History Without the Boring Bits - Ian Crofton
2013-09-03

Conventional chronologies of world history concentrate on the reigns of kings and queens, the dates of battles and treaties, the publication dates of great books, the completion of famous buildings, the deaths of iconic figures, and the years of major discoveries. But there are other more interesting stories to tell—stories that don't usually get into the history books, but which can nevertheless bring the past vividly and excitingly to life. Imagine a history lesson that spares you the details of such seminal events as the 11th-century papal-imperial conflict, that fails to say much at all about the 1815 Congress of Vienna—and that neglects entirely to mention the world-changing moment that was the 1521 Diet of Worms. Imagine instead a book that tells you the date of the ancient Roman law that made it legal to break wind at banquets; the name of the defunct medieval pope whose putrefying corpse was subjected to the humiliation of a trial before a court of law; the identity of the priapic monarch who sired more bastards than any other king of England; and last but not least the date of the demise in London of the first goat to have circumnavigated the globe twice. Imagine a book crammed with such deliciously disposable information, and you have *History without the Boring Bits*. By turns bizarre, surprising, trivial, and enlightening, *History without the Boring*

Bits offers rich pickings for the browser, and entertainment and inspiration aplenty for those who have grown weary of more conventional works of history.

Teatro - 2006

The Deadly Percheron - John Franklin Bardin
2014-06-17

A classic, chilling tale of mystery and psychological horror that “will hold your attention to the last” (*The New York Times*). When a young, blond, handsome man walks into a psychiatrist's office, stating that he believes he is losing his mind and asking questions about hallucinations, the doctor is prepared to help his new patient overcome his delusions. But as this twisting tale progresses, the line between what is real and unreal begins to blur—and the story becomes not only a murder mystery but a dark, unsettling voyage into memory, madness, torture, and despair.

Anna Karenina - Leo Tolstoy 2020-07-22

Acclaimed by many as the world's greatest novel, Anna Karenina provides a vast panorama

of contemporary life in Russia and of humanity in general. In it Tolstoy uses his intense imaginative insight to create some of the most memorable characters in all of literature. Anna is a sophisticated woman who abandons her empty existence as the wife of Karenin and turns to Count Vronsky to fulfil her passionate nature - with tragic consequences. Levin is a reflection of Tolstoy himself, often expressing the author's own views and convictions.

Paul Celan, Nelly Sachs - Paul Celan

1998-07-01

Here are the letters between Nelly Sachs (1891 - 1970), recipient of the 1966 Nobel Prize for Literature, and the great German-speaking poet Paul Celan (1920 - 1970). Their correspondence lasted from 1954 until Celan's death by suicide. Sachs died the day Celan was buried.

Gran Larousse universal: Aalto-Zurich - 1996*

The Berg-Schoenberg Correspondence - Arnold Schoenberg 1987

Few figures have influenced 20th-century music as much as Arnold Schoenberg and Alban Berg. Their letters, one of the most important sources of information about the background to their music, are here published for the first time. The editors have transcribed, translated and annotated more than 800 letters and from this vast body of material have selected 370 that reflect the lives and times of these two great composers. The letters reveal much about the relationship between Berg and Schoenberg: first as pupil and teacher, then as friends and finally,

after the premier of *Wozzeck*, as colleagues and peers. They also shed light on the reasons for Schoenberg's move to Berlin in 1911, the intrigue behind the early demise of the Society for Private Musical Performance, and Schoenberg's feigned indifference to the success of *Wozzeck*. Schoenberg describes his first years in America and the correspondence ends with Berg's death in 1935. The letters are fully annotated and supplemented with appendices, facsimiles and many photographs.
