But I know one thing for sure, he should come with a warning label. Because once you meet a man like Jay Anderson, there is no going back. With his dirty blonde hair and those eyes; he's a beautiful, X-rated fairy-tale. But beauty is a magnificent smokescreen. And a fairy-tale is just that... a tale. It's never as simple as happily ever after, not when you're meeting Mr Anderson.

This is a steamy, standalone, contemporary romance intended for readers aged 18 and over.

## **My Stepbrother** - Arabella Quinn 2015-05-28

For years, I had the worst crush on my stepbrother, Cole Hunter. We used to ride bikes, skateboard and go fishing together - now I couldn't even be in the same room as him without my pulse racing. One cocky half-grin from Cole would have my face blushing while my panties melted. It was insane - and completely humiliating. It was a painful secret that I guarded fiercely. Cole was off-limits. Forbidden. If he knew how I felt, I would die of embarrassment. I avoided Cole for years, until one wild night, when my best friend took me to a club. I thought I was going to see a grunge band, but it turned out to be a much kinkier kind of club. A club where anything goes, and well, things got a little crazy. Make that a lot crazy. No one would ever know what I'd done, right? Then I discovered who the man behind the mask really was...

chains. This summer, fun in the sun with my stepbrothers can only mean one thing: a taboo tryst that none of us will soon forget.

**The Vonnegut Encyclopedia** - Marc Leeds  
2016-10-25

Now expanded and updated, this authorized compendium to Kurt Vonnegut's novels, stories, essays, and plays is the most comprehensive and definitive edition to date. Over the course of five decades, Kurt Vonnegut created a complex and interconnected web of characters, settings, and concepts. The Vonnegut Encyclopedia is an exhaustive guide to this beloved author's world, organized in a handy A-to-Z format. The first edition of this book covered Vonnegut's work through 1991. This new and updated edition encompasses his writing through his death in 2007. Marc Leeds, co-founder and founding president of the Kurt Vonnegut Society and a longtime personal friend of the author's, has

devoted more than twenty-five years of his life to cataloging the Vonnegut cosmos—from the birthplace of Kilgore Trout (Vonnegut's sci-fi writing alter ego) to the municipal landmarks of Midland City (the midwestern metropolis that is the setting for Vonnegut's 1973 masterpiece *Breakfast of Champions*). The Vonnegut Encyclopedia identifies every major and minor Vonnegut character from Celia Aamons to Zog, as well as recurring images and relevant themes from all of Vonnegut's works, including lesser-known gems like his revisionist libretto for Stravinsky's opera *L'Histoire du soldat* and his 1980 children's book *Sun Moon Star*. Leeds provides expert notes explaining the significance of many items, but relies primarily on extended quotations from Vonnegut himself. A work of impressive scholarship in an eminently browsable package, this encyclopedia reveals countless connections readers may never have thought of on their own. A rarity among authors of serious fiction, Kurt Vonnegut has always inspired something like obsession in his most dedicated fans. The Vonnegut Encyclopedia is an invaluable resource for readers wishing to revisit his fictional universe—and those about to explore it for the first time. Praise for *The Vonnegut Encyclopedia* "An essential collection for fans of the singular satirist."—*San Francisco Chronicle* "Indispensable."—*Publishers Weekly* "If you're somebody who has read one Kurt Vonnegut book then there's a chance you've read them all. For the devout reader of Vonnegut there's a voracious sense of completism. And, Marc Leeds and his new [*The Vonnegut*] Encyclopedia are here to guide you through it all. Just don't blame him if you become unstuck in time while you're reading."—*Inverse* "Vonnegut enthusiasts will be delighted with Leeds's exhaustive, almost obsessive, treatment of the characters, places, events, and tantalizingly mysterious references for which Vonnegut's five-decade writing career is celebrated. . . . A wonderful and beautifully designed reference source."—*Booklist* (starred review) "Leeds's scholarship and genuine love for his subject matter render this encyclopedia a treasure trove for Vonnegut readers."—*The Nameless Zine*

someone a ticket for running a stop sign include a very hands-on pat-down against the hood of my car, not even giving me a chance to see his face? I swear, cop or not he's getting very close to getting Tasered; my hand was mere inches from the Taser in my open purse. But despite the high inappropriateness of his pat-down there was something very familiar about the way he was touching me - even the scent of his cologne triggered familiarity. I never dreamed when the inappropriate, yet highly erotic frisking was over that I'd be standing face to face with my former high school sweetheart, town troublemaker and love of my life Devon Land. But there he was with a cocky smirk, looking sexier than I remembered and thoroughly enjoying my surprise. One big mistake cost me the upscale life in New York I'd grown to love, forcing me to return home to Alabama. I swore I'd never move back to my small town, I'd outgrown it, but with a temptation like Devon intent on reminding me of the life I'd once left behind its becoming a challenge to leave a second time.

be, but I can't help myself. They are totally gorgeous with their steel gray eyes and bodies that make my lady parts clench. Tall and broad, it's all I can do to keep upright in their presence. Fantasies are one thing, but reality is a whole other ball game. I'm done with making stupid mistakes over men. I might enjoy imagining Callum and Liam giving me a wedding night to remember, but that's as far as it goes. I can't let them remind me who I was before Brad stole my sparkle. I can't let them show me how it feels to be worshiped. I certainly can't let them bring my naughtiest fantasies to life. Or can I? And as if that wasn't crazy enough, their younger twin brothers Matty and Ryan arrive for a surprise family holiday and suddenly I'm caught between 4 rock-hard places! It might be a cliché for the maid of honor to hook up with the best man, but it's so much hotter when there are two! Add in the bonus twins and this lucky maid is about to experience a Caribbean adventure she is never going to forget. MMFMM romance. These sexy men are all about showing their woman the time of her life! Happy ever after guaranteed. Well, there are four of them! It's pretty much a given! Author note - this is a fantastical romance full of hot sex and real feelings. If multiple love relationships are not your thing, then leave Huge X4 to the naughty ladies who love them!

life. He looks almost as handsome in uniform as out of uniform. I wait for him to say something like... 'You were amazing.' Or 'What a night'. Or maybe, 'Dinner? My place?' Sounds reasonable, right? After all, Nate left me hoarse from screaming his name, and aching from doing it in every position known to man. He also left me without a goodbye. Just a note. A freaking thank-you note. So, maybe I shouldn't be too surprised when he eyes me up and down and says three very different words. 'Have we met?' Bastard. That's what I thought for a second. But, it turns out Officer Casanova has a twin brother. Darrin. Nate didn't forget me. In fact, he has plans for me, plans that include his brother and both of them having their dirty, wicked way with me. These gorgeous, sexy, demanding men want to share me. Sounds like a girl's dream come true, right? But what if a time comes when I have to choose?

all aside. I find another man and even go so far as getting engaged. It's what I need; a normal relationship that leads to a normal life. Except that isn't what I get. Jared and Jamie are my amazing, perfect, twin stepbrothers and they know excellent ways to make me feel better. Even my wildest imaginings have never come close. It's not until the next day that the rose tinted specs fall away and I realize that what we've done is so wrong. They can never give me the happy ever after that I crave. My dad would never forgive us and their mom would feel the same. All I have to do to fix things is keep my hands off their gorgeous bodies and forget how amazing they make me feel. The trouble is, that our one-night-stand might have left me with more than I bargained for and I have no idea which of my stepbrothers is going to be a daddy. HUGE STEPS is book 6 in the Bestselling Huge series. All books are standalone romances. It's 47,000 words with a happy ever after ending. It includes ESCAPE for your continued reading pleasure.
