*Gods of Green Mountain - V.C. Andrews* 2004-04-05  
What if mere mortals could meet their Gods and learn the answers to life's most mysterious questions? Now they can. Imagine a planet with two blazing suns. A world inhabited by mortals with flaming red hair, saffron colored skin, and violet eyes. A place where extreme and often

violent weather conditions force the people underground where they will be safe...until the next furious storm strikes. This strange land is El Sod-A-Por, the ill-favored one, and in the far distance sits the Green Mountain, home of the Gods -- Gods who have no mercy. But everything changes when a fearless young man, Far-Awn, defies his father's warnings

and travels tirelessly, in search of a star-shaped opalescent flower. This miraculous plant becomes the source of never-ending food and can even be made into clear atmospheric domes, which enclose entire cities to ensure peace and protection. Years later El Sod-A-Por is known as El Dorriane, the ideal, and Ras-Far, grandson of the revered Far-Awn, is king. The people happily live a life of plenty -- until an entire city is mysteriously wiped out. A civil war between the Upper and Lower Dorrianians ignites, forcing the king to send an entourage of the bravest and strongest men from each province to the Green Mountain to seek answers to this unexpected unrest. Ras-Far's only child, the beautiful and headstrong Sharita, demands to go with the men across the arid desert plains to meet the Gods. The handsome barbarian Dray-Gon, from Lower Dorriane, leads the expedition, but he sees the princess as an unnecessary burden. Now he will have to

shield her from the ruthless sandstorms and evil outlaws who will attempt to enslave her at any opportunity. As the unprecedented journey begins, their love-hate relationship transforms into an enthralling passion, as the princess's icy exterior begins to thaw and Dray-Gon turns from a hard-edged savage into a gentle hero. But when they finally reach the Green Mountain, they are met with a shocking revelation that challenges everything they ever believed to be true....

Christopher's Diary: Secrets of Foxworth - V.C. Andrews  
2014-10-28

The discovery of Christopher's diary in the ruins of Foxworth Hall brings new secrets of the Dollanganger family to light in this riveting novel from V.C. Andrews, the author of *Flowers in the Attic* and *Petals on the Wind*, both major Lifetime TV events. Christopher Dollanganger was fourteen when he and his younger siblings—Cathy and the twins, Cory and Carrie—were locked away in the attic of Foxworth Hall, prisoners of their mother's greedy inheritance scheme. For three long years he kept hope alive for the sake of the others. But the shocking truth about how their ordeal affected him was always kept

hidden—until now. Seventeen-year-old Kristin Masterwood is thrilled when her father's construction company is hired to inspect the Foxworth property for a prospective buyer. The once grand Southern mansion still sparks legends and half-truths about the four innocent Dollanganger children, even all these decades later. Foxworth holds a special fascination for Kristin, who was too young when her mother died to learn much about her distant blood tie to the notorious family. Accompanying her dad to the "forbidden territory," they find a leather-bound book, its yellowed pages filled with the neat script of Christopher Dollanganger himself. Her father grows increasingly uneasy about her reading it, but as she devours the teen's story page by page, his shattering account of temptation, heartache, courage, and betrayal overtakes Kristin's every thought. And soon her obsession with the doomed boy crosses a dangerous line...

Forbidden passions have been the hallmark of the Dollanganger clan since Flowers in the Attic debuted more than forty years ago. In this third book of a new related trilogy, witness the birth of the Dollanganger curse as Corrine Foxworth's children learn that family is but destiny by another, crueller name. As a young girl in France, Marlana Hunter's life was a fairy tale. She had a talented artist for a father, a doting mother, and a brother she couldn't be closer to. She loved her family; she

just didn't know what her family actually was. When a car crash kills their parents, Marlana and Yvon lose not only France, but also their identity. Sent to Richmond, Virginia, they arrive at the home of two aunts they've never met before, who tell them that their true last name is Dawson, that their father had fled the family years back—and that now the family is calling in the debt. Trapped in a mansion with as many secrets as rooms, Marlana yearns for escape. But in America, you can either make friends or make profit, and Yvon suddenly seems much more interested in the latter. While he is free to leave the house, Marlana is left to avoid lecherous tutors and the secretary-to-wife track expected of a woman. Caught between mastering the game to escape it and falling prey to its allure, she needs to learn fast—for Malcolm Foxworth has cast his eye in her direction. And no family name can protect her from the twisted roots of the Dollanganger family tree.
