Breaking Normal - Daniel Eisenman 2017-05-30

Over the past decade of creating epic personal development retreats, Daniel Eisenman has traveled around the world experiencing beautiful, exotic settings and amazing people. His one big observation is that so many people keep the lid on their growth and opportunities to thrive. This is a self-imposed limitation ... nobody tells us to do this! Daniel blows the lid off and gives you a retreat experience in a book. What's inside *Breaking Normal: ReWild Your Inner Child and Set the Truth Free*? *You'll get to feel what it means to be raw and vulnerable, excited and glowing with a sacred knowledge about your future. *You'll learn to communicate with others in a way that cuts through the limitations we used to let entangle us. *You'll have tools and insight for building your own tribe, be it your family or community or the world at large.

Tough Call - Matt Popovits 2016-09-07

Life is full of tough calls and daunting decisions. The question isn't if you'll face a big decision in the future, but how you'll face the tough call that's guaranteed to come your way. Think about it. There are wedding proposals to ponder, college applications to submit, career moves to make, homes to sell, and confrontations to consider. And, knowing how poorly things could go, we sometimes find ourselves facing these decisions with a deep fear of future regret. The pressure is on. Or is it? Short and straightforward, yet full of practical insight and spiritual truths, *Tough Call*, will help you see that the Christian faith offers a mindset to confidently and joyfully make your next big decision. More importantly you'll see that you can face life with your fears recognized, your peace maximized, and your hope anchored in something greater than your ability to "get it right." Readers familiar with authors like Acuff, Chan, and Tchividjian will resonate with Matt Popovits's witty, practical, and gospel-centered take on complicated topics. *Tough Call* is an enjoyable and essential read for any and all facing a major decision.

Engineer to Win - Carroll Smith 1984

"Is titanium for you? Can better brakes reduce lap times significantly? How do you choose the rights nuts and bolts? Which is more important, cornering or straight-line speed? Why did it break again? *Engineer to Win* not only answers these and many other questions, it gives you the reasons why."--Back cover

That Is the Way It Is! - Majid Al Suleimany 2018-11-17

About The Book! This book 53rd is The Sequel to my earlier 52 books to date! Elevating Child Care: A Guide to Respectful Parenting - Janet Lansbury 2014-05-01

Janet Lansbury's advice on respectful parenting is quoted and shared by millions of readers worldwide. Inspired by the pioneering parenting philosophy of her friend and mentor, Magda Gerber, Janet's influential voice encourages parents and child care professionals to perceive babies as unique, capable human beings with natural abilities to learn without being taught; to develop motor and cognitive skills; communicate; face age appropriate struggles; initiate and direct independent play for extended periods; and much more. Once we are able to view our children in this light, even the most common daily parenting experiences become stimulating opportunities to learn, discover, and to connect with our child. "Elevating Child Care" is a collection of 30 popular and widely read articles from Janet's website that focus on some of the most common infant/toddler issues: eating, sleeping, diaper changes, communication, separation, focus and attention span, creativity, boundaries, and more. Eschewing the quick-fix 'tips and tricks' of popular parenting culture, Janet's insightful philosophy lays the foundation for a closer, more fulfilling parent/child relationship, and children who grow up to be authentic, confident, successful adults.

The Daily Show (The Book) - Chris Smith 2016-11-22

NEW YORK TIMES BESTSELLER The complete, uncensored history of the award-winning The Daily Show with Jon Stewart, as told by its correspondents, writers, and host. For almost seventeen years, The Daily Show with Jon Stewart brilliantly redefined the borders between television comedy, political satire, and opinionated news coverage. It launched the careers of some of today's most significant comedians, highlighted the hypocrisies of the powerful, and garnered 23 Emmys. Now the show's behind-the-scenes gags, controversies, and camaraderie will be chronicled by the players themselves, from legendary host Jon Stewart to the star cast members and writers-including Samantha Bee, Stephen Colbert, John Oliver, and Steve Carell - plus some of The Daily Show's most prominent guests and adversaries: John and Cindy McCain, Glenn Beck, Tucker Carlson, and many more. This oral history takes the reader behind the curtain for all the show's highlights, from its origins as

