**Tongues** - Richard Hogue 2010-04-06

Every critic who desires to deny the validity of modern tongue speech must develop a scheme to destroy Paul's teaching. Through the centuries, there has been a wide variety of answers regarding the validity and veracity of speaking, praying, and singing in tongues, and its place within the life of the Christian and the Church. What is it? Is speaking in tongues such a radically supernatural experience that language is totally unknown, or is it, as some have contended, actual human languages that are simply unknown to the speakers? Several have believed it to be the language of heaven or at least from heaven. Others have declared it to be ecstatic, unintelligible utterances that require a highly charged emotional moment to experience. Should each Christian pray and sing in tongues, or is it reserved for a special few deeply spiritual ones? Did Jesus pray in tongues? These questions and more are answered by author and pastor Richard Hogue in *Tongues: A Theological History of Christian Glossolalia*. His academic approach begins by firmly establishing biblical evidence before launching a chronological connect-the-dots exercise through Christian history. The design revealed is the undeniable influence of the Holy Spirit. From Saul of Tarsus to John Wesley, from Pentecost to Azusa Street, Richard Hogue follows the gift of tongues and clearly draws a picture of today's role of the Holy Spirit in *Tongues: A Theological History of Christian Glossolalia*.

**The Unseen Dynamics of Speaking in Tongues** - Steven Adi 2020-07-30

Often times we play around with certain words as we use them in our regular expressions. However, certain times come when these words get forged together to give rise to a certain statement that comes alive with a feeling of shock and awe, creating a strong definition to something straight from the spiritual, which comes with a strong definition of perfection that conveys reality. "Never thought of it this way before" becomes our statement of conviction on the great revelation that just emerged from the Almighty God. Such was the feeling that greeted me when the inspiration for the writing of this book was carved upon the tablets of my heart by the Holy Spirit. The things I already knew as concerning the subject of this book, I never knew could be put together in such a fashion to tell the tale that could clearly connect the source of life Himself, as watching Him play a consistent role in the narrative of the drama of prayer, praying/speaking in tongues. There are certain questions you have thus always pondered upon while considering the subject of speaking in tongues. A number of them highlighted below: - Why did God provide for us the option of praying/speaking in tongues? - Do you know the things that happen in the spirit when we speak/pray in tongues? - What realities distinguish praying in tongues from praying in our understanding? - How much do we achieve within a short when when we pray in tongues? - Have you ever wondered which is the most effective mode of prayer? - Is it possible for Satan to block the answers to our prayers from reaching us? - Why was the answer to Daniel's prayers delayed by the Prince of Persia? - How can our prayers address the things

that we don't envisage? *The Unseen Dynamics of Speaking in Tongues* unravels the mysteries that surround the above questions and much more as you read through. The book does not focus much on the definitive aspect of speaking in tongues nor does it teach how to speak in tongues. These details will be addressed in the second volume of this book (Vol. 2) that offers deeper insight into such mysteries. It does however focus more on the spiritual activities that are pioneered in the spirit realm when you speak/pray in tongues, highlighting also the analysis and technical aspects of speaking in tongues. This book is arguably the most revealing and concise material you would read that gives deep details into the invisible happenings and manifestations around Christians when they speak/pray in tongues. May the Almighty God through His son Jesus Christ by the instrumentality of the Spirit of wisdom furnish you with understanding as you read through.

**Speaking in Tongues** - Kathleen Schwab 2020-02-02

Have you ever wondered why your prayer language doesn't sound like real words? And why is it so repetitive? Why does it usually start with the same few words or syllables? Maybe you've asked those questions at times. We've asked the same questions—and quite a few others—regarding the gifts of tongues and interpretation of tongues. Then we sought the Lord for understanding of these gifts and did our best to operate in them faithfully. He gave us many insights and answers, and then brought it all together in a book. That was something we never really planned. It just sort of happened. We aren't megachurch pastors. We don't lead multi-national ministries. But we did have a calling from the Lord to write a book and spread a message. What exactly is that message? Speaking in tongues and interpreting tongues are powerful gifts with practical use for everyday people like us. When people operate in these gifts, God blesses the person operating in the gift, but He also blesses the people around them. Other Questions We Explore in the Book: What does speaking in tongues feel like emotionally? What is the purpose of speaking in tongues? What are the benefits? How does the gift of interpretation work? Are biblical tongues earthly languages, or heavenly languages? Or both? We invite you to explore these questions with us, as you read through our book. Mystery of Speaking in Tongues - Jeff M. Daniel 2015-11-30

