Dizzy's Joie de Vivre - Jacqueline Lindenefeld 2020-03-11

Dizzy is an exuberant and fearless lady, an eighty-year-old "free spirit" who likes to help people and share her love of life with them. While looking for her missing cat, she meets a homeless man half her age, and they strike up a friendship. They go on a trip together in her newly acquired car--despite her children's warnings--and have some adventures (good and bad). Then Dizzy goes to France as a caretaker for a young American boy and has other exploits, sometimes comical. All along, she is wondering who took care of her runaway cat in her absence. The mystery is finally solved and Dizzy's life takes a sharp turn for new adventures.

The Greatest Treasure Hunt in History: The Story of the Monuments Men (Scholastic Focus) -

Robert M. Edsel 2019-01-29

Robert M. Edsel brings the story of his #1 NYT bestseller for adults *The Monuments Men* to young readers for the first time in this dynamic, narrative nonfiction project packed with photos. Robert M. Edsel, #1 New York Times bestselling author of *The Monuments Men*, brings this story to young readers for the first time in a sweeping, dynamic adventure detailing history's greatest treasure hunt. As the most destructive war in history ravaged Europe, many of the world's most cherished cultural objects were in harm's way. *The Greatest Treasure Hunt in History* recounts the astonishing true story of 11 men and one woman who risked their lives amidst the bloodshed of World War II to preserve churches, libraries, monuments, and works of art that for centuries defined the heritage of Western civilization. As the war raged, these

American and British volunteers -- museum curators, art scholars and educators, architects, archivists, and artists, known as the Monuments Men -- found themselves in a desperate race against time to locate and save the many priceless treasures and works of art stolen by Adolf Hitler and the Nazis.

Overcoming School Refusal - Joanne Garfi 2018-01-31

School refusal affects up to 5% of children and is a complex and stressful issue for the child, their family and school. The more time a child is away from school, the more difficult it is for the child to resume normal school life. If school refusal becomes an ongoing issue it can negatively impact the child's social and educational development. Psychologist Joanne Garfi spends most of her working life assisting parents, teachers, school counsellors, caseworkers, and community policing officers on how best to deal with school refusal. Now her experiences and expertise are available in this easy-to-read practical book. *Overcoming School Refusal* helps readers understand this complex issue by explaining exactly what school refusal is and provides them with a range of strategies they can use to assist children in returning to school. Areas covered include: • types of school refusers • why children refuse to go to school • symptoms • short term and long term consequences • accurate assessment • treatment options • what parents can do • what schools can do • dealing with anxious high achievers • how to help children on the autism spectrum with school refusal

Ukulele Bluegrass Solos - ONDREJ SAREK 2011-04-15

The ukulele has had a place in American acoustic music for decades; recently, however, interest in the instrument has surged. Historically overlooked by traditional bluegrass groups, the ukulele - an indispensable component of many newgrass bands - is becoming increasingly featured in bluegrass-at-large, often performing the roles traditionally associated with the mandolin. *Ukulele Bluegrass Solos* will teach you how to use the uke in any bluegrass setting. It demonstrates a variety of roles for the uke, presenting various concepts in the context of the repertoire associated with the genre.

Handprints - Marie Phero 2020-07-08

Did you ever have someone leave their handprint on your soul? Did you ever have a friend that changed your life forever? This is a story about a friendship that changed my life forever. If you have or had a dear friend in your life that you cherished, I hope you can share my need to share what this dear friend did for me. I am not the same person since I met her. She took a frightened woman lacking self-confidence and transformed me into a self-confident, daring woman. I want this book to be a thank you to a strong, enduring woman who faced so many challenges and trails in her life but still found time to be a devoted friend. She always had time to listen, laugh, cry, and shout when I needed her to. I would like this book to encourage those who have a dear friend to always make sure you take time to spend with your dear one. Time is precious, and before we know it, we are longing for moments that we so casually took advantage of. If you are one of the lucky ones who have someone who has left their handprint on your soul, I hope you feel this book in the depths of your soul. If not, I pray that the future may lead this special friend to you. I

have been blessed to have this friend's handprint on my soul. Every, day she continues to press her hand on my soul.

Robert Bosch - Peter Theiner 2019-10-15

Robert Bosch (1861 - 1942) was one of the most successful German entrepreneurs and philanthropists of the 20th century and, at the same time, a pioneer of the social market economy. This book presents a comprehensive and impressive biography of a visionary who thought far ahead of his time like almost no other. Peter Theiner follows the traces of this trailblazer of modernity who founded a global company. 1886, Robert Bosch opened his Werkstätte für Feinmechanik und Elektrotechnik, today's Robert Bosch GmbH, in a modest rear building. Pioneering innovations for motorized vehicles emerged from the young company, and Bosch was quickly able to point to tremendous international successes as an industrialist. Today, his name represents the rise of motor vehicles and electricity in the home. In addition, he also had an impact as a benefactor and philanthropist with a well-developed political profile and a strong sense of social responsibility. In a time of wars and upheaval, in an age of extremes, Bosch positioned himself as a staunch Democrat who cut against the grain of German history.

