Deadly Impulse - Carolyn Arnold 2015-10-29
She sees his face all the time—eyes open, eyes closed, it doesn't matter. When no one's around, she lets herself sink into her fear. He came for her once; he could come for her again. When a sixty-eight-year-old woman is found dead outside

the hospital in a wheelchair with an anti-abortion sign strapped to its back, Detective Madison Knight expects it to be an open-and-shut case. On the surface, there are no signs of foul play, but the deeper she digs, the suspicious death turns into a homicide. Just as the victim is

identified as Faye Duncan, two more bodies turn up—Faye’s niece and a homeless man. Madison doesn’t buy that a serial killer is on the loose, despite the conviction with which her ex-fiancé and fellow detective try to convince their superior. She sees the vagrant as sadly nothing more than collateral damage in a much bigger picture—but what motive for murder could span generations? As Madison wades through all the secrets and lies, she uncovers some shocking and heartbreaking truths. She had trust issues before, but this investigation will remind her of the cost—sometimes fatal—of trusting the wrong person. *Deadly Impulse* is a fast-paced crime novel with twists and turns you’ll never see coming. Perfect for fans of police procedurals. Uncover clues, follow leads, and catch a killer like thousands of readers have done before you. Perfect for fans of Angela Marsons, Robert Dugoni and Rachel Caine. The Detective Madison Knight Series is currently optioned and under development by Muse Entertainment and

the main suspect is the victim's fiancé, a hideously scarred Iraq War vet known as the Burned Man. But railroad police Special Agent Sydney Rose Parnell, brought in by the Denver Major Crimes unit to help investigate, can't shake the feeling that larger forces are behind this apparent crime of passion. In the depths of an icy winter, Parnell and her K9 partner, Clyde, both haunted by their time in Iraq, descend into the underground world of a savage gang of rail riders. There, they uncover a wide-reaching conspiracy and a series of shocking crimes. Crimes that threaten everything Parnell holds dear. As the search for the truth puts her directly in the path of the killer, Parnell must struggle with a deadly question: Can she fight monsters without becoming one herself?

When the naked, mutilated body of a man is found in a Notting Hill graveyard and the police investigation led by Detective Chief Inspector Grant Foster and his colleague Detective Superintendent Heather Jenkins yields few results, a closer look at the corpse reveals that what looked at first glance like superficial knife wounds on the victim's chest is actually a string of carved letters and numbers, an index number referring to a file in city archives containing birth and death certificates and marriage licenses. Family historian Nigel Barnes is put on the case. As one after another victim is found in various locations all over London, each with a different mutilation but the same index number carved into their skin, Barnes and the police work frantically to figure out how the corresponding files are connected. With no clues to be found in the present, Barnes must now search the archives of the past to solve the mystery behind a string of 100-year-old murders. Only then will it be possible to stop the present

series of gruesome killings, but will they be able to do so before the killer ensnares his next victim? Barnes, Foster, and Jenkins enter a race against time - and before the end of the investigation, one of them will get much too close for comfort.

The Ice Coven - Max Seeck 2021-09-28

Investigator Jessica Niemi is in a race against time to find the link between a body with strange markings that has washed up on a frigid shore in Finland and two baffling disappearances in this terrifying new novel from the New York Times bestselling author of *The Witch Hunter*. Six months have passed since Jessica's encounter with the mysterious serial-killing coven of witches and the death of her mentor. Her nightmares about her mother and the witchcraft that undid her have only gotten worse, but she's doing what she can to stay focused. Her homicide squad, now under new leadership, has been given a murder case and a new series of disappearances to investigate. A

young woman's corpse has washed up on an icy beach, and two famous Instagram influencers have gone missing at the same time. The missing influencers and the murdered woman all have ties to a sinister cult. Jessica finds an eerie painting—of a lighthouse on a remote island—as she investigates, and under the picture is a gruesome poem detailing a murder. The nightmares about her mother suddenly seem all too real, making Jessica wonder if the dead woman might be trying to tell her something about the killings. And as Jessica works frantically to solve her latest case, her horrific past comes roaring back and threatens to destroy her.

