Unlike other gospels, his parables are obscure, to be explained secretly to his followers. With an introduction by Nick Cave

The Passion and Death of Our Lord Jesus Christ - Alban Goodier
2017-03-31

Archbishop Alban Goodier, S.J. fills in the many blanks in the historical narratives about the Passion of Jesus Christ with a riveting account based on history, culture and his own deep spiritual insights. He brings to life and unifies the many observations, emotions and subtle and not-so-subtle actions that revolve around the person of God the Son as he faces his most tragic and triumphant moment. The author's unique approach intersperses Scripture accounts with the commentary of an incisive narrator who sifts and judges from the span of hundreds of years. He draws from the obvious as well as the obscure, and finds supernatural meaning in the most mundane actions that surround the suffering Christ. In the hands of this writer, the Lord's few words, accompanied by the author's commentary, challenge contemporary believers as much as they did those who first followed in the footsteps of Christ and his apostles. The author was born in 1869 in Lancashire, northern England and educated at the prominent Catholic college, Stonyhurst, which has been the source of many English Catholic politicians, intellectuals and business people. After a degree from the University of London, he was ordained a Jesuit in 1903. He served as archbishop of Bombay from 1919 to 1926 and returned to England to write and serve as a chaplain until his death in 1939.

A Doctor at Calvary - Dr. Pierre Barbet 2018-02-27

'We did not know; nobody has ever told us that!' These were the words, spoken in tears, of Pope Pius XII on first reading passages from *A Doctor at Calvary*, Dr. Pierre Barbet's scientific and reverent study of the Crucifixion of Christ. From an examination of the Holy Shroud of Turin—the authenticity of which Dr. Barbet accepts from medical evidence—a remarkable reconstruction of Christ's terrible agony is presented in language that cannot fail to move the heart. What kind and what degree of physical torture did Our Lord suffer on Calvary? What was the medical cause of His death? These are among the questions answered in *A Doctor at Calvary*, one of the most significant contributions to Christological science in modern times. Christ's preliminary sufferings—the agony in the Garden of Gethsemane, the scourging, the carrying of the cross—the wounds of the hands, in the feet, in the heart, the causes of the rapid death, and the entombment are recounted with the devotion and compassion of an ardent Christian and with a brilliant doctor's accuracy of anatomical detail. 'Without doubt this is one of the most gripping and moving books to have been published in many a year.'—Harold C. Gardiner, S. J. 'As an aid to vivid viewing of the Passion, this book is peerless.'—Rev. John S. Kennedy, *Balancing the Books* '...a profoundly moving study of the Passion.'—Commonwealth '...a remarkable reconstruction of Christ's agony and death.'—Jubilee 'This volume is an outstanding example of how science can contribute not only to theology, but to solid Christian piety, and thus be an aid to love of Christ.'—The Voice 'This is a gripping and powerful book of the highest stature.'—Voice of St. Jude 'Sincere study of this book will enable us for the first time to understand what is behind the words: 'Jesus suffered and died for us.'—America

A Passion for Christ - Thomas F. Torrance 2010-05-01

In a culture increasingly secular in its pursuits and indifferent to the voice of the church, how may we ignite the fire for ministry that will bring the gospel to the world? How can weary pastors be sustained amidst a climate of doubt and resistance? For more than half a century, three remarkable brothers have offered a vision that has inspired thousands in churches and seminaries. Today, their message remains fresh and relevant as we enter a new millennium. And for one reason: The Brothers Torrance share a passion for Christ—the Christ of the Scriptures, the Christ of the historic Nicene faith. These essays distill the essence of their thought, and shine with the clarity of their shared vision. *A Passion for Christ* is a light of encouragement for ministers and lay people elsewhere.

In *Passion Narratives and Gospel Theologies*, Frank Matera describes the intimate relationship between the theology of each of the synoptic gospels and its passion narrative. Matera's study of the Markan passion narrative in light of the Gospel's theology shows that no one can confess that Jesus is the Son of God until he or she acknowledges Jesus as the crucified Messiah, and no one can be Jesus' disciple unless he or she accepts the scandal of the cross. While

the Gospel of Matthew continues to develop the great themes of Mark's gospel, Matera argues that its passion narrative manifests a distinctive ecclesiological and ethical outlook in light of its unique gospel theology. Finally, Matera demonstrates how the Lukan passion narrative, by presenting Jesus as a model of innocent suffering, also contains a distinctive outlook in light of its gospel theology: God's righteous suffer afflictions by trial and persecution. Comprehensive in scope and clearly written, *Passion Narratives and Gospel Theologies* provides a much needed introduction to the synoptic passion narratives and the theology of each evangelist. It will be welcome by students and pastors.