Comedy Central's underdog late-night program to Trevor Noah's succession, rising from a scrappy jester in the 24-hour political news cycle to become part of the beating heart of politics—a trusted source for not only comedy but also commentary, with a reputation for calling bullshit and an ability to effect real change in the world. Through years of incisive election coverage, passionate debates with President Obama and Hillary Clinton, feuds with Bill O'Reilly and Fox, and provocative takes on Wall Street and racism, The Daily Show has been a cultural touchstone. Now, for the first time, the people behind the show's seminal moments come together to share their memories of the last-minute rewrites, improvisations, pranks, romances, blow-ups, and moments of Zen both on and off the set of one of America's most groundbreaking shows.

Free Roll - Brandt Tobler 2017-05-22

Have you ever wondered: What it's like to daily bet hundreds of thousands of dollars working for some of the largest professional gamblers in Las Vegas? ... How to spend a summer house sitting one of the biggest stars in the world's 11,000 square-foot mansion - without an invitation from it's celebrity owner ... Whether the life of crime - specifically, running a shoplifting ring in a middle American mall - pays? ... What causes a son to finally say enough is enough ... and decide "Today is the day I am going to kill my dad." Comedian Brandt Tobler has the answers in this funny, touching and sometimes downright unbelievable memoir of a small town Wyoming-kid turned "mall-fia" don, turned nationally touring comic. Brand tells his life story with candor, detailing the many pit stops, wrong turns, crazy connections and lucky breaks he experienced along the way to his comedy career, all while trying to balance a toxic relationship with his unreliable jailbird dad. In these pages Brandt will make you laugh (he better - it's his job!) and believe as he does that, when it comes to defining family, blood isn't always thicker than water. -- back cover.

A Hoser's Guide to Canadian History - Kirt Purdy 2016-03

The great thing about being Canadian is simply this: we don't take ourselves too seriously, which works out pretty well because no one else on the planet takes us seriously, either. If you're reading this book, there's a good chance you're a Canadian. But what does that mean? There are the stereotypical nods, such as politeness and apologizing, but there's so much more! To be honest, you've probably taken part in (or at least talked about) hockey, poutine, curling, canoes, health care, snowshoes, parkas, camping, beer, road work, Canadian Tire, Slurpees, moose, maple syrup, and Tim Hortons in the last 24 hours. "A Hoser's Guide to Canadian History" is your ticket to even more things "Canadian" that you may have missed during your water-cooler discussions, online chats, or your seventeen-hour wait in the local emergency room. As you read this book, you'll discover new and exciting facts about Canada that simply weren't taught in school. As a History teacher, I found the need to spread the unvarnished truth of this great nation's past. People like Sir John "Eh" MacDonald, Tommy Douglas, and Pierre Trudeau all had a distinct impact on this great country of ours, and part of their stories are included in these pages. Even less-famous folks who helped to shape Canada got a mention: John Humphrey, Laura Secord, and Egerton Ryerson. (Yes, "Egerton" is a real name.) Canada has an exciting past, full of events that have brought us to where we are now. Like all countries, we have some things we'd like to forget, but most of those unpleasant moments happened because we had morons in Parliament, something that doesn't happen anymore. Canadians have no need to apologize for being nice, honest, and caring people. So, please enjoy this book, and if you don't, well, I'm sorry.

