London Street - Jane E. Griffioen 2020-05-25

Within a Dutch enclave already removed from the larger world, Janie's family is further isolated and odd. Janie struggles within the tight-knit community to understand the secrets and events involving her family. She knows the line her father draws between the holy and the sinful. His boundaries and rigid belief system nearly destroy the very family they were meant to protect. Persistent rumors and shunning by church members add to Janie's heartache and confusion. Her endurance to preserve a loving relationship with her family is an intimate story of triumph over community bigotry and religious zeal gone too far.

Down London Road - Samantha Young 2013-05-07

A woman used to taking charge is about to meet a man who'll make her lose control in this novel from the New York Times bestselling author of On Dublin Street. It has always been up to Johanna to care for her family, particularly her younger brother, Cole. With an absent father and a useless mother, she's been making decisions based on what's best for Cole for as long as she can remember. She even determines what men to date by how much they can provide for her brother and her, not on whatever sparks may—or

may not—fly. But with Cameron MacCabe, the attraction is undeniable. The sexy new bartender at work gives her butterflies every time she looks at him. And for once, Jo is tempted to put her needs first. Cam is just as obsessed with getting to know Jo, but her walls are too solid to let him get close enough to even try. Then Cam moves into the flat below Jo's, and their blistering connection becomes impossible to ignore. Especially since Cam is determined to uncover all of Jo's secrets...even if it means taking apart her defenses piece by piece.

Skylar O'Malley - Bertrice Small 2011-05-25

From the incomparable New York Times bestselling author Bertrice Small comes a heroine as breathtaking as she is legendary. Indomitable and bold in an era of royalty and rogues, Skylar O'Malley is a woman who embraces her unbridled sensuality as valiantly as she fights for her children, her lovers, her empire. A woman of justice and honor, she will match wits with and challenge the most dangerous and powerful woman of her time: Queen Elizabeth I. Though Skylar is the object of every man's fantasy, only a handful have had the thrill of tasting her enticing passions—men whose own daring adventures match her exotic forays into a world of lust, longing, and remarkable destiny. Skylar's is a stunning tale that reaches from the emerald hills of Ireland to the lush palaces of Algiers to the helm of a shipping empire, where she will wage her greatest battle for love and vengeance against the crown itself. Praise for Skylar O'Malley "Small creates cover-to-cover passion, a keen sense of history, and suspense."—Publishers Weekly "Small continues to prove herself worthy of the title queen of sensuality!"—Literary Times
