Boundless - Jack Campbell 2021-06-15

Admiral John "Black Jack" Geary may have saved the Alliance only to destroy it, in this thrilling and eagerly awaited continuation of the New York Times bestselling series. Geary believed in the Alliance. Even when he uncovered overwhelming evidence that the highest echelons of the government and fleet command were involved in secret programs and prison camps, he believed it was worth saving. And that his duty was to see that justice was served even though some factions feared that revealing the truth would cause the Alliance to crumble. But after narrowly surviving two assassination attempts when he brings evidence of the misdeeds to the capital star system, Geary realizes that some have decided the easiest way to make the Alliance's problems go away is to get rid of him. He finds himself ordered to undertake a perilous new mission outside of the reaches of human-occupied space while the Senate clashes over the evidence. Geary's warships must escort a diplomatic and scientific mission across the dangerous, disintegrating remnants of the Syndicate Worlds empire. But even if he can make it to Midway Star System, the gateway to alien-controlled space, Geary will face former Syndicate officials who have rebelled and regard the Alliance with deep suspicion. And that will be the easy part. . . .

A Boundless Place - Pamela Stockwell 2021-10-21

Twenty-four-year-old Violet wants one thing: to hide from life after her husband's death left her reeling. But life has other ideas. Well, life and a certain seven-year-old neighbor. Violet moves to Magnolia Avenue, a forgotten street in a forgotten neighborhood filled with forgotten mobile homes. It looks like the perfect place to retreat and lick her wounds. But it's not long before her young neighbor, Arabella, enlists her in the rescue of the cantankerous old woman next door who has fallen ill. But if Violet thinks this is a one-off event, she's wrong. Next thing she knows, she is entangled in the lives of several neighbors from grumpy Mr. Pritchard to the handsome GI across the street. Set against the backdrop of the 1969 moon landing when astronauts broke the boundaries of Earth, *A Boundless Place* shows what happens when people are able to break through their own boundaries and reach out to others.

The Boundless (The Deathless Trilogy, Book 3) - Peter Newman
2020-08-06

The thrilling conclusion to an epic trilogy of dynastic struggles in a world of crystal castles, winged knights, and savage wilderness.

Boundless Compassion - Joyce Rupp 2018-03-02

"Living compassionately is rarely convenient and often downright challenging," writes Joyce Rupp, bestselling and award-winning author and retreat leader. The definitive Christian guide to compassion, *Boundless Compassion* is the culmination of Rupp's research and work as codirector of the Servite Center of Compassionate Presence. Through this six-week personal transformation process for developing and deepening compassion, Rupp nudges, encourages, and inspires you to grow in the kind of love that motivated Jesus' life and mission for his disciples. With master teacher Joyce Rupp, you will learn to develop compassion as never before. You will discover compassion from science, medicine, theology, spirituality, sociology, and psychology. You will be encouraged to explore personal and professional expressions of compassion, and to re-energize your ability to offer loving kindness to those around you. Rupp has felt the call to walk with others in their suffering since she was a young member of the Servants of Mary, whose charism is compassion. She eventually cofounded the Boundless Compassion program with Sr. Margaret Stratman, O.S.M. Based on the format and theme of Rupp's bestselling books like *Open the Door* and her popular workshops conducted by the Center of Compassionate Presence, *Boundless Compassion* has the power to transform your life, giving you wisdom, confidence, understanding, and inspiration to be a more caring presence. It will help you build on relational skills, learn self-care, gain wisdom for incorporating loss and suffering into your active life, and find ways to show compassion at work. By the book's end, you will feel prepared to live with a renewed commitment to a compassionate

presence for yourself and those who are in the midst of pain, struggle, and transition.

