Lucia, John R. Little, Lisa Morton, and Mark Allan Gunnells put the horror back in Halloween with a quintet of devilishly delightful tales, curated by acclaimed author and editor Brian James Freeman. **STRANGE CANDY** by Robert McCammon Chocolate bars and sour suckers are trick-or-treat staples, but beware the odd sweet at the bottom of your bag. You never know who it's from—or what it might do to you. **THE RAGE OF ACHILLES** by Kevin Lucia Father Ward should have heeded the warnings about hearing confession on All Hallow's Eve. Because a man is about to tell him a secret more haunting than any he has heard before. **DEMON AIR** by John R. Little Fear of flying is not uncommon. But on this transpacific airline, the real danger isn't the flight itself. It's whoever—or whatever—is up in the air with you. **LA HACIENDA DE LOS MUERTOS** by Lisa Morton Trick McGrew, former cowboy star of the silver screen, has never believed in tall tales. But down

in Mexico, the land of La Llorona, he's about to find out just how real urban legends can be.

Scary Stories Vol. 1 - James Scary 2019-08-25

BY PURCHASING THE PAPERBACK VERSION, YOU HAVE INCLUDED THE KINDLE EBOOK VERSION FOR FREE This book is a strong collection of extremely

dark and scary short stories that cuts across a variety of horrific events. The stories contain a range of horror devices like vengeful ghosts, unnamable monsters, bloodcurdling absurdities and shadowy secrets; making it the perfect book to fall back onto on dark nights when you seek to be thrilled and thrown into fear. The stories herein can be narrated; hence, they are also ideal for camp nights, sleepovers and other similar gatherings. Telling scary stories in the dark is an age-long culture and this collection seeks to reinforce that culture with a fresh style. The stories explore a variety of horror that have been crafted nicely to fit the contemporary society and even, in one of the stories, inject a science feel to the horror like in the story, 'Becoming'. The stories have been written to suit the general needs of readers of all ages as evidenced in the teen/adult characters in the stories. In addition to the very common horror settings such as abandoned mansions, the

woods, basement and attics, the stories introduces other new environments such as the apocalyptic setting in the story titled 'Last Man On Earth'- a testament to its progressiveness. In the story, 'October 30th' a tale of the annual, horror festival is told in a fresh tone. Most of the stories touch on the inevitable horror - death. 'Ghost House' tells an enthralling and fast paced story and so does 'Miss Fairborn's Auction'. There is a general belief that books give a wider room for imaginations - even wider than the room that watching a movie affords you and truthfully so. These tales, when told in the dark, will leave you with much to imagine - an arm covered in goose bumps and the back of your neck with all the hackles on their ends. The curtains you see might not be curtains. The mirrors, too, might become home to many faces and the old man by the road might not be what you think he is. Welcome to the home of scary and macabre tales. BUY NOW !
Horror Short Stories - H. P.

Lovecraft 2017-11-30

Ghouls, ghosts, and macabre terrors stalk the night in this spine-tingling collection. With tales describing unnatural frights and haunting visions of cosmic terror, you will be taken on a journey into the disturbing imaginations of some of horror's greatest writers. The stories' heroes face incredible creatures, unknowable gods, and supernatural beings who have no regard for human life. Horror literature has its roots in the mists of time. In the 19th century, writers delved into ancient folk tales and local legends to inspire an entire genre. In the 20th century, the next generation of writers brought to life a brand new array of terrifying monsters. The authors in this volume range from Victorian pioneers, such as Bram Stoker and Edgar Allan Poe, to the pulp writers of the 20th century, such as William Hope Hodgson and H. P. Lovecraft. The tradition of horror writing that developed took very different turns on either side of the Atlantic - while American authors turned

to unknowable horrors and cosmic terrors, British writers such as E. F. Benson and M. R. James mastered a more familiar form, the classic ghost story. It was not only English-speakers who sought to terrify their readers. The French writer Guy de Maupassant, a prolific short story writer and pupil of the acclaimed novelist Gustave Flaubert, found ways to make his protagonists doubt their own sanity as they faced terrors that would drive any ordinary man mad. This collection of bone-chilling tales comes from the pens of some of horror's most acclaimed writers. Authors include: E. F. Benson Ambrose Bierce Francis Marion Crawford W. W. Jacobs M. R. James William Hope Hodgson H. P. Lovecraft Guy de Maupassant Edgar Allan Poe Bram Stoker
The Valancourt Book of World Horror Stories, Volume 1 - Pilar Pedraza 2020-12-08
What if there were a whole world of great horror fiction out there you didn't know anything about, written by authors in distant lands and in

foreign languages, outstanding horror stories you had no access to, written in languages you couldn't read? For an avid horror fan, what could be more horrifying than that? For this groundbreaking volume, the first of its kind, the editors of Valancourt Books have scoured the world, reading horror stories from dozens of countries in nearly twenty languages, to find some of the best contemporary international horror stories. The stories in this volume come from 19 countries on 5 continents and were originally written in 13 different languages. All 20 foreign language stories in this volume are appearing in English for the first time ever. The book includes stories by some of the world's preeminent horror authors, many of them not yet known in the English-speaking world.

