It will not waste your time. take me, the e-book will utterly flavor you other business to read. Just invest tiny epoch to retrieve this on-line notice **Keeping An Eye Open Essays On Art Vintage Interna** as without difficulty as evaluation them wherever you are now.

Poets on Painters - J. D. McClatchy 1988

An anthology of essays by such notables as W.B. Yeats, Gertrude Stein, and W.H. Auden offer their views on painting and works by such great painters as Picasso, Van Gogh, and Matisse

Art of Mars - Mike Hoffman 2014-07-29

Mike Hoffman's adventurous Black-and-White ink drawings from the first three "Mars" novels of Edgar Rice Burroughs are all collected here. Dozens of works from "A Princess of Mars", "Gods of Mars" and "Warlord of Mars".

Change the Workgame - Serilda Summers-McGee 2016-08-27

Research shows that diverse workgroups are more productive, creative and innovative than homogeneous groups. In a global marketplace, and with the rapidly changing racial makeup of America, having a high function, diverse workforce is imperative for your organization's success. Change the WorkGame has been designed to show you how establish a diverse workforce throughout all strata of your organization and how to sustain your progress. As a human resources executive, diversity and inclusion consultant, and a member of historically marginalized communities, I have experienced wildly unsuccessful diversity and inclusion strategies; and advised, coached, and led wildly successful diversity and inclusion initiatives. Business leaders and department heads have used the steps outlined in this how-to guide to successfully recruit and retain diverse talent. Chris, a small business owner, says, "the diversity recruitment steps listed in the book,

matched with real life scenarios really helps bring to life not only how to go about recruiting and retaining a diverse workforce, but why it is important." I promise that if you follow the 7 steps outlined in Change the WorkGame, you will increase the diversity of your workforce within 6 months following the activation of the last step and you will increase employee satisfaction by enhancing your managers and the inclusivity of your workplace. Don't wait to activate your diversity initiative. Don't wait to make your workforce stronger, nimbler, more creative, and more dynamic. Don't wait to establish an inclusive work environment where everyone feels respected, appreciated and heard. Be the person to take the lead towards Change. If not you, then who!? The workforce diversity and inclusion strategies and scenarios you are about to read have been proven to create positive and long lasting results for leaders. These strategies will help ALL employees inside your organization, but will specifically help you recruit and retain underrepresented employees. Each chapter will give you new insights towards enhancing your workforce and your workplace. Let me show you how to be the Change for your company.

Modern Artists on Art - Robert L. Herbet 1964

[Making Your Net Work](#) - Billy Dexter 2017-02-22
"Part of the networkling leadership series"--
Cover.

[Art on My Mind](#) - Bell Hooks 1995

Author addresses the deplorable absence of

discourse on black artists.

The Art of Failure - Jesper Juul 2013-02-22

An exploration of why we play video games despite the fact that we are almost certain to feel unhappy when we fail at them. We may think of video games as being "fun," but in *The Art of Failure*, Jesper Juul claims that this is almost entirely mistaken. When we play video games, our facial expressions are rarely those of happiness or bliss. Instead, we frown, grimace, and shout in frustration as we lose, or die, or fail to advance to the next level. Humans may have a fundamental desire to succeed and feel competent, but game players choose to engage in an activity in which they are nearly certain to fail and feel incompetent. So why do we play video games even though they make us unhappy? Juul examines this paradox. In video games, as in tragic works of art, literature, theater, and cinema, it seems that we want to experience unpleasantness even if we also dislike it. Reader or audience reaction to tragedy is often explained as catharsis, as a purging of negative emotions. But, Juul points out, this doesn't seem to be the case for video game players. Games do not purge us of unpleasant emotions; they produce them in the first place. What, then, does failure in video game playing do? Juul argues that failure in a game is unique in that when you fail in a game, you (not a character) are in some way inadequate. Yet games also motivate us to play more, in order to escape that inadequacy, and the feeling of escaping failure (often by improving skills) is a central enjoyment of games. Games, writes Juul, are the art of failure: the singular art form that sets us up for failure and allows us to experience it and experiment with it. *The Art of Failure* is essential reading for anyone interested in video games, whether as entertainment, art, or education.

