**Hema Malini** - Ram Kamal Mukherjee 2017-10-10

One of the most enduring divas of Hindi cinema, a producer and director for films and television, dancer and choreographer par excellence, magazine editor, an active member of Parliament and now a singer, Hema Malini wears many hats with admirable ease. No other industry name comes close to matching the breadth of her achievements. In an industry where the male star has traditionally driven the commercial success of films, Hema was an exception, with her name alone sufficing to ensure a film's box-office glory. She was, arguably, India's first female superstar. Apart from starring in mainstream super-hits like Johny Mera Naam, Jugnu, Andaz, Seeta Aur Geeta, Sholay and, more recently, Baghban, she received critical acclaim for her performances in Lal Patthar, Khushboo, Kinara, Meera, Ek Chadar Maili Si and Razia Sultan. But there is much more to her than just her Bollywood journey. From her efforts at reviving and sustaining classical dance to her graceful handling of her personal life and the controversies that have plagued her in her political avatar, from her relationships to her religious beliefs and her recent tryst with singing, Hema Malini: Beyond the Dream Girl covers it all. With detailed interviews and exclusive anecdotes from her family, friends and co-actors, this is an inside look at the remarkable life of one of our greatest cinema icons, someone who has truly lived life on her own terms.

*50 Films That Changed Bollywood, 1995-2015* - Shubhra Gupta 2016-12-10

Hindi cinema was trapped in formulaic cliches for decades: lost-and-found themes, sacrificing mothers, brothers on opposite sides of the law, villains lording over their dens, colourful molls, six songs, the use of rape as a plot pivot, and cops who always arrived too late. It hit an all-time low in the 1980s. Then, in 1991, came liberalization, and a wave of openness and aspiration swept across urban India. Dilwale Dulhania Le Jayenge was released in 1995 - and Hindi cinema became Bollywood. A new crop of film-makers began to challenge and break away from established rules. Over the next twenty years, a number of Hindi films consistently pushed the envelope in terms of content and technique to create a new kind of cinema. Among other innovations, film-makers came up with ways of crowd funding a film (Ankhon Dekhi), did away with songs if the narrative did not need them (Gangaajal), addressed different sexual preferences (My Brother ... Nikhil) and people with special needs (Black) like no one had ever done before. As film critic with the Indian Express, Shubhra Gupta has stayed the course these twenty years and more and experienced the transition first-hand. In 50 Films That Changed Bollywood, 1995-2015, she looks at the modern classics that have redefined Hindi cinema - from DDLJ and Rangeela to Satya and Dev D to Queen and Bajrangi Bhaijaan. Gupta offers a fascinating glimpse into how these films spoke to their viewers and how the viewers reacted to them - and, ultimately, how they changed us and how we changed

them.

**Written by Salim-Javed** - Diptakirti Chaudhuri 2015-10-01

The dramatic, entertaining story of the dream team that pioneered the Bollywood blockbuster Salim Khan and Javed Akhtar reinvented the Bollywood formula with an extraordinary lineup of superhits, becoming game changers at a time when screenwriting was dismissed as a back-room job. From Zanjeer to Deewaar and Sholay to Shakti, their creative output changed the destinies of several actors and filmmakers and even made a cultural phenomenon of the Angry Young Man. Even after they decided to part ways, success continued to court them—a testament not only to their impeccable talent and professional ethos, but also their enterprising showmanship and business acumen. Fizzing with energy and brimming over with enough trivia to delight a cinephile's heart, Written by Salim-Javed tells the story of a dynamic partnership that transformed Hindi cinema forever.

*Death of a Salesman* - Arthur Miller 1998-05-01

The Pulitzer Prize-winning tragedy of a salesman's deferred American dream Ever since it was first performed in 1949, Death of a Salesman has been recognized as a milestone of the American theater. In the person of Willy Loman, the aging, failing salesman who makes his living riding on a smile and a shoeshine, Arthur Miller redefined the tragic hero as a man whose dreams are at once insupportably vast and dangerously insubstantial. He has given us a figure whose name has become a symbol for a kind of majestic grandiosity—and a play that compresses epic extremes of humor and anguish, promise and loss, between the four walls of an American living room. "By common consent, this is one of the finest dramas in the whole range of the American theater." —Brooks Atkinson, The New York Times "So simple, central, and terrible that the run of playwrights would neither care nor dare to attempt it." —Time

**The Legend of Lakshmi Prasad** - Lakshmi Prasad 2016-10-28

I am Lakshmi Prasad, native of Bitihar. I am doing PhD on a very important subject "Mating habits of gay chimpanzees in West Africa" at PANU University, the best University in India and possibly the best University in the world. My idols are "Faizal Guru", "Janab Kasab Sahib", "Focus Carat", "Baba Badkar", "Zakir Nalayak", "Gharkha Dutt", "Dr. Kana Ayyub" and all PhD students who had committed suicide since they failed to solve their PhD problems. I personally feel that, all deprived Indians should automatically be awarded a PhD degree coupled with a free pension of 1 lakh rupees/month to be delivered in cash via post at door step. Till then we are going to fight for azaadi from India. Imagine a day, when no PhD student would have to commit suicide, imagine a day, when no lower caste will be humiliated by upper caste, s/he can use his/her doctorate degree and force others to call him/her Dr. X, Dr. Y ,etc.

