Engine of Impact - William F. Meehan III 2017-11-14

We are entering a new era—an era of impact. The largest intergenerational transfer of wealth in history will soon be under way, bringing with it the potential for huge increases in philanthropic funding. Engine of Impact shows how nonprofits can apply the principles of strategic leadership to attract greater financial support and leverage that funding to maximum effect. As Good to Great author Jim Collins writes in his foreword, this book offers "a detailed roadmap of disciplined thought and action for turning a good nonprofit into one that can achieve great impact at scale." William F. Meehan III and Kim Starkey Jonker identify seven essential components of strategic leadership that set high-achieving organizations apart from the rest of the nonprofit sector. Together, these components form an "engine of impact"—a system that organizations must build, tune, and fuel if they hope to make a real difference in the world. Drawing on decades of teaching, advising, grantmaking, and research, Meehan and Jonker provide an actionable guide that executives, staff, board members, and donors can use to jumpstart their own performance and to achieve extraordinary results for their organization. Along with setting forth best practices using real-world examples, the authors outline common management challenges faced by nonprofits, showing how these challenges differ from those faced by for-profit businesses in important and often-overlooked ways. By offering crucial insights on the fundamentals of nonprofit management, this book will help leaders equip their organizations to fire on all cylinders and unleash the full potential of the nonprofit sector. Roles of the Volunteer in Development - 2002

Volunteering As Leisure/leisure As Volunteering - Robert A. Stebbins 2004-04-07

Volunteerism is a topic of increasing importance in this age of budget cuts, declining employment and amid the threat posed by other competing leisure pursuits. There are both social and economic benefits of volunteering. As we are becoming more reliant on volunteers, there is a need for a better understanding of why people take up volunteering, and how to recruit, manage, motivate, and support volunteers most effectively. In order for organisations that host volunteers to achieve the most from their volunteers, they must understand how to give them the best "leisure" experience. This book examines critical aspects of contemporary volunteerism, from the perspective of a variety of volunteering contexts. It will appeal to academic researchers and students in disciplines such as leisure, recreation, tourism, management and sociology as well as practitioners in the voluntary sector (including volunteers), National and Local Government and those organising special events that depend on voluntary support.

Rachel and Her Children - Jonathan Kozol 2011-06-01

"Extraordinarily affecting....A very important book....To read and remember the stories in this book, to take them to heart, is to be called as a witness." THE BOSTON GLOBE There is no safety net for the millions of heartbroken refugees from the American Dream, scattered helplessly in any city you can name. RACHEL AND HER CHILDREN is an unforgettable record for humanity, of the desperate voices of the men, women, and especially children, and their hourly struggle for survival, homeless in America.

Matrix Reflections - Eddie Zacapa 2005-04-20

"There is a battle before us. It is the battle for good and evil. It is a battle for truth and for the greater purpose to be revealed. Something that the world and the enemy will fight against to the end. It is a battle for the destruction of the Matrix." From the book Matrix Reflections, Eddie Zacapa "I would recommend this book to anyone who is seeking to understand how to make sense out of life." Dave Medders - Director, The Foundation For Christian Discipleship and Campus Ventures Do we live in a dream world? The Matrix Reflections acts as a tool, a mirror, a key that unlocks some answers to the very questions that we encounter throughout our lives. It invites us to take a journey, like Neo, the hero of the films, to discover the truth about our world and it's illusions. Come and explore the Matrix films deeper and discover the answers to the Big Questions of life. "It has a definite youth feel and is totally relevant! It will challenge students to think deeper." Charlton Scullard - Pastor of Student Ministries, Twin Oaks Church

Developing Female Leaders - Kadi Cole 2019-03-05

What would your church look like if it maximized the dormant gifts of the women God has brought there? Discover how to develop and leverage the leadership abilities of women within your congregation. Leadership and people development veteran Kadi Cole offers a practical strategy to help church and organizational leaders craft cultures that facilitate the development of women as volunteer and staff leaders. In Developing Female Leaders, Cole shares eight easy-to-implement "best practices" that help accelerate a woman's organizational contribution, such as: Seek to understand Clearly define what you believe Mine the marketplace Integrate spiritual formation and leadership development Be an "other" Create an environment of safety Upgrade your people practices Take on your culture Combined with current research,

thorough appendices and references add even more guidance for setting vision, milestones, and goals. Using interviews and surveys of more than one thousand women in key church and organizational roles, *Developing Female Leaders* is a one-of-a-kind resource for identifying what is missing today in your church to help it flourish in the future.