Boundless Heart - Christina Feldman 2017-03-07

An esteemed Insight Meditation teacher leads you through the sublime qualities of Buddhism—kindness, compassion, joy, and equanimity—and how they can enrich your life. Compassion, kindness, equanimity, and joy are not only the fruits of the awakened life but also the path to it—attitudes of mind that can be cultivated through intention and dedication. Also known as the brahma viharas (sublime abodes) and the "Four Immeasurables," these ennobling qualities are far more than simply the "feel-good" states they are often mistaken for. They must be pursued sincerely as a spiritual practice—not just as a means of getting a "spiritual high"—in order to experience the full extent of their power. In *Boundless Heart*, Christina Feldman presents teachings on the Four Immeasurables, exploring how they balance each other in a way that enhances them all. Her simple practices will lead you toward a life infused with kindness, compassion, joy, and equanimity—and to a way of being that promotes those qualities to the world at large.

Talking the Boundless Book - Dick Higgins 1995

The Boundless Sea - David Abulafia 2019

"David Abulafia's new book guides readers along the world's greatest bodies of water to reveal their primary role in human history. The main protagonists are the three major oceans—the Atlantic, the Pacific, and the Indian—which together comprise the majority of the earth's water and cover over half of its surface. Over time, as passage through them gradually extended and expanded, linking first islands and then continents, maritime networks developed, evolving from local exploration to lines of regional communication and commerce and eventually to major arteries. These waterways carried goods, plants, livestock, and of course people—free and enslaved—across vast expanses, transforming and ultimately linking irrevocably the economies and cultures of Africa, Europe, Asia, and the Americas"--

Boundless - Nick Kostov 2022-08-09

The unprecedented rise and catastrophic fall of one of the world's most feared and admired business executives—Carlos Ghosn—a remarkable story of innovation, hubris, alleged crimes, and daring international escape, as chronicled by two Wall Street Journal reporters. Carlos Ghosn always wanted more. Born in the Amazon, raised by a well-off—if scandalized—family in Beirut, and educated in Paris, Ghosn rose to prominence at Michelin in the United States, Renault in France, and Nissan in Japan. Along the way he earned monikers of Le Cost Killer, for his incisive business savvy, and Mr. 7-Eleven, for the hours he devoted to his work. Initially Ghosn thrived, becoming a poster boy for globalization and multinational corporations. Employees believed him to be among the greatest business minds of his generation, and the press hailed him a financial genius. The trouble started when Ghosn began to believe them. His power rose in tandem with an increasing certainty that he was underpaid and undervalued at his multiple posts. Executives grew unhappy with Ghosn's talk of a merger with Renault, calling his loyalty to Nissan into question. Resentments brewed, enough so that a group of Nissan executives set out to uncover the truth about the man who many throughout Nissan and Japan perceived as a savior. Eventually, Ghosn was accused of financial misconduct and arrested for a bevy of alleged crimes—all of which he vehemently denied. Yet even as he insisted his financial transactions were above board, Ghosn was planning an astounding escape, one that would either smuggle him out of Tokyo and back to his ancestral homeland of Lebanon; or land him in a Japanese prison for life. Drawing from intensive investigative reporting, and including never-before-seen insider details from key players in Ghosn's life and the investigations into him, Nick Kostov and Sean McLain piece together this fallen icon's life and actions across the globe. Their sensational globetrotting adventure reveals the complexity of a man who watched for decades as contemporaries with far less talent amassed far greater wealth, and who took drastic measures to ensure he would finally get his due.

To Master the Boundless Sea - Jason W. Smith 2018-04-13

As the United States grew into an empire in the late nineteenth century, notions like "sea power" derived not only from fleets, bases, and decisive battles but also from a scientific effort to understand and master the ocean environment. Beginning in the early nineteenth century and concluding in the first years of the twentieth, Jason W. Smith tells the story of the rise of the U.S. Navy and the emergence of American ocean empire through its struggle to control nature. In vividly told sketches of exploration, naval officers, war, and, most significantly, the ocean environment, Smith draws together insights from environmental, maritime, military, and naval history, and the history of science and cartography, placing the U.S. Navy's scientific efforts within a broader cultural context. By recasting and deepening our understanding of the U.S. Navy and the United States at sea, Smith brings to the fore the overlooked work of naval hydrographers, surveyors, and cartographers. In the nautical chart's soundings, names, symbols, and embedded narratives, Smith recounts the largely untold story of a young nation looking to extend its power over the boundless sea.