*Bollywood Cinema* - Vijay Mishra 2013-08-21

India is home to Bollywood - the largest film industry in the world. Movie theaters are said to be the "temples of modern India," with Bombay producing nearly 800 films per year that are viewed by roughly 11 million people per day. In Bollywood Cinema, Vijay Mishra argues that Indian film production and reception is shaped by the desire for national

community and a pan-Indian popular culture. Seeking to understand Bollywood according to its own narrative and aesthetic principles and in relation to a global film industry, he views Indian cinema through the dual methodologies of postcolonial studies and film theory. Mishra discusses classics such as *Mother India* (1957) and *Devdas* (1935) and recent films including *Ram Lakhan* (1989) and *Khalnayak* (1993), linking their form and content to broader issues of national identity, epic tradition, popular culture, history, and the implications of diaspora.

**Asha Parekh The Hit Girl** - Khalid Mohamed 2017-04-10

Asha Parekh was to the movies born. Ever since she was knee-high, she faced the camera as a child artiste, while performing simultaneously at dance fetes. An alumna of Bombay's The J. B. Petit Girls' High School, she devoted after-school hours to learning classical dance from exacting gurus. Given a break as a leading lady by Filmalaya Studio's Sashadhar Mukherjee, she debuted opposite Shammi Kapoor in the romantic entertainer *Dil Deke Dekho*. Instantaneously, the audience and the critics agreed: "A star is born." Followed a concatenation of silver and golden jubilee hits, which established her as the quintessential Hit Girl.

Possessed of all the requisites of the cinema of the 1960s and the '70s - felicity at instinctive acting, intricate dance skills and the ability to invest conviction into the roles of zestful, glamour-exuding film heroines - she made an impact, too, with parts demanding gravitas. Apart from films in Hindi, she has also acted in films in Gujarati, Punjabi and a film in Kannada. The Mumbai film trade, to date, acknowledges her as one of the heroines with the highest number of successes. Her innumerable dance ballets on stage have earned her untold acclaim, at home and overseas. Among her other facets, she has been involved since decades in running a charitable hospital. She was Chairperson of the Central Board of Film Certification (1998-2001) and has been associated with the Cine and TV Artistes' Associations and other organisations dedicated to the welfare of film industry workers, technicians and actors. She turned producer and director with several top TRP-rated TV serials like 'Kora Kagaz' and 'Palash ke Phool' and programmes like 'Baaje Paayal'.

Currently she has chosen to retire from acting, but adds, "Never say never." She lives by the famed Juhu shoreline in Mumbai.

**The Gods of Mars** - Edgar Rice Burroughs 2020-05-24T01:36:48Z

*The Gods of Mars* is Burroughs' sequel to *A Princess of Mars*. After ten long years, John Carter is again transported to Mars to try and determine the fate of his wife Dejah Thoris, but finds himself in the forbidden Valley Dor, from which no man may return. Published serially in five parts between January and May 1913, this sequel appeared a year after the initial serialization of its predecessor. It was eventually published in its full novel form in 1918. Although the Martian series contains ten books in total, the first three—of which *The Gods of Mars* is the second—are often considered a stand-alone trilogy. Throughout the series, Burroughs' imagination and sense of adventure shine through, and his extravagant prose and innovative vocabulary raise the works up above run-of-the-mill pulp fiction. This book is part of the Standard Ebooks project, which produces free public domain ebooks.

**Indian Cinema: A Very Short Introduction** - Ashish Rajadhyaksha 2016-07-20

One film out of every five made anywhere on earth comes from India. From its beginnings under colonial rule through to the heights of Bollywood, Indian Cinema has challenged social injustices such as caste, the oppression of Indian women, religious intolerance, rural poverty, and the pressures of life in the burgeoning cities. And yet, the Indian movie industry makes only about five percent of Hollywood's annual revenue. In this *Very Short Introduction* Ashish Rajadhyaksha delves into the political, social, and economic factors which, over time, have shaped Indian Cinema into a fascinating counterculture. Covering everything from silent cinema through to the digital era, Rajadhyaksha examines how the industry reflects the complexity and variety of Indian society through the dramatic changes of the 20th century, and into the beginnings of the 21st. ABOUT THE SERIES: The *Very Short Introductions* series from Oxford University Press contains hundreds of titles in almost every subject area. These pocket-sized books are the perfect way to get ahead in a new subject quickly. Our expert authors combine facts, analysis, perspective, new ideas, and enthusiasm to make interesting and challenging topics highly readable

**Love and Sex in Islam** - Abdullah R. Muhametov 2013-04-15

Everything you wanted to know about sex and love in Islam, but were hesitant to ask about: polygamy, contraception allowed by Sharia, oral and group sex, homosexual marriages and also the relationship with jinns, masturbation and mysteries of martial relations - all that is allowed and all that is prohibited in sexual relations in this noble and pure religion. Many people both in the West and Russia continue to have a mistaken illusion that love, sex and variability of relations between man and woman are either suppressed in Islam or in contrary exceed all norms of decency. the book is an insight into this matter. The Muslim

man is perceived as an ideal type of an always ready sexual partner. Love and Sex in Islam lifts the veil covering the delicate theme, in which the phenomena seeming incompatible turn out to be good neighbors.