Play Dead - Angela Marsons 2016-05-20

The dead don't tell secrets... unless you listen. The girl's smashed-in face stared unseeing up to the blue sky, soil spilling out of her mouth. A hundred flies hovered above the bloodied mess. Westerley research facility is not for the faint-hearted. A 'body farm' investigating human decomposition, its inhabitants are corpses in various states of decay. But when Detective Kim Stone and her team discover the fresh body of a young woman, it seems a killer has discovered the perfect cover to bury their crime. Then a second girl is attacked and left for dead, her body drugged and mouth filled with soil. It's clear to Stone and the team that a serial killer is at work - but just how many bodies will they uncover? And who is next? As local reporter, Tracy Frost, disappears, the stakes are raised. The past seems to hold the key to the killer's secrets - but can Kim uncover the truth before a

David Kane to a secluded house on the outskirts of town. Inside, Jenna is devastated to find a much-loved local resident lying in a pool of blood, stab wounds covering her lifeless body. What monster would attack a defenseless woman living alone? With no trace of the killer at the scene, the deadly message written on Jenna's door is her only clue. But as the small town grieves, it leads her to a contractor who recently had access to the woman's home. She races to interview him, only to discover the wreck of a car on a steep mountain road with another dead woman inside. Jenna knows the victims were friends and regularly went to church together. She thinks a twisted killer has been watching them, waiting for the perfect time to strike. But before she can make her next move, one of her own team is found unconscious and covered in the blood of a third female victim—a knife inches away from his hand. Pulse racing, Jenna questions her shaken deputy, who can't explain why he was in the woman's house.

Deadly Cry - Angela Marsons 2020-11-13

You have to stop me from hurting anyone else. I don't want to do these horrible things. Help me before I'm forced to do it again. And I will do it again because I have no choice. I've never had a choice. In a busy shopping centre, a little girl clutches a teddy bear, clinging to it in the absence of her mother, Katrina. Hours later, Katrina's body is discovered in an abandoned building. For Detective Kim Stone, it looks like a quick, functional kill. But Kim's instincts tell her there's more to this senseless murder than meets the eye. What was the motive for killing a young mother out shopping with her child? Days later, a second victim is found in a local park, her neck broken just like Katrina's and her six-year-old son missing. With her colleague, Detective Stacey Wood, working on another unsolved crime and a member of the team

grieving the loss of a close relative, Kim is struggling to make inroads on what is fast becoming a complex case. And when a handwritten letter from the killer lands on Kim's desk addressed to her, and pleading for help, she knows time is running out to bring the little boy home alive. With the support of a handwriting analyst and profiler, Kim and the team begin to get inside the mind of the killer and make a shocking discovery. Some of the victims have scratch marks on their wrists. But these are no random scratches. The killer is using them to communicate with someone. The question is... with whom? And if Kim doesn't find them soon, another innocent soul will die. The multi-million-copy bestselling Detective Kim Stone series is every bit as addictive, original and exciting as readers say and you'll be hooked from the very first page. Stolen Ones - Angela Marsons 2021-11-11

Kim felt sickness sweep over her as she watched little Grace dust off her dirty hands. Blonde curls tumbled around her face. Then, Grace disappeared into the crowd. Kim wanted to pause the recording, run outside and grab her to stop what was about to happen. One August afternoon, eight-year-old Grace Lennard skips

into the garden of the childcare centre she attends and vanishes into thin air. Rushing to the scene of Grace's disappearance, Detective Kim Stone finds a chilling piece of evidence: the engraved heart bracelet belonging to Melody Jones - the little girl who was taken from a playground exactly twenty-five years ago. Hours before, Steven Harte had walked into Halesowen police station and confessed to having information that would lead Kim to Melody. And he told Kim she'd have a more urgent problem to deal with first. Now Kim must play Steven's twisted game if she's to find Grace alive. With only twenty-four hours to make every second of Steven's interrogation count, and scan his behaviour for hidden clues, Kim and her team soon link Steven to the abduction of several vulnerable girls - two were kept for a year and then released, unharmed - but where are Melody and the others? Then small bones are discovered in the grounds of a local park, and Kim fears the worst. Kim may think she's close