But I'm Not Depressed - Lia Rees 2017-03-28

Brain injury plunged Lia into a world of distortion and chaos, where her own thoughts and senses could no longer be trusted. Searching for medical help, she found doubt and manipulation instead. *But I'm Not Depressed* is a bleak but ultimately hopeful tale, and a slap in the face to the culture of psychobabble.

[Art and Culture](#) - Clement Greenberg 1971-06-01

"Clement Greenberg is, internationally, the best-

known American art critic popularly considered to be the man who put American vanguard painting and sculpture on the world map. . . . An important book for everyone interested in modern painting and sculpture."—*The New York Times*

Sleeping with One Eye Open - Marilyn Kallet 1999

How do women writers cope with changes and juggle the demands in their already full lives to make time for their lives as artists? In this anthology, noted female novelists, journalists, essayists, poets, and nonfiction writers address the old and new challenges of "doing it all" that face women writers as the twenty-first century approaches. With eloquence, sensitivity, and more than a touch of wry humor, *Sleeping with One Eye Open* relates positive stories from women who lead effective lives as artists, emphasizing how sources of inspiration, discipline, resourcefulness, and determination help them succeed despite the obstacle of "no time." The title essay, Judith Ortiz Cofer's "The Woman Who Slept with One Eye Open," defines the collection. Cofer relates the ways in which a mythological story from her Puerto Rican culture gave her confidence and courage, encouraging her creative success and emphasizing the rewards of "women's power" and personal strength. Denise Levertov's "The Vital Necessity" urges poets to make time for daydreams--essential, empowering creative food. Tillie Olsen offers a frank discussion of the pressures of work and expectations that too often sap creative energy. Tess Gallagher connects her mother's creative gardening with her own inspiration as a poet and the need for growth in her writing. Marilyn Kallet's interview with Lucille Clifton relates the personal strength that helped Clifton raise six children and publish her first book at the same time. This affirming collection offers a wealth of writing advice, given through honest accounts of perseverance and accomplishment.

Portraits - John Berger 2016-10-25

A major new book from one of the world's leading writers and art critics John Berger, one of the world's most celebrated art writers, takes us through centuries of drawing and painting, revealing his lifelong fascination with a diverse cast of artists. In *Portraits*, Berger grounds the

artists in their historical milieu in revolutionary ways, whether enlarging on the prehistoric paintings of the Chauvet caves or Cy Twombly's linguistic and pictorial play. In penetrating and singular prose, Berger presents entirely new ways of thinking about artists both canonized and obscure, from Rembrandt to Henry Moore, Jackson Pollock to Picasso. Throughout, Berger maintains the essential connection between politics, art and the wider study of culture. The result is an illuminating walk through many centuries of visual culture, from one of the contemporary world's most incisive critical voices.

From Impressionism to Post-Impressionism - Art History Book for Children | Children's Arts, Music & Photography Books - Baby Professor 2017-05-15

Art can come in many styles and the technique to create each one can vary depending on the artist and the era. In this book, we're going to study art history from Impressionism to Post-Impressionism. What are the differences between them? How do you tell one from the other? What are examples of art produced? Know the answers and more from the pages of this book.

The Art of Acknowledgement - Margo Majdi 2016-03-02

Elevate Your Spirit and Soar! The greatest gift we can give or receive is recognition by others. We all want to feel happy, but in order to experience happiness at the deepest level, we need to feel acknowledged. It is, indeed, an art that transforms internal beliefs and feeds the soul with love and acceptance. In *The Art of Acknowledgement*, author Margo Majdi reveals the power and process of acknowledgments in all aspects of our lives. This life-changing book will change your relationship with others and yourself, as well as the way you communicate with the people and world around you, as you learn to: Communicate with yourself and others on a deeper level Discover the profound difference between acknowledging and thanking others Unveil the abundance of nature, history and animals Experience the enlightenment of different ceremonies, traditions and cultures Use sacred words to create a life with meaning, gratitude and elation

