Como criar ninos bilingues (Raising Bilingual Children Spanish edition) - Maritere Rodriguez Bellas 2014-12-16

A how-to guidebook that teaches parents how to instill a second language in their children. Hoy día para mayoría de padres inmigrantes en Estados Unidos criar niños bilingües no es una opción o decisión, más bien es un estilo de vida. Aun así, enseñarles el idioma materno pasa a segundo plano con tal de asegurarnos que manejen a la perfección el inglés para que triunfen en la escuela y obtengan posiciones de liderazgo en el trabajo. Lo que es más, la tarea de enseñarles dos (o más) idiomas puede ser abrumadora y a menudo nos preguntamos por dónde empezar.

CÓMO CRIAR NIÑOS BILINGÜES es una guía fácil y de pasos prácticos para padres de niños de toda etapa y edad. La autora y experta en temas para las familias inmigrantes, Maritere Rodriguez Bellas nos ayuda a contestar preguntas como: ¿Qué hago si mi hijo de cinco años no quiere hablar español en la casa? Mi esposo no habla coreano, ¿cómo encontramos un punto común para criar a nuestros hijos con dos idiomas? Mi hija tiene dos años y no habla ninguno de los dos idiomas que hablamos en casa. ¿Debería preocuparme? Sin importar cuál sea tu idioma -español, filipino, coreano, mandarín, o francés- es normal que queramos que nuestros hijos se comuniquen en nuestro idioma. CÓMO CRIAR NIÑOS BILINGÜES es la guía perfecta para padres que buscan consejos y dirección sobre cómo lidiar con los retos y alegrías de criar niños bilingües.

En tu medio - Leah Fonder-Solano 2017-11-06

En tu medio is a new program for intermediate Spanish that includes interactive and multimedia content, online tools and resources, and authentic short films to provide a contemporary and appealing learning experience. The course is designed to complement any course format, whether it be face-to-face, a hybrid/blended learning environment, or an online class. The course uses a task-based, student-friendly approach to build from the introductory level toward a higher-level proficiency. Each of 10 sequential course sections offers meaningful activities designed to motivate students and positively reinforce successful communication through pair and group interaction, negotiation of meaning, and the completion of real-world tasks within an engaging thematic and cultural context.

Arquitectura española - 1924

Dialectología hispánica / The Routledge Handbook of Spanish Dialectology - Francisco Moreno-Fernández 2022-11-29

Dialectología hispánica / The Routledge Handbook of Spanish Dialectology es una obra coral que presenta las últimas investigaciones sobre las variedades actuales de la lengua española en todas sus geografías, sumando los conocimientos de un importante número de especialistas en la materia. Este volumen consta de 49 capítulos, distribuidos en cuatro secciones, que ofrecen información actualizada sobre la realidad dialectal del español y reflejan los conocimientos disponibles sobre la lengua y sus variedades. Este libro, amplio e innovador, explora el modo en que diversas especialidades lingüísticas se interesan por la variación dialectal, desde la historia hasta la informática, pasando por la fonética, la gramática y la lexicografía, entre otras disciplinas. Desde una interpretación multidimensional de los espacios dialectales, este manual asocia la variación geolingüística no sólo con la historia y la sociología, sino también con factores étnicos, estilísticos y cognitivos. Esta obra es idónea para todos los investigadores interesados en la lingüística del español, la variación

lingüística y el contacto de lenguas, así como para estudiantes de grado y posgrado. En ella se explora en profundidad la dialectología del español en todas las expresiones del espacio hispanohablante. Dialectología hispánica / The Routledge Handbook of Spanish Dialectology is a choral work that provides the latest research on the current varieties of the Spanish language in all its geographies, collating expertise from a wealth of leading scholars in the subject. This volume is comprised of 49 chapters, distributed in four sections, which offer up-to-date information on the dialectal reality of Spanish and reflect the knowledge available on the language and its varieties. This comprehensive and innovative book explores the way in which various linguistic specialities are interested in dialectal variation, from history to computer science, including phonetics, grammar and lexicography, among other disciplines. Displaying a commitment to a multidimensional view of dialectal spaces, this handbook associates geolinguistic variation not only with history and sociology, but also with ethnic, stylistic and cognitive factors. Presenting an in-depth exploration of Spanish dialectology in all its expressions across the Spanish-speaking space, this resource is ideal for all researchers interested in Spanish linguistics, linguistic variation and language contact, as well as for undergraduate and graduate students.