**Karachi, You're Killing Me!** - Saba Imtiaz 2014-02-24

Ayesha is a twenty-something reporter in one of the world's most dangerous cities. Her assignments range from showing up at bomb sites and picking her way through scattered body parts to interviewing her boss's niece, the couture-cupcake designer. In between dicing with death and absurdity, Ayesha despairs over the likelihood of ever meeting a nice guy, someone like her old friend Saad, whose shoulder she cries on after every romantic misadventure. Her choices seem limited to narcissistic, adrenaline-chasing reporters who'll do anything to get their next story—to the spoilt offspring of the Karachi elite who'll do anything to cure their boredom. Her most pressing problem, however, is how to straighten her hair during the chronic power outages. Karachi, You're Killing Me! is Bridget Jones's Diary meets The Diary of a Social Butterfly—a comedy of manners in a city with none.

**Mrs Funnybones** - Twinkle Khanna 2015-08-18

**Bollywood Baddies** - Tapan K. Ghosh 2013-03-26

Bollywood Baddies is the first-of-its-kind book-length narrative of villainy in Hindi films. It discusses villains, vamps, and henchmen of Bollywood cinema, and also the actors who essayed such characters over the decades. The author discusses not just villains but also the evaluation of villainous characters vis-à-vis sociopolitical conditions in the country. The narrative begins with Ashok Kumar's negative role in Kismet as early as 1943, and goes up to the Agneepath remake (2012), where Sanjay Dutt plays Kancha Cheena, earlier essayed by Danny Denzongpa in the original. In between, it discusses all major villains, from Lala Sukhram (Mother India) to Gabbar (Sholay) to "Lion" Ajit (Kalicharan) to Mogambo (Mr. India), and many others. While keeping villains in the focus, it also discusses popular henchmen and vamps, like M B Shetty, Sharat Saxena, Nadira, Bindu, Helen, among others, to understand the dimension of the villains' empire. After all, it's our villains who make our protagonist the hero we all admire. An engrossing read, this book is for every film buff.

**Kapoors** - Madhu Jain 2009-04-17

'We are like the Corleones in The Godfather'—Randhir Kapoor There is no film family quite like the Kapoors. A family of professional actors and directors, they span almost eighty years of film-making in India, from the 1920s to the present. Each decade in the history of Hindi films has had at least one Kapoor—if not more—playing a large part in defining it. Never before have four generations of this family—or five, if you include Bashesharnath Kapoor, Prithviraj Kapoor's father, who played the judge in Awara—been brought together in one book. The Kapoors details the professional careers and personal lives of each generation—box-office successes and failures, the ideologies that informed their work, the larger-than-life Kapoor weddings and Holi celebrations, their extraordinary romantic liaisons and family relationships, their love for food and their dark passages with alcohol. Based on extensive personal interviews conducted over seven years with family members and friends, Madhu Jain goes behind the façade of each member of the Kapoor clan to reveal what makes them tick. The Kapoors resembles the films that the great showman Raj Kapoor made: grand and sweeping, with moments of high drama and touching emotion. 'Few books on Indian cinema have been written with such wit, clarity and sparkle'—Outlook 'Jain writes in a language that is simple and pithy. . . it will keep alive public interest in the Kapoors who refuse to call it a day'—Telegraph 'Immensely readable...will surely find a place in the Indian cineaste's library'—Biblio

**Overcoming School Refusal** - Joanne Garfi 2018-01-31

School refusal affects up to 5% of children and is a complex and stressful issue for the child, their family and school. The more time a child is away from school, the more difficult it is for the child to resume normal school life. If school refusal becomes an ongoing issue it can negatively impact the child's social and educational development. Psychologist Joanne Garfi spends most of her working life assisting parents, teachers, school counsellors, caseworkers, and community policing officers on how best to deal with school refusal. Now her experiences and expertise are available in this easy-to-read practical book. Overcoming School Refusal helps readers understand this complex issue by explaining exactly what school refusal is and provides them with a range of strategies they can use to assist children in returning to school. Areas covered include:

- types of school refusers
- why children refuse to go to school
- symptoms
- short term and long term consequences
- accurate assessment
- treatment options
- what parents can do
- what schools can do
- dealing with anxious high achievers
- how to help children on the autism spectrum with school refusal