The Boundless Classroom - Nathan D. Lang 2022

"A global pandemic hit our world, and education has forever changed. But have your instructional practices changed? Teachers must now leverage technology to provide students with high-quality teaching and learning experiences that transcend a traditional classroom's walls. This

is a historic opportunity to abandon antiquated teaching practices and reimagine instruction in ways that boost learning outcomes and prepare students for living and working in the digital age. This book offers guidance for creating and sustaining rigorous and engaging blended learning solutions. Opening with lessons learned from the pandemic, the book addresses impacts on lesson design and delivery, student engagement, assessment, and teacher training and PD. The following chapters build on and address these experiences, with each chapter featuring practical examples on how to implement effective blended instructions as well as examples from the field to illustrate effective approaches to blended and online instruction"--

Abjectly Boundless - Trudy Rudge 2016-03-16

Within a variety of practice environments, health professionals often experience feelings of disgust and repulsion towards the presence of an abject object. Cadaverous, sick, disabled bodies, troubled minds, wounds, vomit and so forth are all part of health and care work and threaten the clean and proper bodies of those who undertake it, yet this 'unclean' side of health work is rarely accounted for in academic literature. This volume employs the work of Julia Kristeva through a range of case studies drawn from care and nursing settings around the world. It brings together work from researchers and practitioners within the social and health sciences, the caring professions and psychotherapy, to expose and highlight the important impact of the concept of abjection, which historically has been silenced in the health sciences.

The Boundless - Kenneth Oppel 2014-04-22

Aboard "The Boundless," the greatest train ever built, on its maiden voyage across Canada, teenaged Will enlists the aid of a traveling circus to save the train from villains.

The Boundless - Anna Bright 2020-06-09

This breathtaking sequel to *The Beholder* will take you on a journey into a darkly sparkling fairy tale, perfect for fans of *The Selection* and *Caraval*. When Selah found true love with Prince Torden of Norway, she never imagined she'd have to leave him behind. All because the *Beholder's* true mission was a secret Selah's crew didn't trust her to keep: transporting weapons to the rebels fighting against the brutal tsarytsya, whose shadow looms over their next port of Shvartsva'd. A place Selah hoped she'd never go. But gone is the girl who departed Potomac filled with fear. With a stockpile of weapons belowdecks and her heart hanging in the balance, Selah is determined to see the *Beholder's* quest to its end.

Seeds for a Boundless Life - Zenkei Blanche Hartman 2015-08-25

Zenkei Blanche Hartman is an American Zen legend. A teacher in the lineage of Shunryu Suzuki, author of *Zen Mind, Beginner's Mind*, she was the first female abbot of an American Zen center. She is greatly revered, especially in the San Francisco Bay Area, where she has lived and taught for many years. This, her long-awaited first book, is a collection of short teachings taken from her talks on the subject of boundlessness—the boundlessness that sees beyond our small, limited self to include all others. To live a boundless life she encourages living the vows prescribed by the Buddha and living life with the curiosity of a child. The short, stand-alone pieces can be dipped into whenever one is in need of inspiration.

The Boundless Compassion Journal - Joyce Rupp 2021-02-05

Readers of Joyce Rupp's bestselling and award-winning book *Boundless Compassion* and facilitators and participants in compassion retreats have told her repeatedly that they want a guided resource to process and reflect on the content of her book. The *Boundless Compassion Journal* is a result of those requests. While the journal can be used alongside the book or as part of the retreat experience, it also can be used on its own to help you better grow in compassion and share the virtue with those around you. Each day of the six-week personal transformation journey includes a unique prompt to guide and encourage you on your path toward deeper compassion. You will have room to reflect each day with options such as writing a personal response, exploring a scenario, creating a meditative drawing, or exploring the prompt in whatever way feels most meaningful to you. In addition, each day includes a fresh quotation that illuminates a facet of compassion. Finally, each week includes a new prayer and poem by Rupp that relates to the heart of the week's theme. Whether you come to this resource on its own, after having used the *Boundless Compassion* book, or have been on a retreat, this journal will help you explore deeper compassion in your life.

