work shall be. —Revelation 22:12 KJV Are you prepared for the return of Jesus Christ? People have talked about it, read, wrote, sung, joked, and made movies about it. In March 2006, author Sarah A. Jones heard a voice in her dream say to her, “Let your testimony be: ‘Jesus Christ is Coming!’ The people must be told so that they can be prepared upon His arrival.” Therefore she has written this book about His return; what we can do according to God’s word to be prepared for this inevitable event; and what will happen to those who are not prepared. A MUST READ! I pray that this book will bless you, enlighten, and inspire you to seek God, and draw closer to Him in hope that you will be prepared for Jesus’ arrival. Allow God to speak to your heart as you read with expectation to hear and receive from Him. You will be amazed, and your life will never be the same. We guarantee it! Time is running out. Believe it or not; prepared or not; Jesus Christ is coming! For He is coming, for He is coming to judge the

earth. He shall judge the world with righteousness, and the peoples with His truth. —Psalm 96:13 NJKV

William Shakespeare Complete Works Second Edition - William Shakespeare 2022-06-07

The newly revised, wonderfully authoritative First Folio of Shakespeare’s Complete Works, edited by acclaimed Shakespearean scholars Jonathan Bate and Eric Rasmussen and endorsed by the world-famous Royal Shakespeare Company Combining cutting-edge textual editing, superb annotations and commentary, a readable design, and bonus features for students, theater professionals, and general readers, this landmark edition sets a new standard in Shakespearean literature for the

twenty-first century and features 48 pages of new material. Edited by a brilliant team of “younger generation” Shakespearean scholars from the First Folio originally assembled by Shakespeare’s own acting company, this edition of the “Complete Works” corrects centuries of errors and textual variations that have evolved since the book’s publication in 1623, and includes modern glossaries designed for twenty-first-century readers and new editorial stage directions clearly distinguished from Folio directions.

1,000 Places to See Before You Die, the second edition - Patricia Schultz 2011-11-15

The world’s bestselling travel book is back in a more informative, more experiential, more budget-friendly full-color edition. A #1 New York Times bestseller, *1,000 Places* reinvented the idea of travel book as both wish list and practical guide. As Newsweek wrote, it “tells you what’s beautiful, what’s fun, and what’s just unforgettable— everywhere on earth.” And now

the best is better. There are 600 full-color photographs. Over 200 entirely new entries, including visits to 28 countries like Lebanon, Croatia, Estonia, and Nicaragua, that were not in the original edition. There is an emphasis on experiences: an entry covers not just Positano or Ravello, but the full 30-mile stretch along the Amalfi Coast. Every entry from the original edition has been readdressed, rewritten, and made fuller, with more suggestions for places to stay, restaurants to visit, festivals to check out. And throughout, the book is more budget-conscious, starred restaurants and historic hotels such as the Ritz, but also moderately priced gems that don’t compromise on atmosphere or charm. The world is calling. Time to answer.

God, Are You Serious? - Kay Jemison 2008-12

This is not your average, or even ordinary, collection of stories. Most young adults dream of the day when they are freed from the nest to take on the world and finally be independent!

But for Kay Jemison, did this come at too high a price? A rollercoaster ride is typical but Kay didn't bargain on a never ending coaster of lies, bank robbery, attempted murder, and abusive relationships! Often stopping to ask God why her deck of cards was always stacked against her, she found herself wavering on getting to know Him. But something wouldn't let her give up on God or life, despite each negative experience. Her ambition led her to an encounter with God, hoping to get answers to her unanswered questions. Kay discovered that out of an overdeveloped sense of personal obligation she often repeated mistakes that risked her life, despite the danger signs. Enemies were camouflaged as friends; friends lacked commitment and integrity. Characters grew increasingly bizarre. God chose Kay, having His hand on her life, long before she even knew He existed. This story's heart is about perseverance and ambition for one's destiny while developing a relationship with God.

