May turned to her grandfather and the art of beekeeping as an escape from her troubled reality. Her mother had receded into a volatile cycle of neurosis and despair and spent most days locked away in the bedroom. It was during this pivotal time in May's childhood that she learned to take care of herself, forged an unbreakable bond with her grandfather and opened her eyes to the magic and wisdom of nature. The bees became a guiding force in May's life, teaching her about family and community, loyalty and survival and the unequivocal relationship between a mother and her child. Elser's plan was centered on the Munich Beer Hall, where he knew Hitler would be making a speech. Working slowly and in secret, he started to assemble the bomb that he would use to try to kill Hitler. When finished, the bomb was hidden in a hollowed-out space near the speaker's podium. The bomb went off successfully, killing eight people . . . but Hitler was not one of them. Bombing Hitler is an incredible tale that takes you back to 1939, and recreates the steps that led Elser from the Munich Beer Hall, to his attempted escape across the Swiss border, and sadly, to the concentration camp where his heroic life ended. Amid the turmoil of modern Damascus, one teenage boy finds his political voice in a message of rebellion that echoes throughout Syria and as far away as Western Europe. Inspired by his dearest friend, old Uncle Salim, he begins a journal to record his thoughts and impressions of family, friends, life at school, and his growing feelings for his girlfriend, Nadia. Soon the hidden diary becomes more than just a way to remember his daily adventures; on its pages he explores his frustration with the government injustices he witnesses. His courage and ingenuity finally find an outlet when he and his friends begin a subversive underground newspaper. Warmed by a fine sense of humor, this novel is at once a moving love story and a passionate testimony to the difficult and committed actions being taken by young people around the world.
