## **Criminal Law in Malawi** - Lewis Chezan Bande 2012

Derived from the renowned multi-volume International Encyclopaedia of Laws, this book provides a practical analysis of criminal law in Malawi. An introduction presents the necessary background information about the framework and sources of the criminal justice system, and then proceeds to a detailed examination of the grounds for criminal liability, the justification of criminal offences, the defences that diminish or excuse criminal liability, the classification of criminal offences, and the sanctions system.

## **Applied Law for Police Officials** - Cerita Joubert 2010

*The Handbook of Comparative Criminal Law* - Kevin Jon Heller  
2010-12-01

This handbook explores criminal law systems from around the world, with the express aim of stimulating comparison and discussion. General principles of criminal liability receive prominent coverage in each essay—including discussions of rationales for punishment, the role and design of criminal codes, the general structure of criminal liability, accounts of mens rea, and the rights that criminal law is designed to protect—before the authors turn to more specific offenses like homicide, theft, sexual offenses, victimless crimes, and terrorism. This key reference covers all of the world's major legal systems—common, civil, Asian, and Islamic law traditions—with essays on sixteen countries on six different continents. The introduction places each country within traditional distinctions among legal systems and explores noteworthy similarities and differences among the countries covered, providing an ideal entry into the fascinating range of criminal law systems in use the world over.

## **The Law of Pre-Trial Criminal Procedure in Namibia** - Mapaure, Clever 2016-01-29

The Namibian Constitution entrenches fundamental rights and freedoms, and provides for their vertical and horizontal application in any criminal process. However, since Independence in 1990, Namibia has developed its own criminal jurisprudence. Criminal procedure and law are taking new shape. Namibian courts have pronounced on criminal issues, and legislation has been passed to keep up with the demands, aspirations, spirit, and vision of the Namibian Constitution and its people. CLEVER MAPAURE, NDJODI NDEUNYEMA, PILISANO MASAKE, FESTUS WEYULU and LOIDE SHAPARARA have written an invaluable book that deals with these developments. It explains the rights of individuals, the duties of law enforcement officers, and the procedures of the courts in criminal cases. The Law of Pre-Trial Criminal Procedure in Namibia introduces readers to the fundamental principles and values underlying Namibian criminal law, through a systematic examination of the provisions of the Criminal Procedure Act, 1977 (Act No. 51 of 1977) as amended, which was originally passed by the legislature of South Africa, and still regulates criminal procedure in Namibia, the amendments to it since 1990, and relevant Namibian Case Law. The book captures and discusses the law relating to the pre-trial criminal process in Namibia in detail, from the roles of the prosecutor and the police, search, seizure and forfeiture, interrogation, notices and summons, arrest, court appearance, bail, criminal charges, disclosure, diminished capacity, right to assistance, to pleas and plea-bargaining.

## **Law@work** - André Van Niekerk 2019

## **Principles of Criminal Law** - Jonathan Burchell 2016

The fifth edition of this established work on criminal law now includes detailed discussion of major judicial pronouncements on dolus eventualis (Pistorius), the limits of common purpose liability in its active association form (Dewnath), robbery with aggravating circumstances (Masingili), treason (the Boeremag Treason trial), racketeering/retrospectivity (Sovoi) and consensual child sexual experimentation (Teddy Bear Clinic). With the important entry into force on 9 August 2015 of the Prevention

and Combating of Trafficking in Persons Act 7 of 2013, definitions of human trafficking and related offences have now become an integral part of our criminal law. Moreover, the transitional provisions on human trafficking in the Criminal Law (Sexual Offences and Related Matters) Amendment Act 32 of 2007 have been replaced with more detailed provisions under this Prevention and Combating of Trafficking in Persons Act 7 of 2013. A significant amendment to abortion law has been effected by the Choice on Termination of 'regnancy Amendment Act 1 of 2008 (assented to 12 February and promulgated 18 February 2008), following the Constitutional Court's judgment in *Doctors for Life International v Speaker of the National Assembly* 2006 (6) SA 416 (CC). Judgments of the Supreme Court of Appeal, the Constitutional Court and legislative amendments relevant to criminal law up until the end of 2015 have been included in this fifth edition of Principles of Criminal Law.

## **The Shock Doctrine** - Naomi Klein 2010-04-01

The bestselling author of No Logo shows how the global "free market" has exploited crises and shock for three decades, from Chile to Iraq In her groundbreaking reporting, Naomi Klein introduced the term "disaster capitalism." Whether covering Baghdad after the U.S. occupation, Sri Lanka in the wake of the tsunami, or New Orleans post-Katrina, she witnessed something remarkably similar. People still reeling from catastrophe were being hit again, this time with economic "shock treatment," losing their land and homes to rapid-fire corporate makeovers. The Shock Doctrine retells the story of the most dominant ideology of our time, Milton Friedman's free market economic revolution. In contrast to the popular myth of this movement's peaceful global victory, Klein shows how it has exploited moments of shock and extreme violence in order to implement its economic policies in so many parts of the world from Latin America and Eastern Europe to South Africa, Russia, and Iraq. At the core of disaster capitalism is the use of cataclysmic events to advance radical privatization combined with the privatization of the disaster response itself. Klein argues that by capitalizing on crises, created by nature or war, the disaster capitalism complex now exists as a booming new economy, and is the violent culmination of a radical economic project that has been incubating for fifty years.

