Alone Together - Sherry Turkle 2017-11-07
"Savvy and insightful." --New York Times
Technology has become the architect of our intimacies. Online, we fall prey to the illusion of

companionship, gathering thousands of Twitter and Facebook friends, and confusing tweets and wall posts with authentic communication. But this relentless connection leads to a deep solitude. MIT professor Sherry Turkle argues that as technology ramps up, our emotional lives ramp down. Based on hundreds of interviews

Kismet Hacking - Frank Thornton 2008-08-08
Kismet is the industry standard for examining wireless network traffic, and is used by over 250,000 security professionals, wireless networking enthusiasts, and WarDriving hobbyists. Unlike other wireless networking books that have been published in recent years that geared towards Windows users, Kismet Hacking is geared to those individuals that use the Linux operating system. People who use Linux and want to use wireless tools need to use Kismet. Now with the introduction of Kismet NewCore, they have a book that will answer all their questions about using this great tool. This book continues in the successful vein of books for wireless users such as WarDriving: Drive,

Detect Defend. *Wardrive Running Kismet from the BackTrack Live CD *Build and Integrate Drones with your Kismet Server *Map Your Data with GPSMap, KisMap, WiGLE and GpsDrive
The Nature of Animal Healing - Martin Goldstein, D.V.M. 2000-06-06

A pioneering revolutionary prescription for the health and long life of your pets For two decades, Dr. Martin Goldstein—America's most successful, renowned holistic veterinarian—has healed and helped his animal patients with the same natural therapies that benefit humans. The results have been so astounding that today critically sick pets are brought to him from across the country for a new chance at life and health. In this compelling, very accessible book, Dr. Goldstein explains exactly what holistic medicine is and how it works. By treating the root of a health problem instead of its symptoms, you too can help your animal to regain and maintain its own health, as nature intended. Dr. Goldstein also shares many remarkable true

stories of supposedly terminally ill animals who have recovered to full wellness. Inside you'll discover • Why our animals get sick, even when we strive to give them the best of care • An exhaustive A to Z guide of pet ailments—and the best course of action • Why vaccines can do more harm than good • The link between diet and disease—and how the right diet can not only prevent disease but reverse it • How acupuncture, homeopathy, chiropractic, and other alternative options work--safely and painlessly--to restore true health • Specific guidance for the use of herbs, supplements, and natural remedies • The good news (and the bad) about cancer in animals--including extraordinary new treatments and potential cures • Coping with the inevitable death of your pet--both physically and psychologically • And much, much more Plus—the ultimate resource for holistic pet care: an extensive guide to holistic product manufacturers and stores, books, newsletters, Web sites, veterinarians, and

associations!

Kismet - Monica Burns 2010-01-05

Raised in a brothel, Allegra Synnford quickly learned that survival meant taking charge of her destiny. Now, as a renowned courtesan skilled in the pleasures of the flesh, she chooses her lovers carefully--vowing never to be vulnerable to any one man. Until a mesmerizing, enigmatic Sheikh strips that control from her...

As Kismet Would Have It - Sandhya Menon
2019-04-30

Will Dimple and Rishi find their happily ever after? Find out in this funny, romantic, endlessly charming novella companion to the New York Times bestseller When Dimple Met Rishi! Dimple Shah has a lot of opinions about marriage, but they boil down to this: It's not for her. Sure, she loves her boyfriend, Rishi, but why does she need to validate that with an institution that has historically never favored the woman? Why go through all that hassle? Rishi Patel deeply disagrees. He believes in the power that comes

with combining love and tradition, and when the time comes, wants nothing more than to honor those things in a huge celebration with his friends and family. He knows Dimple loves him, but in hearing her rant about how marriage is a “construct of hegemonic masculinity” for the millionth time, a small, niggling part of him worries that it’s not the institution of marriage Dimple has a problem with; maybe it’s him. The two lovebirds find themselves at a philosophical impasse. Can they find a way to work it out, or does kismet have other plans?

