Alien World Order - Len Kasten 2017-02-16

Shares new documents to expose the sinister alien influence in world governments, financial systems, and scientific institutions throughout history • Shows how Eisenhower's treaty with the Greys, signed at Holloman Air Force Base in 1954, gave the aliens authority to abduct humans for "research" • Reveals how Reptilian-influenced ex-Nazis infiltrated the U.S. government • Explains how the Reptilians have created alien-human hybrids under their control to replace the human population Long ago, the Galactic Federation sent the Atlans, a fierce group of humans from the Pleiades, to Earth to confront the newest colony of the combative ever-spreading alien race known as the Reptilians. The ensuing battle sank the continent of Lemuria and drove the Reptilians underground beneath the Indian subcontinent as well as to Antarctica. Able to shapeshift to appear human, the Reptilians then infiltrated the Atlantean civilization, abducting humans and creating Reptilian hybrids. As Len Kasten shows, this technique of infiltration and hybridization prior to an all-out attack has been the hallmark of Reptilian conquest throughout the galaxy. Chronicling the history of the Reptilian Empire's influence on Earth and their conquest of 21 star systems, Kasten reveals how the human race is enmeshed in a skillfully concealed plot to enslave humanity and exploit our planet's physical and biological resources. Revealing Hitler's pact with extraterrestrials and the Reptilian influence on the Nazi state, he shares new documents that disclose the rescue and rehabilitation of Nazi war criminals to assist in the Cold War, which then corrupted many U.S. government institutions. Focusing on crucial events in the decade after World War II, he examines the Reptilians' human allies, the Illuminati, who control the levers of financial, technological, and military power throughout the world through various secret societies. He shows how Eisenhower's treaty with the Greys, signed at Holloman Air Force Base in 1954, gave the aliens permission to take humans up to their spaceships, ostensibly for genetic study--in return for alien technology--and how these abductions led to the creation of a hybrid race under Reptilian mind control. He also explains how Kennedy was assassinated by the CIA because of his plans to rout out this Nazi-Reptilian presence. Contrasting the Reptilians with the benevolent Ebens, the aliens from Zeta Reticuli who crashed at Roswell, Kasten exposes the stealthy tactics of the Reptilians, their relationship with the Greys, and their advanced genetic bio-technology and teleportation abilities--as well as what we need to do to defeat their plans.

Channellings of Light and Love - Pamela Goodall 2017-03-08

In Channellings of Light and Love, Pamela Goodall brings you messages from The Arcturians, who are beings of light and love. There are three Arcturians, Ordo, Femo and Io, who live on the planet Alteria, which orbits the sun of Arcturus. Pamela channels the messages of universal love which helps everyone to grow and move along their spiritual journey. The messages also give advice for our planet Earth and how we can help Mother Earth in the 5th Dimension consciousness. Edgar Cayce referred to Arcturians as: "one of the most advanced civilisations in this galaxy and is the prototype for earth's future. Its energies work as emotional, mental and spiritual healers for humanity." In the channelling dated 28th December, 2012 the Arcturians said: "We ask you to continue in your work of shining your light to all you meet and to all you pass in your day to day life. For as you walk others are unconsciously drawn to your light and so you continue the work of sharing and giving the light to others and to the planet." This book of channellings can be read as a book or used each day by opening to a different message. All is given in love to aid you and Earth/Gaia.

Bringers of the Dawn - Barbara Marciniak 1992-12-01

Compiled from more than four hundred hours of channeling by Barbara Marciniak, Bringers of the Dawn imparts to us the wisdom of the Pleiadians, a group of enlightened beings who have come to Earth to

help us discover how to reach a new stage of evolution. Master storytellers and humorists, they advise us to become media free, to work in teams, and to eliminate the words "should" and "try" from our vocabularies. We learn how to go beyond fear, how the original human was a magnificent being with twelve strands of DNA and twelve chakra centers, and who our "gods" are. Startling, intense, intelligent, and controversial, these teachings offer essential reading for anyone questioning their existence on this planet and the direction of our collective conscious--and unconscious. By remembering that we are Family of Light, that we share an ancient ancestry with the universe around us, we become "bringers of the dawn," consciously creating a new reality, a new Earth.

Sacred Journey to Atlantis - Norma J. Milanovich 1992

Why is this journey important? The words of Ascended Master Kuthumi may give an answer to this question: The key to a successful journey to Bimini will be in your abilities to access the Command's coding systems. What I mean is that you will receive the symbolism that will make your journey both intriguing and exciting. But reality reveals that the intrigue will actually come from your abilities to decode the keys. In the keys are contained the secrets to the power that Atlantis once knew. This power was the connection of mind energy to the source. It was harnessed energy of the sound frequencies, that must be combined with the color frequencies, for manifestation to occur. The key to the future for planet Earth is the harnessing of this energy, for when the decade of cleansing is complete, much that is around you today will have to be reborn. Therefore, one of the ways this will occur is to rediscover the paths and the keys of that former lifetime that will be used to rebuild the civilization as you visualize it to be.