## **Principles of Namibian Criminal Law** - Dunia Zongwe 2022-02-14

This book reveals the oil that greases the wheels of one of Africa's best criminal justice systems. Principles of Namibian Criminal Law distils the

major principles that help people answer this one big, life-defining question: Is the accused guilty? In 14 chapters, this book discusses principles that govern matters such as punishment, criminal liability, causation, unlawfulness, culpability, participation in crimes, and incomplete crimes. Largely inherited from South Africa, the principles of Namibian criminal law emanate mostly from common law and case law. Particularly, case law has been the channel through which lawyers in Namibia have, since Independence on 21 March 1990, molded their own criminal law doctrines. For that reason, this book heavily relies on the court cases that Namibian courts have forged since then. It showcases Namibia's South African heritage while giving pride of place to Namibia's homegrown jurisprudence - from the rules concerning corporate liability to the very definition of an 'accused'. Principles of Namibian Criminal Law will prove especially useful to law students who need to grasp the first principles of Namibian criminal law and to learn to think like lawyers, and to the seasoned practitioners (judges, attorneys, prosecutors, and police officers) who need to refresh their memories. The book should also serve the researchers and the comparatists looking for a window into how criminal justice actors think and resolve issues to make Namibia one of the continent's safest countries.

Mixed Jurisdictions Worldwide - Vernon Valentine Palmer 2012-06-28

This examination of the mixed jurisdiction experience makes use of an innovative cross-comparative methodology to provide a wealth of detail on each of the nine countries studied. Cases and Materials on Criminal Law - Jonathan M. Burchell 2007

Book & CD-ROM. The third edition of this established casebook on criminal law, originally compiled by Jonathan Burchell and John Milton, has been substantially revised and improved on by Jonathan Burchell. Over 50 new extracts and a companion CD-ROM containing an additional 17 extracts from cases and legislation have been included in this new edition. The book is a companion volume to "Principles of Criminal Law, 3rd edition" (2005), where the general principles of the South African criminal law and many of the specific crimes are fully analysed. The book can also be used on its own as it contains substantial extracts from judgments, with succinct explanatory headnotes.

Long Walk to Freedom - Nelson Mandela 2008-03-11

The book that inspired the major new motion picture Mandela: Long Walk to Freedom. Nelson Mandela is one of the great moral and political leaders of our time: an international hero whose lifelong dedication to the fight against racial oppression in South Africa won him the Nobel Peace Prize and the presidency of his country. Since his triumphant release in 1990 from more than a quarter-century of imprisonment, Mandela has been at the center of the most compelling and inspiring political drama in the world. As president of the African National

Congress and head of South Africa's antiapartheid movement, he was instrumental in moving the nation toward multiracial government and majority rule. He is revered everywhere as a vital force in the fight for human rights and racial equality. LONG WALK TO FREEDOM is his moving and exhilarating autobiography, destined to take its place among the finest memoirs of history's greatest figures. Here for the first time, Nelson Rolihlahla Mandela tells the extraordinary story of his life--an epic of struggle, setback, renewed hope, and ultimate triumph.

**Criminal Law in South Africa** - Shannon Vaughn Hctor 2017-06-20

Derived from the renowned multi-volume International Encyclopaedia of Laws, this book provides a practical analysis of criminal law in South Africa. An introduction presents the necessary background information about the framework and sources of the criminal justice system, and then proceeds to a detailed examination of the grounds for criminal liability, the justification of criminal offences, the defences that diminish or excuse criminal liability, the classification of criminal offences, and the sanctions system. Coverage of criminal procedure focuses on the organization of investigations, pre-trial proceedings, trial stage, and legal remedies. A final part describes the execution of sentences and orders, the prison system, and the extinction of custodial sanctions or sentences. Its succinct yet scholarly nature, as well as the practical quality of the information it provides, make this book a valuable resource for criminal lawyers, prosecutors, law enforcement officers, and criminal court judges handling cases connected with South Africa. Academics and researchers, as well as the various international organizations in the field, will welcome this very useful guide, and will appreciate its value in the study of comparative criminal law.

Principles of Criminal Law - Jonathan M. Burchell 1997

This Edition provides Bill of Rights of the 1996 constitution of the Republic of South Africa and developments in case law and legislation.

