Journals of Real Female Domination: Volume 1 -

Mistress Scarlet 2014-05-19

This is volume 1 of my journals which describe my life as a dominant female. I live with my husband, bitch-boy. Bitch-boy is a subjugated, trapped slave and source of amusement. He does all the chores and housework, and fetches and carries and his reward is enforced chastity, humiliation and punishment. For this journal, the year of writing is 2010. In general, the events within are not in chronological order. Each of the events described are picked at my whim from my extensive diaries of the last nine years of my life. My tastes are eclectic and in the journal entries you

will find accounts of petticoating humiliation as little girl, school girl and French maid; accounts of sub-human slave treatment, babyfication, bondage, enforced hospitalisation, dickie-discipline, lesbian cuckolding, the use of an electrical box, tease and denial, and of course sessions of discipline to maintain appropriate standards of submissiveness.

The Garima Madam Reader -

This compilation includes the initial "Garima Madam's bitch" - - and the very well received "Garima Madam - the Prequel". A sequel is in the works as we "speak" - stay TUNED! Garima Madam's BITCH - An Englishman working abroad finds his "destiny" - and it's NOT what he had expected upon taking on an expat position in India. Not in his wildest dreams would he have imagined the erotic and sensual "Garima" whom he called in for an interview turning the tables on him quite superbly - and quickly at

that. And he's in for the ride of his life as he learns that his "Garima Madam" and Indian ladies in general can be anything BUT what the common perception is at times! This book is based on several REAL LIFE incidents - and to the gorgeous "Garima" - who provided me with the MOTIVATION to write this book (believe me, real life experiences work BEST - - hence the "reality mixed in with a dab of creative license" theme in ALL my books) - - THANK YOU, Madam. You're the best - and while I can't say the "most" dominant - for a while you were!! This is another one in my Indian femdom series - for those of you into that - you'll positively ENJOY IT. Interracial femdom - cuckolding - and UTTER humiliation - be "warned" - hehe. Garima Madam - the PREQUEL - - in this prequel (set before "Garima Madam's bitch") we delve into Garima's past - and how she became what she did TODAY. The student goes one up on her Master (Mistress as it were!)

and as we study how Garima Madam was moulded by circumstances into what she is TODAY - it might be well to remember to apply those same "standards" to women you meet in real life as well. All too often we're ready to scorn - deride - and JUDGE (and this holds true for men too) - without really knowing the person's background - or WHAT caused them to become the way they are TODAY. As they say - unless you've walked a MILE in a man's (or woman's) shoes - you don't really know what is going on with him/her! And back to the BOOK itself - as the cocksure and often drunken General Manager of the factory she meets finds out - heaven hath NO fury like a woman scorned. Cuckolding, Ball torture, FEMDOM (well and truly!) - a dash of FINDOM (of course!) - and interracial humiliation as usual - and much more.

healing, love, and purpose. •
“Not your typical Hollywood autobiography. Brutally honest, restless and questing.” —O, The Oprah Magazine
Sharon Stone, one of the most renowned actresses in the world, suffered a massive stroke that cost her not only her health, but her career, family, fortune, and global fame. In *The Beauty of Living Twice*, Stone chronicles her efforts to rebuild her life and writes about her slow road back to wholeness and health. In a business that doesn't accept failure, in a world where too many voices are silenced, Stone found the power to return, the courage to speak up, and the will to make a difference in the lives of men, women, and children around the globe. Over the course of these intimate pages, as candid as a personal conversation, Stone talks about her pivotal roles, her life-changing friendships, her worst disappointments, and her greatest accomplishments. She reveals how she went from a childhood of trauma and

violence to a career in an industry that in many ways echoed those same assaults, under cover of money and glamour. She describes the strength and meaning she found in her children, and in her humanitarian efforts. And ultimately, she shares how she fought her way back to find not only her truth, but her family's reconciliation and love. Stone made headlines not just for her beauty and her talent, but for her candor and her refusal to “play nice,” and it's those same qualities that make this memoir so powerful. *The Beauty of Living Twice* is a book for the wounded and a book for the survivors; it's a celebration of women's strength and resilience, a reckoning, and a call to activism. It is proof that it's never too late to raise your voice and speak out.

A role

which Thomas could never have imagined would be filled with so much suffering and indignity. Female Domination, Male Chastity, Bi-Sexual Relationships, and Bondage & Discipline are an every day part of Thomas's new life now that he no longer is in charge of his Company, and has become a helpless slave to his wife, and to his former Secretary Ashley Long. Here is just one of the many Five Star Reviews this Novel has received: "The action in Mistress Benay's 'His Fall From Power' is well paced, often creative, and woman centered. Her style to me is measured and softly worded, rising to a crescendo, then deftly falling back to build again. 'His Fall From Power' is right up there among erotica written for women, by women, but tops my two favorite authors of female erotica, Anne Rice and Pauline Reage as, here, the woman does not suffer for love, but she commands it, demands it, and revels in the devotions a well trained male can provide."

Secret Fantasies of Submissive Men - Karin von Kroft 2016-09-09

What makes men have an orgasm is what continues human life. It is a nasty thought, a fantasy that is most of the time a secret in men's mind. They are embarrassed to share it even with their sexual partner. I am fortunate to be a recipient of the stories written by submissive men who wanted to share their sexiest fantasies with me. They are written by anonymous submissive men and they represent the kinky, fetish world of Female Domination. In the stories the

dominant woman is using submissive men for her pleasure. She uses discipline to elicit proper submissive behavior. If you are submissive I know you will find a lot of exciting ideas in the stories. This book also contains lots of colored photographs of Karin von Kroft in fetish clothing: heels, stockings, boots, gloves, and lingerie.

The End of Men - Hanna

Rosin 2012-09-11

Essential reading for our times, as women are pulling together to demand their rights— A landmark portrait of women, men, and power in a transformed world. “Anchored by data and aromatized by anecdotes, [Rosin] concludes that women are gaining the upper hand.” -The Washington Post Men have been the dominant sex since, well, the dawn of mankind. But Hanna Rosin was the first to notice that this long-held truth is, astonishingly, no longer true. Today, by almost every measure, women are no longer gaining on men: They have pulled decisively ahead. And “the end of men”—the title of Rosin’s Atlantic cover story on the subject—has entered the lexicon as dramatically as Betty

Friedan’s “feminine mystique,” Simone de Beauvoir’s “second sex,” Susan Faludi’s “backlash,” and Naomi Wolf’s “beauty myth” once did. In this landmark book, Rosin reveals how our current state of affairs is radically shifting the power dynamics between men and women at every level of society, with profound implications for marriage, sex, children, work, and more. With wide-ranging curiosity and insight unhampered by assumptions or ideology, Rosin shows how the radically different ways men and women today earn, learn, spend, couple up—even kill—has turned the big picture upside down. And in *The End of Men* she helps us see how, regardless of gender, we can adapt to the new reality and channel it for a better future.