[How to Follow Jesus](#) - Craig Springer 2020-02-18

Millions of people want to follow Jesus, but don't know how. Upon becoming Christians, new believers often end up paralyzed. They become overwhelmed trying to master complicated doctrines, frustrated by a large list of rules for policing their lives, and bewildered by a new (and strange) vocabulary. Even worse, there are few books offering simple and clear advice to guide a Christian's first spiritual steps that are written in common, contemporary language. Until now. In *How to Follow Jesus*, Craig Springer, executive director of Alpha USA, one of America's most effective evangelism movements, explodes numerous myths surrounding the Christian faith that create unnecessary obstacles to growth, including: illustrating that sin and temptation are not the greatest threat to a flourishing faith, forgiveness means going through rather than around our feelings, and how disappointment in the church may be the essential step in growing a foundation for life-changing community. Sharing personal stories from his own journey to a mature faith, Springer sets readers at ease and offers them practical, easy-to-implement advice for following Jesus. Destined to become a timeless classic, *How to Follow Jesus* is a must read for new and returning Christians.

Leaders Eat Last - Simon Sinek 2014-01-07

The New York Times bestseller by the acclaimed, bestselling author of *Start With Why* and *Together is Better*. Now with an expanded chapter and appendix on leading millennials, based on Simon Sinek's viral video "Millenials in the workplace" (150+ million views). Imagine a world where almost everyone wakes up inspired to go to work, feels trusted and valued during the day, then returns home feeling fulfilled. This is not a crazy, idealized notion. Today, in many successful organizations, great leaders create environments in which people naturally work together to do remarkable things. In his work with organizations around the world, Simon Sinek noticed that some teams trust each other so deeply that they would literally put their lives on the line for each other. Other teams, no matter what incentives are offered, are doomed to infighting, fragmentation and failure. Why? The answer became clear during a conversation with a Marine Corps general. "Officers eat last," he said. Sinek watched as the most junior Marines ate first while the most senior Marines took their place at the back of the line. What's symbolic in the chow hall is deadly serious on the battlefield: Great leaders sacrifice their own comfort--even their own survival--for the good of those in their care. Too many workplaces are driven by cynicism, paranoia, and self-interest. But the best ones foster trust and cooperation because their leaders build what Sinek calls a "Circle of Safety" that separates the security inside the team from the challenges outside. Sinek illustrates his

ideas with fascinating true stories that range from the military to big business, from government to investment banking.

[Christus Vivit](#) - Pope Francis 2019-04-04

To young Christians of the world, Pope Francis has a message for you: "Christ is alive, and he wants you to be alive!" In his fourth apostolic exhortation, *Christus Vivit*, Pope Francis encapsulates the work of the 2018 synod of bishops on "Young People, The Faith, and Vocational Discernment." Pope Francis has always had a special relationship with young people, and in his fatherly love for you he shows that: You can relate to young people in Scripture who made a difference You identify with the Christ who is always young You face difficult issues in the world today You yearn for the truth of the Gospel You are capable of amazing things when you respond to the Gospel You learn and grow with help from the faithful of all generations You need bold and creative youth ministry You can discover who God made you to be You are urged to pray for discernment *Christus Vivit* is written for and to young people, but Pope Francis also wrote it for the entire Church, because, as he says,

reflecting on our young people inspires us all. "May the Holy Spirit urge you on as you run this race. The Church needs your momentum, your intuitions, your faith. We need them! And when you arrive where we have not yet reached, have the patience to wait for us."

The Nonprofit Membership Toolkit - Ellis M.M. Robinson 2003-07-10
Your Hands-On Membership Toolkit To be successful, social change organizations require support from both dedicated partners in the community and individuals who need organizations to speak and act for them. Smart organizations create a win-win situation by building membership programs that engage individuals in social change and assure long-term financial success for their organization. Successful membership programs provide individuals with valuable services, a place in a community, and advocates who work on their behalf. In return, members provide organizations with volunteers, expertise, credibility, future leadership, political clout, word-of-mouth support, financial assistance, and a team of readily available loyalists. Step by step, The Nonprofit Membership Toolkit shows how to create, manage, and sustain a dynamic membership program that will help a social change organization thrive. Written for both new and well-established organizations, this book is grounded in proven marketing techniques. It gives managers and executive directors the information and tools needed to understand their current members and attract new ones, and it walks organizations through the process of linking program goals with membership goals. The Nonprofit Membership Toolkit includes a wealth of illustrative examples and sample membership publications. Schedules for typical membership tasks keep organizations on track, and the easily reproducible worksheets and checklists and the companion Web site help readers design a program that can be adapted to meet the unique needs of their individual organization. The Nonprofit Membership Toolkit will help executive directors, development directors, staff and board members, and other volunteers involve the community, build program effectiveness, and diversify and strengthen their organization's funding base.

