Dominant Female Submissive Male - Sophia James 2019-04

Why do Women, even very attractive women, stay in relationships with Men who treat them badly? Is it low self-esteem or a desire to submit to a dominant man? A dominant man who will provide all the romance and excitement she has been brought up to believe is her natural right. In my case it was the latter; I wanted the big, handsome hunky guy who would sweep me off my feet, treat me like a princess in public and

his sex slave in the bedroom. But, as most women find out, life is not a fairy tale. A real life Rhett Butler probably does exist but you will have more chance of finding a needle in a haystack. Elizabeth Bennett found happiness but for every Mr Darcy there are hundreds of selfish men who think a woman's job is just to supply sex and child care. **WOMEN SHOULD UNDERSTAND THE POWER THEY HAVE.** I didn't realise it until I was thirty-five and until that point I put up with my men coming home drunk, wasting my money, getting fatter and more abusive and providing me with increasingly disappointing sex. I put up with it no longer. I now have a man who sees it as his principle aim in life to keep me happy, contented, wealthy and sexually satisfied. I have known my man for most of my life but he only became my boyfriend seven years ago. During that time I have been a professional Dominatrix and a writer of books dedicated to the dominant female. And my boyfriend is also my slave. In this book I explain how all this came about. The book is more about personal-transformation and female-empowerment than it is about kinky, usually fictional, sexual fantasies. The success of the book, *Fifty shades of grey*, shows the interest there is out there in an alternative, discipline based life-style and emphasises that many women share that interest. Unlike, *fifty shades of grey*, *Dominant Female Submissive Male* is primarily a manual for submissive men to find the Mistress of their dreams but it is also an eye-opener for frustrated women as it shows them the glorious, very exotic and exciting life they could have. While some submissive men are slightly pathetic, and even creepy, many are romantic, kind-hearted, reliable and good fun. They adore and respect women and see it as their role in life to support them. What's not to like about that? They will have a desire for discipline and this desire will be inextricably linked to their sexual nature. For some this will be extreme and involve heavy BDSM but for most it will involve safe, erotic role-play and spankings. The point is that Women control when, how and even if it happens. Women have the power in all aspects of the relationship and how they exercise that power is up to them. Believe me, once you have a man on his knees begging for an orgasm you will never look

back. But Women do not want to live with a wimp and this is what a lot of very nice submissive men fail to understand and why many of them remain frustrated and single when, with a little change of emphasis, their dreams are so easily achievable. This book is a guide on how to affect this change of emphasis and to get across what women are looking for and will accept in a loving, fulfilling and very kinky relationship. It also explains how submissive men can learn to accept and enjoy their kink and how to widen their circle of fetish friends. It relates the authors own experiences and offers guidance on how to get the best out of a session with a Dominatrix and how to become more than just a client to her. It also explains how to tell your wife about your desire for female-domination and, more importantly, how not to. It also offers cautionary tales and about how not to get ripped off by unscrupulous con-artists. The central aim of the book however, is to bring together good men who have a desire for female-domination with good women looking for a lover who will provide happiness, support, fun, excitement and success. Great Sex for Moms - Valerie Davis Raskin
2002-05-02

The only book from a physician-mom with warm, practical, and medically sound advice that will help moms reclaim their passion for sex There's one thing that almost every mother knows but won't discuss: Sex drive diminishes after a baby is born, and it's a struggle to reclaim passion in the years that follow. In *Great Sex for Moms* Dr. Raskin brings the problem out into the open -- at last. From her fifteen years as a psychiatrist she knows that mothers silently rationalize that sex will return "after the baby sleeps through the night," then "when the children start having sleepovers," and then "once the kids go to college." And she believes that eighteen years is an awfully long time to wait. Dr. Raskin reveals the reasons that women's bodies and minds betray them, resulting in a sleepy libido. The great news is that it's easier than you might think to wake it up. Insisting that a healthy parental sex life is in the children's best interests, Dr. Raskin shows you how to:

Overcome the feeling that you're the only one in America with a boring sex life
Leave your mother persona at the bedroom door to rescue your sexual self
Banish the inner censor and talk about sex with your partner
Stop frenzied, on-demand mothering so you can nourish your libido
Great Sex for Moms is perhaps the most important book a mother can read for nurturing her marriage, her children, and above all, her own sexuality.