Teachings from the Sacred Triangle, Volume One - David K. Miller 2002-01-01

Three forces must come together for a planetary healing to occur ... The concept of the Sacred Triangle was introduced in David Miller's first book, Connecting with the Arcturians, which explored the fifth dimension and our relationship to higher Extraterrestrial groups. This new book explains how the Arcturian energy melds with that of the White Brother/Sisterhood and the Ascended Native American Masters to bring about planetary healing. David offers the reader an understanding of the soul, the nature of soul evolution, and how the human species is advancing towards the next evolutionary step. "There will be many of you in this time who will be able to complete fantastic tasks. If I would declare to you what I see, you would be astonished that you could possibly carry out such tasks. You must think that you have the ability to do this. You have the personal power. I ask you to look at the Sacred Triangle and see what role you can play in this. Others will be very interested when you explain this mission. I guarantee you there will be a very strong contingent that will ascend together as we are invited to join you in the Crystal Temple. We are very eager to meet you there as well. This is Chief White Eagle."

Connecting with the Arcturians - David K. Miller 1998-01-01

Only on a rare occasion does a book come along that contains the potential to change the consciousness of our entire planetary culture. Many have talked about the ascension process, but very few really understand what it means. Who is really out there? Where are we going? What are our choices? What has to be done to prepare for this event? Is everyone ascending to the same place? What happened to the fourth dimension? How can we understand the fifth dimension? What does it feel like? How does it operate? What are fifth-dimensional beings like? How do they live? This book explains all of these questions in a way that we can easily understand. It explains what our relationships are to known extraterrestrial groups and what they are doing to help Earth and her people in this crucial galactic moment in time. It explains how we can raise our vibration now, and begin the process of integrating higher-dimensional energies into our third-dimensional world.

We, the Arcturians - Norma J. Milanovich 1990

The Arcturians, speaking through Norma, have sent Earthlings a gentle message regarding their purpose for being here. They claim they are here to assist Earth as it enters a New Age of spirituality. They cannot interfere with the free will or decision-making process of any Earthling, but are here to educate and help raise the vibrations of all who choose to journey to the new dimension the Earth is entering.

White Crane: The Road to Success of a Spiritual Traveller - Dr Ana Garcia Dtm 2018-10-04

"Dr. Norma Milanovich in "We, The Arcturians" says that reconnecting to your mission or divine plan makes it impossible for fear to direct your life any more. There are very few souls who understand this and take the appropriate steps to rediscover their paths on the Earth plane and they are called heroes. Patricia Pereira in "Songs of Malantor" says that spiritually focused individuals are rapidly evolving and must accept their role of sky warriors or eagles of the new dawn to create a magnificent new society by holding the energy of hope in these despairing times. Finally, Ashayana Deane says in "Voyagers II" that compassion raises our vibratory field, which is the key to the change in destiny. In the following pages you will find a real life account of a soul that heard the call and answered it; a soul that understood that there are ancient laws hidden under our current realities. Although different in the surface, they show that the cycles of energy behind them keep repeating throughout time. White Crane shows us how to bring forth the message stored deeply in our DNA strands, in our cellular memory in order to assist the people of the Earth in the process of awakening. This is Spiritual Justice: the time has come for us to take our place".

Biorelativity - David K. Miller 2012-05-29

A shift in consciousness has occurred on the planet during the past twenty-five years, marking a new moment in the evolution of humanity's consciousness concerning our relationship to Earth and to the cosmos. We now accept that human beings are interacting with a living planet, and we understand that this living planet has an energetic relationship to the galaxy. We have also come to understand that the entire biological and energy system of this beautiful planet we live on is totally dependent on how humans treat the planet, the environment, and other life forms on Earth. Biorelativity describes the ability of human beings to telepathically communicate with the spirit of the Earth. The goal of such communication is to influence the outcome of natural Earth events such as storms, volcanoes, and earthquakes. This book is a collection of

channeled lectures through Arcturian, Native American, and other mystical guides, transmitted in sessions from 2009 through early 2011, that describe the exercises and thought developments related to biorelativity, the planetary cities of light, and the Arcturian Tree of Life that together form new technology for Earth healing. Through these lessons, you can implement new planetary healing techniques right now, actively participating in exciting changes as Earth and humanity come together in unity and healing.