The Joy of the Gospel - Pope Francis 2014-10-07

The perfect gift! A specially priced, beautifully designed hardcover edition of The Joy of the Gospel with a foreword by Robert Barron and an afterword by James Martin, SJ. "The joy of the gospel fills the hearts and lives of all who encounter Jesus... In this Exhortation I wish to encourage the Christian faithful to embark upon a new chapter of evangelization marked by this joy, while pointing out new paths for the Church's journey in years to come." - Pope Francis This special edition of Pope Francis's popular message of hope explores themes that are important for believers in the 21st century. Examining the many obstacles to faith and what can be done to overcome those hurdles, he emphasizes the importance of service to God and all his creation. Advocating for "the homeless, the addicted, refugees, indigenous peoples, the elderly who are increasingly isolated and abandoned," the Holy Father shows us how to respond to poverty and current economic challenges that affect us locally and globally. Ultimately, Pope Francis demonstrates how to develop a more personal relationship with Jesus Christ, "to recognize the traces of God's Spirit in events great and small." Profound in its insight, yet warm and accessible in its tone, The Joy of the Gospel is a call to action to live a life motivated by divine love and, in turn, to experience heaven on earth. Includes a foreword by Robert Barron, author of Catholicism: A Journey to the Heart of the Faith and James Martin, SJ, author of Jesus: A Pilgrimage

Transforming Autism - Guy Shahar 2016-05-04

This book is about how the author and his family empowered their son to transform himself from an extremely autistic toddler, written off by the medical establishment as severely disabled, into a happy and successful 6-year-old living a full contented life and thriving in a mainstream school. It is about the unusually effective treatments they discovered, what they learnt from them and how they strive to continue applying these lessons as he grows and new challenges emerge. It also proposes a radical and inspiring new way to understand the autistic condition, based on the inner-richness of each autistic person rather than on their external behaviour. Its aim is to serve as an important and practical resource for other parents and carers, leading them to better appreciate the unsuspected richness that silently exists deep within their child, and helping them to understand and apply new attitudes and behaviours towards them that will nurture rather than alienate. Through the many episodes recounted from one family's journey, Transforming Autism provides living examples of such an approach. The Transforming Autism blog supplements this book with further insights and ideas. It can be found at <http://transformingautism.co.uk> Guy Shahar has also authored

a collection of stories called "Leaving Town," which is available from Amazon.

Principles and Practices of Nonviolence - Eddie Zacapa 2020-10-11
This book provides a foundation of principles and practices of nonviolence and offers a way to practice nonviolence in our current times and in our day to day lives. Martin Luther King Jr. and Mahatma Gandhi are remembered as pioneers for nonviolence and for their social justice and civil rights movements. Yet, both of them believed wholeheartedly that nonviolence was a lifestyle. I, too, believe that nonviolence is not just for a season - it is a way of life. For me nonviolence as a way of life means cultivating qualities like compassion, empathy, peace within yourself and with people in your daily life. It also means engaging in practices like meditation, journaling, Nonviolent Communication, etc., to support you in exploring the personal and interpersonal dimensions of nonviolence. I am concerned that there is often a split between "activism" and daily life. I would like to help people find practices that will strengthen their capacity to bring about the kind of world they want, starting with themselves. For Gandhi this was essential, and I believe that is what he meant when he said, "My life is my message." I hope that this book will invite and support readers to contemplate nonviolence, integrate it into their lives, and experience its fruits. I want to remember, reclaim, and draw from these two pioneers and others so that we can apply nonviolent principles and practices in our modern day lives and become agents of change. That is the heart and soul of this book.

