Islam - Adeel Zeerak 2012-09-01

One of the largest and fastest-growing religions, Islam is currently practiced by approximately one-fifth of the world's population. Unlike most religions that only consist of acts of worship, rituals, and a set of beliefs, it also offers a just socio-politico-economic system, which is especially important today as we continue to make significant material and scientific progress. However, although it presents real solutions to problems faced by the whole of mankind, factors such as worldwide media propaganda and the current condition of the Muslim community have seriously distorted the public image of Islam. Adeel Zeerak hopes that his book *Islam: A Superior System of Life* will help change all that. He says that after careful study, even those with non-Muslim unprejudiced minds will appreciate the beauty of his religion's teachings.

To prove the superiority of Islamic system over other systems, he provides concrete data obtained from authentic sources and refrains from using boastful or exaggerative language. Chapters in *Islam: A Superior System of Life* include: • This is Islam • Characteristics of the Islamic System • Spiritual System • Social System • Economic System • Political System • The Prophet, peace be upon him, the Message, and the Ummah “Despite commendable progress in the field of science and technology, this world is full of evil, exploitation, and injustice,” says Zeerak, who believes any effort to find a solution to our problems continually fails because we choose to ignore the light of Divine Guidance. We all know what happened to prophet Noah's people when they rejected this guidance, but we, thankfully, still exist in this world to follow our Lord and accept Islam. Written for the Muslim and non-Muslim, *Islam: A Superior System of Life* is for readers interested in Islam, the prophet Muhammad (PBUH), the Islamic view of women, the concept of Khilafat, Islamic finance, Islamic spirituality, and Islamic history. The author promises that our obedience to Allah, subhanahu wa-ta'ala, will result in endless favors and blessings both in this world and

the hereafter.

How to Read the Akashic Records - Linda Howe 2009-05-01

For thousands of years, mystics, masters, and sages from various world traditions have read the Akashic Records—a dynamic repository that holds information about every soul and its journey. Once reserved for a "spiritually gifted" few, this infinite source of wisdom and healing energy is now available for readers everywhere to answer questions big and small. How can I find freedom from my past? What are my life purposes? With *How to Read the Akashic Records*, healer and teacher Linda Howe offers the first book of its kind to help navigate these timeless "Records of the Soul." Drawing from more than 15 years' experience with the Akashic Records, Howe teaches us: The Pathway Prayer Process—a "password" for admittance into the Records How to work with your "MTLOs"—your Masters, Teachers, and Loved Ones—for assistance within the Records Insightful tips to glean the most critical information, whether you're reading for yourself, other individuals, or even your pet "The time has come for us to be our own spiritual authorities and access this illuminating, rich source directly," explains Howe. With *How to Read the Akashic Records*, anyone who desires to read the Records now has immediate access to this valuable life resource. "The Akashic Records contain everything that every soul has ever thought, said, and done over the course of its existence—as well as all its future possibilities. This valuable information can help you with any aspect of your life journey. And because the Records are also a dimension of consciousness, they are available anytime and everywhere." —Linda Howe The universe is alive—and it has a memory just like you. Known as the Akashic Records, this energetic archive of soul information stands ready to lovingly guide you. Once accessible to rare spiritual masters, now the Records are available to anyone—anytime, anywhere. After a lifelong search for truth,

master teacher and healer Linda Howe has developed an infallible method for accessing this reservoir of information: the Pathway Prayer Process. By lifting you to a divine level of consciousness, this sacred prayer opens the doors of the Records, where your "soul blueprint"—everything you need to know about your soul's destiny—awaits you. There you will work with your Masters, Teachers, and Loved Ones to cultivate a rich relationship with the Records and ultimately learn to unleash your highest potential. Grounded with the success stories of dozens whose lives have been touched by the Records, this comprehensive guidebook will help you confidently read the Records for yourself—or another—and find inspiration for your own spiritual path. "Accessing the Akashic Records provides an opportunity to align with your soul and develop your own spiritual authority," teaches Linda Howe. Now with *How to Read the Akashic Records* you can learn to connect with this divine source for infinite joy, inner peace, and fulfillment. Linda Howe is the founder and director of The Center for Akashic Studies, an organization dedicated to promoting the study of Akashic Records and other applicable spiritual wisdom. Active in healing arts for more than 20 years, Linda was moved and inspired by the power of the Records within herself and her clients. She began teaching this practice to students in 1996 and, today, she has successfully taught thousands of students to accurately read the Akashic Records.

