The Only Thing to Fear -

Caroline Tung Richmond
2014-09-30

In a stunning reimagining of history, debut author Caroline Tung Richmond weaves an incredible story of secrets and honor in a world where Hitler won World War II. It's been nearly 80 years since the Allies lost WWII in a crushing defeat against Hitler's genetically engineered super soldiers.

America has been carved up by the victors, and 16-year-old Zara lives a life of oppression in the Eastern America Territories. Under the iron rule of the Nazis, the government strives to maintain a master race, controlling everything from jobs to genetics. Despite her mixed heritage and hopeless social standing, Zara dreams of the free America she's only read about in banned books. A revolution is growing, and a rogue rebel group is plotting a deadly coup. Zara might hold the key to taking down the Führer for good, but it also might be the very thing that destroys her. Because what she has to offer the rebels is something she's spent her entire life hiding, under threat of immediate execution by the Nazis. In this action-packed, heart-stopping novel of a terrifying reality that could have been, Zara must decide just how far she'll go for freedom.

In Byron's Wake: The Turbulent Lives of Lord Byron's Wife and Daughter: Annabella Milbanke and Ada Lovelace

- Miranda Seymour
2018-11-06

A masterful portrait of two remarkable women, revealing how two turbulent lives were always haunted by the

dangerously enchanting, quicksilver spirit of that extraordinary father whom Ada never knew: Lord Byron. In 1815, the clever, courted, and cherished Annabella Milbanke married the notorious and brilliant Lord Byron. Just one year later, she fled, taking with her their baby daughter, the future Ada Lovelace. Byron himself escaped into exile and died as a revolutionary hero in 1824, aged 36. The one thing he had asked his wife to do was to make sure that their daughter never became a poet. Ada didn't. Brought up by a mother who became one of the most progressive reformers of Victorian England, Byron's little girl was introduced to mathematics as a means of calming her wild spirits. Educated by some of the most learned minds in England, she combined that scholarly discipline with a rebellious heart and a visionary imagination. As a child invalid, Ada dreamed of building a steam-driven flying horse. As an exuberant and boldly unconventional young woman,

she amplified her explanations of Charles Babbage's unbuilt calculating engine to predict—as nobody would do for another century—the dawn of the modern computer age. When Ada died—like her father, she was only 36—great things seemed still to lie ahead for her as a passionate astronomer. Even while mired in debt from gambling and crippled by cancer, she was frenetically employing Faraday's experiments with light refraction to explore the analysis of distant stars. Drawing on fascinating new material, Seymour reveals the ways in which Byron, long after his death, continued to shape the lives and reputations both of his wife and his daughter. During her life, Lady Byron was praised as a paragon of virtue; within ten years of her death, she was vilified as a disgrace to her sex. Well over a hundred years later, Annabella Milbanke is still perceived as a prudish wife and cruelly controlling mother. But her hidden devotion to Byron and her tender ambitions for his

mercurial, brilliant daughter reveal a deeply complex but unexpectedly sympathetic personality. Miranda Seymour has written a masterful portrait of two remarkable women, revealing how two turbulent lives were often governed and always haunted by the dangerously enchanting, quicksilver spirit of that extraordinary father whom Ada never knew.

Chateau of Secrets - Melanie Dobson 2014-05-13

A courageous young noblewoman risks her life to hide French resistance fighters; seventy years later, her granddaughter visits the family’s abandoned chateau and uncovers shocking secrets from the past. Gisèle Duchant guards a secret that could cost her life. Tunnels snake through the hill under her family’s medieval chateau in Normandy. Now, with Hitler’s army bearing down, her brother and several friends are hiding in the tunnels, resisting the German occupation of France. But when German soldiers take over the family’s chateau, Gisèle is forced to host them as well—while harboring the resistance fighters right below their feet. Taking in a Jewish friend’s

baby, she convinces the Nazis that it is her child, ultimately risking everything for the future of the child. When the German officers begin to suspect her deception, an unlikely hero rescues both her and the child. A present day story weaves through the past one as Chloe Sauver, Gisèle's granddaughter, arrives in Normandy. After calling off her engagement with a political candidate, Chloe pays a visit to the chateau to escape publicity and work with a documentary filmmaker, Riley, who has uncovered a fascinating story about Jews serving in Hitler's army. Riley wants to research Chloe's family history and the lives that were saved in the tunnels under their house in Normandy. Chloe is floored—her family isn't Jewish, for one thing, and she doesn't know anything about tunnels or the history of the house. But as she begins to explore the dark and winding passageways beneath the chateau, nothing can prepare her for the shock of what she and Riley discover... With

emotion and intrigue, Melanie Dobson brings World War II France to life in this beautiful novel about war, family, sacrifice, and the secrets of the past.

The Change Room - Karen Connelly 2017-04-11

Happily married, great career, mother of two. What more could a woman possibly want? Enter *The Change Room*, by award-winning writer Karen Connelly, and find out. Eliza Keenan is the mother of two young sons, the owner of a flower studio that caters to the city's elite, and the loving wife of a deliciously ruffled math professor named Andrew. She's on the move from dawn until her boys are in bed, and after they're asleep she cleans her house. Her one complaint

about her life is that the only time she has for herself is her twice-weekly swim in the local community centre pool, where sunlight shines in through a tall window and lights up the water in a way that reminds her of the year she spent as a footloose youth on an island in Greece. Then one morning into this life that is full of satisfactions of all kinds except sexual (because who has the time or the energy once the kids are asleep?) comes a tall, dark and lovely stranger, a young woman Eliza encounters at the pool and nicknamed 'the Amazon.' The sight of this woman, naked in the change room, completely undoes Eliza, and soon the two of them are entangled in an affair that breaks all the rules, and threatens to capsize not only Eliza and her happy family, but her lover's world, too. And yet the sex is so all-encompassing, so intimate, so true...how can it be bad? Be ready to be shaken up, woken up, scandalized and deeply stirred.

Dreamland Burning -

Jennifer Latham 2017-02-21

A compelling dual-narrated tale from Jennifer Latham that questions how far we've come with race relations. Some bodies won't stay buried. Some stories need to be told. When seventeen-year-old Rowan Chase finds a skeleton on her family's property, she has no idea that investigating the brutal century-old murder will lead to a summer of painful discoveries about the present and the past. Nearly one hundred years earlier, a misguided violent encounter propels seventeen-year-old Will Tillman into a racial firestorm. In a country rife with violence

against blacks and a hometown segregated by Jim Crow, Will must make hard choices on a painful journey towards self discovery and face his inner demons in order to do what's right the night Tulsa burns. Through intricately interwoven alternating perspectives, Jennifer Latham's lightning-paced page-turner brings the Tulsa race riot of 1921 to blazing life and raises important questions about the complex state of US race relations--both yesterday and today.
