[Praise is My Weapon](#) - Dan Willis 2016-03-04

Life is hard. Even as believers, we are constantly barraged by challenges, sickness, attacks, and tragedies. Loved ones die. Good people get hurt. The faithful are besieged. It is no wonder we are often plagued by questions that plant seeds of doubt in our minds. And yet, we are not powerless or empty-handed in the battle for our

faith. As children of God, we are legal authorities in the kingdom of heaven, charged with taking control of our circumstances and enlarging our territory. And one of our greatest weapons is praise. Dan Willis will show you how praise can lead you to victory in life. He takes you through the many forms of praise, far beyond song, dance, music, and singing, to help you fully

utilize it in your spiritual life. Praise is not an option; it's a command. Praise Him, no matter what. If life has knocked you to the ground, learn to praise Him from the floor! As a child of God, you need to know how to wage a holy fight, which brings peace and causes you to win, rather than an ugly fight, which leads only to confusion and greater loss.

Apeirogon: A Novel - Colum McCann 2020-02-25
NEW YORK TIMES BESTSELLER • “A quite extraordinary novel. Colum McCann has found the form and voice to tell the most complex of stories, with an unexpected friendship between two men at its powerfully beating heart.”—Kamila Shamsie, author of *Home Fire*
FINALIST FOR THE DUBLIN LITERARY AWARD
• LONGLISTED FOR THE BOOKER PRIZE • WINNER OF THE NATIONAL JEWISH BOOK AWARD • NAMED ONE OF THE BEST BOOKS OF THE YEAR BY *The Independent* • The New York Public Library • *Library Journal* From the National Book Award-winning and bestselling author of *Let the Great World Spin* comes an epic novel rooted in the unlikely real-life friendship between two fathers. Bassam Aramin is Palestinian. Rami Elhanan is Israeli. They

inhabit a world of conflict that colors every aspect of their lives, from the roads they are allowed to drive on to the schools their children attend to the checkpoints, both physical and emotional, they must negotiate. But their lives, however circumscribed, are upended one after the other: first, Rami's thirteen-year-old daughter, Smadar, becomes the victim of suicide bombers; a decade later, Bassam's ten-year-old daughter, Abir, is killed by a rubber bullet. Rami and Bassam had been raised to hate one another. And yet, when they learn of each other's stories, they recognize the loss that connects them. Together they attempt to use their grief as a weapon for peace—and with their one small act, start to permeate what has for generations seemed an impermeable conflict. This extraordinary novel is the fruit of a seed planted when the novelist Colum McCann met the real Bassam and Rami on a trip with the non-profit organization Narrative 4. McCann was moved by their willingness to share their stories

with the world, by their hope that if they could see themselves in one another, perhaps others could too. With their blessing, and unprecedented access to their families, lives, and personal recollections, McCann began to craft *Apeirogon*, which uses their real-life stories to begin another—one that crosses centuries and continents, stitching together time, art, history, nature, and politics in a tale both heartbreaking and hopeful. The result is an ambitious novel, crafted out of a universe of fictional and nonfictional material, with these fathers' moving story at its heart.

The Voices of Babyn Yar - Marianna Kiyanovska 2022-06-14

With *The Voices of Babyn Yar*—a collection of stirring poems by Marianna Kiyanovska—the award-winning Ukrainian poet honors the victims of the Holocaust by writing their stories of horror, death, and survival by projecting their own imagined voices. Artful and carefully intoned, the poems convey the experiences of ordinary civilians going through unbearable events leading to the massacre at Kyiv's Babyn Yar from a first-person perspective to an effect that is simultaneously immersive and estranging. While conceived as a tribute to the fallen, the book raises difficult questions about memory,

responsibility, and commemoration of those who had witnessed an evil that verges on the unspeakable.

A Voice in the Wind - Francine Rivers

2012-09-21

Book 1 in the 3-book historical Christian fiction series by the New York Times bestselling author of Redeeming Love and The Masterpiece. The first book in the beloved Mark of the Lion series, *A Voice in the Wind* brings readers back to the first century and introduces them to a character they will never forget—Hadassah. While wealthy Roman citizens indulge their every whim, Jews and barbarians are bought and sold as slaves and gladiators in the bloodthirsty arena. Amid the depravity around her, a young Jewish slave girl becomes a light in the darkness. Even as she's torn by her love for a handsome aristocrat, Hadassah clings to her faith in the living God for deliverance from the forces of a decadent empire. Includes discussion questions suitable for individual use or group discussions “Francine

unlocks the longing in each one of us to connect to God in a deeper, life-changing way. No one reading her books will ever be the same again.”

—Debbie Macomber “As we ‘watch’ Hadassah and Atretes struggle through first-century trials, we learn how to handle similar situations in the twenty-first century. The ‘costumes’ may vary, but our Lord does not change.” —Angela Hunt “Francine redefined Christian fiction—honest, unflinching, powerful, life-changing—demonstrating why storytelling is the most effective way to communicate God’s truth. Every Christian novelist writing today owes a debt of gratitude to Francine Rivers for lighting the way.” —Liz Curtis Higgs “Francine Rivers writes from her heart to touch the hearts of her readers. Her books are essential reading for all who love Christian fiction.” —Bodie Thoene “Francine Rivers puts readers right into the history of the moment.” —Romantic Times

Katsenelson takes his reader step by step into the mind of the value investor by relating, in a fictional addendum to Fiddler on the Roof, the story of Tevye's purchase of Golde, the cow. He also describes his own big-time gambling evening (he was willing to lose a maximum of \$40) and that of a half-drunken, rowdy fellow blackjack player to stress the importance of process. He then moves on to the fundamental principles of active value investing. What differentiates this book from so many others on value investing is that it describes, sometimes through the use of case studies, the thinking of a value investor. The book is organized into broad categories of praise, entreaty, contemplation, mourning, and grace; and two indexes—one by authorship, and the other by topic—make it immediately accessible. There are familiar prayers, like the Lord’s Prayer and 23rd Psalm, which, placed in new context, shine with a renewed beauty and wisdom. You’ll find prayers unfamiliar to many in the West, such as the “Opener” from the Koran or the four vows of the Bodhisattva, chanted every evening in Zen monasteries around the world. And the surprising—from the “Prayer of the Unknown Confederate Soldier” to the blues of Lightnin’ Hopkins to the poetry of Rumi. Think you know what rural America is like? Discover a plurality of perspectives in this enlightening anthology of stories that turns preconceptions on their head. Gracie sees a chance of fitting in at her South Carolina private school, until a “white trash”-themed Halloween party has her steering clear of the rich kids. Samuel’s Tejano family has both stood up to oppression and been a source of it, but now he’s ready to own his true sexual identity. A Puerto Rican teen in Utah discovers that being a rodeo queen means embracing her heritage, not shedding it. . . . For most of America’s history, rural people and culture have been casually mocked, stereotyped, and, in general, deeply misunderstood. Now an array of short stories,

poetry, graphic short stories, and personal essays, along with anecdotes from the authors’ real lives, dives deep into the complexity and diversity of rural America and the people who call it home. Fifteen extraordinary authors—diverse in ethnic background, sexual orientation, geographic location, and socioeconomic status—explore the challenges, beauty, and nuances of growing up in rural America. From a mountain town in New Mexico to the gorges of New York to the arctic tundra of Alaska, you’ll find yourself visiting parts of this country you might not know existed—and meet characters whose lives might be surprisingly similar to your own.