The Psychic Life of Power - Judith Butler 1997

Judith Butler's new book considers the way in which psychic life is generated by the social operation of power, and how that social operation of power is concealed and fortified by the psyche that it produces. It combines social theory, philosophy, and psychoanalysis in novel ways, and offers a more sustained analysis of the theory of subject formation implicit in her previous books.

The Ylem - Tatiana Vila 2011-05-05

An ancient book, a seventeen-year-old girl and an exotic boy from a supernatural world hold the key to freedom for a long-oppressed race, but that freedom could come at the cost of the human world. Seventeen-year-old Kalista is suffering from a broken heart, so when her playwright father proposes they move their lives from New York to New Mexico because he is in need of inspiration Kalista is 100% on-board with him. New Mexico proves to be the perfect balm for her wounds and she is just starting to feel some of her old spunk when Tristan Winfield comes into her life and pulls all of her barriers down. Kalista is captivated by Tristan's unusual silver eyes and feels an inexplicable connection to him, which begins to manifest itself in her dreams with bizarre images of a waterfall and an orb. While searching for an explanation for her troubling dreams, Kalista discovers an ancient book which holds the secrets of a supernatural race of creatures. But when Killings hit town, she realizes her finding has come at a high price. She's in the middle of a power struggle now, and a secret seems to be wrapped within the pages of that book. A secret she's part of...

Diary of a Psychic - Sonia Choquette, Ph.D. 2003-07-01

Sonia Choquette discovered her psychic abilities as a young child. Gifted from birth, she was able to see beyond the veil of the inner workings of her family members', friends', and neighbors' lives. While still a teenager, she began to give readings, amazing her clients with her psychic insights. Seeking to deepen her skills, she studied with two master psychic/spiritual teachers and began to see beyond predictions of the future . . . into the causes of the future. With the help of a group of spiritual guides who have been working with her since childhood, and combining this support with metaphysical law, Sonia developed the

ability to see the soul plan that each of us is born with. It became her mission to put her clients' lives back on track, steering them through the tricky waters of romance, divorce, illness, high finance, sickness, and death. She became a soul guide for "happy endings." By pulling back the curtain and sharing her personal story, this revolutionary new teacher and world-renowned psychic shatters the myth that psychic implies psycho, and reveals the beauty and power the sixth sense holds for us all! A teacher, an author, and a storyteller, as well as a gifted psychic, Sonia Choquette is in international demand for her guidance, wisdom, and capacity to heal the soul. This is a story of the Evolution of the "6th Sense" fresh from a child's perspective. Also, this is "Just A Great Read!"

Super Investing - Bill Bodri 2012-11-01

Yes, you can beat the market — by a wide margin. The proof is in these five investing strategies that have already produced multi-million fortunes for real life investors who have used them. You won't hear about these strategies from Wall Street because these methods put money in your pocket, not theirs. As the old saying goes, "Wall Street needs dummies so it can make monies." Simply knowing these strategies elevates you out of the unsuspecting crowd that Wall Street feeds on. If you're an active thinking investor – the kind who prefers real-world truths over "too good to be true" financial fantasies, then this book is for you because it's the first to compile these five proven super investing strategies in one place. Super investing strategies like... Benjamin Graham's little-known "OTHER" investing method. You won't find this in his classic works Security Analysis or The Intelligent Investor because he discovered it AFTER writing those books. Graham concluded that the method shared in this book BEAT everything he did before. PLUS, he said individual investors don't need Wall Street to implement it and get rich. The Interest Rate Market Climate Model that continually beats the market all the way BACK TO 1929! No simple timing model works longer, and you can easily duplicate it using FREE information on the internet. The Ultimate Momentum Method returning 20% per year that gets you into -- and keeps you in -- the SAFEST assets MOVING THE MOST right now. Hand your money over to one of the investment managers using this relative strength investing technique to buy and sell WORLDWIDE asset opportunities, and then forget about it. The Monthly Income Solution using options that beats dividend checks hands down, and which every stock investor desiring an extra 10-15% per year must know about in this age of zero interest rates. If you want your stocks to "work for you" generating income, you must learn this technique. The Modified Method for Seasonal Timing that puts most Wall Street fund managers to shame. It absolutely blows "Sell in May and go away" out of the water, too. It's simple. It's easy. And it BEATS THE MARKET with far less risk. This book gives you the history, the analysis, and the exact rules to follow if you want to use each of these five Super Investing