Turning This Thing Around - Keith Maginn 2012-12-22

Turning This Thing Around is an inspiring memoir of overcoming personal struggles. This brutally honest, deeply personal account of redemption takes readers on a moving spiritual journey. Confronted with a myriad of obstacles—a debilitating arthritic disease, narcolepsy, anxiety and depression—the author was outwardly happy, but inwardly miserable. Pushed to the lowest point of his life, Maginn shares how he gradually turned things around and used his experiences to grow as a person. Supplemented by heartfelt poetry by the author and with quotes from Gandhi to Dr. Wayne Dyer to Eckhart Tolle, Turning This Thing Around has universal themes that speak to nearly everyone, as we all must face challenges as part of being human. It is a self-help memoir of sorts: the author discusses not only what he overcame, but also how he did so—and how others can, too. Unlike many popular memoirs on the market, this is a story that more people can relate to. Maginn was not raised in an eccentric family (Jeannette Walls in *The Glass Castle*, memoirs by Augusten Burroughs), nor did he travel to Italy, India and Indonesia, as Elizabeth Gilbert did in *Eat, Pray, Love*. Rather, Turning

This Thing Around is a story of a normal young man's resiliency when battling extraordinary circumstances.

Women in High Gear - Anne Deeter Gallaher 2013-03

Is high gear attainable for today's women and the next generation? Yes! Women in High Gear is a first-of-its-kind look at how women in business, on-rampers, and aspiring executives can discern and discover a path to high gear. Whether that looks like financial independence, starting a business, ascending to the C-suite, securing a board seat, or making superconnections, high gear is clearly within reach. Entrepreneurs and small business owners Anne Deeter Gallaher and Amy D. Howell join forces in Women in High Gear to tell their stories of two divergent paths to reach the same goal. In 13 easy-to-read and easy-to-relate-to chapters, Amy and Anne lay out their own journeys to high gear and show how others can connect the dots for growth and success. They combine big business principles with small business DNA in hopes that their experiences will shorten the business learning curve of women. Living the realities of staying at home and staying on the fast track, Anne and Amy help women of all ages understand the necessities for emotional resilience, harnessing the soft skills, exhibiting leadership, mastering self-discipline, understanding the bottom line, connecting on social media, and building a personal brand. Wherever you stand in your business journey, Anne and Amy challenge you to charge ahead with confidence and fresh perspectives. The world needs what you have to offer-high gear awaits! Acclaim for Women in High Gear: "Anne Deeter Gallaher and Amy D. Howell are keenly attuned to the need for mentoring, guidance, and inspiration to help prepare current and future generations of women for leadership in business and society. In Women in High Gear, Anne and Amy have artfully woven their own high gear journeys to both mark a path for growth and to steer readers clear of roadblocks. They blend advice, personal experience, insight, and accountability in hopes of shortening the learning curves of other women." Kim S. Phipps, Ph.D. President, Messiah College "In a business world steeped in too much self-help blather, Amy and Anne stand up for accountability, distinctiveness, mental toughness, responsibility, hard work, compassion, and appropriate compromise-the values that forge great leaders. This book is inspiring, true, and even better-entertaining!" Mark. W. Schaefer College Educator, Entrepreneur, International Speaker, and Author of Return on Influence and The Tao of Twitter "Women in High Gear is proof of the power of storytelling-at which Anne Deeter Gallaher and Amy D. Howell excel. They turn their hard-won personal and professional experiences into illuminating and engaging examples for others to follow. Early and mid-career professionals will find High Gear immediately useful, but even seasoned executives (like me) will see in Amy and Anne's experiences new approaches to today's challenges." Kathleen A. Pavelko President/CEO, WITF, Harrisburg, PA "This book is for anyone wanting to soar to higher goals in business."

Philip H. Trenary CEO, Phil Trenary Associates; Former CEO, Pinnacle Airlines Corporation "After reading Women in High Gear, I immediately wrote out my high gear goals for the next five years. This book is for any woman with a big dream for her life!" Rachael Dymski Author "Wonder duo Anne and Amy provide valuable insight into how independent, driven women can dominate the professional business landscape." Susan R.

Ewing Director of Social & Digital Media, Hershey Harrisburg Regional Visitors Bureau "Women in High Gear is the modern guide to overcoming obstacles and achieving success without breaking a sweat-and doing it all in 4-inch heels. Anne and Amy have hit a homerun!" Kaitlin Sawyer Public Relations/Marketing Professional, Hawaii