The Passion According to Luke - Jerome H. Neyrey 2007-05-01

Jerome Neyrey brings a remarkably enlightened approach to the Passion Narrative, and to Luke's particular version of it. The book begins where previous studies leave off, for it goes beyond traditional questions of source and historicity and treats the Lukan Passion Narrative from the standpoint of redaction criticism. Neyrey offers a fresh literary analysis of the text, along with significant thematic and theological insights into Luke's version of Jesus's Passion. Five major episodes in the Passion Narrative are treated: The Farewell Address at the Last Supper, the Garden, Jesus's Trials, his Address to the Women, and the Crucifixion. Although rich in detail, this book continually offers a unified view of the text; readers are constantly offered overviews, summaries of the data, and interpretation of it. The book breaks new ground in suggesting a distinctive Lukan soteriology of the cross and a corresponding Christology. Study of the faith of the dying Jesus becomes a major clue for seeing Jesus as the New Adam in Luke-Acts. This book significantly advances our reading of Luke, especially by the way Acts is brought to bear as an interpretive clue to Luke's whole project, Luke-Acts.

Contemporary interpretation of Luke demands study of the way Lukan structures and themes are continued and confirmed in Acts, which holds true especially for the Passion Narrative. Luke brings the story of Jesus into harmony with the story of his church.

The Death of Jesus - Joel B. Green 2011-02-01

Proclamation of the crucified Messiah is always close at hand when one attempts even the most cursory articulation of the Christian faith. Viewed simultaneously as scandal and eschatological turning-point the cross of Christ is the cornerstone of Christian faith and praxis. This is not to say that the crucifixion of Jesus has at all times and all places been subjected to a single interpretation by Christian believers. Already in the dawning years of the Christian movement Jesus' disciples understood his death in numerous ways, utilizing a variety of images. This study takes as its primary points of departure the prominence of the cross-event for Christians and the variety of its interpretations. Here we seek a partial answer to the question how earliest Christianity understood the death of Jesus. Originally, this study took the form of a 1985 University of Aberdeen dissertation.

The Gospel According to the Lamb's Bride - Barbara Ann Mary Mack

2007-09

The Mahdi, "The Expected One" represents the accumulation of events that had their beginning around 2000 B.C. during the time of Abraham. It is from this time the story unfolds. It is the start of two great peoples who through to the present day have become bitter enemies. Two brothers in competition for God's favor, each wanting to destroy the other. Into this mix are the archaic systems of government in today's world. Feudalistic empires and their serf armies struggling to control world resources. The age of industrialization and the new rise of economic powers in once deprived nations like China and India have pushed the envelope of world domination. Colonial rulers running crumbling empires and moralists spreading their philosophy of living, religion, and government have added to the chaos. The nations of the world continue to escalate weapons development racing to join the Nuclear Club' even though their own countries can little afford the costs of the race. Nations are forming alliances based on common interests both militarily and economically. Russia, China, and the Islamic world, the Tri-Pack', are being pushed together in a relationship of necessity. They are the odd puzzle pieces that don't fit in the world today. Out of this relationship will come a global power to be dealt with by the rest of the world. Sir McKinder wrote in 1919 of the World Island'. Today that World Island' is larger than the original World Island'. Russia in time will reacquire her old empire. China will settle the Taiwan question by force, and eliminate the problem in North Korea allowing Korea to re-unite under the Chinese sphere-of-influence. Out of the World of Islam' will rise a leader who will unite Islam under one banner. All of Africa, except South Africa, West Asia, South Asia, minus India, Central Asia, Southeast Asia, except Vietnam, East Asia, except Japan, and North Asia will comprise the New World Island'. The loss of Africa is a result of negligence of the Western world their only interests being cheap Raw Resources' for their economic empires. Africa in the equation was the pivotal piece, handled properly could have derailed the New World Island'. Mexico, Central America, and South America are ripe for investments and relations with the Tri-Pack' and could swing to the New World Island'. Cuba, non-relations, has weakened the U.S. position. The use of the Monroe Doctrine' and carrying a Big Stick' has alienated this part of the world from the United States. Not long ago the President of Iran stated he is preparing the way for the arrival of The Mahdi, "The Expected One". The clock is ticking

