**Destination Wellness** - Annie Daly 2021-05-11

True well-being isn't hard to find. You just have to know where to look. In

this insightful, full-color tour of Jamaica, Norway, Hawai'i, Japan, India, and Brazil, wellness and travel journalist Annie Daly shares a diverse array of philosophies, lifestyles, and practices for better living. Fed up with the commercialization of the wellness industry after working in it for years, Annie embarked on an inspiring adventure through some of the world's happiest and healthiest cities and villages to find out what we can learn from them. Whether she's hiking along gorgeous fjords in Norway to see why Norwegians are so dedicated to getting outside, soothing her spirit with Hawaiian salt water cleanses, or learning about the importance Brazilians place on community, Annie combines on-the-ground reporting with heartfelt personal narrative to share the global lessons, philosophies, and customs that prove that wellness is not about the products—it's about the way you live your life. With candid photography, lesser-known history sidebars, and guidance on how to incorporate these often ancient and always timeless practices into your own lifestyle, this culturally-immersive read invites you to view the world through a different lens and decide what being well means to you. Destination Wellness is the perfect book for: • Anyone who has embraced hygge and is looking for new lifestyle inspiration • Armchair travelers and staycationers • Happiness and inspiration seekers • Wellness and travel enthusiasts • History lovers

**Niksen** - Olga Mecking 2021-01-12

The Dutch people are some of the happiest in the world. Their secret? They are masters of niksen, or the art of doing nothing. Niksen is not a

form of meditation, nor is it a state of laziness or boredom. It's not scrolling through social media, or wondering what you're going to cook for dinner. Rather, to niks is to make a conscious choice to sit back, let go, and do nothing at all. With this book, learn how to do nothing in the most important areas of your life, such as: AT HOME: Find a comfy nook and sit. No technology or other distractions. AT WORK: Stare at your computer. Take in the view from your office. Close your eyes. IN PUBLIC: Forget waiting for the bus, enjoy some relaxing niks time. Backed with advice from the world's leading experts on happiness and productivity, this book examines the underlying science behind niks and how doing less can often yield so much more. Perfect for anyone who feels overwhelmed, burnt out, or exhausted, NIKSEN does not tell you to work harder. Instead, it shows you how to take a break from all the busyness while giving you sincere, heartfelt permission to do nothing. [Lonely Planet's Best in Travel 2018](#) - 2017-10-23
