A River - Marc Martin 2017-03-07

“This stunningly illustrated book, rendered in deep blues and greens, charts a river’s meandering course through cities, farms and jungles.” —Entertainment Weekly A Winner of the New York Times/New York Public Library Best Illustrated Children’s Books Award There’s a river outside my window. Where will it take me? So begins the imaginary journey of a child inspired by the view outside her bedroom window: a vast river winding through a towering city. A small boat with a single white sail floats down the river and takes her from factories to farmlands, freeways to forests, out to the stormy and teeming depths of the ocean, and finally back to the comforts—and inspirations—of home. This lush, immersive book by award-winning picture book creator Marc Martin will delight readers of all ages by taking them on a transcendent and aspirational journey through an imaginative landscape. “A subtle study of how imagination allows children to safely explore the unknown without ever leaving home.” —Publishers Weekly

Cookie - Jacqueline Wilson 2014-05-06

Cookie is plain and shy, not the confident, popular girl her father wanted when he named her Beauty Cookson. Her mother helps her cook up a clever scheme to change her image—but, as usual, Dad doesn't approve, and this time his anger reaches frightening new heights. Will Cookie find the strength to stand up for herself? Honest and emotionally resonant, COOKIE faces tough issues with the unflinching directness and unflagging tenderness that make Jacqueline Wilson one of today's most admired and popular authors for young people.

Rethinking Class Size: The complex story of impact on teaching and learning - Peter Blatchford 2020-11-12

The debate over whether class size matters for teaching and learning is one of the most enduring, and aggressive, in education research. Teachers often insist that small classes benefit their work. But many experts argue that evidence from research shows class size has little impact on pupil outcomes, so does not matter, and this dominant view has informed policymaking internationally. Here, the lead researchers on the world's biggest study into class size effects present a counter-argument. Through detailed analysis of the complex relations involved in the classroom they reveal the mechanisms that support teachers' experience, and conclude that class size matters very much indeed. Drawing on 20 years of systematic classroom observations, surveys of practitioners, detailed case studies and extensive reviews of research, Peter Blatchford and Anthony Russell contend that common ways of researching the impact of class size are limited and sometimes misguided. While class size may have no direct effect on pupil outcomes, it has, they say, significant force through interconnections with classroom processes. In describing these connections, the book opens up the everyday world of the classroom and shows that the influence of class size is everywhere. It impacts on teaching, grouping practices and classroom management, the quality of peer relations, tasks given to pupils, and on the time teachers have for marking, assessments and understanding the strengths and challenges for individual pupils. From their analysis, the authors develop a new social pedagogical model of how class size influences work, and identify policy conclusions and implications for teachers and schools.

New KS1 English Targeted Question Book: Comprehension - Year 2 - Fenwick Zoe 2017-05-10

Journey - Aaron Becker 2020-12-01

The winner of the prestigious Caldecott Honor, and described by the New York Times as 'a masterpiece', Aaron Becker's stunning, wordless picture book debut about self-determination and unexpected friendship follows a little girl who draws a magic door on her bedroom wall. Through it she escapes into a world where wonder, adventure and danger abound. Red marker pen in hand, she creates a boat, a balloon and a flying carpet which carry her on a spectacular journey ... who knows where? When she is captured by a sinister emperor, only an act of tremendous courage and kindness can set her free. Can it also guide her home and to happiness? In this exquisitely illustrated book, an ordinary child is launched on an extraordinary, magical journey towards her greatest and most rewarding adventure of all...
