[A Lady's Guide to Selling Out](#) - Sally Franson 2018-04-10
With “elements of The Bold Type, Mad Men, and The Devil Wears Prada” (Entertainment Weekly), a young woman navigates a tricky twenty-first-century career—and the trickier question of who she wants to be—in this savagely wise debut novel Casey Pendergast is losing her way. Once a book-loving English major, Casey lands a job at a

top ad agency that highly values her ability to tell a good story. Her best friend thinks she’s a sellout, but Casey tells herself that she’s just paying the bills—and she can’t help that she has champagne taste. When her hard-to-please boss assigns her to a top-secret campaign that pairs literary authors with corporations hungry for upmarket cachet, Casey is both excited and skeptical. But as she

crisscrosses America, wooing her former idols, she's shocked at how quickly they compromise their integrity: A short-story writer leaves academia to craft campaigns for a plus-size clothing chain, a reclusive nature writer signs away her life's work to a manufacturer of granola bars. When she falls in love with one of her authors, Casey can no longer ignore her own nagging doubts about the human cost of her success. By the time the year's biggest book festival rolls around in Las Vegas, it will take every ounce of Casey's moxie to undo the damage—and, hopefully, save her own soul. Told in an unforgettable voice, with razor-sharp observations about everything from feminism to pop culture to social media, *A Lady's Guide to Selling Out* is the story of a young woman untangling the contradictions of our era and trying to escape the rat race—by any means necessary. Praise for *A Lady's Guide to Selling Out* "Bitingly funny . . . [Sally] Franson's snappy debut nimbly skewers

You've GOT to Read This

Book! - Jack Canfield

2009-10-13

There's nothing better than a book you can't put down—or better yet, a book you'll never forget. This book puts the power of transformational reading into your hands. Jack Canfield, cocreator of the bestselling *Chicken Soup for*

the Soul® series, and self-actualization pioneer Gay Hendricks have invited notable people to share personal stories of books that changed their lives. What book shaped their outlook and habits? Helped them navigate rough seas? Spurred them to satisfaction and success? The contributors include Dave Barry, Stephen Covey, Malachy McCourt, Jacquelyn Mitchard, Mark Victor Hansen, John Gray, Christiane Northrup, Bernie Siegel, Craig Newmark, Michael E. Gerber, Lou Holtz, and Pat Williams, to name just a few. Their richly varied stories are poignant, energizing, and entertaining. Author and actor Malachy McCourt tells how a tattered biography of Gandhi, stumbled on in his youth, offered a shining example of true humility—and planted the seeds that would help support his sobriety decades later. Bestselling author and physician Bernie Siegel, M.D., tells how William Saroyan's *The Human Comedy* helped him realize that, in order to

successfully treat his patients with life-threatening illnesses, "I had to help them live—not just prevent them from dying." Actress Catherine Oxenberg reveals how, at a life crossroads and struggling with bulimia, a book taught her the transforming difference one person could make in the life of another—and why that person for her was Richard Burton. Rafe Esquith, the award-winning teacher whose inner-city students have performed Shakespeare all over the world, recounts his deep self-doubt in the midst of his success—and how reading *To Kill a Mockingbird* strengthened him to continue teaching. Beloved librarian and bestselling author Nancy Pearl writes how, at age ten, Robert Heinlein's science fiction book *Space Cadet* impressed on her the meaning of personal integrity and gave her a vision of world peace she'd never imagined possible. Two years later, she marched in her first civil rights demonstration and learned that there's always a way to make "a small contribution to

intergalactic harmony." If you're looking for insight and illumination—or simply for that next great book to read—You've Got to Read This Book! has treasures in store for you.

Chance Meetings - William Saroyan 2015-01-13

In his touching and amusing memoir *Chance Meetings*, William Saroyan gives us a glimpse of the characters that have left an indelible impression on his mind for

years to come. From the Armenian neighbourhood of his childhood to the Parisian streets of his formative years, we meet the people that have inspired, perplexed, angered and enamoured him. We meet finely drawn personalities like the Armenian Cabinet maker, that planed wood whilst his mind composed beautiful poems, who would call him into his shop and embarrass Saroyan with his recitations. We visit the tiny desk of the only famous writer in San Francisco, who kindly replied to Saroyan's letter and invited him into his office. And the playful image of his mother, who would caricature everyone from the postman to the president with hilarious precision. First published in 1978, *Chance Meetings* builds a picture of the author through the people that surrounded him throughout his life, who shaped and formed a great writer, and were immortalised by his words.

