Model Rules of Professional Conduct - American Bar Association. House of Delegates 2007

The Model Rules of Professional Conduct provides an up-to-date resource for information on legal ethics. Federal, state and local courts in all jurisdictions look to the Rules for guidance in solving lawyer malpractice cases, disciplinary actions, disqualification issues, sanctions questions and much more. In this volume, black-letter Rules of Professional Conduct are followed by numbered Comments that explain each Rule's purpose and provide suggestions for its practical application. The Rules will help you identify proper conduct in a variety of given situations, review those instances where discretionary action is possible, and define the nature of the relationship between you and your clients, colleagues and the courts.

Penal Servitude - Helen Johnston 2022-01-15

Established in 1853, after the end of penal transportation to Australia, the convict prison system and the sentence of penal servitude offered the most severe form of punishment – short of death – in the criminal justice system, and they remained in place for nearly a century. Penal Servitude is the first comprehensive study to examine the convict prison system that housed all those who were sentenced to penal servitude during this time. Helen Johnston, Barry Godfrey, and David Cox detail the administration and evolution of the system, from its creation in the 1850s and the building of the prison estate to the classification of prisoners within it. Exploring life in the convict prison through the experiences of the people who were subjected to it, the authors shed light on various details such as prison diet, education, and labour. What they find reveals the internal regimes; the everyday endurances, conformity, resistance, and rule breaking of convicts; and the interactions with the warders, medical officers, and governors that shaped daily life in the system. Reconstructing the life histories of hundreds of convict prisoners from detailed prison records, criminal registers, census data, and personal correspondence, Penal Servitude illuminates the lives of those who experienced long-term imprisonment in the nineteenth and twentieth centuries.

The Credentialing Handbook - Sheryl Deutsch 1999

The Credentialing Handbook provides comprehensive, plain-English guidance to understand and master the provider credentialing process in any health care setting. With sample forms, checklists, flowcharts, and

correspondence, this practical guide walks you through every aspect of effective credentialing, appointment, and recredentialing. You'll learn: key steps in the credentialing process; about express credentialing models; how to credential allied health practitioners; typical time frames and tracking systems; pros and cons of delegating credentialing, plus more.

Napoleon's Imperial Guard Uniforms and Equipment. Volume 1 - Paul L. Dawson 2019-08-30

From its origins as the Consular Guard of the French Republic, and as Napoleon's personal bodyguard, the Imperial Guard developed into a force of all arms numbering almost 100,000 men. Used by Napoleon as his principal tactical reserve, the Guard was engaged only sparingly, being deployed at the crucial moment of battle to turn the tide of victory in favor of the Emperor of the French. Naturally, the Imperial Guard has been the subject of numerous books over many decades, yet there has never been a publication that has investigated the uniforms and equipment of the infantry of the Imperial Guard in such detail and with such precision. The author has collected copies of almost all the surviving documents relating to the Guard, which includes a vast amount of material regarding the issuing of dress items, in some instances down to company level. This information is supported by an unrivaled collection of illustrations, many of which have never been published before, as well as images of original items of equipment held in museums and private collections across the globe. In addition, the renowned military artist, Keith Rocco, has produced a series of unique paintings commissioned exclusively for this book. This glorious book is, and will remain, unsurpassed as the standard work on the clothing and equipment of the Imperial Guard, and will not only be invaluable to historians, but also reenactors, wargamers and modelers. It is one of the most important publications ever produced on this most famous of military formations.

Playing with Print - Carol Ann Bloom 2007-05-01

To create a classroom where first encounters with literacy are playful and exploratory - not formal and separate from the child's world - this book spills out a rich cascade of ideas in four areas: making the classroom a print-rich learning environment, including print in daily activities, practicing literacy through art activities and dramatic play, and recasting the teacher's role into spectator, advisor, resource, and scribe. Hundreds of ideas support these goals. Grades preK-2. Suggested resources. Illustrated. Good Year Books. 204 pages. Second Edition.