The Volunteer Project - Darren Kizer 2015-04-06

As a church or nonprofit leader who relies on volunteer teams to get the job done each week, you know how difficult it can be to keep all of your volunteer roles filled. You feel overworked and understaffed, with a budget smaller than your vision. Sometimes your ministry can feel like it has a revolving door, simultaneously bringing in new volunteers as current ones leave. The cycle of volunteer recruitment and turnover can be overwhelming, leading to frustration and distracting from the mission. In The Volunteer Project, we will introduce you to 4 Strategies that, when applied, will launch your church or nonprofit ministry into what we call a zero recruitment model of volunteerism. Formulated from the authors' research, combined 50+ years of experience in leading volunteer teams, and the feedback of hundreds of volunteers, these 4 Strategies are designed to provide individuals with such satisfying volunteer experiences that they are motivated to continue volunteering, and even invite their friends to join them. Packed with comprehensive research, an online assessment tool for measuring volunteer satisfaction, and real-life stories, The Volunteer Project is designed to help you stop recruiting and start retaining.

The Heart of Leadership for Women - Lisa M. Miller 2020-02-18

The Heart of Leadership for Women is about cultivating the sacred space for meeting, learning, and growth, where empowerment is fostered and transformation made possible. This book is about bringing what's holy about your mission and all your life experience, into your meeting space and elevating it from an event to a sacred gathering; it's about your rightful confidence as a light-holder called to leadership. With depth and humor, here is a blueprint—from planning to execution to conclusion—for every workshop and therapeutic arts facilitator, retreat leader, instructor, artist and performer, studio owner, activist, speaker, event coordinator, life coach, healer, and more.

Why Teenagers Matter in the Life of the Church

Volunteer Tourism - Stephen Wearing 2001-01-01

Volunteer tourism describes a field of tourism, in which travelers visit a destination and take part in projects in the local community. Projects are commonly nature-based, people-based or involve restoration of buildings and artifacts (e.g. restoration of a Buddhist temple in Mongolia).

Finding Abundance in Scarcity - Samuel Wells 2021-06-30

All churches have had to learn to do things differently during closure due to the coronavirus pandemic. None has been more imaginative or inventive than London's St Martin in the Fields. Through its HeartEdge programmes, it has continued many aspects of its ministry, and developed significant new initiatives and is now a virtual college with an impressively varied programme for practitioners. Here the St Martin's team reflects theologically and share its newly found pastoral and practical wisdom in many areas: • Finding God in Lockdown • Meeting God and One Another Online • Rediscovering Contemplative Prayer • Facing Grief amidst Separation • Preaching at Such a Time as This • Singing the Lord's Song in a Strange Time • Hearing Scripture Together in Difficult Times • Praying through Crisis • Creating a Community of Practitioners • Finding Faith at Home • Conclusion: A Strategy for

Transformation The Contributors are all on the staff at St Martin's and key figures in HeartEdge: Sam Wells, Richard Carter, Sally Hitchiner, Fiona MacMillan, Jonathan Evens and Andrew Earis.

Hungry for Peace - Keith McHenry 2013-03-01

The de facto how-to manual of the international Food Not Bombs movement, which provides free food to the homeless and hungry and has branches in countries on every continent except Antarctica, this book describes at length how to set up and operate a Food Not Bombs chapter. The guide considers every aspect of the operation, from food collection and distribution to fund-raising, consensus decision making, and what to do when the police arrive. It contains detailed information on setting up a kitchen and cooking for large groups as well as a variety of delicious recipes. Accompanying numerous photographs is a lengthy section on the history of Food Not Bombs, with stories of the jailing and murder of activists, as well as premade handbills and flyers ready for photocopying.

The Idealist Guide to Nonprofit Careers for First-time Job Seekers - Meg Busse 2008

