Lost Downtown - Peter Hujar 2016-02

It's a vanished world, and Peter Hujar was right there in it. The Lower East Side between 1972 and 1985 -- filled with artists, wannabe artists and hangers-on -- was a community of the misbegotten gathered from every town in America and relocated in the mean streets between Broadway and the Bowery. Nothing but their talent, their flamboyance, their rank gender-bending mockery and their arch irony supported them. Some made their names. Many came to grief. A few made art. In those days, the gutted streets of the Lower East Side looked like a war zone. Everyone lived and worked on the extreme outer margins of money and art, penniless and unknown. As a community, Downtown was a counterstatement to the rich New York of the banks, museums, media, corporations ... and the art world itself. That Downtown is forever gone. Time, gentrification, disease and death have taken their toll and turned this vibrant epoch into a chapter of art history. But before it vanished, its extravagant cast sat for Peter Hujar's camera -- and is now alive again in front of our eyes. Featured among others: Joe Brainard, William Burroughs, Remy Charlip, Edwin Denby, Divine, Ray Johnson, Fran Lebowitz, Charles Ludlum, Susan Sontag, Paul Thek, John Waters, Robert Wilson, David Wojnarowicz.

On Earth as It Is in Heaven - Davide Enia 2014-03-11

A dark, gripping coming-of-age tale that explores violence, friendship, family, and what it means to be a man Summer, Palermo, early 1980s. The air hangs hot and heavy. The Mafia-ruled city is a powder keg ready to ignite. In a boxing gym, a fatherless nine-year-old boy climbs into the ring to face his first opponent. So begins On Earth as It Is in Heaven, a sweeping multigenerational saga that reaches back to the collapse of the Italian front in North Africa and forward to young Davidù's quest to become Italy's national boxing champion, a feat that has eluded the other men of his family. But Davide Enia, whose layered, lyrical, nonchronological novel caused a sensation when it was published in Italy in 2012, has crafted an epic that soars in miniature as well. The brutal struggles for dominance among Davidù's all male circle of friends; his strict but devoted grandmother, whose literacy is a badge of honor; his charismatic and manipulative great-uncle, who will become his trainer—the vicious scenes and sometimes unsympathetic characters Enia sketches land hard and true. On Earth as It Is in Heaven is both firmly grounded in what Leonardo Sciascia liked to call "Sicilitude" - the language and mentality of that eternally perplexing island - and devastatingly universal. A meditation on physical violence, love and sex, friendship and betrayal, boxing and ambition, Enia's novel is also a coming-of-age tale that speaks - sometimes crudely, but always honestly - about the joys and terrors of becoming a man.

Deliver Us from Evil - Don Basham 2005-05

The idea of demons or demon possession was, to pastor Don Basham, far-fetched. But when members of his congregation started revealing problems that were strangely unresponsive to traditional Christian answers, he was forced to take a closer look. Deliver Us from Evil is the captivating account of Don Basham's journey from disbelief in the existence of demons to acceptance of their reality. This is more than a good detective story and more than the triumphant testimonies of ordinary people released from evil spirits. It is a compendium of Bible teaching on warfare and evil spirits, as well as the biblical conditions for deliverance, how to pray for deliverance, and how to protect oneself against demonic invasion. Deliverance is more than freedom from evil; it is delivery into the freedom to love and serve the Lord.