Católico yugo. La idea de obediencia en la España de los Austria, 1500-1700 - Rafael Valladares Ramírez 2021-09-01

En la presente obra se lleva a cabo un estudio novedoso y original del concepto de [obediencia] en la doctrina filosófica y escolástica de la España de los Austria. Contemplada la cronología hispánica en su totalidad, cabría decir que los vasallos del rey de España vivieron sus tres siglos de imperio hablando y teorizando sobre la obediencia mucho más que sobre la rebeldía. Incluso durante los episodios de sublevaciones abiertas, el tema de la obediencia regresaba tercamente al centro del debate con el fin de desplazar a la incómoda y deshonrosa categoría de «rebelde», a la que nadie quería adscribirse. Sorprende, por tanto, la facilidad con que hasta hoy hemos osado interpretar algunos de los levantamientos más notables de la Monarquía, como el de las Comunidades en 1520, Flandes en 1566, Cataluña y Portugal en 1640 o Nápoles en 1647, sin antes haber profundizado lo bastante en las teorías de la obediencia que, si bien implícitas en muchos estudios dedicados a estos conflictos, reclaman un espacio propio. Términos y conceptos como autoridad, disciplina, castigo, disimulación, poder, justicia y tantos más guardan parentesco con la obediencia, incluso a veces la subsumían, pero ni la representaron ni la sustituyeron.

Diversification of Mexican Spanish - Margarita Hidalgo 2016-10-24

This book offers a diversification model of transplanted languages that facilitates the exploration of external factors and internal changes. The general context is the New World and the variety that unfolded in the Central Highlands and the Gulf of Mexico, herein identified as Mexican Colonial Spanish (MCS). Linguistic corpora provide the evidence of (re)transmission, diffusion, metalinguistic awareness, and select focused variants. The tridimensional approach highlights language data from authentic colonial documents which are connected to socio-historical reliefs at particular periods or junctions, which explain language variation and the dynamic outcome leading to change. From the Second Letter of Hernán Cortés (Seville 1522) to the decades preceding Mexican Independence (1800-1821) this book examines the variants transplanted from the peninsular tree into Mesoamerican lands: leveling of sibilants of late medieval Spanish, direct object (masc. sing.) pronouns LO and LE, pronouns of address (vos, tu, vuestra merced plus plurals), imperfect subjunctive endings in -SE and -RA), and Amerindian loans. Qualitative and quantitative analyses of variants derived from the peninsular tree show a gradual process of attrition and recovery due to their saliency in the new soil, where they were identified with ways of speaking and behaving like Spanish speakers from the metropolis. The variants analyzed in MCS may appear in other regions of the Spanish-speaking