Better the Blood - Michael Bennett 2022-08-18
A DETECTIVE IN SEARCH OF THE TRUTH
Hana Westerman is a tenacious Māori detective juggling single motherhood and the pressures of her career in Auckland's Central Investigation Branch. When she's led to a crime scene by a mysterious video, she discovers a man hanging in a secret room. As Hana and her team work to track down the killer, other deaths lead her to think that they are searching for New Zealand's first serial killer. A KILLER IN SEARCH OF RETRIBUTION With little to go on, Hana must

first-blood-a-completely-gripping-mystery-thriller

use all her experience as a police officer to try and find a motive to these apparently unrelated murders. What she eventually discovers is a link to an historic crime that leads back to the brutal bloody colonisation of New Zealand. A CLASH BETWEEN CULTURE AND DUTY When the pursuit becomes frighteningly personal, Hana realises that her heritage and knowledge are their only keys to finding the killer. THE PAST NEVER TRULY STAYS BURIED But as the murders continue, it seems that the killer's agenda of revenge may include Hana - and her family . . . WELCOME TO THE DARK SIDE OF PARADISE. 'Better the Blood touches on themes that have become increasingly urgent in recent years including the far-reaching impacts of colonialism and the often uneasy integration of identity and heritage into modern multicultural society. A tensely plotted, gritty crime novel that has the courage to force us all to rethink our relationship with the past' Vaseem Khan 'As page-turning as it is eye-opening. An excitingly

Blood Dahlia - Victor Methos 2014-03-04

A COPYCAT OF ONE OF THE MOST FAMOUS MURDERERS IN HISTORY... A serial murderer nicknamed the Blood Dahlia has been terrorizing the quiet suburbs of Pennsylvania. Brutally mutilating his victims in the fashion of one of the most famous murders in Hollywood, the killer leaves no trace behind. The FBI's elite Behavioral Science Unit, the section responsible for the study and investigation of serial murder, has little evidence to go on. Believing the killer to be beyond their reach, the agents in the BSU decide they must simply wait for the killer to make a mistake... until they meet Sarah King. Sarah, a mysterious outcast of the Pennsylvania Amish community, claims she has a unique

ability: she can speak to the dead. And the victims of the Blood Dahlia are calling out to her. When the FBI enlists her help, special agent Giovanni Adami is skeptical of her abilities, but begins falling for the young woman. His feelings for her are clouded with his distrust of psychic phenomena, but as the Blood Dahlia grows in his barbarism, he knows the FBI has little choice but to explore every avenue available. Sarah knows whether or not she can speak with the dead ultimately doesn't concern Giovanni. He is interested in results, and when Sarah begins providing some, he must question everything he knows about the world and his place in it. Sarah understands that he feels she is either the cleverest fraud he has ever met, or a true psychic with an unexplainable gift. But when the Blood Dahlia takes an interest in Sarah personally, it will take every ounce of strength she has to survive. And as she prepares for him to come for her, she realizes that not everyone is what they seem...

Sworn to Silence - Linda Castillo 2009-06-23
Now the subject of the Lifetime original movie, *An Amish Murder Sworn to Silence* is the first in Linda Castillo's New York Times bestselling Kate Burkholder series. *A KILLER IS PREYING ON SACRED GROUND*.... In the sleepy rural town of Painters Mill, Ohio, the Amish and "English" residents have lived side by side for two centuries. But sixteen years ago, a series of brutal murders shattered the peaceful farming community. In the aftermath of the violence, the town was left with a sense of fragility, a loss of innocence. Kate Burkholder, a young Amish girl, survived the terror of the Slaughterhouse Killer but came away from its brutality with the realization that she no longer belonged with the Amish. Now, a wealth of experience later, Kate has been asked to return to Painters Mill as chief of police. Her Amish roots and big city law

first-blood-a-completely-gripping-mystery-thriller

enforcement background make her the perfect candidate. She's certain she's come to terms with her past—until the first body is discovered in a snowy field. Kate vows to stop the killer before he strikes again. But to do so, she must betray both her family and her Amish past—and expose a dark secret that could destroy her.

