Unique Hustle - Will Castro 2019-06-18
Learn From a Giant in the Business of Customizing Cars A “Unique” car book: Will Castro, star of Velocity Channel’s Unique Rides

and one of the most popular car customizers in America, has achieved the American Dream, finding great success doing something he loves. He has worked with marquee names in entertainment and Unique Hustle is packed with anecdotes of some of the biggest names in sports, music, film and television; including P. Diddy, LeBron James, Nicki Minaj, Carmelo Anthony, Jason DeRulo, IceT and DJ Khaled, just to name a few. The hustle of customizing and restoring cars: Discover Will’s inspiring journey to success from growing up poor in the housing projects in New York’s Lower East Side to customizing the rides of the rich and famous. Unique Hustle tells his personal stories of trial and triumph. With only a high school education, audacity, and passion, he ground out a place for himself in the world and hustled his way to the top. How to customize your car: Alongside Will’s story, Unique Hustle provides a “how to” from a professional to readers who love to learn about cars and customization techniques. Readers will

Skoda Felicia Owner's Workshop Manual - Mark Coombs 2014-01

This guide provides all that the Skoda Felicia owner needs to know to service and maintain their vehicle.

GM 6.2 & 6.5 Liter Diesel Engines - John F. Kershaw 2020-08-15

Finally, a rebuild and performance guide for GM 6.2 and 6.5L diesel engines! In the late 1970s and early 1980s, there was considerable

pressure on the Detroit automakers to increase the fuel efficiency for their automotive and light-truck lines. While efficient electronic engine controls and computer-controlled gas engine technology was still in the developmental stages, the efficiency of diesel engines was already well documented during this time period. As a result, General Motors added diesel engine options to its car and truck lines in an attempt to combat high gas prices and increase fuel efficiency. The first mass-produced V-8 diesel engines of the era, the 5.7L variants, appeared in several General Motors passenger-car models beginning in 1978 and are often referred to as the Oldsmobile Diesels because of the number of Oldsmobile cars equipped with this option. This edition faded from popularity in the early 1980s as a result of falling gas prices and quality issues with diesel fuel suppliers, giving the cars a bad reputation for dependability and reliability. The 6.2L appeared in 1982 and the 6.5L in 1992, as the focus for diesel applications shifted from

cars to light trucks. These engines served faithfully and remained in production until 2001, when the new Duramax design replaced it in all but a few military applications. While very durable and reliable, most of these engines have a lot of miles on them, and many are in need of a rebuild. This book will take you through the entire rebuild process step by step from diagnosis to tear down, inspection to parts sourcing, machining, and finally reassembly. Also included is valuable troubleshooting information, detailed explanations of how systems work, and even a complete Stanadyne DB2 rebuild section to get the most out of your engine in the modern era. If you have a 6.2, or 6.5L GM diesel engine, this book is a must-have item for your shop or library.

Self Build Campervan Conversions - Kenny Biggin 2017-11-14

"Throw your belongings in the back, get on the road, drive to a beach, a mountain or a sunset, go for a night or a year.... More people than ever

The Groomer - Jon Athan 2020-03-13

Andrew McCarthy grows concerned for his family after he catches a young man, Zachary

Denton, photographing his daughter, Grace McCarthy, and other children at a park. To his dismay, Zachary talks his way out of trouble when he's confronted by the police. He hopes that's the end of it. Then he finds Zachary at a diner and then at a grocery store. He knows their encounters aren't coincidences. And just as Andrew prepares to defend his family, Grace vanishes. As the police search stalls and the leads dry up, Andrew decides to take matters into his own hands. He starts by searching for sex offenders in the area and researching enhanced interrogation techniques... He convinces himself he'll do anything to rescue his daughter, unaware of the pure evil he'll face in his journey. He's willing to hurt-to torture- anyone to save his family. Jon Athan, the author of Into the Wolves' Den and The Abuse of Ashley Collins, delves into the underworld of internet predators in this disturbing horror novel. Are your children safe?