Extraterrestrial Presence on Earth - Judy Carroll 2017

Judy Carroll offers a unique perspective on the eons of ET contact and the ancient origins of fake news. This ground-breaking book puts into perspective the conflict between light and dark that goes on right now, providing confidence and hope when humans so desperately need it. Judy is a blended soul whose conscious awareness spans two planetary connections - Earth human and Zeta Grey. Her mission, along with other blended souls now incarnated as Earth humans, is to be an inter-planetary ambassador, showing us a deeper understanding of our history, and helping us to heal our future as a planetary civilization. Four billion years ago, off-planet Elders came here to blend their DNA with primitive life forms to enhance human evolution, leading to the development of several Earth-human species and reptoid/human hybrids, and a mammalian/human species that followed. In a must-read part of the book, she also exposes the covert agenda of disinformation and fear set up by Repterran Controllers.

Starseed R/evolution - Dr. Richard Horowitz 2022-03-01

Earth is in peril. Is the only hope for salvation a five-year-old, half-human, half-Arcturian prince and a master Starseed mystic? Enter the extraordinary world of Crown Prince Ian, the last surviving heir of the Royal Arcturian Family of Antwar. He's half-human, half-alien, with an IQ approaching 200 and a penchant for Swiss chocolates and defending humanity from itself. Is he Earth's savior from climate change? Or, as his genetic grandmother would say, only another mensch? Written in 2100—in the tradition of Marcus Aurelius, Winston Churchill, Sun Tzu, and Kanye West—Prince Ian recounts firsthand the most thrilling and critical years of the Orion Wars, an intergalactic struggle between good, evil, and the merely tolerable. From space reptiles pulling the strings in D.C. to sperm-gathering Greys at the Battle of Woodstock and the terrifying realities of global warming, Prince Ian shares his deepest observations and memories to inspire readers throughout the cosmos to think, laugh, and ascend. A Gulliver's Travels for the twenty-third century, Starseed R/evolution provides satire, adventure, pop psychology, mystical exploration, and a breath of fresh air in a world choking on its own hubris. From the New York Times bestselling mind of a controversial world-renowned scientist comes a work audacious in its scope and startling in its ultimate message of the ecocide facing our planet, including real solutions and a reading experience you will never forget.

Connecting with the Arcturians 4 - David K. Miller 2020-05-15

During this time of planetary crisis, the Arcturians explore how we starseeds can cope with these dramatic changes, such as updating our immune systems and dealing with electromagnetic energies and energy fields. They offer recommendations and ideas for helping us cope with these overwhelming planetary changes. This book explores the important subject of ascension and the work leading to ascension. The Arcturians present a model based on their observations that precipitating events of ascension occur when the third dimension and fifth dimension intersect. At the time of that intersection, a powerful spiritual energy will download into Earth's energy field that can uplift those who are at the highest vibrations and prepared for ascension. Another concept introduced in this volume is the idea of holographic healing. In holography, a piece of an object can represent the whole. In this Arcturian theory, a person on Earth is only a part of their whole self. Other parts can include the past self, which is the self in other lifetimes, and the future self, which is the self that will live and evolve in future times. There is also a multidimensional self that exists on this and other dimensions.

Beyond Ascension - Joshua David Stone 1996-12-12

"This book brings forth incredible new channeled material that

completely demystifies the seven levels of initiation and how to attain them. It contains revolutionary new information on how to anchor and open our thirty-six chakras and how to build our light quotient at a rate of speed never dreamed possible. The book includes a chapter on cosmic ascension and a unique cosmic map that outlines the process of planetary ascension. The map also charts the course for full cosmic ascension through the seven cosmic planes and forty-eight dimensions of reality back to the Godhead and undifferentiated Source."

Connecting with the Arcturians 3 - David K. Miller 2019-02

Energy fields, higher vibrations, and the evolution of humanityThe themes of this book focus on the evolution of humanity, the next stage of our planetary development, the planetary crisis in general, and how we, as spiritual lightworkers and starseeds, can prepare for our future and for the ascension. We look at the relationships between such complex subjects as quantum physics and spirituality and New Age physics to learn how that relates to the higher dimensions and healing techniques that use new terminology such as "quantum healing" and "omega light." The Arcturians gladly integrate physics with spirituality. Ascension is the transmutation of the physical body into the fifth dimension, completing Earth's incarnational cycles. They report that the ascension is open to all seekers of higher spiritual truth, especially those who are open to cosmic spirituality. There is also an extensive glossary to help the reader. Overall, their messages are hopeful, helpful, and healing. The healings provided through their thinking are relevant personally and planetarily.

