Under the Rainbow - Celia Laskey 2021-03-02

When a group of social activists arrives in a small town, the lives and beliefs of residents and outsiders alike are upended, in this wry, embracing novel. Big Burr, Kansas, is the kind of place where everyone seems to know everyone, and everyone shares the same values—or keeps their opinions to themselves. But when a national nonprofit labels Big Burr “the most homophobic town in the US” and sends in a task force of queer volunteers as an experiment—they’ll live and

work in the community for two years in an attempt to broaden hearts and minds—no one is truly prepared for what will ensue. Furious at being uprooted from her life in Los Angeles and desperate to fit in at her new high school, Avery fears that it’s only a matter of time before her “gay crusader” mom outs her. Still grieving the death of her son, Linda welcomes the arrivals, who know mercifully little about her past. And for Christine, the newcomers are not only a threat to the comforting rhythms of Big Burr life, but a call to action. As tensions roil the town, cratering relationships and forcing closely guarded secrets into the light, everyone must consider what it really means to belong. Told with warmth and wit, *Under the Rainbow* is a poignant, hopeful articulation of our complicated humanity that reminds us we are more alike than we’d like to admit.

We Are Displaced - Malala Yousafzai 2019-01-08

In this powerful book, Nobel Peace Prize winner and New York Times bestselling author Malala Yousafzai introduces the people behind the statistics and news stories about the millions of people displaced worldwide. After her father was murdered, María escaped in the middle of the night with her mother. Zaynab was out of school for two years as she fled war before landing in America. Her sister, Sabreen, survived a harrowing journey to Italy.

Ajida escaped horrific violence, but then found herself battling the elements to keep her family safe. Malala's experiences visiting refugee camps caused her to reconsider her own displacement — first as an Internally Displaced Person when she was a young child in Pakistan, and then as an international activist who could travel anywhere in the world

except to the home she loved. In We Are Displaced, Malala not only explores her own story, but she also shares the personal stories of some of the incredible girls she has met on her journeys — girls who have lost their community, relatives, and often the only world they've ever known. In a time of immigration crises, war, and border conflicts, We Are Displaced is an important reminder from one of the world's most prominent young activists that every single one of the 68.5 million currently displaced is a person — often a young person — with hopes and dreams. "A stirring and timely book." —New York Times

The Scorpio Races - Maggie Stiefvater 2011-11-03

The ebook of the stunning new novel from the bestselling author of SHIVER, LINGER AND FOREVER. Stay alive, stay astride, stay out of the water... Every November, the Scorpio Races are run beneath the chalk cliffs of Skarmouth. Thousands gather to watch the horses and the sea that washes the blood from the sand. The mounts are capaill uisce: savage water horses. There are no horses more beautiful, more fearless, more deadly. To race them can be suicide but the danger is irresistible. Sean Kendrick knows the dangers of the capaill uisce. With one foot in the ocean and one on land, he is the only man on the island capable of taming the beasts. He races to prove something both to himself and to the horses. Puck Connolly enters the races to save her family.

But the horse she rides is an ordinary little mare, just as Puck is an ordinary girl. When Sean sees Puck on the beach he doesn't think she belongs. He doesn't realize his fate will become entwined in hers. They both enter the Races hoping to change their lives. But first they'll have to survive.