Clive Barker's Books of Blood 1-3 - Clive Barker
1998-10-01

Rediscover the true meaning of fear in this collection of horror stories from New York Times bestselling author Clive Barker. "The most provocative tales of terror ever published."—The Washington Post Everybody is a book of blood; wherever we're opened, we're red... With the publication of Books of Blood, Clive Barker became an overnight literary sensation. His tour de force collection of brilliantly disturbing tales demonstrated a genius for dark invention that rivaled Poe and Sade. He was hailed by

Stephen King as "the future of horror," and won both the British and World Fantasy Awards. Now, with his numerous bestsellers, graphic novels, and hit movies like the Hellraiser films, Clive Barker has become an industry unto himself. It is his powerful writing style and arresting imagery that have made Books of Blood a classic—and Clive Barker a cult phenomenon. Storm Dancer - Rayne Hall
2011-09-11

Dahoud is a troubled hero with a dark past. A former siege commander, he atones for his atrocities by hiding his identity and protecting women from war's violence. But he hides a deep secret: demonic possession. How can he shield the woman he loves from the evil inside him? Principled weather magician, Merida, brings rain to a parched desert land. When her magical dance rouses more than storms, she needs to overcome her scruples to escape from danger. Thrust together, Dahoud and Merida must fight for freedom and survival. How can they trust

each other when their hearts burn with the hatred of betrayal? Storm Dancer is a dark-epic fantasy novel. It deals with dark issues and is not recommended for readers under 16. The fantasy world is inspired by ancient Middle Eastern cultures - Persians, Egyptians, Babylonians, Hittites. The writing is atmospheric, exciting and intense. It is a big book, offering many hours of reading pleasure. British English.

Wytches Vol. 1 - Scott Snyder
2015-06-24

"It's fabulous. A triumph." - Stephen King
"The most terrifying comic you've ever read." - MTV News
When the Rooks family moves to the remote town of Litchfield, NH to escape a haunting trauma, they're hopeful about starting over. But something evil is waiting for them in the woods just beyond town. Watching from the trees. Ancient...and hungry. Collects WYTCHES #1-6.
More praise for WYTCHES: "Dark and brutal, Wytches are like nothing horror fans have ever seen" - USA Today
"In Wytches, the Image Comics series Snyder co-created with the superstar art team of Jock and Matt Hollingsworth, the writer isn't just completely reinventing witches--through the story of

the Rook family's dealings with the titular monsters, he's diving deep into very real fears about being a parent, and the ugliness that hides in all of us." -Entertainment Weekly" An awesome and at times terrifying tale." -IGN" A great read.... the art is outstanding and certain panels may give you nightmares." -iO9" If you read the first 4 pages of WYTCHEs, there's no turning back. Scary as fuck and impossible to put down. Bravo." -Joe Hill, Locke & Key" Monumental." -Bloody Disgusting" Snyder has tackled horror before, but Wytches sets out to be an entirely new level of scary. Aside from the fact that the monsters in the book are terrifying (artist Jock has done an amazing job realizing the creatures), Snyder's vision of witchcraft is as much about the deepest fears parents face as it is about spooky monsters in the woods." -Complex Magazine

Zombies: A Record of the Year of Infection - Don Roff
2010-07-01

Experience the zombie apocalypse with this illustrated survivor's journal full of chilling tales of terror. The year is 2012, and what starts as a pervasive and inexplicable illness ends up as a zombie infestation that devastates the world's population. Taking the form of a biologist's illustrated journal found in the aftermath of the attack, this pulse-pounding, suspenseful tale of zombie apocalypse follows the narrator as he flees from city to countryside and heads north to Canada, where he hopes the

undead will be slowed by the colder climate. Encountering scattered humans and scores of the infected along the way, he fills his notebook with graphic drawings of the zombies and careful observations of their behavior, along with terrifying tales of survival that will keep readers on the edge of their seats right up to the very end. Praise for *Zombies* "Influenced by Richard Matheson's *I Am Legend*, *Zombies* is a genuinely chilling and logical look at a zombie invasion. The matter-of-fact descriptions of the symptoms and effects, coupled with the detailed drawings of both victims and scenarios make it a creepy read . . . A tremendous addition to any zombie book collection."