The Boundless - Kenneth Oppel 2014-04-22

Will Everett has always wished for an adventure. Little does he know that his adventure starts the moment he boards the *Boundless*. There is a murder, and now Will must protect a key that can unlock the train's

hidden treasures. Villians are fast on his heels and strange creatures are lurking outside the windows as the Boundless hurtles across the country. Together with Maren, a gifted escape artist, and Mr. Dorian, a circus ringmaster with amazing abilities, Will must save the Boundless before someone else winds up dead. His adventure may have begun without him knowing . . . but how it ends is up to Will.

[Airborn](#) - Kenneth Oppel 2009-09-22

Sailing toward dawn, and I was perched atop the crow's nest, being the ship's eyes. We were two nights out of Sydney, and there'd been no weather to speak of so far. I was keeping watch on a dark stack of nimbus clouds off to the northwest, but we were leaving it far behind, and it looked to be smooth going all the way back to Lionsgate City. Like riding a cloud. . . . Matt Cruse is a cabin boy on the Aurora, a huge airship that sails hundreds of feet above the ocean, ferrying wealthy passengers from city to city. It is the life Matt's always wanted; convinced he's lighter than air, he imagines himself as buoyant as the hydrium gas that powers his ship. One night he meets a dying balloonist who speaks of beautiful creatures drifting through the skies. It is only after Matt meets the balloonist's granddaughter that he realizes that the man's ravings may, in fact, have been true, and that the creatures are completely real and utterly mysterious. In a swashbuckling adventure reminiscent of Jules Verne and Robert Louis Stevenson, Kenneth Oppel, author of the best-selling Silverwing trilogy, creates an imagined world in which the air is populated by transcontinental voyagers, pirates, and beings never before dreamed of by the humans who sail the skies.

Boundless Healing - Tulku Thondup 2001-10-16

This book offers simple meditation techniques to awaken healing energies in the body and mind. Using Buddhist principles as a basis, Tulku Thondup has created a universal guide that anyone can use. It will benefit those who want to preserve good health as well as those who need comfort and relief from illness or mental distress. Boundless Healing offers:

- Ways to employ the four healing powers: positive images, positive words, positive feelings, and positive belief
- Detailed healing exercises that can be done individually or as part of a twelve-stage program
- Exercises for dispelling anxiety
- Healing prayers for the dying and the deceased, plus advice for helpers and survivors

These meditations draw on our innate capacity for imagination and memory, our natural enjoyment of beauty, and our deep-seated longing for a state of quiet calm. For all those who wish to become healthier, happier, and more peaceful in everyday life.

A Boundless God - Jack Levison 2020-02-18

The word *rûah* (commonly translated as breath, wind, spirit, or Spirit) occurs in the Old Testament 378 times--more frequently than torah, shalom, or Sabbath. In this volume, a popular Old Testament scholar, whose previous books have received wide acclaim, cracks open the challenging and provocative world of the Spirit in the Old Testament, offering readers cogent yet comprehensive insights. Grounded in scholarship yet accessible and inviting, this book unlocks the world of the Spirit, plunging readers into an imaginative realm of fresh senses, sounds, and skills. The book gives readers the opportunity to recapture Israel's tenacious sense of the Spirit's energy as it was expressed by a series of vibrant verbs: blowing, breathing, coming, resting, passing, pouring, filling, cleansing, standing, and guiding. Readers will encounter in these pages all of the Old Testament expressions of the Spirit--passages that will challenge the conventional, confront the commonplace, and transport them to a world of wisdom, work, and wonder.

The Boundless Life - Simon Donato 2017-03-28

"In the end, these people helped me realize that Boundless was more than a job; it was metaphor for life. It came down to one simple, daily decision—do I stand still or move forward?" Filming the hit television series Boundless, Simon Donato has raced thousands human-powered kilometres across the globe—from the frigid tundra of Iceland to the searing heat of the Sahara, journeys that strip away the regular trappings of life and pit us against ourselves and the natural world. There are no modern conveniences to lean on as crutches, and every metre gained is earned through both physical and mental effort. In his compelling first book, Donato details the quest for adventure and the opportunities to test ourselves in a very primal way—in ways that we aren't able to in our lives very much anymore. Describing the key moments and adventures that put him on the path to Boundless, Simon takes you on an adventure-filled journey around the globe and shows how you can apply his lessons and experience to your everyday life.