strategies that humiliate passive buy and hold strategies with their returns. Plus, you get a bonus method on crisis investing during various End Games scenarios telling you exactly what to do during a sovereign debt default, bond bust, currency collapse, banking crisis, period of political unrest and upheaval, and even during deflations or hyperinflations and the destruction of fiat currencies. Most investment books never tell you how to protect your wealth during these extreme situations, but during your lifetime you are sure to live through one or more of these situations. Forget "Buy and Hold" for the next few decades if you want to protect and grow your wealth through investing. These five Super Investing techniques are the basis of the poor man's way to retire wealthy without a lot of complicated work, and they protect your wealth through all sorts of difficult economic environments. These are the historically proven ways to beat Wall Street's buy and hold performance as well as the returns of most mutual funds. Using these proven investing systems over enough time, you can see an hyper-compounding in the growth of your wealth to help achieve the goal of retiring without financial concerns. Here are the exact investing methods regular people can use to grow a "Legacy IRA" and accumulate enough funds to produce generational wealth that can be passed onto the next generation in your family or used to do great good deeds in the world.

The Seeds of New Earth (the Silent Earth, Book 2) - Mark R. Healy 2014-12-17

The Earth is in ruins. Cities and nations destroyed. Mankind is extinct.

Brant and Arsha are synthetics, machines made in the image of people. They dream of bringing humans back into the world and have the technology to succeed, but the obstacles in their way are mounting. Not only are their own conflicting ideals creating a rift between them, but now the sinister Marauders are closing in as they seek revenge on Brant. Out in the wasteland, strange lights and mysterious objects in the sky herald the arrival of new factions that seek to control the region. Even in the once quiet streets of their own city, malevolent forces are beginning to unfurl that threaten the sanctity of everything they hold dear, jeopardising the future that is within their grasp. Holding Back The Tears - Annie Mitchell 2013-09-16

This is true story about real people is set in Edinburgh City and Dundee, where a petite Scottish Lassie called Rosie Gilmour, mother to Finlay Sinclair, receives news of the death of her son - who tragically has taken his own life by hanging. Rosie pretends her son is still alive by talking to him, for that takes away the unbearable pain of her loss. But once she begins to face up to the fact that Finlay is not coming back, her conversations become more of a challenge than she can handle. When memories of her past are triggered by everyday life events, they take her mind back and forth in time - back to her own childhood days in 1960, when she flirted with the fairground boys, and to the day she gave birth to Finlay - "ME LADDIE". Rosie's Scottish accent becomes more apparent whenever her emotions are heightened and she begins to recite poetry. She goes on to reveal doubts about her own self-worth and how she re-unites her role as mother - a role she had denied herself for seven years prior to Finlay's death. Rosie learns how to forgive herself and how to accept her loss with using practical coping strategies that sometimes but not always work for her. Many voices of different natures and walks of life appear in Rosie's, story with each one offering a part of

their own belief to try and console her in her misery - except that she turns her back on any advice or support offered. Rosie is convinced that she can cope with her loss on her own and "needs no help from anyone, thank you" - until a sweet, gentle, soft-spoken voice begins to travel with her throughout her ordeal, leaving her no other choice but to listen. Eventually moving to the countryside in Angus, Rosie finds the isolation gives her life a new meaning offering her the opportunity to re-value her beliefs about her own self values and decides the time has come to give her son a memorial service and invite a chosen few dance companions whom she met on a regular basis in Edinburgh to honour this day. Rosie begins to accept she will never be the same person she once had been and shall never be again, believing now her journey through grief taught her many lessons making her a stronger and better person than she imagined she could ever be.