Scary Stories to Tell in the Dark - Jonh Stories 2020-05-23

Are you an avid fan of scary stories? Rather than frightening you, the sordid

tales of gruesome deaths and ghastly ghosts fascinate and stimulate you-so you are always on a quest for terror-filled tales. Terror-filled stories are read to test one's nerves, and obviously to scare. Moreover, it's the mystery mingled with the horror that really beckons people to pick up a scary story. They can't live without satisfying their curiosity. After all, the tales with a hidden killer or a ghost's possession are weaved with an underlying depth of mystery. Scary stories can set your heart racing and scare the wits out of you. You read them for your entertainment and because you are fascinated by the terror emphasized in them. But what exactly are they? Horror stories are those tales that captivate readers via either bloodshed or supernatural beings, like ghosts or demons. Paranormal beings terrify us because they have powers that are beyond our comprehension. On the other hand, scary stories also illustrate the dark side of humans and what they are

capable of doing if evil rests in their hearts. A person only gets frightened of what they actually fear, but fear is a rather broad term. Everyone is afraid of one thing or the other. The mere mention of ghosts might make you tremble, but your friends might enjoy ghost stories, and they can abide with gruesome stories of ruthless killings and lot of blood. Despite the aftereffects of these stories-nightmares, trouble going to the bathroom alone-people still can't seem to get enough of them. Readers are spurred on to continue reading by nerve-wrecking questions like why, who, how, and what will save the victims. This book contains some interestingly macabre and hair-raising short stories that will entice you and your terror-loving spirit. Horror and mystery go hand in hand to bring you short stories that will provide you with tales worth remembering. These six short stories are an interesting read, if you're looking for something scary riddled with mystery to read. What are you waiting for?

Scary Stories - James Scary
2019-10-16

□ Do you love horror stories?
The type of stories that you
read to your children to warn
them about the horrors of the
night? Are you a newcomer to
the genre, or are you a veteran
that has already went through
the raunchiest most
devastating stories out there
already? Well then, this is the
perfect midnight "snack" for
you. This anthology story
depicts every corner of hell
possible in order to make you
feel that chill running down
your spine. Whether it's ghosts,
killers, monsters or whatnot,
we've got you covered. These
stories are also for all ages,
although we will say that we're
not afraid to get into the gory
details either. So, are you
interested in a thrilling
mystery? Will the detective find
the right answers before it all
goes to "hell", or will he fail,
missing the trail of bodies
altogether? Will the cute

foreign couple take the mental abuse from their boss lying down or will they fight back, one slice at a time? Is that your wife sitting next to your bed or is it something else? Who knows, really? After all, this is horror, it doesn't need a happy ending to end, it only needs an "end". So, if this sounds like a blast for you and your children then give it a try. It's perfect to spook your children, but at the same time it can make grown adults shiver in their trousers too. It's like a wise man once said, "You can't make an omelet without breaking a few skulls". And oh boy, this book sure delivers on this promise. So, just sit back, get yourself a hot cup of coffee and get ready, because this ride is getting bumpier and bumpier with every story. The destination of this carousel of horrors? That depends, have you been a good person?

Writing Fight Scenes - Rayne Hall 2011-09-11

This book will help you to write fight scenes that are entertaining as well as realistic, and leave the reader breathless with excitement. The book suggests a six-part structure to use as blueprint for your scene, and reveals tricks how to combine fighting with dialogue, which senses to use when and how, and how to stir the reader's emotions. You'll decide how much violence your scene needs, what's the best location, how your heroine can get out of trouble with self-defence and how to adapt your writing style to the fast pace of the action. There are sections on female fighters, male fighters, animals and weres, psychological obstacles, battles, duels, brawls, riots and final showdowns. For the requirements of your genre, there is even advice on how to build erotic tension in a fight scene, how magicians fight, how pirates capture ships and much more. You will learn about different types of

weapons, how to use them in fiction, and how to avoid embarrassing blunders. The book uses British spellings.

B.P.R.D. Hell on Earth Volume
1 - Mike Mignola 2021-04-06

The plague of frogs has ended, but earth will never be the same, and the fractured B.P.R.D. struggles to battle dangerous monsters and humans alike, from a trailer-park cult to a Russian town ravaged by a zombie-like virus. Guy Davis's final B.P.R.D. story sets the stage for Tyler Crook's (Harrow County) backwoods-horror debut, as Liz Sherman hides from a world that she helped push toward armageddon, and Abe Sapien is shot down by a girl who's seen the world to come. This is the first hardcover edition of the