The World of William Saroyan - Nona Balakian 1998
In this work, the author tells

how Saroyan transformed the short story by personalizing it and by loosening the structure of the novella form. He went on to bring new life to the theater and to the telling of autobiography. Better than that of any recent drama critic, Balakian's chapters on the theater place Saroyan's plays in the larger framework of the American theater of his time and achieve the creation of a total picture of the state of the American theater of the 1930s. **The Human Comedy** - William Saroyan 1979

[In the Heart of the Country](#) - J. M. Coetzee 2017-05-30
A story told in prose as feverishly rich as William Faulkner's, In the Heart of the

Country is a work of irresistible power. J.M. Coetzee's latest novel, The Schooldays of Jesus, is now available from Viking. Late Essays: 2006-2016 will be available January 2018. On a remote farm in South Africa, the protagonist of J. M. Coetzee's fierce and passionate novel watches the life from which she has been excluded. Ignored by her callous father, scorned and feared by his servants, she is a bitterly intelligent woman whose outward meekness disguises a desperate resolve not to become "one of the forgotten ones of history." When her father takes an African mistress, that resolve precipitates an act of vengeance that suggests a chemical reaction between the colonizer and the colonized—and between European yearnings and the vastness and solitude of Africa. With vast assurance and an unerring eye, J. M. Coetzee has turned the family romance into a mirror of the colonial experience.

Cal and Frida have always known is gone, and they've left the crumbling city of Los Angeles far behind them. They now live in a shack in the wilderness, working side-by-side to make their days tolerable in the face of hardship and isolation. Mourning a past they can't reclaim, they seek solace in each other. But the tentative existence they've built for themselves is thrown into doubt when Frida finds out she's pregnant. Terrified of the unknown and unsure of their ability to raise a child alone, Cal and Frida set out for the nearest settlement, a guarded and paranoid community with dark secrets. These people can offer them security, but Cal and Frida soon realize this community poses dangers of its own. In this unfamiliar world, where everything and everyone can be perceived as a threat, the couple must quickly decide whom to trust. A gripping and provocative debut novel by a stunning new talent, California imagines a frighteningly realistic near future, in which

Me - William Saroyan
2016-12-14

Once upon a time there was only one word — me. If you wanted to say here I am, you said — me. It was the only word anyone ever heard! But only people said me. Dogs said bark, bark, take me to the park; cats said purr, purr, I am the Queen be kind to her; cows said moo, moo, I am a cow, what are you? But slowly, change came, and in his first children's book, Pulitzer Prize-winning dramatist William Saroyan spins a fanciful fable that speculates on how members of the human race actually started talking to each other. Recounted with catchy rhymes and a spirited simplicity, this story is illustrated with lively pictures that glow with the warmth of

watercolors. An internationally renowned writer, playwright, and humanitarian, William Saroyan wrote short stories, plays, novels, memoirs, and essays. His tale of Me is illustrated by Murray Tinkelman, whose art has appeared in Atlantic Monthly, The New York Times, The Washington Post, and many other prominent publications. Their charming children's story has been out of print for decades but now returns to circulation in this vibrant new edition.

The Strange Case of Dr Jekyll and MR Hyde (Collins Classics)

- Robert Louis Stevenson

2019-06-11

Strange Case of Dr Jekyll and Mr Hyde is a novella written the Scottish author Robert Louis Stevenson and first published in 1886. It is about a London lawyer who investigates strange occurrences between his old friend, Dr Henry Jekyll, and the misanthropic Edward Hyde.

The work is known for its vivid portrayal of a split personality, split in the sense that within the same person there is both an apparently good and an evil

personality each being quite distinct from each other; in mainstream culture the very phrase "Jekyll and Hyde" has come to mean a person who is vastly different in moral character from one situation to the next. This is different from multiple personality disorder where the different personalities do not necessarily differ in any moral sense.

Strange Case of Dr Jekyll and Mr Hyde was an immediate success and one of Stevenson's best-selling works. Stage adaptations began in Boston and London within a year of its publication and it has gone on to inspire scores of major film and stage performances.

The Daring Young Man on the Flying Trapeze - William Saroyan 1997-10-17

Saroyan's debut collection of

stories. A timeless selection of brilliant short stories that won William Saroyan a position among the foremost, most widely popular writers of America when it first appeared in 1934. With the greatest of ease William Saroyan flew across the literary skies in 1934 with the publication of *The Daring Young Man on the Flying Trapeze and Other Stories*. One of the first American writers to describe the immigrant experience in the U.S., Saroyan created characters who were Armenians, Jews, Chinese, Poles, Africans, and the Irish. The title story touchingly portrays the thoughts of a very young writer, dying of starvation. All of the tales were written during the great depression and reflect, through pathos and humor, the mood of the nation in one of its greatest times of want.

unforgettable heroine for our times: the eponymous Patsy, who leaves her young daughter behind in Jamaica to follow Cicely, her oldest friend, to New York. Beating with the pulse of a long-withheld confession and peppered with lilting patois, Patsy gives voice to a woman who looks to America for the opportunity to love whomever she chooses, bravely putting herself first. But to survive as an undocumented immigrant, Patsy is forced to work as a nanny, while back in Jamaica her daughter, Tru, ironically struggles to understand why she was left behind. Greeted with international critical acclaim from readers who, at last, saw themselves represented in Patsy, this astonishing novel "fills a literary void with compassion, complexity and tenderness" (Joshunda Sanders, *Time*), offering up a vital portrait of the chasms between selfhood and motherhood, the American dream and reality.
