Seduced** - Kenneth M. Adams 2011-09

In this revised and updated 20th anniversary edition of his groundbreaking book, Dr. Kenneth Adams, a leading expert on covert incest, sex addiction, and childhood trauma, offers tools for identifying and healing from covert incestuous relationships that affect adult relationships and lives. He explains how 'feeling close' with a parent is not always the source of comfort the phrase suggests, especially when that child is cheated out of a childhood by being a parent's surrogate partner. Dr. Adams includes a new Q&A section that directly addresses issues including: • How can this be incestuous when there is no physical sexual contact? • Why is sexual addiction so common with covert incest survivors? • Why is it so hard for covert incest survivors to commit to romantic relationships? • If my partner is a covert incest survivor, how can I help? • Can I pass covert incest on to my children? Through new findings and expanded discussions on 'engulfment,' 'excessive guilt,' 'loyalty,' and 'narcissism,' and others, *Silently Seduced* offers a framework to understand covert incest and its effect on sexuality, intimacy, and relationships to facilitate the process of recovery.

**Sex: Untold Stories** - Dr. Messeret Assefa

The purpose of this book is to capture an insiders' view on sex work in Ethiopia's capital, Addis Ababa. While most of the case stories focus on female sex-workers, it also contains stories of promiscuous sex e.g. pre-marital multiple sexual partnerships and extra-marital affairs, university students, civil servants, older women, and married partners. Nonetheless, the reader will readily and pleasantly learn more about the sex-worker's position than is known to the average non-reader. If my

labors induce the concerned reader to improve the appalling sex-workers life circumstances, I trust, s/he will become a solution seeker and master of much more gender activist than the ordinary citizen. This book is indeed a legacy which I bequeath to everyone concerned to help sex-workers stop working out their own death.

**The SAGE Handbook of Feminist Theory** - Mary Evans 2014-08-12

At no point in recorded history has there been an absence of intense, and heated, discussion about the subject of how to conduct relations between women and men. This Handbook provides a comprehensive guide to these omnipresent issues and debates, mapping the present and future of thinking about feminist theory. The chapters gathered here present the state of the art in scholarship in the field, covering: Epistemology and marginality Literary, visual and cultural representations Sexuality Macro and microeconomics of gender Conflict and peace. The most important consensus in this volume is that a central organizing tenet of feminism is its willingness to examine the ways in which gender and relations between women and men have been (and are) organized. The authors bring a shared commitment to the critical appraisal of gender relations, as well as a recognition that to think 'theoretically' is not to detach concerns from lived experience but to extend the possibilities of understanding. With this focus on theory and theorizing about the world in which we live, this Handbook asks us, across all disciplines and situations, to abandon our taken-for-granted assumptions about the world and interrogate both the origin and the implications of our ideas about gender relations and feminism. It is an essential reference work for advanced students and academics not only of feminist theory, but of gender and sexuality across the humanities and social sciences.

**Delmira Agustini, Sexual Seduction, and Vampiric Conquest** -

Cathy L. Jade 2012-07-10

"Delmira Agustini (1886-1914) has been acclaimed as one of the foremost modernistas and the first major woman poet of twentieth-century Spanish America. Critics and the reading public alike were immediately taken by the originality and power of her verse, especially the aggressively sexualized perspective never before found in texts written by Spanish American women. Agustini sought, like the men around her, to free herself and her writing from traditional sexual limitations. Even more daringly, she responded to their language with her own feminized discourse, developing an innovative way of expressing her sexual and artistic expressions." -- Book jacket.

**Prince of Stories** - Hank Wagner 2008-10-28

Over the past twenty years, Neil Gaiman has developed into the premier fantasist of his generation, achieving that rarest of combinations—unrivaled critical respect and extraordinary commercial success. From the landmark comic book series *The Sandman* to novels such as the New York Times bestselling *American Gods* and *Anansi Boys*, from children's literature like *Coraline* to screenplays for such films as *Beowulf*, Gaiman work has garnered him an enthusiastic and fiercely loyal, global following. To comic book fans, he is Zeus in the pantheon of creative gods, having changed that industry forever. For discerning readers, he bridges the vast gap that traditionally divides lovers of "literary" and "genre" fiction. Gaiman is truly a pop culture phenomenon, an artist with a magic touch whose work has won almost universal acclaim. Now, for the first time ever, *Prince of Stories* chronicles the history and impact of the complete works of Neil Gaiman in film, fiction, music, comic books, and beyond. Containing hours of exclusive interviews with Gaiman and conversations with his collaborators, as well as wonderful nuggets of his work such as the beginning of an unpublished novel, a rare comic and never-before-seen essay, this is a treasure trove of all things Gaiman. **Seduced by Twilight** - Natalie Wilson 2014-01-10

Stephenie Meyer's *Twilight* saga has maintained a tight grip on the contemporary cultural imagination. This timely and critical work examines how the *Twilight* series offers addictively appealing messages about love, romance, sex, beauty and body image, and how these charged themes interact with cultural issues regarding race, class, gender and sexuality. Through a careful analysis of the texts, the fandom and the current socio-historical climate, this work argues that the success of the *Twilight* series stems chiefly from Meyer's negotiation of cultural mores.