[The Boundless Deep](#) - Kate Brallier 2008-03-04

Philosophers have said that we travel through our lives, past and

present, surrounded by the same souls, that we spend each new life trying to mend the hurts we've done to one another in the past. In *The Boundless Deep*, Kate Brallier explores this idea in a combination of strong storytelling and gifted characterization. Grad student Liza has long been plagued by vivid dreams of whaling. Offered the chance to trade her land-locked existence for a summer on Nantucket, the well-preserved heart of New England's whaling trade, Liza jumps at the chance, eager to see how well her dreams mesh with historical reality. The answer is: all too well. Liza's dreams become highly sexual; her visions of ship's captain Obadiah Young grow increasingly intense. At times the past and present mix before her eyes, with automobiles replaced by horse-drawn carriages. Though skeptical of Liza's claims of a past life, whaling museum curator Adam is drawn to Liza's intense desire to know the truth—about herself, and about Obadiah, accused of murdering his beautiful, young wife. But Adam isn't the only man with an interest in Liza—handsome Lucian, whose home Liza is sharing for the season, has designs on her as well. In a single summer, Liza must answer the riddle of her dreams, reunite lovers separated by death, solve a hundred-year-old murder . . . and figure out her heart's desire. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

[Boundless](#) - Kathleen Winter 2015-10-01

In 2010, bestselling author Kathleen Winter (Annabel) embarked on a journey across the storied Northwest Passage, among marine scientists, historians, archaeologists, anthropologists, and curious passengers. From Greenland to Baffin Island and all along the passage, Winter bears witness to the new math of the North—where polar bears mates with grizzlies, creating a new hybrid species; where the earth is on the cusp of yielding so much buried treasure that five nations stand poised to claim sovereignty of the land; and where the local Inuit population struggles to navigate the tension between taking part in the new global economy and defending their traditional way of life. Throughout Winter's journey, she learns from fellow passengers such as Aaju Peter and Bernadette Dean, who teach her about Inuit society (both past and present). She bonds with Nathan Rogers, son of the late Canadian icon Stan Rogers, who died in a plane crash when Nathan was just a young boy. Nathan's quest is to take the route his father never traveled, expect in his beloved song "The Northwest Passage," which he performs both as anthem and lament at sea. And she guides readers through her own personal odyssey, emigrating from England to Canada as a child and discovering both what was lot and what was gained as a result of that journey. In breathtaking prose charged with vivid descriptions of the land and its people, Kathleen Winter's *Boundless* is a haunting and powerful homage to the ever-evolving and magnetic power of the North.

The Infinite Book - John D. Barrow 2007-12-18

For a thousand years, infinity has proven to be a difficult and illuminating challenge for mathematicians and theologians. It certainly is the strangest idea that humans have ever thought. Where did it come from and what is it telling us about our Universe? Can there actually be infinities? Is matter infinitely divisible into ever-smaller pieces? But infinity is also the place where things happen that don't. All manner of strange paradoxes and fantasies characterize an infinite universe. If our Universe is infinite then an infinite number of exact copies of you are, at this very moment, reading an identical sentence on an identical planet somewhere else in the Universe. Now Infinity is the darling of cutting edge research, the measuring stick used by physicists, cosmologists, and mathematicians to determine the accuracy of their theories. From the paradox of Zeno's arrow to string theory, Cambridge professor John Barrow takes us on a grand tour of this most elusive of ideas and describes with clarifying subtlety how this subject has shaped, and continues to shape, our very sense of the world in which we live. *The Infinite Book* is a thoroughly entertaining and completely accessible account of the biggest subject of them all--infinity.