Back to Venice - Michael Grant 2011-05-26

Imagine what it would be like to go back in time to the 15th century Venice. And imagine what it would be like to meet your lifelong hero, Michelangelo. And imagine what it would be like if, on first meeting, you spill a tray of pasta and wine on that very same hero. Well, that's what happens to serious young artist Mark Breen. As the result of a drunken bet, Mark knocks out a painting of a toilet bowl. Much to his amazement, he sells it. In short order he's hailed as the new Andy Warhol and becomes an overnight sensation—and a very wealthy man. Soon, images of his toilet bowls are on more t-shirts, mugs, and calendars than Edvard Munch's *The Scream*. His friend and mentor, Hugh Connelly, afraid that Mark is in danger of losing his "artistic soul," advises him to go back to Italy and acquaint himself with the "old masters." In Venice, Mark falls in love with Alexandra, a beautiful art restorer, but it's a one-sided affair. One night, hoping to win her over, he climbs up on a roof to find out who painted her favorite fresco. He falls off the roof and wakes up in 15th century Venice where he meets an innkeeper named Francesca, who looks exactly like Alexandra. And it gets curiously and curiously from there. During his stay—which is sometimes zany and sometimes frightening—he meets his hero, Michelangelo, who teaches him the true meaning of art.

Keeping an Eye Open - Julian Barnes 2015-10-06

An extraordinary collection—hawk-eyed and understanding—from the Man Booker Prize-winning, best-selling author of *The Sense of an Ending* and *Levels of Life*. As Julian Barnes notes: "Flaubert believed that it was impossible to explain one art form in terms of another, and that great paintings required no words of explanation. Braque thought the ideal state would be reached when we said nothing at all in front of a painting . . . But it is a rare picture that stuns, or argues, us into silence. And if one does, it is only a short time before we want to explain and understand the very silence into which we have been plunged." This is the exact dynamic that informs his new book. In his 1989 novel *A History of the World in 10½ Chapters*, Barnes had a chapter on Géricault's *The Raft of the Medusa*, and since then he has written about many great masters of nineteenth- and

twentieth-century art, including Delacroix, Manet, Fantin-Latour, Cézanne, Degas, Redon, Bonnard, Vuillard, Vallotton, Braque, Magritte, Oldenburg, Lucian Freud and Howard Hodgkin. The seventeen essays gathered here help trace the arc from Romanticism to Realism and into Modernism; they are adroit, insightful and, above all, a true pleasure to read.

Narrative Machines: Modern Myth, Revolution, & Propaganda - James Curcio 2017-07-24

Will the future be like a Reality TV show where we compete to have human rights? Will you be popular and relatable enough to successfully crowdfund your healthcare? Tune in 20 years hence and find out. Many will mark 2015 to 2017 as the transitional moment the nihilistic id came into plain view in American culture and politics. But it is hardly the product of any single movement or idea, and it is hardly unprecedented. Narrative Machines uses a cut-up, pastiche approach to analyze how sub-cultural and fringe ideas permeate the mainstream, especially through the Internet - from Aleksandr Dugin's faux-postmodern Traditionalism to the cult of personality Reality TV show that has taken over every media outlet, from the gnostic horror of Nick Land's Dark Enlightenment to the Calvinism of identity politics, from the millenarian fervor of Transhumanism to the utopian nightmare of Fascism. A retrofuturist aesthetic unites them all, an "occulted theology", allegedly secular recreations of the religious impulse, accidental rewrites of the metaphysics of the past.

Compiling ten years of writing and research with a series of palimpsest artworks, this assemblage was created for the outsider artists and insider theorists, and everyone else that lives at the fringes. For those opposed to a world formed by a single, monolithic myth, and yet still seek a collective dream in the fractured panopticon of the present. As Antonin Artaud said in *The Theater and Its Double*, "All writing is filth." Help us give birth to an abomination.

Philosophical Project This book will help decode the political repercussions of art and media, using the work of theorists such as Delanda, Bataille, Baudrillard, Gray, Zizek, and Benjamin as a springboard. Art Project A series of illustrations accompany the text, using a mix of collage, bricolage and palimpsest repainting, a

style inspired by Adbusters, artists of artifice like Bowie and Warhol, satirists of fascist and pop culture like Laibach and NSK. This cut up, derivative method is explored theoretically within the text. We recognize that in a world where nothing is original, everything is source material for appropriation to new purposes. This aesthetic clearly involve a certain wink in the general direction of 90s Utopian-Dystopian Industrial and alt culture, updated as a dark LSD vision of 2015-17 Internet, a series of love (and hate) notes pieced together of other sources and painstakingly re-created and subsumed. These pieces will appear in a variety of art shows, and a forthcoming full-color collectors edition.

