Die Fische - Richard Gerlach  
1950

History of the Alps, 1500-1900

- Jon Mathieu 2009

In the 1700s, Jean-Jacques Rousseau celebrated the Alps as the quintessence of the triumph of nature over the "horrors" of civilization. Now available in English, History of the Alps, 1500-1900:

Environment, Development, and Society provides a precise history of one of the greatest mountain range systems in the world. Jon Mathieu's work disproves a number of commonly held notions about the Alps, positioning them as neither an inversion of lowland society nor a world apart with respect to Europe. Mathieu's broad historical portrait

addresses both the economic and sociopolitical—exploring the relationship between population levels, development, and the Alpine environment, as well as the complex links between agrarian structure, society, and the development of modern civilization. More detailed analysis examines the relationship between various agrarian structures and shifting political configurations, several aspects of family history between the late Middle Ages and the turn of the twentieth century, and exploration of the Savoy, Grisons, and Carinthia regions.

**Gertrude and Alice** - Diana Souhami 2013-05-16

Gertrude Stein and Alice B. Tokas were the talk of pre-war Paris. Photographed by Cecil Beaton and Man Ray, painted by Picasso and written about by Hemingway, they were at the heart of Parisian cultural and literary life. Alice, convinced that Gertrude was a genius, cooked for her, typed her manuscripts and fought to obtain the fame she was convinced Gertrude was due.

Alice said Gertrude was the happiest person she had ever known, and was besotted with her for the many years they were together. They were indomitable, charismatic, and wildly eccentric, driving around in 'Auntie', their Ford, with Basket, their cherished poodle. In *Gertrude and Alice*, award-winning writer Diana Souhami brings these two extraordinary women, and the fascinating world in which they moved, to vivid life.

*My Life And My Films* - Jean Renoir 1991-08-22

Here is the autobiography of the little boy with golden curls in the paintings of his father, Pierre Auguste Renoir—the boy

who became the director many consider the greatest in history. François Truffaut called him “an infallible filmmaker . . . Renoir has succeeded in creating the most alive films in the history of cinema, films which still breathe forty years after they were made.” In this book, Jean Renoir(1894-1979)presents his world, from his father's Montemarte studio to his own travels in Paris, Hollywood, and India. Here are tantalizing secrets about his greatest films—The Rules of the Game, The Grand Illusion, The River, A Day in the Country, La Bête Humaine, Toni. But most of all, Renoir shows us himself: a man if dazzling simplicity, immense creativity, and profound humanity.

**My Wounded Heart** - Martin Doerry 2009-09-07  
My Wounded Heart tells the heart-breaking story of a gifted

Jewish doctor, the mother of five children, who, after being divorced by her Aryan husband, is arrested on an absurd charge and sent to a corrective labour camp in 1942. Lilli was a prolific letter writer and miraculously almost all her letters to her children and friends, together with a huge number of their letters to her (smuggled out of the camp at Breitenau before she was sent to Auschwitz), survived the Second World War and only came to light on the death of her son in 1998. In the letters and in Martin Doerry's superb commentary, we see the deterioration of a whole country through the eyes of an ordinary family driven asunder by pressure from the Nazi regime. We see Lilli's initial optimism and love of her husband begin to crack. We see her trying to support and run the family home from Breitenau camp, but relying totally on her twelve-year-old daughter, Ilse. And we see the difficulties for the children of living with their father's

mistress, now his wife, after a bombing raid destroys the family home. And perhaps most moving of all, we see Ilse's heroic attempts to meet her mother, even though it means going into the labour camp itself, and Lilli's courage in the face of her inevitable end.
