That Little Square Box - Arthur Conan Doyle 2020-09-28

Mr. Hammond is on his way to America when he hears two passengers discussing a suspicious plan that was going to be executed at 10 o'clock in the evening. The two unknown passengers got aboard in the very last minute. Their baggage was not searched. And their plan consisted of some mysterious box. What do you think happened in the evening? Did Mr. Hammond try to warn the rest of the crew or he escaped with a life boat? Can all be a big misunderstanding or the American steamer will be blown up? Sir Arthur Conan Doyle (1859-1930) was born in Scotland and studied medicine at the University of Edinburgh. After his studies, he worked as a ship's surgeon on various boats. During the Second Boer War, he was an army doctor in South Africa. When he came back to the United Kingdom, he opened his own practice and started writing crime books. He is best known for his thrilling stories about the adventures of Sherlock Holmes. He published four novels and more than 50 short-stories starring the detective and Dr Watson, and they play an important role in the history of crime fiction. Other than the Sherlock Holmes series, Doyle wrote around thirty more books, in genres such as science-fiction, fantasy, historical novels, but also poetry, plays, and non-fiction.

A Romance of Two Worlds - Marie Corelli 1888

Is it Fiction? Is it reality? these are the questions that will trouble the reader. I am not at all surprised with the setting of the story or the premise the writer took. Ms Correlli lived in an age where the advent of the mystics, eastern meditation and the seed of the so called New Age was in the ascendancy. I enjoyed the book thoroughly as it brings to light most of the seed form thoughts in the Jewish faith.

Thomas Mann's War - Tobias Boes 2019-11-15

In *Thomas Mann's War*, Tobias Boes traces how the acclaimed and bestselling author became one of America's most prominent anti-fascists and the spokesperson for a German cultural ideal that Nazism had perverted. Thomas Mann, winner of the 1929 Nobel Prize in literature and author of such world-renowned novels as *Buddenbrooks* and *The Magic Mountain*, began his self-imposed exile in the United States in 1938, having fled his native Germany in the wake of Nazi persecution and public burnings of his books. Mann embraced his role as a public intellectual, deftly using his literary reputation and his connections in an increasingly global publishing industry to refute Nazi propaganda. As Boes shows, Mann undertook successful lecture tours of the country and penned widely-read articles that alerted US audiences and readers to the dangers of complacency in the face of Nazism's existential threat. Spanning four decades, from the eve of World War I, when Mann was first translated into English, to 1952, the year in which he left an America increasingly disfigured by McCarthyism, Boes establishes Mann

as a significant figure in the wartime global republic of letters.

The Child in the Grave - Hans Christian Andersen 2020-10-05

He had been ill a long time and God came for him - the parents and sisters of the little four-year-old boy who had died were inconsolable. No

chagrin was greater than that of the boy's mother, yet she found some consolation at her son's grave... Hans Christian Andersen (1805-1875) was a Danish author, poet and artist. Celebrated for children's literature, his most cherished fairy tales include "The Emperor's New Clothes", "The Little Mermaid", "The Nightingale", "The Steadfast Tin Soldier", "The Snow Queen", "The Ugly Duckling" and "The Little Match Girl". His books have been translated into every living language, and today there is no child or adult that has not met Andersen's whimsical characters. His fairy tales have been adapted to stage and screen countless times, most notably by Disney with the animated films "The Little Mermaid" in 1989 and "Frozen", which is loosely based on "The Snow Queen", in 2013.

Thanks to Andersen's contribution to children's literature, his birth date, April 2, is celebrated as International Children's Book Day.
