Corporate Communication for  
Management Students -  
Srinivasulu Bitla 2019-12-29  
Corporate Communication for  
Management Students makes  
an assessment of the  
motivation and attitude of the

learners and teachers, besides  
evaluating the appropriateness  
of the instructional materials.  
Having analyzed the corporate  
and professional factors, the  
book appraises the evaluation  
pattern and the resources like  
infrastructure and  
supplementary materials. An  
attempt has been made to

design guidelines for revising the curriculum for corporate communication. An analysis of curricula of different universities and business schools across India, drawing from the proper understanding of the problems, a model set of guidelines have been evolved for suitable curriculum of communication skills to the management students. It is estimated that the book will definitely indulge the prospects of the experts of the innovations in designing curriculum of corporate communication.

Ask a Manager - Alison Green  
2018-05-01

From the creator of the popular website Ask a Manager and New York's work-advice columnist comes a witty, practical guide to 200 difficult professional

conversations—featuring all-new advice! There's a reason Alison Green has been called "the Dear Abby of the work world." Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don't know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit "reply all" • you're being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate's loud

speakerphone is making you homicidal • you got drunk at the holiday party Praise for Ask a Manager “A must-read for anyone who works . . . [Alison Green’s] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work.”—Booklist (starred review) “The author’s friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers’ lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience.”—Library Journal (starred review) “I am a huge fan of Alison Green’s Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor.”—Robert Sutton, Stanford professor and

author of The No Asshole Rule and The Asshole Survival Guide “Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way.”—Erin Lowry, author of Broke Millennial: Stop Scraping By and Get Your Financial Life Together

Imagining Crime - Dr Alison Young 1995-12-18

This book offers an original and challenging reading of the 'crimino-legal complex' - criminology, criminal justice, criminal law, the media and everyday experiences - in the light of cultural studies and feminist theory. Through an exploration of the crisis engendered by the failure of the crimino-legal complex to solve the problems of crime and criminality, Alison Young exposes the cultural dimension of its institutions and practices. She analyzes the far-reaching effects of the cultural value given to crime, showing it to be rooted in a powerful nexus of the body, language, the community and everyday life. *Imagining Crime* examines a number of key events and issues which have signalled shifts in the representation of crime. These include: criminology's resistance to

feminist intervention; the pleasures of reading detective fiction; ambiguities of victimization and social justice in the city; sacrificial structures in the law's response to conjugal homicide; policing the ethnicity of the illegal' immigrant; defensive responses to the limits of representation in the Bulger affair; the governmental strategies of campaigns against single mothers; and the fatalism of the spectacle of HIV/AIDS in criminal justice policy.

*The Book Thief* - Markus Zusak 2007-12-18

#1 NEW YORK TIMES BESTSELLER • ONE OF TIME MAGAZINE'S 100 BEST YA BOOKS OF ALL TIME The extraordinary, beloved novel about the ability of books to feed the soul even in the

darkest of times. When Death has a story to tell, you listen. It is 1939. Nazi Germany. The country is holding its breath. Death has never been busier, and will become busier still. Liesel Meminger is a foster girl living outside of Munich, who scratches out a meager existence for herself by stealing when she encounters something she can't resist—books. With the help of her accordion-playing foster father, she learns to read and shares her stolen books with her neighbors during bombing raids as well as with the Jewish man hidden in her basement. In superbly crafted writing that burns with intensity, award-winning author Markus Zusak, author of *I Am the Messenger*, has given us one of the most enduring stories of our time. “The kind of book that can be life-changing.” —The New York Times “Deserves a place on the same shelf with *The Diary of a Young Girl* by Anne Frank.” —USA Today **DON'T MISS BRIDGE OF CLAY, MARKUS ZUSAK'S FIRST NOVEL SINCE THE BOOK THIEF.**

**Unity in Adversity** - Charlotte O'Brien 2017-11-30

'In this important contribution to the analysis and construction of European Union citizenship, Charlotte O'Brien provides her characteristic blend of rigorous legal scholarship and compelling social vision. She identifies challenging questions about the relationship between justice and vulnerability that should concern the shaping of law at all levels of governance.' Professor Niamh Nic Shuibhne, University of Edinburgh 'Piercing the veil of well-known proclamations of “equality” and “non-discrimination”, in this intimate portrait of Union law O'Brien sounds a sobering wake up call. The Union, to the genuine surprise of some converted, is a powerful actor of injustice, failing the vulnerable Europeans at many a turn, blinded by its own proclaimed righteousness and goodness to be aware of the plight of those it lets down. The sooner we dispel the oxymoronic myth of a “market citizen” as a necessary tool of

the uniquely benevolent EU internal market project, the sooner the process of healing the Union turning its back on the majority of Europeans can begin. This book is an important part of this beginning.' Professor Dimitry Kochenov, University of Groningen 'Doctrinal mastery. Intellectual rigour. Conceptual depth. Empirical enrichment. O'Brien's landmark text offers its readers all of these qualities. But she also writes with a clarity and honesty of purpose that is an inspiration to her readers. Particularly at a time when certain political actors seek to vilify "expertise", *Unity in Adversity* is a testament to the value of independent and critical academic research.' Professor Michael Dougan, University of Liverpool The EU is at a crossroads of constitution and conscience. *Unity in Adversity* argues that EU market citizenship is incompatible with a pursuit of social justice, because it contributes to the social exclusion of women and children, promotes a class-

based conception of rights, and tolerates in-work poverty. The limitations of EU citizenship are clearest when EU nationals engage with national welfare systems, but this experience has been neglected in EU legal research. *Unity in Adversity* draws upon the groundbreaking EU Rights Project, working first hand with EU nationals in the UK, providing advice and advocacy, and giving ethnographic insight into the process of navigating EU and UK welfare law. Its study of EU law in action is a radical new approach, and the case studies illustrate the political, legal and administrative obstacles to justice faced by EU nationals. Taken together, the strands demonstrate that 'equal treatment' for EU nationals is an illusion. The UK's welfare reforms directed at EU nationals are analysed as a programme of declaratory discrimination, and in light of the subsequent referendum, should be treated as a cautionary tale - both to the EU, to take social justice

seriously, and to other Member States, to steer away from xenophobic law-making.

Shortlisted for the 2018 BBC Thinking Allowed Award for Ethnography. Winner of the 2019 Hart-SLSA Book Prize.

### Soft Law and Public Authorities

- Greg Weeks 2016-02-25

This book considers the phenomenon of soft law employed by domestic public authorities. Lawyers have long understood that public authorities are able to issue certain communications in a way that causes them to be treated like law, even though these are neither legislation nor subordinate legislation. Importantly for soft law as a regulatory tool, people tend to treat soft law as binding even

though public authorities know that it is not. It follows that soft law's 'binding' effects do not apply equally between the public authority and those to whom it is directed.

Consequently, soft law is both highly effective as a means of regulation, and inherently risky for those who are regulated by it. Rather than considering soft law as a form of regulation, this book examines the possible remedies when a public authority breaches its own soft law upon which people have relied, thereby suffering loss. It considers judicial review remedies, modes of compensation which are not based upon a finding of invalidity, namely tort and equity, and 'soft' challenges outside the scope of the courts, such as through the Ombudsman or by seeking an *ex gratia* payment.