Finding - Kim Fuller 2016-11-10

Two years before adopting seven-year-old Keydell from a group home for young boys, Kim made a vow before the Dalai Lama to become a bodhisattva: one who cultivates an enlightened mind, is free from delusion, and practices kindness and compassion above all else. However, she struggles with this practice as her new son's challenged mind sends him into fits of rage and violence, while seemingly allowing him to feel no remorse for his actions. His behaviors go against everything Kim believes in, but she is determined to keep her chocolate-eyed boy safely in the home she has created with her husband and two biological children. As she tries everything she can to get Keydell the help he needs, she must also learn to accept him exactly as he is: a tiger in the home of elephants. This vulnerable and touching account highlights the interplay between desire and reality, denial and acceptance, struggle and enlightenment. As the minds of this mother and her extraordinary son awaken - Kim's through her Buddhist practice, and Keydell's through the science of neurofeedback - we witness the power of love and compassion to overcome even the greatest odds."

Grandpa Smiles - Natalie Buske Thomas 2014-05-02

Original oil paintings tell the story of how Grandpa watches over a little boy over the course of his life, even though Grandpa can be with him only in spirit. This art story book is a peaceful and healing read for adults and children alike. Gentle emotions, passionate colors, and simple words communicate an

inspirational message that love lives on, and family is forever.

Secrets of Drawing - Mike Hoffman 2014-03-21
An invaluable book of Drawing tips and techniques, many of which are found nowhere else. Praised by legendary Disney Animator Will Finn "I've read a lot of anatomy books, Bridgman, Loomis, Hogarth, etc. but I think the Holy Grail just might be SECRETS OF DRAWING"

Action Book - Brian Proctor 2017-07-31
This book is a pose reference drawing book, showing the anatomy in various action poses. designed for the comic book artist, or anyone wishing to better their skills in anatomy drawing.

Hi My Name Is Cj - Willetta J. Davis 2013-12
Hi My Name Is C.J. is an easy to read, fun, interactive children's book. Meet 5 year-old C.J. and learn about all the things he likes and does. Enjoy the interactive pages by writing your own C.J. story and have fun drawing and coloring the characters. Have fun and use your imagination.

Certain Personal Matters - Herbert George Wells 1898
This early edition of H.G. Wells features the author's amusing commentary and opinion about the customs and issues of his time.

A Fistful of Rock & Roll - Sal Canzonieri 2008-06-01
Two survivors of a global catastrophe disguise themselves as corpses to survive in a land of the walking dead! From the mind of Mike Richardson, creator of *The Mask and The Secret*, comes this hilariously frightening tale of Straw and Whip who have lived through a plague that's left the world with seven billion brain-hungry zombies. Soon the two friends save a lovely young gun-crazy woman named Betty, who becomes a source of rivalry between them. With hundreds of zombies out for a snack, the three try their best to blend in so as not become the next item on the menu.

Whitney Biennial 2022 - David Breslin 2022-04-26
Presenting the latest iteration of this crucial exhibition, always a barometer of contemporary American art The 2022 Whitney Biennial is accompanied by this landmark volume. Each of the Biennial's participants is represented by a

selected exhibition history, a bibliography, and imagery complemented by a personal statement or interview that foregrounds the artist's own voice. Essays by the curators and other contributors elucidate themes of the exhibition and discuss the participants. The 2022 Biennial's two curators, David Breslin and Adrienne Edwards, are known for their close collaboration with living artists. Coming after several years of seismic upheaval in and beyond the cultural, social, and political landscapes, this catalogue will offer a new take on the storied institution of the Biennial while continuing to serve--as previous editions have--as an invaluable resource on present-day trends in contemporary art in the United States.

Song of the Wings Coloring Book -

Through the Window - Julian Barnes 2012-11-20
From the Man Booker Prize-winning author of *The Sense of an Ending* and one of Britain's greatest writers: a brilliant collection of essays on the books and authors that have meant the most to him throughout his illustrious career. In these seventeen essays (plus a short story and a special preface, "A Life with Books"), Julian Barnes examines the British, French and American writers who have shaped his writing, as well as the cross-currents and overlappings of their different cultures. From the deceptiveness of Penelope Fitzgerald to the directness of Hemingway, from Kipling's view of France to the French view of Kipling, from the many translations of *Madame Bovary* to the fabrications of Ford Madox Ford, from the National Treasure status of George Orwell to the despair of Michel Houellebecq, Julian Barnes considers what fiction is, and what it can do. As he writes, "Novels tell us the most truth about life: what it is, how we live it, what it might be for, how we enjoy and value it, and how we lose it."