New World, where change may have proceeded at varying or similar rates. Additional variants are classified as optimal residual (e.g. dizque) and popular residual (e.g. vide). Both types are derived from the medieval peninsular tree, but the former are vital across regions and social strata while the latter may be restricted to isolated and / or marginal speech communities. Each of the ten chapters probes into the pertinent variants of MCS and the stage of development by century. Qualitative and quantitative analyses reveal the trails followed by each select variant from the years of the Second Letter (1520-1522) of Hernán Cortés to the end of the colonial period. The tridimensional historical sociolinguistic model offers explanations that shed light on the multiple causes of change and the outcome that eventually differentiated peninsular Spanish tree from New World Spanish. Focused-attrition variants were selected because in the process of transplantation, speakers assigned them a social meaning that eventually differentiated the European from the Latin American variety. The core chapters include narratives of both major historical events (e.g. the conquest of Mexico) and tales related to major language change and identity change (e.g. the socio-political and cultural struggles of Spanish speakers born in the New World). The core chapters also describe the strategies used by prevailing Spanish speakers to gain new speakers among the indigenous and Afro-Hispanic populations such as the appropriation of public posts where the need arose to file documents in both Spanish and Nahuatl, forced and free labor in agriculture, construction, and the textile industry. The examples of optimal and popular residual variants illustrate the trends unfolded during three centuries of colonial life. Many of them have passed the test of time and have survived in the present Mexican territory; others are also vital in the U.S. Southwestern states that once belonged to Mexico. The reader may also identify those that are used beyond the area of Mexican influence. Residual variants of New World Spanish not only corroborate the homogeneity of Spanish in the colonies of the Western Hemisphere but the speech patterns that were unwrapped by the speakers since the beginning of colonial times: popular and cultured Spanish point to diglossia in monolingual and multilingual communities. After one hundred years of study in linguistics, this book contributes to the advancement of newer conceptualization of diachrony, which is concerned with the development and evolution through history. The additional sociolinguistic dimension offers views of social significant and its thrilling links to social movements that provoked a radical change of identity. The amplitude of the diversification model is convenient to test it in varied contexts where transplantation occurred.

Spanish Prose Composition - G. W. Umphrey 1907

Spanish Humor in Story and Essay - Sylvanus Griswold Morley 1921

Baroque Seville - Amanda Wunder 2017-03-01

Baroque art flourished in seventeenth-century Seville during a tumultuous period of economic decline, social conflict, and natural disasters. This volume explores the patronage that fueled this frenzy of religious artistic and architectural activity and the lasting effects it had on the city and its citizens. Amanda Wunder investigates the great public projects of sacred artwork that were originally conceived as *medios divinos*—divine solutions to the problems that plagued Seville. These commissions included new polychromed wooden sculptures and richly embroidered clothing for venerable old images, gilded altarpieces and monumental paintings for church interiors, elaborate ephemeral decorations and festival books by which to remember them, and the gut renovation or rebuilding of major churches that had stood for hundreds of years. Meant to revive the city spiritually, these works also had a profound real-world impact. Participation in the production of sacred artworks elevated the social standing of the artists who made them and the devout benefactors who commissioned them, and encouraged laypeople to rally around pious causes. Using a diverse range of textual and visual sources, Wunder provides a compelling look at the complex visual world of seventeenth-century Seville and the artistic collaborations that involved all levels of society in the attempt at its revitalization. Vibrantly detailed and thoroughly researched, *Baroque Seville* is a fascinating account of Seville's hard-won transformation into one of the foremost centers of Baroque art in Spain during a period of crisis.

Social Justice in Spanish Golden Age Theater - Erin Alice Cowling 2021

This book explores early modern Spanish plays through the lens of social justice, extending its analysis to contemporary adaptations and how they can be used as a tool for achieving social justice today.

Bibliographic Guide to Government Publications Foreign 2001 - GK Hall 2002-07

Second Spanish Book - Lawrence Augustus Wilkins 1920

Spanish Life - Philip Schuyler Allen 1920

Spanish 4, Galleria de arte y Vida, Student Edition - McGraw Hill 1996-01-29

Galería de arte y vida expands your advanced students' knowledge of the Spanish language with a perfect blend of literature, structure, and conversation. Students travel the Spanish-speaking world to read selections from classic and contemporary Hispanic literature, to view masterpieces of painting and sculpture, and to meet the many changing faces that make up Hispanic culture. *Galería de arte y vida* is composed of twelve cuadros or units. Each cuadro is structured around a universal theme such as *El arte*, *La fantasía*, *El humorismo*, *El indio*... For example, in *La mujer*, students reflect on the influence of women in today's society. Each cuadro includes four major sections: *Para preparar la escena* provides background material to introduce the unit theme. *Para presentar la lectura* focuses on the literary content and authors and directs the students' approach to the selection by means of pre-reading activities. *Para entablar conversación* contains questions that promote conversation and relate personal experience to the readings and cuadro theme. *Selección* contains a rich variety of authors and literary genres, including short stories, plays, songs, excerpts from novels, plays, and poetry. *Para continuar conversando* improves students' communicative skills by generating discussion topics related to the central themes of the readings.

