sisters have been found near their wrecked Jeep at the bottom of a 150-foot cliff on the north coast of the Dominican Republic. The official state newspaper reports their deaths as accidental. It does not mention that a fourth sister lives. Nor does it explain that the sisters were among the leading opponents of Gen. Rafael Leonidas Trujillo's dictatorship. It doesn't have to. Everybody knows of Las Mariposas—"The Butterflies." In this extraordinary novel, the voices of all four sisters—Minerva, Patria, María Teresa, and the survivor, Dedé—speak across the decades to tell their own stories, from hair ribbons and secret crushes to gunrunning and prison torture, and to describe the everyday horrors of life under Trujillo's rule. Through the art and magic of Julia Alvarez's imagination, the martyred Butterflies live again in this novel of courage and love, and the human cost of political oppression.

[The Sky Over Lima](#) - Juan Gómez Bárcena

un-viejo-que-leia-novelas-de-amor-lingua-spagnola

Based on a historic literary hoax, this “charming” novel is “a love letter to the creative process” from one of Spain’s most original authors (Kirkus Reviews). José Gálvez and Carlos Rodríguez are poets. Or, at least, they’d like to be. Sons of Lima’s elite in the early twentieth century, they scribble poorly constructed verses and read the greats: Rilke, Rimbaud, and, above all others, Juan Ramón Jiménez, the Spanish Maestro. Desperate for Jiménez’s latest work, unavailable in Lima, they decide to ask him for a copy. Certain Jiménez would never send his book to a couple of dilettantes, they concoct a plan à la Cyrano de Bergerac. They write to him posing as the lovely, imaginary Georgina Hübner. Incredibly, the poet takes the bait and responds with a book and letter. So begins the epistolary romance. As the maestro falls in love with Georgina, he writes his finest poetry. But when the mail delivery is stalled during the dockworkers’ strike, the scheme begins to unravel and reveal the vulgar truth. “This

sweepingly beautiful translation will enchant readers. Gómez Bárcena's style is both fresh and classic, delightful and mysterious, and his characters—who feel like living, breathing creatures—are sure to captivate even as they break your heart.” —Library Journal, starred review “Anyone who has ever wept over a poem or burned to write more and better and despaired because their talent let them down will read this novel and come away feeling understood.” —National Book Review “Gómez Bárcena tackles the most serious topics while masterfully showing how to write a story that's simultaneously a comedy, a tragedy, and a portrait of another culture. The style is magnificent, the narration told with originality, pulse, and rhythm. There's little more to say: read Gómez Bárcena.” —El Cultural

comes Némirovsky's third novel, a masterpiece of French literature, available for the first time in Canada. *Le Bal* is a penetrating and incisive book set in early twentieth century France. At its heart is the tension between mother and daughter. The nouveau-riche Kampfs, desperate to become members of the social elite, decide to throw a ball to launch themselves into high society. For selfish reasons Mrs. Kampf forbids her teenage daughter, Antoinette, to attend the ball and banishes her to the laundry room. In an unpremeditated fury of revolt and despair, Antoinette takes a swift and horrible revenge. A cruel, funny and tender examination of class differences, *Le Bal* describes the torments of childhood with rare accuracy. Also included in this volume is *Snow in Autumn*, in which Némirovsky pays homage to Chekov and chronicles the life of a devoted servant following her masters as they flee Revolutionary Moscow and emigrate to a life of hardship in Paris.

Recollections of Things to Come - Elena Garro 2010-07-05

This remarkable first novel depicts life in the small Mexican town of Ixtepec during the grim days of the Revolution. The town tells its own story against a variegated background of political change, religious persecution, and social unrest. Elena Garro, who has also won a high reputation as a playwright, is a masterly storyteller. Although her plot is dramatically intense and suspenseful, the novel does not depend for its effectiveness on narrative continuity. It is a book of episodes, one that leaves the reader with a series of vivid impressions. The colors are bright, the smells pungent, the many characters clearly drawn in a few bold strokes. The Shadow of What We Were - Luis Sepulveda
2012-09-10

In a warehouse in Santiago, three aging friends meet and await the arrival of a man from their past. Once militant supporters of Salvador Allende, they have grown disillusioned in the three and a half decades since his assassination. Their city has changed under Pinochet, and so have they: heart troubles, thinning hair, a few pounds too many around the waist; there is little left to connect them with their glory days. But now, the three friends have been called together at the behest of the anarchist, Pedro Nolasco, a.k.a. The Shadow, to carry out one final revolutionary gesture. But Lucho, Lolo and Cacho wait in vain; the sudden and gruesome death of The Shadow leaves them without a leader. Now they must turn to Coco Aravena, the