Kaleidoscope Snowflakes Coloring Book - Kristen N. Fox 2015-08-25

Choose a colored pencil, pen, or marker and start coloring the kaleidoscope patterns of these unique ice crystal snowflakes! These 25 original designs are detailed and somewhat complex, drawn with fine lines, and each has its own unique look and feel. These aren't your common

white snowflakes - they want COLOR! Each design was hand-drawn with a stylus and a drawing tablet, and was inspired by creative impulses and a love of snowflakes and winter. Some designs are large, single snowflakes, others are patterns or interesting groupings, and they are all printed one-sided. Coloring is fun no matter what your age. It's also a wonderful way to relax and release stress. You can color these snowflakes anytime - over the winter holidays, or in the middle of summer when the weather is too hot!

Nothing But the Truth So Help Me God - A Band of Wives 2012-10-30

A Complicated Legacy - Robert H. Stucky 2014-05-23

If movies and books like *Belle*, *Twelve Years a Slave*, *The Butler*, *The Help*, *A Time to Kill*, and *Amistad* have moved you, you'll love *A Complicated Legacy*, a novel by Baltimore writer Robert H. Stucky based on the true story of Elijah Willis, a white South Carolina planter, and Amy - the love of his life, the mother of his children, and his slave. Taking place in the decade leading up to the Civil War, it is written with a cinematic eye for atmosphere and setting, a linguist's ear for dialogue, and a historian's grasp of the powerful social forces and momentous events of the time. It is a riveting tale of personal transformation in facing the tide of sweeping social change. Elijah Willis fought family opposition, public opinion, and the law to free his family of choice and leave them his entire inheritance. In so doing, his and Amy's story becomes a microcosm of the human struggles that made the Civil War and the Abolition of Slavery both necessary and inevitable. Set in rural South Carolina, Baltimore, and Cincinnati, this vivid saga weaves history and humanity in a compelling testimony to the power of relationships to shape our destinies, even a century and a half later.

The Man in the Red Coat - Julian Barnes 2020-02-18

From the Man Booker Prize-winning author of *The Sense of an Ending*—a rich, witty, revelatory tour of Belle Époque Paris, via the remarkable life story of the pioneering surgeon, Samuel Pozzi. In the summer of 1885, three Frenchmen arrived in London for a few days' intellectual

shopping: a prince, a count, and a commoner with an Italian name. In time, each of these men would achieve a certain level of renown, but who were they then and what was the significance of their sojourn to England? Answering these questions, Julian Barnes unfurls the stories of their lives which play out against the backdrop of the Belle Époque in Paris. Our guide through this world is Samuel Pozzi, the society doctor, free-thinker and man of science with a famously complicated private life who was the subject of one of John Singer Sargent's greatest portraits. In this vivid tapestry of people (Henry James, Sarah Bernhardt, Oscar Wilde, Proust, James Whistler, among many others), place, and time, we see not merely an epoch of glamour and pleasure, but, surprisingly, one of violence, prejudice, and nativism—with more parallels to our own age than we might imagine. *The Man in the Red Coat* is, at once, a fresh portrait of the Belle Époque; an illuminating look at the longstanding exchange of ideas between Britain and France; and a life of a man who lived passionately in the moment but whose ideas and achievements were far ahead of his time.

Early Buddhist Narrative Art - Patricia Eichenbaum Karetzky 2000

Early Buddhist Narrative Art is a pictorial journey through the transmission of the narrative cycle based on the life of the historical Buddha. Karetzky, while demonstrating the various evolutions that the image of the Buddha underwent, maintains that there is an underlying homogeneity of the tradition in the cultures of India, Central Asia, China and Japan. The author, while focusing on the visual representation of the Buddhist narrative, goes into some detail regarding the importance of scriptures in each society, and how the written tradition informed the pictorial. Over seventy photos fill this book, which will be of interest to scholars of art history, Eastern religion and Buddhism in particular.