Boundless - Jillian Tamaki 2017-06-06

The cartoonist of *This One Summer* and *SuperMutant Magic Academy* explores the virtual and IRL world of contemporary women via a lens both surreal and wry. A woman post-breakup becomes obsessed with the "mirror Facebook" of herself—seeing a life that could be hers. Another woman, besieged by bed bugs, studies her relationship and the effects her recently-ended secret affair has on it. An anonymous music file surfaces on the internet and a cult springs up in its wake. A group of city animals briefly open their minds to us; A woman finds her clothes growing baggy, her shoes looser, as she shrinks the world around her. Jillian Tamaki brings her combined characteristic realism and humor to her first collection of short stories. *Boundless* explores the lives

of women and how the expectations of others influence their real and virtual selves. Mixing objective reality, speculative fiction, out-and-out fantasy, and a matter-of-fact feminism, Tamaki shows herself to be a short story talent equal to her peers Adrian Tomine and Eleanor Davis. As Tamaki experiments with art styles, we see hyper-realist detailing dueling with thick chunky blocks of ink, each delicately setting the mood for her characters' inner turmoil.

Boundless Ambition - Tim Tigner 2020-02-09

The boundless ambitions of some CEOs and politicians are dangerous, shameless and sly. Only when heroes step forward to fight, will we see the end of their lies. Imagine HOUSE OF CARDS meets JAMES BOND in a clever suspense thriller.

Sometimes the bad guys play out of bounds. Our world is plagued by the devious schemes of disguised cheaters and thieves. The worst of these frauds are perpetrated by prominent figures—powerful people with sincere smiles, boundless ambitions, and flexible souls. They play on hope, fear and pride while stealing billions right before our eyes. This is the story of one such group. Although thoroughly unpredictable, it's inspired by true events. Created using the same compelling mix of savvy plotting, rapid pacing, and clever conundrums that turned the first four Kyle Achilles books into international bestsellers, Boundless Ambition gives you heroes to love, villains to hate, and puzzles to solve. It's a story destined to delight both new comers and avid Tim Tigner fans.

"Prepare yourself for one of those rare books that builds and builds until your fingers can't flip fast enough and your mind finally blows." --Sandy Wallace

Amazon named Tim Tigner an All-Star Author in December, 2017 and every month since for being one of the most popular authors on Kindle. His books are recommended for fans of David Baldacci, Lee Child's Jack Reacher, Tom Clancy's Jack Ryan, Nelson DeMille's John Corey, Vince Flynn's Mitch Rapp, Mark Greaney's Gray Man, Gregg Hurwitz's Orphan X, Robert Ludlum's Jason Bourne, John Sandford's Lucas Davenport, Daniel Silva's Gabriel Allon, Brad Taylor's Pike Logan, Brad Thor's Scot Harvath, and Dan Brown's Robert Langdon.

Boundless Books - Postertext 2016-09-20

In this book, a picture is indeed worth a thousand words. Within its covers are 50 literary classics, deconstructed and then put back together word by word to create singularly beautiful pieces of art. The silhouettes that emerge from the text illustrate the central characters, landscapes, and themes of each story. This collection ranges across the canon, from 620 BCE to 1937. Bibliophiles will find many of their favorite reads as well as lesser-known gems to discover or rediscover. Each piece of art contains an entire text in legible type, so that, with the help of the magnifying glass on a ribbon marker, readers can enjoy both the striking images and the timeless words themselves.

Boundless Sky - Amanda Addison 2020-06-01

A migrating swallow and a migrant girl cross paths while looking for a place to call home. A bird so small that it fits in your hand flies halfway around the world looking for a place to nest, while a young girl from northern Africa flees halfway around the world looking for safety. This is the story of Bird. This is the story of Leila. This is the story of a chance encounter and a long journey home. North Somerset Teachers Book Awards shortlist. Kate Greenaway Medal Nomination. "Beneath the surface, one can find many opportunities for a deep conversation about belonging, welcoming, and freedom from oppression and danger"—Youth Book Review Services "A delicate and touching little tale that packs its powerful message inside a velvet glove. Do yourselves a favor and order a copy now"—The Letterpress Project "A beautiful exploration of friendship, the parallel migrations of Bird and Leila, and the welcome they receive in their new home. Perfect for developing empathy and compassion"—Library Girl and Book Boy