Platonic - Kresimir Mijic 2021-09-14

Tom is a pulmonologist whose heart has been broken twice. Mara is a lawyer who played with, and then was dumped by her boss. They fought for love, they lost, and now they've given up. As New York career professionals they settled for a career and moved on. Now all they hope for is to have a child to love. Platonic Partners is a Manhattan agency that will help you find a platonic partner to have a child with. They offer rational, safe, and precise procedures with proven results. But the journey from pathetic to platonic is not without risk. The risk of falling in love.....again. This inspirational, uplifting romantic comedy is full of crazy relatives, co-workers, hospital drama, Manhattan nightlife, quick hookups, law office gossip, steamy erotic scenes, good food, family dynamics, laughter, tears, but above all.....full of hope that love is still possible even when hope was lost long ago. It will make you laugh, make you cry and in the process, it will restore your faith in love and

family.

The Mormon Delusion. Volume 5: Doctrine and Covenants - Deception and Concoctions - Jim Whitefield 2016-08-26

Volume five in The Mormon Delusion series investigates the early Mormon 'Lectures of Faith', comparing the doctrines of the time with the teachings of today - which are entirely different. It then analyses each 'Section' of the Doctrine and Covenants while searching for Joseph Smith 'prophecies' which are evaluated in terms of any evidence of fulfilment. It will come as no surprise to learn that none have any prophetic value or merit whatsoever. However, there is plenty of evidence of Smith's fraud scattered throughout the D&C which is analysed at each stage.

A Time to Die - George Lee Miller 2021-09-25
A ruthless cartel boss wants Nick Fischer dead. Max Devine loves to play cowboy and entertain guests at his private rodeo arena. He's earned the locals' trust by providing construction jobs at his ranch. But his real money comes from running drugs and trafficking young girls. For ten years, his nefarious secret business has been a well-oiled machine until Nick stumbled onto it while working another case. Threatened with exposure, Devine sends a hitman who puts a bullet in Nick's half-brother and plants a bomb in his girlfriend's house. It's all-out war. Nick is forced to retreat to his ranch to protect his friends and family. But Devine's influence runs deep. Paid informants inside SAPD and DEA pinpoint Nick's location. They snatch him and take him to an isolated patch of desert, tie him to a fence, and leave him to die in the scorching summer heat. Nick knows they won't stop until everyone he holds dear is dead. He won't let that happen. Pushed to the limit, Nick will need his

Eat To Save Your Life - Gloria Askew, RRN;
Jerre Paquette, PhD 2012-04-04

The food and supplements industries are complex, political, and fraught with debate. Most people are uncertain and uninformed about what constitutes the best nutrition and often make decisions that put their lives at risk. Eat to Save Your Life intends to help you make the best decisions by providing you with the best science-based nutritional information available. What you might not know: Many life-threatening diseases are on the increase, and new diseases are emerging that pharmaceuticals alone are not addressing: cancer, heart disease, diabetes, arthritis, depression, and other common

disorders have been linked to nutritional deficiencies. Yet licensing regulations may prevent or discourage your physician from advising about nutrition and supplements. What you can do: Arm yourself with contemporary knowledge and penetrating questions as you search for the best food and food supplements for you and your family. This book will help you do just that. "Gloria and Jerre have successfully created a handbook that simplifies the essentials of proper nutrition and supplementation from the piles of information and misinformation that is out there. It's a fantastic reference for anyone looking to improve their health while saving time and money at the health food store." —Rebecca Sagan, ND, Naturally Good Health Clinic, Calgary, Alberta, Canada

