## **Turtle's Song** - Alan Brown 2001

I am Turtle. My eyes are black, my shell is green. Wide ocean calls me, as I lie curled in the dark. Tides roar in my blood, surf pounds in my heart. A lyrical journey of the life of a Green Turtle from hatchling beneath the sand of a coral beach, through wanderings at sea, to adulthood and returning to lay eggs of its own.

Award winning illustrator Kim Toft's magnificent silk painting perfectly capture the precarious life of the Green Turtle, while author Alan Brown's poignant, mythical story sounds a hymn to this ancient but now endangered creature.

**Neil Armstrong Is My Uncle and Other Lies Muscle Man McGinty Told Me** - Nan Marino  
2009-05-12

A tender story about a tough-as-nails girl forced to take one small step towards understanding during the summer of 1969. "Muscle Man McGinty is a squirrely runt, a lying snake, and a pitiful excuse for a ten-year old.....the problem is that no one knows it but me. In the entire town of Massapequa Park, only I can see him for what he really is. A phony." Tamara Ann Simpson is determined to expose Muscle Man McGinty, a foster boy new to her neighborhood, for the liar that she knows he is. Muscle Man tells the other kids his uncle is Neil Armstrong and he even has the audacity to challenge the entire block to a kickball game. So, why is Tamara the only one who can see through this kid? It's the summer of 1969 and things are changing in Tamara's little town of Massapequa,

Long Island, and in the world. Perhaps Tamara can take one small step towards a bit of compassion and understanding.

*Full of Beans* - Jennifer L. Holm 2016-08-30  
Winner of the Scott O'Dell Award Five Starred Reviews! A New York Public Library Best Book for Kids, 2016 Grown-ups lie. That's one truth Beans knows for sure. He and his gang know how to spot a whopper a mile away, because they are the savviest bunch of barefoot conchs (that means "locals") in all of Key West. Not that Beans really minds; it's 1934, the middle of the Great Depression. With no jobs on the island, and no money anywhere, who can really blame the grown-ups for telling a few tales? Besides, Beans isn't anyone's fool. In fact, he has plans. Big plans. And the consequences might surprise even Beans himself. **Killer in Paradise** - Paul Mila 2017-10-11

A killer is loose in paradise! Who will be the next

victim? Paul Mila returns with familiar and new characters in the fifth book of his dive adventure/thriller series. Scuba diver and art gallery owner Dayle Standish struggles to save her marriage as she searches for a priceless artifact dating back to Christopher Columbus. But Dayle's path through the land of the ancient Mayans intersects with a vicious killer in Cozumel, Mexico, putting herself and her friends, Terry and Joe Manetta, in danger. The story will appeal to divers and non-divers alike, and diving readers will recognize dive sites located in Roatan and Cozumel. The unique story line takes readers inside cenotes (pronounced SAY-NO-TAYS), the underwater caves that riddle the Yucatan, and which supplied the ancient Mayans with much of their fresh water. "Paul Mila returns with familiar characters in this riveting suspense/thriller. Once you start reading, you won't be able to put this action-packed page turner down." **Fundamentals of Philosophy** - John Shand  
2004-03-01

Fundamentals of Philosophy is a comprehensive and accessible introduction to philosophy. Based on the well-known series of the same name, this textbook brings together specially commissioned articles by leading philosophers of philosophy's key topics. Each chapter provides an authoritative overview of topics commonly taught at undergraduate level, focusing on the major issues that typically arise when studying the subject. Discussions are up to date and written in an engaging manner so as to provide students with the core building blocks of their degree course. Fundamentals of Philosophy is an ideal starting point for those coming to philosophy for the first time and will be a useful

complement to the primary texts studied at undergraduate level. Ideally suited to novice philosophy students, it will also be of interest to those in related subjects across the humanities and social sciences.

*Turtle in Paradise* - Jennifer L. Holm 2021-06-29

A graphic novel adaptation of the beloved, bestselling Newbery Honor-winning novel. Eleven-year-old Turtle is smart and tough and has seen enough of the world not to expect a Hollywood ending. After all, it's 1935 and money—and sometimes even dreams—is scarce.