The Boundless Sea - Peregrine Horden 2019-10-28

This volume brings together for the first time a collection of twelve articles written both jointly and individually by Peregrine Horden and Nicholas Purcell as they have participated in the debates generated by their major work, *The Corrupting Sea: A Study of Mediterranean History* (2000). One theme in those debates has been how a comprehensive Mediterranean history can be written: how an approach to Mediterranean history by way of its ecologies and the communications between them can be joined up with more mainstream forms of enquiry – cultural, social, economic, and political, with their specific chronologies and turning points. The second theme raises the question of how Mediterranean history can be fitted into a larger, indeed global history. It concerns the definition of the Mediterranean in space, the way to

characterise its frontiers, and the relations between the region so defined and the other large spaces, many of them oceans, to which historians have increasingly turned for novel disciplinary-cum-geographical units of study. A volume collecting the two authors' studies on both these themes, as well as their reply to critics of *The Corrupting Sea*, should prove invaluable to students and scholars from a number of disciplines: ancient, medieval and early modern history, archaeology, and social anthropology.

The Boundless - Kenneth Oppel 2014-04-22

The Boundless, the greatest train ever built, is on its maiden voyage across the country, and first-class passenger Will Everett is about to embark on the adventure of his life! When Will ends up in possession of the key to a train car containing priceless treasures, he becomes the target of sinister figures from his past. In order to survive, Will must join a traveling circus, enlisting the aid of Mr. Dorian, the ringmaster and leader of the troupe, and Maren, a girl his age who is an expert escape artist. With villains fast on their heels, can Will and Maren reach Will's father and save The Boundless before someone winds up dead?

"Canadian railway history, fantasy, a flutter of romance—and a thoughtful examination of social injustice—collide in this entertaining swashbuckler from the author of Printz Honor-winning *Airborne*" (Kirkus Reviews, starred review).

Boundless - R. A. Salvatore 2019-09-10

This second book in New York Times bestselling author R. A. Salvatore's all-new *Forgotten Realms* trilogy—full of swordplay, danger, and imaginative thrills—features one of fantasy's most beloved and enduring characters, Drizzt Do'Urden. Split between time and two worlds, Zaknafein had always been conflicted. That inner turmoil was magnified by his inferior position as a male dark elf in the matriarchal drow society. Only his status as one of the greatest warriors—as well as his friendship with the mercenary Jarlaxle—kept him sane. When he finally perished, he was content knowing he left behind a legacy as substantial as his son Drizzt. Except . . . someone isn't ready for Zaknafein to be dead. And now he's back, hundreds of years later, in a world he doesn't recognize. His son's companions are not the prideful—and bigoted—males the drow warrior was accustomed to in his previous life. Drizzt's circle includes dwarves, elves, and, perhaps worst of all, a human wife. Struggling to navigate this transformed new world, Zaknafein realizes that some things have not changed: the threat of demons and the machinations of a drow matron no longer content with her family's position in the ranks of Houses. Though he has been displaced in time, Zaknafein is still a warrior. And no matter what prejudices he must overcome, he knows he will do his duty and fight by Drizzt's side to stem the tide of darkness that threatens the Realms.

Boundless Faith - Robert Wuthnow 2009-05-26

In *Boundless Faith*, the first book to look systematically at American Christianity in relation to globalization, Robert Wuthnow shows that American Christianity is increasingly influenced by globalization and is, in turn, playing a larger role in other countries and in U.S. policies and programs abroad. These changes, he argues, can be seen in the growth of support at home for missionaries and churches in other countries and in the large number of Americans who participate in short-term volunteer efforts abroad. These outreaches include building orphanages, starting microbusinesses, and setting up computer networks. Drawing on a comprehensive survey that was conducted for this book, as well as several hundred in-depth interviews with church leaders, Wuthnow refutes several prevailing stereotypes: that U.S. churches have turned away from the global church and overseas missions, that congregations only look inward, and that the growing voice of religion in areas of foreign policy is primarily evangelical. This fresh and revealing book encourages Americans to pay attention to the grass-roots mechanisms by which global ties are created and sustained.