*BONUS CONTENT: This edition of *Sworn to Silence* includes a new introduction from the author and a discussion guide.

several attempts, but it yielded and sagged open as she unzipped it. Nothing could prepare her for what she would find inside... When a battered suitcase containing the dismembered body of a young man washes up on the shore of the river Thames, Detective Erika Foster is shocked. But it's not the first time she's seen such a brutal murder... Two weeks earlier, the body of a young woman was found dumped in an identical suitcase. What connects the two victims? As Erika and her team set to work, they quickly realise they are on the trail of a serial killer who has already made their next move. Yet just as Erika starts to make headway with the investigation, she is the target of a violent attack. Forced to recover at home, and with her personal life falling apart, everything is stacked against her, but nothing will stop Erika. As the body count rises, the case takes an even more twisted turn when the twin daughters of Erika's colleague, Commander Marsh, are suddenly put in terrible jeopardy. The stakes are higher than

ever before, but can Erika save the lives of two innocent children before it's too late? She's running out of time and about to make a disturbing discovery...there's more than one killer. Brilliantly gripping, Cold Blood will have you hooked from the first page and holding your breath to the heart-stopping and shocking ending. Read what everyone is saying about Cold Blood: 'Unputdownable ... I couldn't read it fast enough and stayed up way too late ... best thriller I have read in ages and I've read some good ones ... this is as good as it gets, and for me it was brilliant. I loved it.' Hidden Scars - Angela Marsons 2022-11-09

The boy's dark hair shone in the bright lights. His lips seemed about to speak. But his body was cold and his blue eyes would never open again. When a nineteen-year-old boy, Jamie Mills, is found hanging from a tree in a local park, his death is ruled a suicide. Detective Kim Stone's instincts tell her something isn't right. Why,

first-blood-a-completely-gripping-mystery-thriller

when his mother is told, does she not break down in tears? And how could Jamie have climbed the tree with a recent injury? Kim should be easing back into work gently after a harrowing case left her body and mind broken, but quickly taking charge of her team, Kim is shocked to learn that Jamie's parents had sent him to a clinic to 'cure' him of his sexuality. The clues to smashing open this disturbing case lie behind the old Victorian walls of the clinic, run by the Gardner family. They claim that patients come of their own accord and are free to leave at any time. But why are those who attended the clinic so afraid to speak of what happens there? And where did the faded restraint marks on Jamie's wrists come from? Kim makes a further chilling discovery - the head of the clinic, Celia Gardner, was sent there for conversion therapy when she was sixteen. Then the body of a young woman is found dead by suffocation, her death also staged to look like a suicide. Scarred from a previous case that nearly took her life, can Kim

Evil Games - Angela Marsons 2015-05-29

The greater the Evil, the deadlier the game... When a rapist is found mutilated in a brutal attack, Detective Kim Stone and her team are called in to bring a swift resolution. But, as more vengeful killings come to light, it soon becomes clear that there is someone far more sinister at work. With the investigation quickly gathering momentum, Kim finds herself exposed to great danger and in the sights of a lethal individual undertaking their own twisted experiment. Up against a sociopath who seems to know her every weakness, for Detective Stone, each move she makes could be deadly. As the body count starts to mount, Kim will have to dig deeper than ever before to stop the killing. And this time - it's personal. Absolutely unputdownable, nail-bitingly tense and with a twist that will put your jaw on the floor. If you love Karin Slaughter, Val McDermid or Robert Dugoni, this will keep you flipping through the pages long into the night, and desperate to read the rest in this multi-

Morgan shudders as she leans out of the window and takes in the familiar blonde curls and clear blue eyes of the fallen girl below. She knows this woman, and she realises with sickening certainty that her friend is now gone forever... When Detective Morgan Brookes is called to the scene of a suicide, she's devastated to recognise the young teacher sprawled out on the grass like a broken doll. She hasn't seen Brittany for years. Not since the tragic death of Morgan's high-school boyfriend ripped their friendship group apart. But when witnesses describe Brittany's erratic behaviour and jumbled speech that morning, Morgan is convinced the fearless, life-loving girl she once knew didn't jump of her own accord. Traces of poison found in Brittany's blood prove Morgan's theory right, but no one can find the source. Then Morgan uncovers a

distinctive jar in Brittany's home filled with toxic herbs, and the sight of it turns her blood to ice. She has a jar just like it, a handmade gift from her aunt. Is this a coincidence, a set-up, or could the only person she's ever trusted with her damaged past be capable of murder? Then another woman from Morgan's past is found, close to the scene of that fatal teenage party. Has Morgan been looking at this all wrong? Are these deaths connected to that deadly night? And how could someone from her own family possibly be involved? With her aunt's freedom and more innocent lives at stake, Morgan must dig deep into her painful memories for answers. Who else was there that night, and what exactly did they see? She must stop this twisted killer before any more of her old friends become new victims - but at what cost?