Psychic Blues - Mark Edward 2012-08-14

"Mark Edward is an equivocator, fibber, and mountebank. Which begs the question: if a liar admits to lying, can he be telling the truth? He is a literate, informative, intellectual, a student of the psychology of humans, a foe of those who would defraud the public for personal gain, and as an author and practicing psychic, he is first and foremost an entertainer."—Joel Moskowitz, International Brotherhood of Magicians
Mark Edward admits that for years he exploited believers who wished to connect with supernatural ideas and sad family members who missed dead loved ones. Now Edward is a magician who works the Haunted Castle in Hollywood and is also on the editorial board of Skeptic magazine, where he reveals the means of psychic scamsters. This entertaining book is at once a confessional and instructional regarding human belief and those who exploit it. Though Edward believes that most practitioners of the psychic business are out-and-out scam artists, he also counters the skeptic belief that the supernatural is a lie. Both skeptic and skeptical of skepticism, Mark Edward has worked as a 900-number psychic, ghost hunter, and Hollywood Magic Castle medium. He has also worked vigorously to debunk psychic frauds and currently works on the

editorial board of Skeptic magazine.

A Complicated Legacy - Robert H. Stucky 2014-05-23

If movies and books like Belle, Twelve Years a Slave, The Butler, The Help, A Time to Kill, and Amistad have moved you, you'll love A Complicated Legacy, a novel by Baltimore writer Robert H. Stucky based on the true story of Elijah Willis, a white South Carolina planter, and Amy- the love of his life, the mother of his children, and his slave. Taking place in the decade leading up to the Civil War, it is written with a cinematic eye for atmosphere and setting, a linguist's ear for dialogue, and a historian's grasp of the powerful social forces and momentous events of the time. It is a riveting tale of personal transformation in facing the tide of sweeping social change. Elijah Willis fought family opposition, public opinion, and the law to free his family of choice and leave them his entire inheritance. In so doing, his and Amy's story becomes a microcosm of the human struggles that made the Civil War and the Abolition of Slavery both necessary and inevitable. Set in rural South Carolina, Baltimore, and Cincinnati, this vivid saga weaves history and humanity in a compelling testimony to the power of relationships to shape our destinies, even a century and a half later.

The God Chair - Caroline Cienki 2016-08-30

Meet Katie Ball. She's ten years old and definitely going through a rough patch. School is stressful and the future of her family's farm is uncertain. But all that changes, when Katie meets Lady Catherine and her rather mysterious chair. That's when she discovers that she's braver than she thought she was, and that with a little friendship and a lot of divine inspiration, real life is just as exciting as any storybook adventure. Originally a Brit, Caroline Cienki has fond memories of vacations spent in the rural North of England with her grandparents, where she learned to love the countryside. She now lives in the US, and calls Texas her home along with her husband, two children and three fun-loving doggies. Among her current passions are home-making, travel and spiritual formation. The God Chair is her first children's book.

Divine Sight - Eduarda Amondragon 2014-10-07

There are many things in this world the average person cannot see...but a chosen few can. Such is the case with Lala, the five-year-old Mexican-American child at the heart of this unique coming-of-age novel. Divine Sight finds Lala at a critical point in her life, where she is learning how to deal with the different perspectives of her multicultural, multigenerational family and coming to terms with her sixth sense of second sight. Set in the 1950s and spanning both the United States and Mexico, the story is told through a series of vignettes written in Lala's voice. Each chapter casts Lala against a challenging situation and shows how she, with the aid of her family members and otherworldly allies, works to overcome it and becomes more comfortable in her own skin—as a medium between two worlds and two cultures. A truly touching and thoughtful tome, Divine Sight explores many common, and uncommon, themes from an encouraging and empowering angle. It speaks volumes about cultural and spiritual understanding and tells a tale of hope and helpfulness that's sure to appeal to open-minded readers who want to better understand and appreciate life's many marvels.