So when Turtle's mother gets a job housekeeping for a lady who doesn't like kids, Turtle heads off to Florida to live with relatives. Florida's like nothing Turtle's ever seen before, though. It's full of ragtag boy cousins, family secrets to unravel . . . and even a little bit of fun. Before she knows what's happened, Turtle finds herself coming out of her shell. And as she does, her world opens up in the most unexpected ways. Inspired by family stories, three-time Newbery Honor winner Jennifer L. Holm blends family lore with America's past in this charming gem of a novel, now adapted into graphic novel form by rising star Savanna Ganucheau.

[Penny from Heaven](#) - Jennifer L. Holm

2007-12-26

Newbery Honor-winning, New York Times-bestselling, and as full of fun and adventure as it is of deeper family issues. School's out for summer, and Penny and her cousin Frankie have big plans to eat lots of butter pecan ice cream, swim at the local pool,

and cheer on their favorite baseball team—the Brooklyn Dodgers! But sometimes things don't go according to plan. Penny's mom doesn't want her to swim because she's afraid Penny will get polio. Frankie is constantly getting into trouble, and Penny feels caught between the two sides of her family. But even if the summer doesn't exactly start as planned . . . things can work out in the most unexpected ways! Set just after World War II, this thought-provoking novel also highlights the prejudice Penny's Italian American family must confront because people of Italian descent were "the enemy" not long ago. Inspired by three-time Newbery Honor winner Jennifer Holm's own Italian American family, Penny from Heaven is a story about families—about the things that tear them apart and the things that bring them back together. Includes an author's note with photographs and background on World War II, internment camps, and 1950s America, as well as additional resources and websites. Booklist: "Holm

impressively wraps pathos with comedy in this coming-of-age story, populated by a cast of vivid characters."

overall design, aerodynamics, thermodynamics, flight dynamics, propulsion, materials, and structures, this report presents some of the most recent results obtained in these disciplines. The authors are members of three Collaborative Research Centers in Aachen, Munich and Stuttgart concerned with hypersonic vehicles. A major part of the research presented here deals with experimental and numerical aerodynamic topics ranging from low speed to hypersonic flow past the external configuration and through inlet and nozzle. Mathematicians and engineers jointly worked on aspects of flight mechanics like trajectory optimization, stability, control and flying qualities. Structural research and development was predominantly coupled to the needs for high temperature resistant structures for space vehicles.

**Our Only May Amelia** - Jennifer L. Holm  
2016-07-05

The beloved Newbery Honor book by the author of *The Fourteenth Goldfish*, about a spirited heroine growing up with trying circumstances, a sense of adventure, and tremendous heart. It isn't easy being a pioneer in the state of Washington in 1899. It's particularly hard when you are the only girl ever born in the new settlement. With seven older brothers and a love of adventure, May Amelia Jackson just can't seem to abide her family's insistence that she behave like a Proper Young Lady. She's sure she

could do better if only there were at least one other girl living along the banks of the Nasel River. And now that Mama's going to have a baby, maybe there's hope. Inspired by the diaries of her great-aunt, the real May Amelia, three-time Newbery Honor-winning author Jennifer Holm gives a beautifully crafted tale of one young girl whose unique spirit captures the courage, humour, passion and depth of the American pioneer experience.

**A Slip of a Girl** - Patricia Reilly Giff 2019-08-13  
A heart-wrenching novel in verse about a poor girl surviving the Irish Land Wars, by a two-time Newbery Honor-winning author. For Anna, the family farm has always been home... But now, things are changing. Anna's mother has died, and her older siblings have emigrated, leaving Anna and her father to care for a young sister with special needs. And though their family has worked this land for years, they're in danger of losing it as poor crop yields leave them without money to pay their rent. When a violent