This Book was divinely inspired in an encounter I had with the Holy Spirit on November 21st 2015. This encounter was to unveil the Mystery of Speaking in Tongues. A mystery, the Lord said if properly understood, believed, and applied will turn anyone's life into a glorious mystery. This is that which controls all other mysteries in the word of God. In this book you will learn the why, the how, and the amazing benefits that speaking in God's heavenly language will bring to your life. God's heavenly language, which is called speaking in tongues, shuts your mouth from talking like a human being to thinking and acting like the spirit being that you actually are. You will also discover in this book how speaking in tongues will give you access to the deep things of God. For in this kingdom, what you speak is what you see. What you see are the only things you are permitted to seize. You have been Blessed with all Spiritual Blessings in heavenly places. We all have concerns that are enigmatic in nature that needs unraveling. Who you talk to, determines the answers you get. 1 Corinthians 14:2, says for he that speaketh in an unknown tongue speaketh not unto men, but unto God. When you effectively start speaking to God in His heavenly language then, no man can understand or comprehend how you always win no matter what hits you because as scripture says... " for no man understandeth him." Your life is then turned into a mystery since speaking in tongues is speaking mysteries. However, Satan is the prince of the power of the air. Speaking in tongues is speaking into the air to diffuse and destroy all satanic operations against your life and destiny. Prayerfully read this book and expect an encounter with God. If you are not yet filled with the Holy Spirit with evidence of speaking in tongues begin to believe God for it. For you, who have not received an understanding of speaking in tongues, I want you to keep an open mind, for it is a gift from God to all who believe in Jesus Christ. To those who are already baptized in the Holy Ghost, let the Holy Spirit fill you again and again. I encourage you, as you read the book, to pray in tongues for more impartation of the Holy Spirit. "Speaking into the Air" is the main revelation of the book. Make sure you catch it! You are blessed in Jesus Name!

Interpretation of Tongues - Pius Joseph 2019-08-19

In the Bible, one of the greatest tools that have helped the believers to minister effectively in the day of Pentecost is not just the baptism of the Holy Spirit with the evidence of speaking in tongues, but the interpretation of the tongues spoken by the disciples. If you have been filled with the Holy Ghost with the evidence of speaking in tongues, it is your right based on Biblical truths to know what you are saying in tongues. It is true that praying in tongues is a secret conversation between you and God and he that prays in an unknown tongue, edifies himself. However, it is God's desire for you to know what you are praying as the gift of interpretation of tongues can serve as a tool of ministration either to the speaker or to another person. In this book, you will learn: Various tools for the discernment of tongues How to receive the gift of interpretation of tongues The language of tongue How the Holy Spirit can help you use the gift of interpretation How to walk in the gift of interpretation of tongues What you need to do if you are newly baptized in the tongues in order to operate the gift of interpretation of tongues Now, understand the tongues that you have been praying through this book

**Are Miraculous Gifts for Today?** - Zondervan, 2011-10-11

Are Miraculous Gifts for Today? takes you to the heart of one of the most dividing questions in the Church today: how are the Holy Spirit's miracles at work among God's people now? Is he still actively giving the gifts of tongues, prophecy, and healing that fill the book of Acts? Is he driving out demons when Christians command them to flee? Or are these events confined to the time of the early church and the apostles? This volume of the Counterpoints series provides an impartial format for comparing the four main positions on present-day miracles (including the history and distinctions between the three positions that affirm miraculous gifts) with voice also given to a large sector of open-but-cautious evangelicals: Cessationist: there are no miraculous gifts of the Holy Spirit today. Pentecostal: gifts are intended for today, with certain nuances focused on baptism and speaking in tongues. Charismatic: gifts are intended for today and should be actively practiced. Third Wave: gifts are intended for today, with greater emphasis on baptism and less on tongues. This thought-provoking book will help Christians on every side of the miraculous gifts debate to better understand their own position and the positions of others. The Counterpoints series presents a comparison and critique of scholarly views on topics important to Christians that are both fair-minded and respectful of the biblical text. Each volume is a one-stop reference that allows readers to evaluate the different positions on a specific issue and form their own, educated opinion.