Should We Consent? - Lillian Artz 2008

South Africa has one of the highest levels of reported rape in the world, and legislative reform was seen as an essential step towards shifting the understanding of rape and its treatment within the criminal justice system. Since 1996 the activism has focused on the South African Law Reform Commission's investigation into sexual offences, and the parliamentary process, which culminated at the end of 2007 in the Criminal Law (Sexual Offences and Related Matters) Amendment Act. Drawing on a body of empirical, social and legal scholarship, this unique text charts the critical social and legal debates and jurisprudential developments that took place during the rape law reform process. Should We Consent? also provides important insights into the engagement of

civil society with law reform and includes thoughtful and contemporary discussions on topics such as 'defining' rape, HIV, sexual offences against children and sentencing of sexual offenders.

**The Law of Contract in South Africa** - Richard Hunter Christie 1991

**Principles of Evidence** - Pamela-Jane Schwikkard 2009

This third edition, like the first and second, strikes a balance between the theory of the law of evidence and its practical application in a constitutional issues, the impact of these sections on the Anglo-South African law of evidence, and the extent to which some of them may be subject to constitutional challenges. Stock is also taken of the provisions of the Electronic Communications and Transactions Act 25 of 2002 and the consequences of the repeal of s 66 of the Internal Security Act 74 of 1982.

**Indigenous Knowledge and the Integration of Knowledge Systems**

- Catherine Alum Odora Hoppers 2002

It looks at how indigenous knowledge systems can impact on the transformation of knowledge generating institutions such as scientific and higher education institutions on the one hand, and the policy domain on the other.

**The Criminal Responsibility of Senior Political and Military Leaders as Principals to International Crimes** - Héctor Olásolo 2009-05-15

As shown by the trials of Slobodan Milosevic, Charles Taylor and Saddam Hussein, the large-scale and systematic commission of international crimes is usually planned and set in motion by senior political and military leaders. Nevertheless, the application of traditional forms of criminal liability leads to the conclusion that they are mere accessories to such crimes. This does not reflect their central role and often results in a punishment which is inappropriately low in view of the impact of their actions and omissions. For these reasons, international criminal law has placed special emphasis on the development of concepts, such as control of the crime and joint criminal enterprise (also known as the common purpose doctrine), which aim at reflecting better the central role played by senior political and military leaders in campaigns of large scale and systematic commission of international crimes. The Rome Statute of the International Criminal Court and the case law of the ICTY and the ICTR have, in recent years, played a unique role in the achievement of this goal.

**The Basic Guide to Criminal Procedure** - Dane Ally 2013

Every Night I Dream of Hell - Malcolm Mackay 2017-04-11

"Don't pick up a Mackay book unless you've got spare time. They're habit-forming." --New York Times From the award-winning author of The Glasgow Trilogy comes Every Night I Dream of Hell, a dark and thrilling Glaswegian crime drama. Nate Colgan would be the first to admit that his violent reputation makes him very good at his job--and bad at everything else. After eighteen years spent working on the sidelines of Glasgow's criminal underworld, there's no question he'll accept the central position that Peter Jamieson's organization offers him, despite his better judgment. The organization isn't as strong as it once was: its most powerful members are either dead or behind bars, including Jamieson himself, and the time is ripe for change. Chang begins with an execution--a message for Jamieson's supporters--which promptly sets the various factions within the organization against one another. Colgan's position as "security consultant" means his duty is clear: identify the killer and find out who's willing to seize power, even if it means igniting a war. Meanwhile, on the other side of the law, DI Michael Fisher conducts his own investigation into the murder. Both men can't help but wonder: Why do these events coincide with the return of Zara Cope, the mother of Colgan's child, a disreputable woman with an uncanny ability to attract trouble and troublemakers? A dark and thrilling crime drama, Every Night I Dream of Hell takes us deep into a world of violence, fear and double-crosses.

**Grievous Religious Persecution** - Werner Nicolaas Nel 2020-12-29

"Nel focuses on grievous religious persecution as one manifestation of crimes against humanity. In spite of shocking reports in recent years about mass-scale atrocities, the issue of religious persecution so far has received comparatively limited attention in academic literature. By meticulously putting together the various elements that jointly define religious persecution, Nel's dissertation fills a frequently felt gap. Moreover, he reminds us that humanity cannot remain silent about manifestations of grievous religious persecution, which after all are crimes against humanity as a whole. International criminal law must be applied to overcome the gloating triumph of perpetrators over their victims." From the foreword by Prof. Dr. Heiner Bielefeldt, former U.N. Special Rapporteur on freedom of religion or belief

**South African Constitutional Law in Context** - Danie Brand 2014 South African Constitutional Law in Context offers a comprehensive, clear, and concise introduction to the study of South African constitutional law.