**The Marked Body** - Kate Lawson 2002-07-18

Discusses portrayals of domestic violence in six major works of mid-nineteenth-century literature.

**The Complete Works: Short Stories, Novels, Plays, Poetry,**

**Memoirs and more** - Guy de Maupassant 2017-07-31

This carefully crafted ebook: "The Complete Works: Short Stories, Novels, Plays, Poetry, Memoirs and more" is formatted for your eReader with a functional and detailed table of contents. Guy de Maupassant (1850-1893) was a popular French writer, considered one of the fathers of the modern short story and one of the form's finest exponents. Maupassant was a protégé of Flaubert and his stories are characterized by economy of style and efficient, effortless outcomes. He wrote some 300 short stories, six novels, three travel books, and one volume of verse. His first published story, "Boule de Suif" ("Ball of Fat"), is often considered his masterpiece.

**Scared Selfless** - Michelle Stevens, PhD 2018-03-27

"A riveting memoir that takes readers on a roller coaster ride from the depths of hell to triumphant success."—Dave Pelzer, author of *A Child Called "It"* Michelle Stevens has a photo of the exact moment her childhood was stolen from her: She's only eight years old, posing for her mother's boyfriend, Gary Lundquist—an elementary school teacher, neighborhood stalwart, and brutal pedophile. Later that night, Gary locks Michelle in a cage, tortures her repeatedly, and uses her to quench his voracious and deviant sexual whims. Little does she know that this will become her new reality for the next six years. Michelle can also pinpoint the moment she reconstituted the splintered pieces of her life: She's in cap and gown, receiving her PhD in psychology—and the university's award for best dissertation. The distance between these two points is the

improbable journey from torture, loss, and mental illness to healing, recovery, and triumph that is Michelle's powerful memoir, *Scared Selfless*. Michelle suffered from post-traumatic stress disorder, anxiety, and depression, and made multiple suicide attempts. She also developed multiple personalities. There was "Chelsey," the rebellious teenager; "Viscous," a tween with homicidal rage; and "Sarah," a sweet little girl who brought her teddy bear on a first date. In this harrowing tale, Michelle, who was inspired to help others heal by becoming a psychotherapist, sheds light on the all-too-real threat of child sexual abuse, its subsequent psychological effects, and the best methods for victims to overcome their ordeals and, ultimately, thrive. *Scared Selfless* is both an examination of the extraordinary feats of the mind that are possible in the face of horrific trauma as well as Michelle's courageous testament to their power.

*Silence and Power* - Mary Lynn Broe 1991

*The Seduction of Water* - Carol Goodman 2003-01-01

Iris Greenfeder, ABD (All But Dissertation), feels the "buts" are taking over her life: all but published, all but a professor, all but married. Yet the sudden impulse to write a story about her mother, Katherine Morrissey, leads to a shot at literary success. The piece recounts an eerie

Irish fairy tale her mother used to tell her at bedtime—and nestled inside it is the sad story of her death. It captures the attention of her mother's former literary agent, who is convinced that Katherine wrote one final manuscript before her strange, untimely end in a fire thirty years ago. So Iris goes back to the remote Hotel Equinox in the Catskills, the place where she grew up, to write her mother's biography and search for the missing manuscript—and there she unravels a haunting mystery, one that holds more secrets than she ever expected. . . .

*There Once Lived a Girl Who Seduced Her Sister's Husband, And He Hanged Himself: Love Stories* - Ludmilla Petrushevskaya 2013-01-31

In these dark, dreamlike love stories with a twist, Ludmilla Petrushevskaya tells of strange encounters in claustrophobic communal apartments, ill-fated holiday romances, office trysts, schoolgirl crushes, tentative courtships, rampant infidelity, tender devotion and terrifying madness. By turns sly and sweet, earthy and sublime, these fables of flawed love blend black humour and macabre spectacle with transformative moments of grace.

*Love What Matters* - LoveWhatMatters 2017-05-02

In the bestselling tradition of *The Five People You Meet in Heaven* and *Humans of New York* comes a collection of authentic, emotional, and inspiring stories about life's most important moments, as curated by the editors at Love What Matters. "90% of the reads bring me to tears. I just can't believe the love this world truly has when all we see is hate. This is so uplifting." —Shelsea Where do you go when you want to feel inspired? When you want to forget about the divisiveness and the anger? For over five million people, that place is Love What Matters, a digital platform dedicated to finding and sharing the daily moments of kindness, compassion, and love that so often go overlooked. This curated collection of powerful stories features first person accounts and photographs that perfectly capture each moment: A husband learning he's about to be a dad. A new mom embracing her body. A cashier inadvertently teaching a young girl a lesson about patience. A bagel from a stranger that saved a homeless man's life. From long overdue adoptions to military heroes returning home; from a fireman's touching 9/11 tribute to what an old dinner plate found at a bake sale can teach us all about life—these are the moments that matter. They are genuine. Authentic. Raw. And they are perfect in their imperfection—just like all of us. You will no doubt experience goosebumps and tears, but this mosaic of life's moments will leave you with something even more profound: a reminder that, in the end, love always wins. "This really is the best page on Facebook. It renews your love of humanity. There are still good people. We need more reports of acts of kindness." —Johnny