10 Things I Hate about Pinky - Sandhya Menon
2020-07-21

The delightful follow-up to *When Dimple Met Rishi* and *There’s Something about Sweetie*, which follows Ashish’s friends Pinky and Samir as they pretend to date in order to achieve their individual goals, to disastrous and hilarious results. Pinky Kumar wears the social justice warrior badge with pride. From raccoon hospitals to persecuted rock stars, no cause is

too esoteric for her to champion. But a teeny tiny part of her also really enjoys making her conservative, buttoned-up corporate lawyer parents cringe. Samir Jha might have a few...quirks remaining from the time he had to take care of his sick mother, like the endless lists he makes in his planner and the way he schedules every minute of every day, but those are good things. They make life predictable and steady. Pinky loves lazy summers at her parents’ Cape Cod lake house, but after listening to them harangue her about the poor decisions she’s made (a.k.a. boyfriends she’s had), she hatches a plan. Get her sorta-friend-sorta-enemy—who is a total Harvard-bound Mama’s boy—to pose as her perfect boyfriend for the summer. When Samir’s internship falls through, leaving him with an unplanned summer, he gets a text from Pinky asking if he’ll be her fake boyfriend in exchange for a new internship. He jumps at the opportunity; Pinky’s a weirdo, but he can survive a summer with her if there’s light at the end of

The Vampire Shrink - Lynda Hilburn
2013-09-03

A dark paranormal romance/urban fantasy with sex, mystery and humor--the ultimate vampire chick lit Kismet Knight is a young psychologist with a growing clinical practice, and she's always looking for something to give her the edge in her chosen career. When her new client turns out to be a Goth teenager who desperately wants to become a vampire, Kismet is inspired to become the vampire shrink, offering her services to people who believe they are undead. Kismet herself, as a scientist, knows it's hokum, but she's looking at it in a purely psychoanalytic

light, already imagining the papers she's going to write on this strange subculture. That's until she meets the leader of a vampire coven, a sexy, mysterious man who claims to be a powerful 800-year-old vampire, and she is pulled into a whirlwind of inexplicable events that start her questioning everything she once believed about the paranormal.

her life seems to be going just fine: She has a decent job, a devoted BFF, and a lovely boyfriend named Pete with whom she is exactly 70% compatible, according to Kismet, the matchmaking app that everyone in Anna's world uses to find love. Still...isn't there supposed to be more to life than this? Should she settle for a secure and predictable existence with Pete, or risk everything for a life of passion and adventure? With true adulthood (the dreaded thirty) just weeks away, Anna secretly re-joins Kismet, and soon encounters Geoff, a dashing, forty-something journalist with whom she has a shockingly high compatibility score of 81. How can she not at least see where this goes...? A funny and propulsive love story for our over-networked age, KISMET challenges us to take stock of how technology shapes our desires and what it means to "settle."

The Best of 2600, Collector's Edition - Emmanuel Goldstein 2009-01-26

In response to popular demand, Emmanuel Goldstein (aka, Eric Corley) presents a spectacular collection of the hacker culture, known as 2600: The Hacker Quarterly, from a firsthand perspective. Offering a behind-the-scenes vantage point, this book provides devoted fans of 2600 a compilation of fascinating—and controversial—articles. Cult author and hacker Emmanuel Goldstein has collected some of the strongest, most interesting, and often provocative articles that chronicle milestone events and technology changes that have occurred over the last 24 years. He divulges author names who were formerly only known as “anonymous” but have agreed to have their identity revealed. The accompanying CD-ROM features the best episodes of Goldstein’s “Off the Hook” radio shows. Note: CD-ROM/DVD and other supplementary materials are not included as part of eBook file.

When Dimple Met Rishi - Sandhya Menon
2021-02-09

The inspiration for the Netflix original series Mismatched! Everyone is talking about this New York Times bestselling rom-com that Mindy Kaling called “utterly charming!” Eleanor & Park meets Bollywood in this hilarious and heartfelt novel about two Indian-American teens

whose parents conspire to arrange their marriage. Dimple Shah has it all figured out. With graduation behind her, she’s more than ready for a break from her family, from Mamma’s inexplicable obsession with her finding the “Ideal Indian Husband.” Ugh. Dimple knows they must respect her principles on some level, though. If they truly believed she needed a husband right now, they wouldn’t have paid for her to attend a summer program for aspiring web developers...right? Rishi Patel is a hopeless romantic. So when his parents tell him that his future wife will be attending the same summer program as him—wherein he’ll have to woo her—he’s totally on board. Because as silly as it sounds to most people in his life, Rishi wants to be arranged, believes in the power of tradition, stability, and being a part of something much bigger than himself. The Shaha and Patels didn’t mean to start turning the wheels on this “suggested arrangement” so early in their children’s lives, but when they noticed them

