Charandas Chor - Habība Tanavīra 2004

Impudent and irresistible, Charandas is a thief with a difference. Having vowed never to lie, he manages to keep his word while robbing the rich blind. A typical folk hero, street-smart and savvy, he runs rings around the forces of law and order till he comes up against one wall he cannot scale his own commitment to the truth. And the unexpected twist at the end of this heartwarming comedy lifts the play onto another plane. This play by veteran playwright/director Habib Tanvir, performed by Naya Theatre's Chattisgarhi folk artists, is a contemporary Indian classic. When it was first staged in 1975, it made a tremendous impact. Folk actors on the contemporary stage, vibrant and self-confident, speaking their own dialect and performing their own material, albeit under the guiding hand of a master director, was a novel experiment in Indian theatre. Moreover, it was an experiment that worked, and that opened up a new direction in theatre practice. Twenty years later, Charandas Chor is still popular. It has been performed all over India, and at many forums and festivals abroad, winning the top award at the prestigious Edinburgh Fringe Festival in 1982. This volume contains, along with the translated playscript, an introduction to Habib Tanvir

s work in theatre by theatre scholar and critic Javed Malick and a long interview with the

playwright/director in which he discusses the milestones in his long career. Anjum Katyal, the translator, is an editor and writer who lives and works in Calcutta.

Rabindranath Tagore reinvented the Bengali novel with Farewell Song, blurring the lines between prose and poetry and creating an effervescent blend of romance and satire. Through Amit and Labanya and a brilliantly etched social milieu, the novel addresses contemporary debates about 'good' and 'bad' writing, the nature of love and conjugality, and the influence of Western culture on Bengali society. Set against the idyllic backdrop of Shillong and the mannered world of elite Calcutta society, this sparkling novel expresses the complex vision and the mastery of style that characterized Tagore's later works. The Minority Pathfinder A Man with Unforeseen Energy - Sk Habib 2018-11-20

The book "The Minority Pathfinder: A Man with Unforeseen Energy" is a spontaneous outcome of the author's experience as one of the members of Al-Ameen Mission family since 2008 to 2018. It is commonly understood that Nurul Islam's philosophy of humanism tends to concentrate the energies of a culture for the holistic amelioration of minority in West Bengal. It emphasizes on social ethics and helps the students to imbibe social virtues and thereby to build up a strong moral character. By upholding the dignity of man, it consecrates to individual freedom and responsibility and the sense of equality among men. On the intellectual plane, it directs the mental life of his students to the joyous adventure of knowledge, to the inquiry into the phenomena of nature and man. This book presents these philosophical, spiritual and social findings of Nurul Islam and Al-Ameen Mission, influencing its unique image in the society for the upliftment of backward community since 1986 in West Bengal. And his philosophy has changed the scenario of minority in 2017, as only 7% Bengali medium students have got chance to admit themselves in Govt. medical colleges through CBSE NEET Exam-2017 in West Bengal. The students of Al-Ameen Mission have got almost 5% seats among those 7% successful candidates. This year 2018, students from Al-Ameen Mission have filled up almost 20 % of seats in govt. medical colleges in the state. There are two students who have ranked within the rank of 10 in the state merit list of NEETs. It is noticed that a lot of residential institutions for minority community are being established in every district of West Bengal, being inspired by Al-Ameen Mission. It was become a silent revolution among minorities in the State. Nurul Islam is increasingly getting involved to capacitate the weaker section of the society to come up and develop in West Bengal and neighbouring states like Bihar, Jharkhand, Assam and Tripura. The development discourse leans towards knowing skills and tools for strengthening the society.