Dance and Instrumental Diferencias in Spain During the 17th and Early 18th Centuries: The notes in Spanish and other languages from the sources - Maurice Esses 1992

The Notes in Spanish provides the original text and quotations, already presented in English in Volume I, in their original Spanish.

A General Catalogue of Books Offered to the Public at the Affixed Prices by Bernard Quaritch ... - 1835

The Church and the People - 1885

Una Columna de Fuego (Spanish-Language Edition of a Column of Fire) - Ken Follett 2017-09-12

"La continuacion de Los Pilares de la Tierra y Un Mundo sin Fin"--Cover.

El lenguaje radiofónico en la ciudad de Almería - Antonio María López González 2003-10-14

Elementary Spanish - William Samuel Hendrix 1928

Sonidos, Sabores Y Palabras (Book Only) - Jennifer B. Eddy 2005-07
SONIDOS, SABORES Y PALABRAS features a diverse range of activities and exercises based on each song. These activities will have students call upon prior knowledge, reflect and empathize with the lyrics, and make connections to their own experiences. The thought-provoking group activities require students to analyze the meaning behind the songs, as well as investigate and discuss how they relevantly reflect Latin cultures today. Suitable for self-study, building vocabulary, and developing reading and listening skills.

American Globalization, 1492-1850 - Bartolomé Yun-Casalilla 2021-06-28
Following a study on the world flows of American products during early globalization, here the authors examine the reverse process. By analyzing the imperial political economy, the introduction, adaptation and rejection of new food products in America, as well as of other European, Asian and African goods, *American Globalization, 1492-1850*, addresses the history of consumerism and material culture in the New World, while also considering the perspective of the history of ecological globalization. This book shows how these changes triggered the formation of mixed imagined communities as well as of local and regional markets that gradually became part of a global economy. But it also highlights how these forces produced a multifaceted landscape full of contrasts and recognizes the plurality of the actors involved in cultural transfers, in which trade, persuasion and violence were entwined. The result is a model of the rise of consumerism that is very different from the ones normally used to understand the European cases, as well as a more nuanced vision of the effects of ecological imperialism, which was, moreover, the base for the development of unsustainable capitalism still present today in Latin America.

Bernard Quaritch - Bernard Quaritch (Firm) 1884

Morada de la palabra - William Mejías López 2002

A New Anthology of Early Modern Spanish Theater - Bárbara Mujica
2015-01-13

This anthology of plays from the Spanish Golden Age brings together the work of canonical writers, female writers who are rapidly achieving canonical status, and lesser-known writers who have recently gained critical attention. It contains the full text of fifteen plays; an introduction to each play with information about the author, the work, performance issues, and current criticism; and glosses with definitions of difficult words and concepts. The extensive bibliography provides opportunities for further research.

Staging the Spanish Golden Age - Kathleen Jeffs 2018

In this volume, Kathleen Jeffs draws on first-hand experience of the Royal Shakespeare Company's rehearsal room for the 2004-05 Spanish Golden Age season to put forth a collaborative model for translating, rehearsing, and performing Spanish Golden Age drama. Building on the RSC season, the volume offers methodologies for translation and communication that can feed the creative processes of actors and directors, while maintaining an ethos of fidelity with regards to the original texts. It argues that collaboration between academics and theatre practitioners was instrumental in the success of the season and that the work carried out has repercussions for critical debate of Comedia. The volume posits a model for future productions of the Comedia in English, one that recognizes the need for the languages of the scholar and the theatre artist to be made mutually intelligible by the use of collaborative strategies, mediated by a consultant or dramaturg proficient in both tongues. This model applies more generally to theatrical collaborations involving a translator, writer and director, and will be useful for translation and performance processes in any language.