Fired-Up Fundraising - Gail A. Perry 2007-06-15

Praise for *Fired-Up Fundraising: Turn Board Passion into Action* "Fired-Up Fundraising is honest, realistic, practical, and inspiring. It transforms the whole concept of fundraising from obligation and drudgery into passion and fun. Every CEO, development director, development consultant, and board chair needs to have and use this book." —Charles F. (Chic) Dambach President and CEO, Alliance for Peacebuilding Former Senior Consultant, BoardSource "A breakthrough! *Fired-Up Fundraising* takes the mystery out of engaging your board in the ongoing work of fundraising. In this well-organized little book, Gail Perry lays out a commonsense, four-step process that will fire up your board and help you meet your fundraising goals, year after year." —Mal Warwick author of *How to Write Successful Fundraising Letters* "Fired-Up Fundraising: Turn Board Passion into Action is by far the best book I have ever read on how to involve board members in the entire process of fundraising, from identifying prospects, cultivating them, and finally making 'the ask.' Just as important, it is an invaluable guide on how to select, enlist, train and especially inspire board members so they take ownership of their institutions. Every nonprofit CEO and development officer should read this book." —Robert L. Gale President Emeritus, Association of Governing Boards of Universities and Colleges and founder of BoardSource (formerly known as the National Center for Nonprofit Boards) "This is the book for which EVERY nonprofit chief executive has been yearning since time immemorial. Every nonprofit needs money to survive and thrive, and every nonprofit has a board of trustees to help raise it, but few nonprofits come anywhere near using their boards to maximum benefit. *Fired-Up Fundraising*, a reader-friendly, realistic, and practical playbook written by a richly experienced, highly literate fundraiser turned consultant, takes readers by the hand and leads them step-by-step through eminently doable ways of inspiring the greatest possible engagement of—and return from—their trustees. It will instantly become the gold-standard guide for building successful boards." —Joel Fleishman Professor of Law and Public Policy and Director, The Foundation Research Program, Duke University

Results - Bruce A. Pasternack 2005-10-18

Every company has a personality. Does yours help or hinder your results? Does it make you fit for growth? Find out by taking the quiz that's helped 50,000 people better understand their organizations at OrgDNA.com and to learn more about Organizational DNA. Just as you can understand an individual's personality, so too can you understand a company's type—what makes it tick, what's good and bad about it. *Results* explains why some organizations bob and weave and roll with the punches to consistently deliver on commitments and produce great results, while others can't leave their corner of the ring without tripping on their own shoelaces. Gary Neilson and Bruce Pasternack help you identify which of the seven company types you work for—and how to keep what's good and fix what's wrong. You'll feel the shock of recognition ("That's me, that's my company") as you find out whether your organization is: • Passive-Aggressive ("everyone agrees, smiles, and nods, but nothing changes"): entrenched underground resistance makes getting anything done like trying to nail Jell-O to the wall • Fits-and-Starts ("let 1,000 flowers bloom"): filled with smart people pulling in different directions • Outgrown ("the good old days meet a brave new world"): reacts slowly to market developments, since it's too hard to run new ideas up the flagpole • Overmanaged ("we're from corporate and we're here to help"): more reporting than working, as managers check on their subordinates' work

so they can in turn report to their bosses • Just-in-Time ("succeeding, but by the skin of our teeth"): can turn on a dime and create real breakthroughs but also tends to burn out its best and brightest • Military Precision ("flying in formation"): executes brilliant strategies but usually does not deal well with events not in the playbook • Resilient ("as good as it gets"): flexible, forward-looking, and fun; bounces back when it hits a bump in the road and never, ever rests on its laurels For anyone who's ever said, "Wow, that's a great idea, but it'll never happen here" or "Whew, we pulled it off again, but I'm tired of all this sprinting," *Results* provides robust, practical ideas for becoming and remaining a resilient business. Also available as an eBook From the Hardcover edition.

Leading from Within - Gretchen Ki Steidle 2018-09-11

A roadmap for integrating mindfulness into every aspect of social change: how to lead transformation with compassion for the needs and perspectives of all people. Gretchen Steidle knows first-hand the personal transformation that mindfulness practice can bring. But she doesn't believe that transformation stops at personal wellbeing. In *Leading from Within*, Steidle describes the ways that personal investment in self-awareness shapes leaders who are able to inspire change in others, build stronger relationships, and design innovative and more sustainable solutions. Steidle argues that both personal and societal transformation are essential for a just society, and with this book she offers a roadmap for integrating mindfulness into every aspect of social change. Conventional methods attempt to compel people to change through incentives or punitive measures. Conscious social change calls for leading with a deeper human understanding of change and compassion for the needs and perspectives of all stakeholders. Steidle offers mindfulness practices for individuals and groups, presents the neuroscientific evidence for its benefits, and argues for its relevance to social change. She describes five capacities of conscious social change, devoting a chapter to each. She writes about her own experiences, including her work helping women to found their own grassroots social ventures in post-conflict Africa. She describes the success of a group of rural, uneducated women in Rwanda, for example, who now provide 9,000 villagers with clean water, ending the sexual exploitation of disabled women unable to collect water on their own. Steidle also draws from the work of change agents in the United States to showcase applications of conscious social change to timely issues like immigration, racism, policing, and urban violence. Through personal stories and practical guidance, Steidle delivers both the inspiration and tools of this innovative approach to social transformation. About *Global Grassroots*: In post-conflict Africa, *Global Grassroots* equips emerging women leaders, including war survivors, subsistence farmers, and the undereducated, with the tools and resources to create conscious social change. Our core program is our Academy for Conscious Change, a social entrepreneurship and mindfulness-based leadership program that helps vulnerable women design their own non-profit solutions to address priority social issues. In our first decade of operations we have trained over 650 change agents who have designed 150 civil society organizations benefiting over 150,000 people.