From Grain to Pixel - Giovanna Fossati 2018-11-15

In *From Grain to Pixel*, Giovanna Fossati analyzes the transition from analog to digital film and its profound effects on filmmaking and film archiving. Reflecting on the theoretical conceptualization of the medium itself, Fossati poses significant questions about the status of physical film and the practice of its archival preservation, restoration, and presentation. *From Grain to Pixel* attempts to bridge the fields of film archiving and academic research by addressing the discourse on film's ontology and analyzing how different interpretations of what film is affect the role and practices of film archives. By proposing a novel theorization of film archival practice, Fossati aims to stimulate a renewed dialogue between film scholars and film archivists. Almost a decade after its first publication, this revised edition covers the latest developments in the field. Besides a new general introduction, a new conclusion, and extensive updates to each chapter, a novel theoretical framework and an additional case study have been included.

Aeschines - Aeschines 2000

This is the third volume in the Oratory of Classical Greece series. Planned for publication over several years, the series will present all of the surviving speeches from the late fifth and fourth centuries B.C. in new translations prepared by classical scholars who are at the forefront of the discipline. These translations are especially designed for the needs and interests of today's undergraduates, Greekless scholars in other disciplines, and the general public. Classical oratory is an invaluable resource for the study of ancient Greek life and culture. The speeches offer evidence on Greek moral views, social and economic conditions, political and social ideology, and other aspects of Athenian culture that have been largely ignored: women and family life, slavery, and religion, to name just a few. This volume contains the three surviving speeches of Aeschines (390-? B.C.). His speeches all revolve around political developments in Athens during the second half of the fourth century B.C. and reflect the internal political rivalries in an Athens overshadowed by the growing power of Macedonia in the north. The first speech was delivered when Aeschines successfully prosecuted Timarchus, a political opponent, for having allegedly prostituted himself as a young man. The other two speeches were delivered in the context of Aeschines' long-running political feud with Demosthenes. As a group, the speeches provide important information on Athenian law and politics, the political careers of Aeschines and Demosthenes, sexuality and social history, and the historical rivalry between Athens and Macedonia.

How to Improvise on the Baritone Ukulele - Doug Falconer 2019-05-31

For the Intermediate Player - a step-by-step approach to learning to improvise. This is a version of a previous book called Ukulele Beginner to Brilliant Book 4: The System, revised specifically for the baritone ukulele, in G tuning (DGBE). In the first 31 pages you will learn a System which breaks the whole world of music down into something simple, graspable and easy to practice. This will give you a solid foundation for hearing, understanding and exploring any kind of music you wish. Through a series of lessons and practical

exercises designed to turn you into a "real musician": your ear-to-finger connection will be strengthened; you will understand how music works ; you will hear and know every note and every chord you play, across the whole fretboard. The next two parts of the book shows how The System applies to the most common chord progressions and, beyond that, to the specific genre of jazz music. The final part of the book delves into exotica: explaining modes, blues and non-western music. This book is aimed at the baritone ukulele player who knows most of the basic chords, can read music and/or TAB, possibly play a few scales, has a basic knowledge of music theory and now wants to make a quantum leap in their playing and musical understanding. It is NOT a collection of songs or ukulele techniques. Instead, it is a complete, step-by-step method to improvising music, a roadmap to a world of infinite creativity.

The Selected Letters of John Cage - John Cage 2016-03-15

This selection of over five hundred letters gives us the life of John Cage with all the intelligence, wit, and inventiveness that made him such an important and groundbreaking composer and performer. The missives range from lengthy reports of his early trips to Europe in the 1930s through his years with the dancer Merce Cunningham, and shed new light on his growing eminence as an iconic performance artist of the American avant-garde. Cage's joie de vivre resounds in these letters—fully annotated throughout—in every phase of his career, and includes correspondence with Peter Yates, David Tudor, and Pierre Boulez, among others. Above all, they reveal his passionate interest in people, ideas, and the arts. The voice is one we recognize from his writings: singular, profound, irreverent, and funny. Not only will readers take pleasure in Cage's correspondence with and commentary about the people and events of a momentous and transformative time in the arts, they will also share in his meditations on the very nature of art. A deep pleasure to read, this volume presents an extraordinary portrait of a complex, brilliant man who challenged and changed the artistic currents of the twentieth century.

Petr Eben: 33 Czech Folksongs for Pupil & Teacher Pupil's Part - Peter Batchelar 1998-02

Teacher's score - Petr Eben has encouraged and approved these arrangements for two-guitars, pupil and teacher. The student always plays the original melody which is often repeated in a different register allowing for the playing of complete melodic phrases with the thumb. A feature of these arrangements is the early and frequent use of the second and third positions, and to a lesser extent, positions four to five; this is done for essentially musical reasons and teachers are advised to follow the suggested left hand fingering. Right hand fingerings are given to show whether a phrase should begin with the index or middle finger or the thumb.

Twelve Years a Slave - Solomon Northup 2021-01-01

"Having been born a freeman, and for more than thirty years enjoyed the blessings of liberty in a free State—and having at the end of that time been kidnapped and sold into Slavery, where I remained, until happily rescued in the month of January, 1853, after a bondage of twelve years—it has been suggested that an account of my life and fortunes would not be uninteresting to the public." -an excerpt