Experiencias, Annotated Instructor's Edition - Diane Ceo-DiFrancesco
2019-10-15

"Experiencias offers carefully sequenced activities, pre-tested in the authors' own classes, that focus on personal interaction and real communication. All face-to-face activities are easily adaptable for digital environments and writing assignments. Recycling Throughout both volumes, Experiencias incorporates activities that recycle previously learned material but with new topics, which allows students to continue mastering vocabulary and structures encountered earlier in the program"--

Breve historia de la lengua española - David A. Pharies 2010-02-16

El español es la cuarta lengua más hablada en el mundo y el idioma de una cada vez mayor importancia en los Estados Unidos de América. En lo que esperábamos resultara la introducción a la historia de la lengua española, David Pharies, clara y conscientemente, trazó la evolución del español desde sus raíces indo-europeas hasta su estado actual. Un reconocido experto internacional en la historia y el desarrollo de esta lengua, Pharies presenta sobre este tema un sentido preciso de lo que los estudiantes de español necesitan saber. Después de los capítulos introductorios de lo que significa el estudio de la historia de una lengua, el concepto del cambio lingüístico y de la naturaleza de las familias lingüísticas, Pharies hace un seguimiento al desarrollo del español desde sus raíces latinas, todo ello con una mínima cantidad de lenguaje técnico posible. En las secciones centrales del libro, los lectores son llevados por una presentación sucinta, comprometida y admirable, de la genealogía y desarrollo de la lengua incluyendo explicaciones de las estructuras y peculiaridades del latín, los eventos históricos y culturales que influenciaron profundamente la forma del lenguaje, la naturaleza del español medieval, los mitos lingüísticos formando parte del español y el desarrollo de la lengua más allá de la península ibérica, en particular, en el continente americano. Centrándose en las más importantes facetas de la evolución de la lengua, esta obra concisa hace que la historia del español sea accesible a todos, con una comprensión del mismo y una disposición para entender los conceptos básicos del lenguaje. Disponible en ambas ediciones, inglés y español, Una Breve Historia de la Lengua Española, nos brinda una extraordinaria introducción a la fascinante historia de una de las más importantes lenguas del mundo. Spanish is the fourth most widely spoken language in the world and a language of ever-increasing importance in the United States. In what will likely become the introduction to the history of the Spanish language, David Pharies clearly and concisely charts the evolution of Spanish from its Indo-European roots to its present form. An internationally recognized expert on the history and development of this language, Pharies brings to his subject a precise sense of what students of Spanish linguistics need to know. After introductory chapters on what it means to study the history

of a language, the concept of linguistic change, and the nature of language families, Pharies traces the development of Spanish from its Latin roots, all with the minimum amount of technical language possible. In the core sections of the book, readers are treated to an engaging and remarkably succinct presentation of the genealogy and development of the language, including accounts of the structures and peculiarities of Latin, the historical and cultural events that deeply influenced the shaping of the language, the nature of Medieval Spanish, the language myths that have become attached to Spanish, and the development of the language beyond the Iberian Peninsula, especially in the Americas. Focusing on the most important facets of the language's evolution, this compact work makes the history of Spanish accessible to anyone with a knowledge of Spanish and a readiness to grasp basic linguistic concepts. Available in both English and Spanish editions, *A Brief History of the Spanish Language* provides a truly outstanding introduction to the exciting story of one of the world's great languages.

Gramática española : enseñanza e investigación - Josse de Kock
1990

A General Catalogue of Books Offered to the Public at the Affixed Prices by Bernard Quaritch ... - Bernard Quaritch (Firm) 1885

Mas alla de las palabras - Olga Gallego 2007-07-30

This content-rich, culture-based intermediate Spanish text provides a smooth transition between first-year and second-year Spanish texts. The text's highly effective integration of language skills instruction and content, coupled with the application of technology, fully meets the five standards defined by the National Standards in Foreign Language Education Project. The main goal of these texts is to provide intermediate level students of Spanish with a foreign language experience that takes them from the practical language knowledge needed to carry out daily tasks to a more meaningful understanding of Hispanic cultures. Mastering Intermediate Spanish is designed specifically for those with a strong intermediate level background who are able to more quickly move to a more advanced level.