Mr Lazarus - Patrice Chaplin 2016-08-03

'... a surging intensity that keeps the reader glued to the page.' - New York Times London. 1970. Vicky Graham, an unsuccessful film producer at the BBC, crosses the path of Luciano Raffi, a famous violinist, as he performs at the Proms. For Vicky he represented something she could not have, but something she longingly

craved for. A chance to lift her out of the unloving greyness of everyday life. Through her job at the BBC, she is able to organise an interview with him, but their meeting triggers a renewed obsession with him. The reason? Luciano has something in common with Vicky - they both know about the portal. A secret history, nearly untraced, connects these distant souls. But will it last? Raffi is about to disappear from her life... To get him back, she must travel to where and when she had never expected. She must uncover the secret history of the portal... Mr Lazarus is the latest book in Patrice Chaplin's series following *The City of God* and *The Portal*. Chaplin is a renowned international bestselling author. Praise for Patrice Chaplin: 'Powerful romantic fiction in the tradition of Emily Bronte.' - Guardian '... a surging intensity that keeps the reader glued to the page.' - New York Times 'Genuinely witty horrors' - The Observer Patrice Chaplin is an author, journalist and playwright. She first visited the city of Gerona, in Spain, when she was 15 and it was then that she learnt about the Grail mystery. Throughout her life she has maintained an active interest in the history of the Grail and has lived in Spain and France. She has published more than 36 books, plays and short stories.

[The Pedant in the Kitchen](#) - Julian Barnes 2013 This work is an elegant account of Julian Barnes' search for gastronomic precision. It is a quest that leaves him seduced by Jane Grigson, infuriated by Nigel Slater and reassured by Mrs Beeton's Victorian virtues. For anyone who has ever been defeated by a cookbook.

[Illustrated Floral Letters Coloring Book](#) - Philip Boelter 2016-02-05

Inspired by the lettering community and the beauty of floral illustrations, I found a passion in combining both to create something fun for people to color. Have fun coloring the alphabet that I illustrated with beautiful flowers. This coloring book has all 26 letters distinctly illustrated with floral designs. From kids to adults, this coloring book is fun for everyone.

Keeping an Eye Open - Julian Barnes 2017-06-13

An extraordinary collection of essays on the great masters of nineteenth- and twentieth-century art—from the Booker Prize-winning,

bestselling author of *The Sense of an Ending*. "An engaging and empathetic volume." —The New York Times Book Review As Julian Barnes notes: "Flaubert believed that it was impossible to explain one art form in terms of another, and that great paintings required no words of explanation. Braque thought the ideal state would be reached when we said nothing at all in front of a painting ... But it is a rare picture that stuns, or argues, us into silence. And if one does, it is only a short time before we want to explain and understand the very silence into which we have been plunged." This is the exact dynamic that informs his new book. In his 1989 novel *A History of the World in 10½ Chapters*, Barnes had a chapter on Géricault's *The Raft of the Medusa*, and since then he has written about many great masters of art, including Delacroix, Manet, Fantin-Latour, Cézanne, Degas, Redon, Bonnard, Vuillard, Vallotton, Braque, Magritte, Oldenburg, Lucian Freud and Howard Hodgkin. The seventeen essays gathered here help trace the arc from Romanticism to Realism and into Modernism; they are adroit, insightful and, above all, a true pleasure to read.

Free Roll - Brandt Tobler 2017-05-22

Have you ever wondered: What it's like to daily bet hundreds of thousands of dollars working for some of the largest professional gamblers in Las Vegas? ... How to spend a summer house sitting one of the biggest stars in the world's 11,000 square-foot mansion - without an invitation from it's celebrity owner ... Whether the life of crime - specifically, running a shoplifting ring in a middle American mall - pays? ... What causes a son to finally say enough is enough ... and decide "Today is the day I am going to kill my dad." Comedian Brandt Tobler has the answers in this funny, touching and sometimes downright unbelievable memoir of a small town Wyoming-kid turned "mall-fia" don, turned nationally touring comic. Brand tells his life story with candor, detailing the many pit stops, wrong turns, crazy connections and lucky breaks he experienced along the way to his comedy career, all while trying to balance a toxic relationship with his unreliable jailbird dad. In these pages Brandt will make you laugh (he better - it's his job!) and believe as he does that, when it comes to defining family, blood isn't always thicker than water. -- back cover.