**The Trouble with May Amelia** - Jennifer L. Holm 2011-04-05

The long-awaited and highly anticipated sequel to the Newbery Honor winner *Our Only May Amelia*, by the bestselling and cherished author Jennifer Holm. *May Amelia* Jackson captured readers' hearts in the Newbery Honor Book *Our Only May Amelia*. Now, after more than ten years, Jennifer Holm is bringing this beloved

character back in a beautifully written story that's both heartbreaking and hilarious. May Amelia lives with her pioneer family on a farm in 1900, but she just can't act the part of a proper young lady—and it doesn't help that she has seven brothers and a Pappa who proclaim that *Girls Are Useless*. May Amelia jumps at the chance to earn her father's respect when he asks her to translate for a gentleman who's interested in buying their land and making them rich. But when the deal turns out to be a scam, Pappa places all the blame on May. It's going to take a lot of *sisu*—that's Finnish for guts—to make things right.

[Cadmium in Soils and Plants](#) - M.J. McLaughlin  
2012-12-06

Over forty years ago, concern was first focussed on cadmium contamination of soils, fertilisers and the food chain. Adverse effects on human health were first highlighted nearly 30 years ago in Japan with the outbreak of Itai-itai disease. Since then, substantial research data have accumulated for cadmium on chemistry in soils, additions to soils, uptake by plants, adverse effects on the soil biota and transfer through the

food chain. However, this information has never been compiled into a single volume. This was the stimulus for the Kevin G. Tiller Memorial Symposium "Cadmium in Soils, Plants and the Food Chain", held at the University of California, Berkeley, in June 1997 as part of the Fourth International Conference on the Biogeochemistry of Trace Elements. This symposium brought together leading scientists in the field of cadmium behaviour in soils and plants, to review the scientific data in the literature and highlight gaps in our current knowledge of the subject. This series of review papers are presented here and deal with the chemistry of cadmium in soils, the potential for transfer through the food chain and management to minimise this problem. We hope this information provides a sound scientific basis to assist development of policies and regulations for controlling cadmium in the soil environment.

The Lion of Mars - Jennifer L. Holm 2021-01-05  
NEW YORK TIMES BESTSELLER • Life on Mars

is pretty standard.... until a mysterious virus hits. Don't miss this timely and unputdownable novel from the bestselling author of The Fourteenth Goldfish. Bell has spent his whole life--all eleven years of it--on Mars. But he's still just a regular kid--he loves cats and any kind of cake, and is curious about the secrets the adults in the US colony are keeping. Like, why don't they have contact with anyone on the other Mars colonies? Why are they so isolated? When a virus breaks out and the grown-ups all fall ill, Bell and the other children are the only ones who can help. It's up to Bell--a regular kid in a very different world--to uncover the truth and save his family...and possibly unite an entire planet. Mars may be a world far, far away, but in the hands of Jennifer L. Holm, beloved and bestselling author of The Fourteenth Goldfish, it can't help but feel like home.

Sandy Gingras's Paradise Girls features a broken engagement. A ruined vacation in paradise. One adorable little girl. The perfect recipe for the chance of a lifetime... Mary Valley is in a funk. She's a writer for home magazines, but she's lost touch with what home means. Her life seems meaningless. The last house she wrote about was a gazillion-dollar mansion with a moat! Plus, she's estranged from her daughter, CC and granddaughter, Larkin and mired in a dead-end

relationship with her boss. Daniel is a man adrift since his son Timmy was killed in Afghanistan. He's living on a houseboat in Florida with Timmy's three-legged dog, Tripod and taking tourists out on fishing charters. But his life is on the edge. He's painting his houseboat black, and he can't stop thinking about "getting lost at sea." When Mary's boss tells her he's spending Christmas with his ex, she books a trip with her family to The Low Key Inn, a hotel on the edge of the Everglades. But things go wrong from the get-go. CC bails out of the vacation, and Mary is stuck with an unhappy Larkin. The hotel is dated and down-on-its-luck, and perhaps its owner is a witch. Then Mary meets Daniel, casts a hook into his head and wrecks his boat. This is the story of how wounded people can help each other heal, how lost people can help each other find their way home. How life can become a love story...