The Last Summer (of You and Me) - Ann Brashares 2008-05-06

From the New York Times-bestselling author of *The Sisterhood of the Traveling Pants* Ann Brashares comes her first adult novel. In the town of Waterby on Fire Island, the rhythms and rituals of summer are sacrosanct: the ceremonial arrivals and departures by ferry; yacht club dinners with terrible food and breathtaking views; the virtual decree against shoes; and the generational parade of sandy, sun-bleached kids, running, swimming, squealing, and coming of

age on the beach. Set against this vivid backdrop, *The Last Summer (of You and Me)* is the enchanting, heartrending story of a beach-community friendship triangle and summertime romance among three young adults for whom summer and this place have meant everything. Sisters Riley and Alice, now in their twenties, have been returning to their parents' modest beach house every summer for their entire lives. Petite, tenacious Riley is a tomboy and a lifeguard, always ready for a midnight swim, a gale-force sail, or a barefoot sprint down the beach. Beautiful Alice is lithe, gentle, a reader and a thinker, and worshipful of her older sister. And every summer growing up, in the big house that overshadowed their humble one, there was Paul, a friend as important to both girls as the place itself, who has now finally returned to the island after three years away. But his return marks a season of tremendous change, and when a simmering attraction, a serious illness, and a deep secret all collide, the three friends are

Downloaded from

launched into an unfamiliar adult world, a world from which their summer haven can no longer protect them. Ann Brashares has won millions of fans with her blockbuster series, *The Sisterhood of the Traveling Pants*, in which she so powerfully captured the emotional complexities of female friendship and young love. With *The Last Summer (of You and Me)*, she moves on to introduce a new set of characters and adult relationships just as true, endearing, and unforgettable. With warmth, humor, and wisdom, Brashares makes us feel the excruciating joys and pangs of love—both platonic and romantic. She reminds us of the strength and sting of friendship, the great ache of loss, and the complicated weight of family loyalty. Thoughtful, lyrical, and tremendously moving, *The Last Summer (of You and Me)* is a deeply felt celebration of summer and nostalgia for youth.

Machine Ethics - Michael Anderson 2011-05-09
The new field of machine ethics is concerned

with giving machines ethical principles, or a procedure for discovering a way to resolve the ethical dilemmas they might encounter, enabling them to function in an ethically responsible manner through their own ethical decision making. Developing ethics for machines, in contrast to developing ethics for human beings who use machines, is by its nature an interdisciplinary endeavor. The essays in this volume represent the first steps by philosophers and artificial intelligence researchers toward explaining why it is necessary to add an ethical dimension to machines that function autonomously, what is required in order to add this dimension, philosophical and practical challenges to the machine ethics project, various approaches that could be considered in attempting to add an ethical dimension to machines, work that has been done to date in implementing these approaches, and visions of the future of machine ethics research.

Love at First Fight - Sandhya Menon
2020-06-30

From New York Times bestselling author Sandhya Menon comes a delightful novella

sequel to When Dimple Met Rishi and There's Something about Sweetie, about a Valentine's Day group date gone hilariously, disastrously awry. Ashish Patel has never considered himself a hopeless romantic. But now that he's found his other half, Sweetie Nair, there's nothing he wants more than to celebrate love in all its forms. So when Valentine's Day rolls around and he hears about a romance-themed escape room, he knows it's the perfect opportunity to bring together Sweetie along with his newly engaged brother and sister-in-law-to-be, Rishi Patel and Dimple Shah. On their way to the escape room, the group runs into Pinky Kumar and Samir Jha—both friends to Ashish but nemeses to each other. Despite Pinky's kneejerk reaction to the cheesy theme (which gets her a high-five from Dimple), the two of them agree to join the group. The escape room is as insufferably saccharine as Pinky feared, but even she is surprised when she and Samir actually...work well together. Samir embodies everything Pinky despises—following

Downloaded from
omahafoodtruckassociation.org on by
guest

rules, having no fun, consuming single-use plastics. Getting along with someone like him—a shiny Volvo when she’s so used to junkers—sends Pinky into a tailspin. Sparks are definitely flying, but it’s unclear if that’s a good thing. Could this be love at first fight?
