Stories from Saratchandra - Saratchandra Chattopadhyay 2018-09

'Some time ago, a sudden rumour spread across our region that unless three children were sacrificed, the railway bridge over Roopnarayan just could not be constructed. Two small boys had already been buried alive under one of the pillions, and only one more needed to be

caught...' This book is a collection of twelve widely acclaimed short stories of Saratchandra Chattopadhyay, one of the doyens of Bengali literature. Divided into two sections, the first bunch of stories portray childhood in all its unburdened innocence while the latter section leads on to deeper sensibilities--the everyday experience of casteism, the lived reality of social hierarchy, and the bonds of almost filial affection forged between man and animal that sustain both. Stories from Saratchandra shows Saratchandra's keen eye as a social commentator, presenting a vivid picture of life in rural Bengal during the early twentieth century.

fell in love with Eddie, a grizzled war veteran-turned-amusement park mechanic who died saving the life of a young girl named Annie. Eddie's journey to heaven taught him that every life matters. Bullied by her peers and haunted by something she cannot recall, Annie struggles to find acceptance as she grows. When, as a young woman, she reconnects with Paulo, her childhood love, she believes she has finally found happiness. As the novel opens, Annie is marrying Paulo. what she is going through personally but what the entire world is experiencing. And out of this need emerged many unique narratives ... Lockdown Liaisons is a collection of short stories, from the varying perspectives of both men and women – young and old, brave and cowardly, cheerful and weighed down – each story an unique offering from a writer who understands how very fragile human relationships can be as they break, suffer and are redefined under trying circumstances. Explore, read and understand the subterranean world of shifting emotions during Covid-19, through stories that will speak to you. There is a woman with a young child who discovers that she doesn't love her husband after all, there is an elderly woman who lives alone in a building who can't bear her nose neighbours, there is a migrant worker who has to make a tough choice as he gets ready to walk hundreds of uncertain kilometres homewards. And many more. But what binds these stories together is love. These

are stories that show how Covid-19 is affecting the hearts of hundreds of people as they struggle to make sense of altered circumstances, of the 'new normal' that will emerge in a post-Covid world.

Finding Chika - Mitch Albom 2019-11-05

"Mitch Albom has done it again with this moving memoir of love and loss. You can't help but fall for Chika. A page-turner that will no doubt become a classic." --Mary Karr, author of *The Liars' Club* and *The Art of Memoir* From the #1 New York Times bestselling author of *Tuesdays With Morrie* comes Mitch Albom's most personal story to date: an intimate and heartwarming memoir about what it means to be a family and the young Haitian orphan whose short life would forever change his heart. Chika Jeune was born three days before the devastating earthquake that decimated Haiti in 2010. She spent her infancy in a landscape of extreme poverty, and when her mother died giving birth to a baby brother, Chika was brought to The Have Faith

Haiti Orphanage that Albom operates in Port Au Prince. With no children of their own, the forty-plus children who live, play, and go to school at the orphanage have become family to Mitch and his wife, Janine. Chika's arrival makes a quick impression. Brave and self-assured, even as a three-year-old, she delights the other kids and teachers. But at age five, Chika is suddenly diagnosed with something a doctor there says, "No one in Haiti can help you with." Mitch and Janine bring Chika to Detroit, hopeful that American medical care can soon return her to her homeland. Instead, Chika becomes a permanent part of their household, and their lives, as they embark on a two-year, around-the-world journey to find a cure. As Chika's boundless optimism and humor teach Mitch the joys of caring for a child, he learns that a relationship built on love, no matter what blows it takes, can never be lost. Told in hindsight, and through illuminating conversations with Chika herself, this is Albom at his most poignant and

vulnerable. Finding Chika is a celebration of a girl, her adoptive guardians, and the incredible bond they formed—a devastatingly beautiful portrait of what it means to be a family, regardless of how it is made.

Freedom of Being Human - Rabjot Singh Isher
2016

The story incorporates the essence of Belief & Non belief. It explores the psychology of human experience, thinking & behavior. It contemplates whether ethics, morality, revenge, hate, are relative terms. More importantly, it speaks about love. It depicts the constant struggle of few individuals. The clash of their ideologies & their love and hate towards each other. Each one of them seek satisfaction through the fulfillment of their motives. The story explores the human capability to make truly free and uncorrupted choices, which are not influenced by experiences, conditioning or even destiny. It highlights various facets of our existence which

has baffled the greatest of minds since the dawn of civilization. Further, it encourages the readers to derive their own conclusions for it instills a sense of appreciation in them before they could jump to the criteria of success, failure or judgment. Every human life is uniquely different and thus must be understood by different frames of reference. In the end, I would say the book carries a simple message : "The dignity is not in being born as a human, but in relishing the potential of what one can become as a human and this is where each one of us individually express the freedom of being human"