The Spanish Stage in the Time of Lope de Vega - Hugo Albert Rennert 1909

Iberian Books Volumes II & III / Libros Ibéricos Volúmenes II y III (2 vols) - Alexander Samuel Wilkinson 2015-10-05

Iberian Books II & III offer an indispensable foundational listing of all books published in Spain, Portugal and the New World in the first half of the seventeenth century. They record information on 45,000 items, surviving in 215,000 copies worldwide. Iberian Books II & III ofrece registro de lo publicado en España, Portugal y el Nuevo Mundo, o en español o portugués en otros lugares, entre 1601 y 1650. Recoge 45.000 impresos conservados en 215.000 ejemplares preservados en 1.800 colecciones.

On the Move! - Katica Urbanc 2019-11-15

"On the Move! Spanish Grammar for Everyday Situations is accurate, engaging, and pedagogically sound. The authors provide concise explanations of complex grammar and incorporate them into chapters organized by the presentation of cultural material relevant to major cities throughout the Spanish-speaking world. This is an innovative approach to teaching grammar in context that will be far more engaging for students than the dry, abstract, and lengthy explanations that one finds in other textbooks. . . . The approach is consistent with content-based teaching and compatible with expectations for the abilities of intermediate-level learners as described by ACTFL Proficiency Standards." —Juliet Lynd, Illinois State University Features include: A unifying theme of travel offers students the opportunity to develop their grammatical skills in context through the exploration of life and culture in twelve Spanish-speaking cities Eighty original full-color artworks provide panoramic views of each city as well as colorful drawings on which are based a wide variety of exercises Brief audio recordings, streaming freely online, allow students to hear for themselves regional differences in accents, intonations, and linguistic variations Text selections showcase both classic and new voices, including such authors as Gabriel García Márquez, Laura Freixas, José María Arguedas, Elizabeth Acevedo, and many others.

The Sutro Library Catalogue of Works on the Catholic Church by Spanish, Portuguese and Spanish-American Writers Before 1800 - Sutro Library 1941

The Influence of Italian Culture on the Sevillian Golden Age of

Painting - Rafael Japón 2022-03-21

This book explores the cultural exchange between Italy and Spain in the seventeenth century, examining Spanish collectors' predilection for Italian painting and its influence on Spanish painters. Focused on collecting and using a novel methodology, this volume studies how the painters of the Sevillian school, including Francisco Pacheco, Diego Velázquez, Alonso Cano and Bartolomé Esteban Murillo, perceived and were influenced by Italian painting. Through many examples, it is shown how the presence in Andalusia of various works and copies of works by artists such as Michelangelo, Caravaggio and Guido Reni inspired famous compositions by these Spanish artists. In addition, the book delves into the historical, political and social context of this period. The book will be of interest to scholars working in art history, Renaissance studies, and Italian and Spanish history.

Civilización y cultura - Lynn A. Sandstedt 2013-01-01

Comunicación, historia y sociedad - Eloy Arias 2001

Pretendiendo fomentar la utilización de la prensa como fuente para el estudio de la Historia, se lleva a cabo aquí un estudio de la historia de Sevilla a través de la prensa y la repercusión de ésta en los acontecimientos históricos del siglo XX.

En los márgenes de la ciudad de Dios - Manuel F. Fernández Chaves
2011-11-28

Esta obra cubre un vacío en la historia de los moriscos de España. Entre la guerra de Granada y su definitiva expulsión de Andalucía, la ciudad de Sevilla acogió la mayor comunidad morisca de toda la península Ibérica. Un hecho semejante requería de una investigación como la que hoy ve la luz. Se recupera así una página olvidada de la historia. El lector encontrará en este libro dos temas fundamentales que conservan toda su actualidad: cómo se construye una minoría social y cómo se gestionan sus relaciones con los poderes políticos, económicos y religiosos en el marco general de las relaciones sociales en las que se fragua y desarrolla su existencia. El tema de este libro mantiene toda su actualidad, en una Europa que a comienzos del siglo XXI se plantea cada día la cuestión de la asimilación y la relación con las minorías sociales presentes en su suelo.