"Believe in the unexpected" with this hilarious, heartwarming, and acclaimed sequel to the New York Times bestseller *The Fourteenth Goldfish*! Ellie's grandpa Melvin is a world-renowned scientist . . . in the body of a fourteen-year-old boy. His feet stink, and he eats everything in the refrigerator--and Ellie is so happy to have him around. Grandpa may not exactly fit in at middle school, but he certainly keeps things interesting. When he and Ellie team up for the county science fair, no one realizes just how groundbreaking their experiment will be. The formula for eternal youth may be within their reach! And when Ellie's cat, Jonas Salk, gets sick, the stakes become even higher. But is the key to eternal life really the key to happiness? Sometimes even the most careful experiments yield unexpected--and wonderful--results.

**Voyage of the Turtle** - Carl Safina 2007-04-01  
The story of an ancient sea turtle and what its survival says about our future, from the award-winning writer and naturalist Though nature is

indifferent to the struggles of her creatures, the human effect on them is often premeditated. The distressing decline of sea turtles in Pacific waters and their surprising recovery in the Atlantic illuminate what can go both wrong and right from our interventions, and teach us the lessons that can be applied to restore health to the world's oceans and its creatures. As *Voyage of the Turtle*, Carl Safina's compelling natural history adventure makes clear, the fate of the astonishing leatherback turtle, whose ancestry can be traced back 125 million years, is in our hands. Writing with verve and color, Safina describes how he and his colleagues track giant pelagic turtles across the world's oceans and onto remote beaches of every continent. As scientists apply lessons learned in the Atlantic and Caribbean to other endangered seas, Safina follows leatherback migrations, including a thrilling journey from Monterey, California, to nesting grounds on the most remote beaches of Papua, New Guinea. The only surviving species

of its genus, family, and suborder, the leatherback is an evolutionary marvel: a "reptile" that behaves like a warm-blooded dinosaur, an ocean animal able to withstand colder water than most fishes and dive deeper than any whale. In his peerless prose, Safina captures the delicate interaction between these gentle giants and the humans who are finally playing a significant role in their survival. "Magnificent . . . A joyful, hopeful book. Safina gives us ample reasons to be enthralled by this astonishing ancient animal—and ample reasons to care." -- The Los Angeles Times

Returning to the beach cottage—a cottage named Scallop—where she has always

celebrated her birthday is a special occasion for Alice Rice. Who will see the first dolphin this time? The first pelican? What will have changed? Stayed the same? And will this be the year she finally finds a junonia shell? Alice's friends are all returning, too. And she's certain her parents have the best party planned for her. Alice can't wait. If Alice is lucky, everything will be absolutely perfect. Will Alice be lucky?

Treasure in Paradise - Kathi Daley 2017-04-11

"Tj Jensen and her family head to Turtle Cove Resort for summer vacation, but their plans for rest and relaxation are thwarted when they find a dead treasure hunter in the attic of the resort's main house. Initially vowing not to get involved, Tj quickly changes her tune when the Gull Island deputy on the case closes it after a bare bones investigation. All evidence points to foul play, and Tj's determined to uncover what the deputy wants to keep hidden. With the help of her best friend and a chatty parrot, Tj digs up a centuries old legend, a hidden map, and secrets buried

**Touch Blue** - Cynthia Lord 2012-11-01

An exquisite second novel from the Newbery Honor author of RULES! TOUCH BLUE, sure as certain, will touch your heart. The state of Maine plans to shut down her island's schoolhouse, which would force Tess's family to move to the mainland--and Tess to leave the only home she has ever known. Fortunately, the islanders have a plan too: increase the numbers of students by

having several families take in foster children. So now Tess and her family are taking a chance on Aaron, a thirteen-year-old trumpet player who has been bounced from home to home. And Tess needs a plan of her own--and all the luck she can muster. Will Tess's wish come true or will her luck run out? Newbery Honor author Cynthia Lord offers a warm-hearted, humorous, and thoughtful look at what it means to belong--and how lucky we feel when we do. Touch Blue, sure as certain, will touch your heart.