Son of Sedonia - Ben Chaney 2012-12

Imagine growing up in the largest slum on the planet in the year 2080AD. Twenty million people are your neighbors, huddled together in an ocean of rusted dwellings made from whatever Sedonia City, the towering metropolis in the distance, decides to throw away. Gang members, known as the T99s, are the heads of your community: smuggling tech, trafficking drugs, and fighting a constant guerilla war against the City's bio-augmented EXO police force. There is little hope for survival. None for escape to a better life beyond the half-mile high Border between city and slum. This is Matteo's world. A bright kid, but sick and weak since childhood, he is painfully dependent on Jogun: loving older brother, and hardened soldier for the T99s. When a luxury transport from Sedonia's aerial traffic crash-lands in Rasalla, it threatens to change Matteo and Jogun's fate forever. And all fates are connected. The Dwellers of Rasalla, bound by family in the scrap, ashes, and dirt. The Citizens of Sedonia, oblivious to danger in the buzzing twilight of the Neuro-Social Revolution. The EXOs, placing themselves in harm's way to perform their duty to protect their homes and fellow officers. And the Ruling Elite, whose long-buried secrets and desperate plans could spell the end of civilization...or a new beginning. *Son of Sedonia* is an action-filled science fiction epic with a soul and a clear message. Its characters live, breathe, suffer, and love in their different worlds, each brought to the brink as the Third-World collides with the First. Their future could well be ours.

The Art of Being Naked - Shane R. Avila
2015-07-15

The Art of Being Naked (about) Remember that naughty excitement that comes with an adrenaline rush? The exciting thought of being caught in a sexual act, but fearing to be caught? Maybe a public adventure or a night out in the car's back seat under the stars at night. We all take these risky adventures to remind ourselves that we are alive. The risk can be rewarding by The thrill- the thrill of the wild side to spice things up! The thrill of the unknown to come. Unknowing if you will be noticed. The sheer pleasure of being naughty, daring, and brave. You- being a leader, and doing an adventure with your partner can make for a night of

forbidding and fulfilling enjoyment that can spark a wild fire of excitement and rush. In this picture book for adults, you will enjoy original nude art, two true, funny stories of sexual adventures gone wrong, and the inspiration to find that naughtiness inside yourself. This book approaches the excitement of sexual adventures that most people are too petrified to talk about with their partner.

The Unique Technique - Maria Higgins
2016-02-02

I am an optometrist. I owned a very traditional medical, white coat practice in Pittsburgh, Pennsylvania near the University of Pittsburgh for 10 years. I became bored and uninspired in this vanilla business environment and sterile space. Feeling restless, I sold my practice and began the search for a new place to start a fresh concept in optometry. I found Frederick, Maryland, which is a historic, walkable little city that tops the triangle with DC and Baltimore. I relocated to a new town, in a new state with a brand new practice - Unique Optique. I was an outsider and a transplant, trying to win Frederick's trust and convince the residents of this town to come to my practice to spend money on high-end glasses. To accomplish this feat, I decided that I needed to show our authenticity, exude genuine sincerity, and smile through adversity. I embraced my flaws; I was vulnerable and real. I used social media, in-house events and the decor of the office to display the business's personality. People instantly related to the practice. They saw that I was not perfect, but I was earnest and that I truly cared. I was proud of my venture. Unique Optique's reviews were stellar and real. The practice grew steadily and by the end of the first year, I was recognized as the Start Up Entrepreneur of Frederick County. Soon, I had requests from business owners and entrepreneurs to come and visit the practice and discuss our unique image strategies. People wanted this quality for their own businesses. I realized that I had helpful and valuable information and put my techniques down on paper. While developing my brand and marketing my business, I have made mistakes, learned from them, and attempted to fix them. I have worked through adversity and difficulties. In the end, I cultivated a brand to which people could relate. This is my experience. I hope it

helps you find your Unique Technique."

Sea Glass Windows - Richard Morgan

2016-05-03

Sea Glass Windows, Richard Morgan's fifth book of poetry, is a collection of his words and his

wife, Pat Morgan's watercolors. The poems are accessible, sometimes humorous and often give insight to the complexity of being human. Topics include love and conflict, Superman and Santa, youth and old age.