Love Set Free - Martin L. Smith 2012-09

A Lenten devotional by a celebrated author, well known in the United States and Great Britain When is love not mixed up with something else? Love and the desire to possess, love and the need to control, love and the need to be needed, love and the lust to absorb, love and condescension, love and narcissism. In this short book of meditations on the Passion according to Saint John, Martin L. Smith shows how, in the Christian mystery, love itself must be crucified and die to be reborn as the grace of communion...as love set free. *Love Set Free* has strong recognition in Episcopal/Anglican circles as a series of meditations designed for use as lectio and suitable for Lent or Holy Week.

The Passion of Jesus in the Gospel of John - Donald Senior 1991

With this volume on John the Passion series concludes its study of the meaning of Jesus' death in each of the Gospels. But though last, it is certainly not less important or a repetition of the other Gospels. In fact, John's portrayal of the death is as distinctive and unique as the rest of this maverick" Gospel. Father Senior explores how the rest of the Gospel prepares for the Passion story. He then gives a detailed analysis of the Passion narrative itself. Finally, he explores the theological motifs that dominate the Passion narrative. With scholarly finesse and deep pastoral awareness, he makes John's vibrant message of the Passion speak to our life and times. "

[The Passion of Jesus in the Gospel of Matthew](#) - Donald Senior 1990

The Word of the cross is a living word, crying out for reinterpretation as life takes new shape and expression. Reinterpreting the Gospel was particularly compelling for Matthew's church because his Christians lived in a time of profound transition. The Passion of Jesus, then, was not simply a story of suffering out of the past but a point of identification for the Christians of Matthew's own time. For us twentieth-century Christians, who also know the peculiar suffering and hope of living in an age that is both dying and being born, the Passion of Jesus according to Matthew has special meaning.

Info: www.divinewill.eu - St. Hannibal of Francia, Luisa's extraordinary confessor affirms that her method is a "totally new approach," and she was the first to introduce this way of contemplating the Lord's passion: "This solitary soul is a most pure virgin, wholly of God, who appears to be the object of singular predilection of Jesus, Divine Redeemer. It seems that Our Lord, who century after century increases the wonders of His Love more and more, wanted to make of this virgin with no education, whom He calls the littlest one that He found on earth, the instrument of a mission so sublime that no other can be compared to it - that is, the triumph of the Divine Will upon the whole earth, in conformity with what is said in the 'Our Father': Fiat Voluntas Tua sicut in Coelo et in terra." The Passion of Jesus and Its Hidden Meaning - Fr. James Groenings

2012-12-07

The Passion of Jesus and Its Hidden Meaning shows how every person in the world, whether he realizes it or not, is personally involved in the sufferings and death of Jesus Christ. It was because of our sins, and the seriousness of these sins, that Our Lord underwent so cruel a torture. Using only classic Catholic Commentaries on the Scriptures, Fr. Groenings demonstrates the historical context and spiritual significance of each episode of the Passion of Jesus. From the Agony in the Garden through Our Lord's death and burial, every page of this book is replete with valuable lessons and superabundance of material for meditation and reflection. Drawing from both the Old and New Testaments, Fr. Groenings is able to illustrate the meaning of every event and episode, showing how to apply these lessons to our lives today. Far from being merely an act of unspeakable brutality, the Passion and death of Jesus Christ are shown to be the greatest proof of God's love and mercy to each of us.

The Dolorous Passion of Our Lord Jesus Christ - Anne Catherine Emmerich 2021-12-09

This book tells about her visions of the last days of Jesus Christ, his Last Supper, the prayer in the Garden, the Crowning of Thorns, the Trial by Pontius Pilate, the Carrying of the Cross, the Crucifixion and the Dying on the Cross, and the Resurrection of Jesus Christ. The visions described in the book were highly detailed and realistic, which made the book very popular among the Christian around the world.

[Mel Gibson's Bible](#) - Timothy K. Beal 2006

Biblical scholars Timothy K. Beal and Tod Linafelt, along with an esteemed group of contributors, offer a provocative range of views on The Passion of the Christ. The book is organized in three parts. The first analyzes the film in terms of its religious foundations, including the Gospels and nonbiblical religious texts. The second group of essays focuses on the ethical and theological implications of the film's presentation of the Christian Gospel. Finally, the third section explores the film as a pop cultural phenomenon.