heavenly help available to all of us. When she was pregnant with her second child, Stephanie Arnold had a sudden and overwhelming premonition that she would die during the delivery. Though she tried to tell the medical team and her family what was going to happen, neither the doctors nor her loved ones gave her warnings credence. Finding no physical indications that anything was wrong, they attributed her foreboding to hormones and anxiety. One member of the medical team did take her concerns seriously enough, and made the fateful decision to order extra units of blood "just in case." Then, during the delivery, Stephanie suffered a rare Amniotic Fluid Embolism. She went into cardiac arrest and flat-lined for 37 seconds. She died. Using the supplementary blood, the medical team revived her, and she remained unconscious for more than six days. After months of recovery, Stephanie began to remember details of her experience, details she knew because she had

witnessed the entire dramatic event, including her death, from outside her body—beside other spirits that were with her. In this remarkable true story, Stephanie recounts her harrowing journey and shares her surprising spiritual discoveries: we are not alone and have more loving help than we can imagine surrounding us.

The First and Second Parts of King Edward IV - Thomas Heywood 2005-05-06

Yet the playwright produced a text which was at once generically complex (the play blurs the distinction between chronicle history and 'domestic' tragedy), brilliantly assured in its dramatic craftsmanship, and politically explosive. The play depicts the streets and houses in which its original spectators lived and worked with a precision unprecedented in English writing. But this vividly realised London is under assault, first from rebels outside its walls, and subsequently (and more seriously) from the predations of two monarchs."

Fathering Your Toddler: A Dad's Guide To The Second And Third Years - Armin A. Brott 2005-04-15

"At what age should you introduce your child to computers? When and how should you go about

drawing up a will? The day your child starts preschool, how will you cope with the pangs of adult separation anxiety? The answers to these questions and hundreds more are found in the pages of this information-packed volume. Author Armin Brott devotes a chapter to every three months of the second and third years. In each chapter, Brott charts the physical, intellectual, verbal, and emotional changes the child is going through and examines the emotional and psychological developments the father may be experiencing. He discusses issues that may develop between fathers and their partners as well as matters that involve the whole family. In addition, each chapter contains a section called "You and Your Child," in which activities and issues appropriate to the given age are discussed. New topics in this revised and expanded edition cover the latest research on child development, including brain growth. There is more advice for dads who are older, single, or in the military; fathers of preemies and

multiples; stepfathers; and stay-at-home dads. This new edition adds information on a wide range of subjects, from helping a child grieve over the loss of a relative or a pet to health and safety issues to care of special-needs children. Incorporating the author's and other fathers' personal experiences, as well as the advice of top researchers in the field, and illustrated throughout with delightful New Yorker-style cartoons underscoring the universality of the joys and woes of parenting, *Fathering Your Toddler* is an essential sourcebook for every dad. It's certain to give every mom helpful insights as well."

First and Second Samuel - Eugene H. Peterson 1999-01-01

The power of story as God's word to the community of faith is never more clear than in the books of Samuel. Emotion, drama, complexity of character, and mystery fill the pages of these two biblical books. Eugene Peterson's commentary emphasizes the resonance and interplay between these stories of kings and prophets and the social and cultural issues that concern us today. Books in the Westminster Bible Companion series assist laity in their study of the Bible as a guide to Christian faith and practice. Each volume explains the biblical book in its original historical context and explores its significance for faithful living today. These books are ideal for individual study and for Bible study classes and groups.

Diet for a New America - John Robbins

2011-03-09

Did you know that the leading killer in America, cardiovascular disease, is directly linked to meat consumption? Or that you save more water by not eating one pound of beef than you would by not showering for a whole year? *Diet for a New America* simply and eloquently documents these ecological concerns and more, as well as the little-known horrors that animals experience during factory farming. Few of us are aware that the act of eating can be a powerful statement of commitment to our own well-being, and at the same time to the creation of a healthier world. In *Diet for a New America*, you will learn how your food choices can provide ways to enjoy life to the fullest, while making it possible that life, itself, might continue. Heeding this message is without a doubt one of the most practical, economical, and potent things you can do today to heal not

only your own life, but also the ecosystem on which all life depends. Reading this book will change your life.
