2012-10-18

Airships, sky-pirates, smugglers and soldiers...
An Airship Named Desire is an action-filled steampunk adventure. Ever since their last botched smuggling job, First Mate Bea and the crew of her airship can barely afford fuel, let alone a barrel of grog. So, when a gentleman

from Old Germany offers them a fortune to steal a locked box from a British merchant airship, they jump at the opportunity. Somehow, though, their employer forgot to mention the box's military escort, and the Morlock mercenaries who would kill to get their hands on it. Oh, and that if made public, the contents could engulf Europe in another devastating war. Stealing the

box was the easy part. Now, with a target on their back, and some of the toughest characters in the sky after them, they have to find a way to survive. If the crew of the Desire don't polish their pistols and prepare for a hell of a fight, they'll end up worse than grounded. After all, everyone from the Brits to the Morlocks will kill for the contents of that box, and no one survives an airship crash.

Sweet Ladies! gives readers a virtuoso performance in verse in this profoundly original epic pitched just right for fans of poetry, history, mythology, and fantasy. Welcome to ancient Greece as only genius storyteller Laura Amy Schlitz can conjure it. In a warlike land of wind and sunlight, "ringed by a restless sea," live Rhaskos and Melisto, spiritual twins with little in common beyond the violent and mysterious forces that dictate their lives. A Thracian slave in a Greek household, Rhaskos is as common as clay, a stable boy worth less than a donkey, much less a horse. Wrenched from his mother at

a tender age, he nurtures in secret, aided by Socrates, his passions for art and philosophy. Melisto is a spoiled aristocrat, a girl as precious as amber but willful and wild. She'll marry and be tamed—the curse of all highborn girls—but risk her life for a season first to serve Artemis, goddess of the hunt. Bound by destiny, Melisto and Rhaskos—Amber and Clay—never meet in the flesh. By the time they do, one of them is a ghost. But the thin line between life and death is just one boundary their unlikely friendship crosses. It takes an army of snarky gods and fearsome goddesses, slaves and masters, mothers and philosophers to help shape their story into a gorgeously distilled, symphonic tour de force. Blending verse, prose, and illustrated archeological “artifacts,” this is a tale that vividly transcends time, an indelible reminder of the power of language to illuminate the over- and underworlds of human history.

Empires rise, civilisations fall and one culture comes to subsume another. It's the way of the world . . . sometimes ways of life are improved, sometimes they are not. But the progression of change is huge and - usually - unstoppable. In this story, the Ossian way of life is fading and the Dachen way is taking its place and Aren is comfortable with that. Even when his parents are accused of treason he supports the establishment and maintains there's been some mistake . . . which is all it takes to get himself and his best friend arrested . . . Thrown into a prison mine they plan their escape - only to be overtaken by events when they're rescued, and

promptly find themselves in the middle of an ambush. By the time they've escaped, they're unavoidably linked to Garric - their unwelcome saviour - and his quest to overturn to Dachen way of life. If they leave Garric now, they'll be arrested or killed by their pursuers. If they turn him in, Garric will kill them. If they stay with him, they'll be abetting a murderous quest they don't believe in. There are no good options - but Aren will still have to choose a path . . .

Designed to return to classic fantasy adventures and values, from a modern perspective, this is a fast-moving coming-of-age trilogy featuring a strong cast of diverse characters, brilliant set-pieces and a strong character and plot driven story.