The Technical Delusion - Jeffrey Sconce 2019-02-08

Delusions of electronic persecution have been a preeminent symptom of psychosis for over two hundred years. In *The Technical Delusion* Jeffrey Sconce traces the history and continuing proliferation of this phenomenon from its origins in Enlightenment anatomy to our era of global interconnectivity. While psychiatrists have typically dismissed such delusions of electronic control as arbitrary or as mere reflections of modern life, Sconce demonstrates a more complex and interdependent history of electronics, power, and insanity. Drawing on a wide array of psychological case studies, literature, court cases, and popular media, Sconce analyzes the material and social processes that have shaped historical delusions of electronic contamination, implantation, telepathy, surveillance, and immersion. From the age of telegraphy to contemporary digitality, the media emerged within such delusions to become the privileged site for imagining the merger of electronic and political power, serving as a paranoid conduit between the body and the body politic. Looking to the future, Sconce argues that this symptom will become increasingly difficult to isolate, especially as remote and often secretive powers work to further integrate bodies, electronics, and information.

How Arcturians Are Healing Planet Earth - Wayne Brewer 2012-02-01

Alien Reptilians, who are multidimensional extraterrestrials, have been plaguing our planet for eons, lowering our vibrational frequency and using fear, manipulation, and mind-control to dominate and enslave humanity. They have no natural enemies here, so they have had free rein to carry out their agenda. But that is no longer the case! The Arcturians, a much more powerful race of multidimensional extraterrestrials, are right now helping to heal the planet and raise its vibrational frequency by removing alien Reptilians and sending them to the Light. The Arcturians are highly advanced, very loving and peaceful beings from Arcturus, a star in the Bootes Constellation. They are ready to communicate and work with any soul who aspires to journey with them to a higher level of consciousness. In their words: "The souls of the people of Mother Earth have suffered enough over the ages, and now is the time to make the Age of Aquarius a new and glorious era." Wayne Brewer is a prominent private investigator with over 35 years of experience uncovering hidden truths and the author of "Are You Possessed? Now Is the Time for Divine Intervention."

Connecting with the Arcturians 5 - David K. Miller 2021-11-12

Is Earth's crisis part of a cosmic drama? The Arcturians address this question and provide a new galactic perspective. Other planets they have visited have also gone through the type of crisis we are now experiencing. Further, the same kinds of polarizations and conflicts have occurred in the developmental cycles of other planets throughout the galaxy. Human evolutionary change includes understanding that we are biomagnetic beings of light who possess subtle energetic bodies that interact with galactic forces. Along with other tools found in this fifth volume, the Arcturians offer a subtle-body exercise called shimmering that helps us raise our spiritual vibration. It can even be used to protect us and our auras from the coronavirus. The evolutionary changes necessary for solving this crisis must be addressed both personally and planetarily. This book offers a wide range of techniques, interventions, and explanations to help make sense of the current planetary crisis. It addresses the issue of how the reader, as a starseed, can contribute to solving planetary imbalance.

Connecting with the Arcturians 3 - David K. Miller 2018-12-20

The themes of this book focus on the evolution of humanity, the next stage of our planetary development, the planetary crisis in general, and how we, as spiritual lightworkers and starseeds, can prepare for our future and for the ascension. We look at the relationships between such complex subjects as quantum physics and spirituality and New Age physics to learn how that relates to the higher dimensions and healing techniques that use new terminology such as "quantum healing" and "omega light." The Arcturians gladly integrate physics with spirituality. Ascension is the transmutation of the physical body into the fifth dimension, completing Earth's incarnational cycles. They report that the ascension is open to all seekers of higher spiritual truth, especially those who are open to cosmic spirituality. There is also an extensive glossary to help the reader. Overall, their messages are hopeful, helpful, and healing. The healings provided through their thinking are relevant personally and planetarily.

Raising the Spiritual Light Quotient - David K. Miller 2011-04-25

The concept of raising the spiritual light quotient is similar to the intelligence quotient used in modern psychology, the IQ test. However the spiritual light quotient is not the same as intelligence. Rather, the

SLQ reflects one's ability to understand spiritual concepts, to meditate and to connect with other dimensions. It also is a measurement of one's ability to understand the relationship between Earth and the environment of the Earth, and Earth's relationship to the galaxy. Finally, it is a measurement of one's ability to understand the existence of other dimensions as well as the relationship between the ascended masters and guides and our journey to higher realms for soul evolution. Thus it

appears necessary to look at the SLQ of a person, the SLQ of an area and the SLQ of a planet. All of the channeling I bring forth is based on the concept of the Sacred Triangle, which is a new paradigm for spirituality. This paradigm states that in order to heal Earth and bring everything into balance, one must unite the concepts of galactic spirituality with ancient mystical thought and with the energies of native peoples, including Native Americans.