Brave New Work - Aaron Dignan 2019-02-19

"This is the management book of the year. Clear, powerful and urgent, it's a must read for anyone who cares about where they work and how they work." —Seth Godin, author of *This is Marketing* "This book is a breath of fresh air. Read it now, and make sure your boss does too." —Adam Grant, New York Times bestselling author of *Give and Take*, *Originals*, and *Option B* with Sheryl Sandberg When fast-scaling startups and global organizations get stuck, they call Aaron Dignan. In this book, he reveals his proven approach for eliminating red tape, dissolving bureaucracy, and doing the best work of your life. He's found that nearly everyone, from Wall Street to Silicon Valley, points to the same frustrations: lack of trust, bottlenecks in decision making, siloed functions and teams, meeting and email overload, tiresome budgeting, short-term thinking, and more. Is there any hope for a solution? Haven't countless business gurus promised the answer, yet changed almost nothing about the way we work? That's because we fail to recognize that organizations aren't machines to be predicted and controlled. They're complex human systems full of potential waiting to be released. Dignan says you can't fix a team, department, or organization by tinkering around the edges. Over the years, he has helped his clients completely reinvent their operating systems—the fundamental principles and practices that shape their culture—with extraordinary success. Imagine a bank that abandoned traditional budgeting, only to outperform its competition for decades. An appliance manufacturer that divided itself into 2,000 autonomous teams, resulting not in chaos but rapid growth. A

healthcare provider with an HQ of just 50 people supporting over 14,000 people in the field—that is named the “best place to work” year after year. And even a team that saved \$3 million per year by cancelling one monthly meeting. Their stories may sound improbable, but in *Brave New Work* you’ll learn exactly how they and other organizations are inventing a smarter, healthier, and more effective way to work. Not through top down mandates, but through a groundswell of autonomy, trust, and transparency. Whether you lead a team of ten or ten thousand, improving your operating system is the single most powerful thing you can do. The only question is, are you ready?

Caring Canadians, Involved Canadians - Michael H. Hall 2009

This report offers highlights from the 2007 Canada Survey of Giving, Volunteering, and Participating (CSGVP) which was undertaken to better understand how Canadians support individuals and communities on their own or through their involvement with charitable and non-profit organizations. For this survey, thousands of Canadians aged 15 and over were asked how they: gave money and other resources to individuals and to organizations; volunteered time to help others and to enhance their communities; and participated in the practices which help give substance to active citizenship. The results from this survey allow this report to tell a story about who Canada's volunteers and charitable donors are and the ways in which they contribute to our society.

Growing Urban Orchards - Susan Poizner

Fruit trees are delicate and need specialized care, especially when they’re planted in an urban environment, which comes with its own unique challenges. Whether you want to plant a single fruit tree or an entire orchard, this book will show you how to save time and money and be successful right from the start. A professional orchardist, Susan Poizner guides novices and experts alike through every step of the process. She describes which key elements are necessary in site preparation and offers a basic overview of the anatomy of fruit trees. Susan also explains how to select trees and covers critical concerns, such as cross-pollinating versus self-pollinating trees, bare-root versus potted trees, and whether the fruit will be for eating, cooking, or canning. Thorough instructions are provided for planting and staking, as well as pointers on how to care for both young and mature trees. From assessing soil to selecting the right fertilizer, from pruning trees to choosing the

proper tools, and from boosting biodiversity to preventing pests and diseases, no leaf is left unturned. This vast wealth of knowledge is accompanied by illustrations and color photos, along with inspiring stories of orchards and tree farms.