[Locked-In Love: How Two Weeks in Chastity Can End the Barter System, Renew Courtship and Make a Better Husband.](#) - Key Barrett
2018-09-24

Author Key Barrett started out writing a journal for chastity. He decided that he wanted to be locked up in chastity for seven days in order to better understand the motivation behind chastity and the emotional aspects so he could write

about it with greater understanding in both his fiction and nonfiction. So he spoke with his wife and she agreed to let him go seven days in chastity with her holding the key, only unlocking him if he needed it for safety reasons, to make sure everything is working properly, or if she had sexual interest in freeing him. What started as a simple one week journal quickly blossomed into something else entirely. By the third day he was feeling butterflies just when his wife touched his hand. By day four, she noticed he was much more engaged in their household and being an active and proactive partner. What started as a week for him quickly became two weeks for them both to journal. Through chastity and communication, they identified a sexual trade-off that existed in their marriage, a 'barter system' wherein every action he engaged in had an undercurrent of sexual pressure, a literal tat-for-tit. Freed from it through a chastity device, they were able to enjoy each other on a more meaningful and trusting level. And in lowering the quantity of sex, they raised the quality. This book takes what they learned, plus surveys and research derived from male chastity users, and shows couples how they too can end the barter system, increase communication and bring back the courtship phase, butterflies and all. Learn what you can do to improve your marriage, increase intimacy, feel more connected emotionally, and make her daily life easier with a simple, sexy, fun exercise in chastity.

[Surrender, Submit, Serve Her.](#) - Key Barrett
2016-12-22

What is 'Female Leadership'? It's accepting that 'She knows best' in all matters. From the finances to the household to how best to accomplish long-term goals. It's trusting in Her judgement to run things and embracing 'Her way'. This doesn't make the man weak, just the opposite, because men are the best at 'getting things done' when the task is clearly defined but difficult to do. A Female Dominant Household plays to both side's strengths and minimizes weaknesses, leading to Female empowerment, greater satisfaction in the relationship, trust, bonding and yes, mind-blowing sex. Surrender, Submit, Serve Her seeks to help implement your Female Led household through tools like the Command and Conquer meeting (commanding and conquering tasks and roadblocks, not people), laying out the contract of servitude (clearly defining her dominion and removing unnecessary confusion) and crafting your own pledge that personalizes and empowers the act of his submission. Surrender, Submit, Serve Her has been nominated for the BDSM Writers Con 2017 Golden Flogger Awards for BEST BDSM Book of the Year in the Non-fiction category. Updated for 2018! Better formatting and new content.

The Ultimate Woman's Guide to Male Chastity - Mistress Dede 2015-11-23

If you are reading this book, you are most probably a woman interested in broaching the matter of male chastity. You see, this book is all about male chastity, in other words - self control. The question is, how exactly, can this male chastity thing help you and your partner's sex life? You are probably confused and you don't have to worry, for you are not alone in this. This book will help you understand the idea of male chastity and learn about the sexual fantasies that might seem dirty and unappealing to you now, but could possibly save your sex life. You will learn what the male chastity subject is all about; the erotic fantasy of submitting to wearing a chastity device and the value of your man in a sexual prison in your relationship. At first, the idea of locking your partner's male organ in a device seem strange to you. But overtime, you will find that your partner sees this thing in an altogether new perspective, something that is attractive and quite exciting for him. To some, forceful prevention of erection and orgasm may definitely seem odd, but there are men who find it very arousing. Getting started is sometimes difficult and the Internet provides you with lots of information that is mostly filled with fantasy over fact. This is because most of those writings are written by men as an outlet to let out their kinky fantasies. It is nothing more than erotic web fantasies that are much too complicated and bizarre for many women's tastes. You are likely to get turned off by these, thinking that the whole male chastity thing is not for you. However, in this book we assure you that the subject of male chastity is explained and directed to helping you understand the entire concept in full light. It is all about using the male chastity game to rekindle the fire in your sex life for enjoying a much better relationship with your partner.

A Woman's Guide to a Female Led Relationship - Victoria West 2017-01-05

I am writing this book for the woman who is interested in being in a Female Led Relationship.

Downloaded from
omahafoodtruckassociation.org on by

It is for the women who is at her wits end and is tired of the same old thing with the same men. She is tired of being an object in her relationship. She is tired of not getting satisfied in bed. She is tired of "sleeping on the wet spot" while her lover rolls over and falls asleep. She is tired of being overlooked and taken for granted. This is not a book of erotic titillating stories. While in later chapters I will give you a variety of ideas to take "erotic control" of your partner, my primary purpose is to give you a realistic illustration as to what to expect and think about when you are in a relationship like this. We have all dated that guy who wanted sex all the time and was really kinky in the bedroom. The kind of guy that wants to do it in the back yard while you're wearing a red satin teddy or a guy who wants to watch while you are pleasuring yourself with your magic vibrating egg. But a Female Led Relationship is more than just kinky sex. It's actually a very small part of it. It is first and foremost a relationship between two consenting adults. It isn't just one or two steamy and kinky moments of passion. It's a way of living. It's a lifestyle with the woman at the helm.