—Forbes Find your ikigai (pronounced ee-key-guy) to live longer and bring more meaning and joy to all your days. "Only staying active will make you want to live a hundred years."
—Japanese proverb According to the Japanese, everyone has an ikigai—a reason for living. And according to the residents of the Japanese village with the world's longest-living people, finding it is the key to a happier and longer life. Having a strong sense of ikigai—where what you love, what you're good at, what you can get paid for, and what the world needs all overlap—means that each day is infused with meaning. It's the reason we get up in the morning. It's also the reason

many Japanese never really retire (in fact there's no word in Japanese that means retire in the sense it does in English): They remain active and work at what they enjoy, because they've found a real purpose in life—the happiness of always being busy. In researching this book, the authors interviewed the residents of the Japanese village with the highest percentage of 100-year-olds—one of the world's Blue Zones. Ikigai reveals the secrets to their longevity and happiness: how they eat, how they move, how they work, how they foster collaboration and community, and—their best-kept secret—how they find the ikigai that brings satisfaction to their lives. And it provides practical tools to help you discover your own ikigai. Because who doesn't want to find happiness in every day?

2012-10-30

"Heartfelt and ever-endearing—equal parts information and inspiration. This is a book to keep by your bedside and return to often."—Amy Dickinson, nationally syndicated advice columnist "Ask Amy" More than one thousand extraordinary Americans share their stories and the wisdom they have gained on living, loving, and finding happiness. After a chance encounter

with an extraordinary ninety-year-old woman, renowned gerontologist Karl Pillemer began to wonder what older people know about life that the rest of us don't. Their moving stories and uncompromisingly honest answers often surprised him. And he found that he consistently heard advice that pointed to these thirty lessons for living. Here he weaves their personal recollections of difficulties overcome and lives well lived into a timeless book filled with the hard-won advice these older Americans wish someone had given them when they were young. Like *This I Believe*, *StoryCorps's Listening Is an Act of Love*, and *Tuesdays with Morrie*, *30 Lessons for Living* is a book to keep and to give. Offering clear advice toward a more fulfilling life, it is as useful as it is inspiring.

Have a Little Faith - Mitch Albom 2011-06-14
What if our beliefs were not what divided us, but what pulled us together In Have a Little Faith, Mitch Albom offers a beautifully written story of a remarkable eight-year journey between two worlds--two men, two faiths, two communities--that will inspire readers everywhere. Albom's first nonfiction book since Tuesdays with Morrie,

Have a Little Faith begins with an unusual request: an eighty-two-year-old rabbi from Albom's old hometown asks him to deliver his eulogy. Feeling unworthy, Albom insists on understanding the man better, which throws him back into a world of faith he'd left years ago. Meanwhile, closer to his current home, Albom becomes involved with a Detroit pastor--a reformed drug dealer and convict--who preaches to the poor and homeless in a decaying church with a hole in its roof. Moving between their worlds, Christian and Jewish, African-American and white, impoverished and well-to-do, Albom observes how these very different men employ faith similarly in fighting for survival: the older, suburban rabbi embracing it as death approaches; the younger, inner-city pastor relying on it to keep himself and his church afloat. As America struggles with hard times and people turn more to their beliefs, Albom and the two men of God explore issues that perplex modern man: how to endure when difficult

things happen; what heaven is; intermarriage; forgiveness; doubting God; and the importance of faith in trying times. Although the texts, prayers, and histories are different, Albom begins to recognize a striking unity between the two worlds--and indeed, between beliefs everywhere. In the end, as the rabbi nears death and a harsh winter threatens the pastor's wobbly church, Albom sadly fulfills the rabbi's last request and writes the eulogy. And he finally understands what both men had been teaching all along: the profound comfort of believing in something bigger than yourself. Have a Little Faith is a book about a life's purpose; about losing belief and finding it again; about the divine spark inside us all. It is one man's journey, but it is everyone's story. Ten percent of the profits from this book will go to charity, including The Hole In The Roof Foundation, which helps refurbish places of worship that aid the homeless.

Albom 2015-11-10

From the beloved author of the #1 New York Times bestsellers *Tuesdays with Morrie* and *The Five People You Meet in Heaven* comes his most critically acclaimed novel yet—a stunningly original tale of love: love between a man and a woman, between an artist and his mentor, and between a musician and his God-given talent. Narrated by the voice of Music itself, the story follows Frankie Presto, a war orphan born in a burning church, through his extraordinary journey around the world. Raised by a blind guitar teacher in Spain and gifted with a talent to change people's lives—using six mysterious blue strings—Frankie navigates the musical landscape of the twentieth century, from the 1950s jazz scene to the Grand Ole Opry to Elvis mania and Woodstock, all the while searching for his childhood love. As he becomes a famous star, he loses his way, until tragedy steals his ability to play the guitar that had so defined him.

Overwhelmed by his loss, Frankie disappears for decades, reemerging late in life for one spectacular yet mystifying farewell. Part love story, part magical mystery, *The Magic Strings* of Frankie Presto is Mitch Albom at his finest, a Forrest Gump-like epic about one man's journey to discover what truly matters and the power of talent to change our lives.
