Smug - Alana Albertson

2018-05-06

I don't recognize the classy woman in the mirror staring back at me—sensible hair, nude lipstick, curves bound in the finest business suit. I have dedicated my life to uncovering the secrets of the SEAL Teams. Hoping one day, I'll be able to find out who kidnapped my sister. As a NCIS agent investigating the Teams, there is no margin for error. I have to maintain professionalism at all times. I didn't count on being forced to work with the

resident SEAL bad boy, Mitch Martinez. But opening up to Mitch is the key to unraveling the secrets of the Teams. Any sacrifice will be worth it if I can discover what happened to my sister. Mitch may tempt me, but I'll never let him into my heart. Smug is the first episode of *Seven Deadly SEALs*, Season 2. This book is 22000 words and ends in a cliffhanger. The next episode in this season, *Slack*, will be released this summer. Season 2 can be read as a stand alone but does contain characters and information regarding Season 1. If you haven't read Season 1, start the series for free! *Conceit*, Season 1, Episode 1, is free on all retailers. *Her Name Is Violence* - Matt Madigan 2013-11
One group of violent felons...One innocent child...One violent death film... One extremely violent detective... All coming together in a city ready to erupt in a relentless summer's heat. There is only one possible result - bullets fly furiously, blood pours copiously and

bodies tumble
lifelessly. Detective Reid Hollow
becomes a hunter in a sea of
human scum, acting as
lawlessly and more
aggressively than the criminals
he stalks through alleys,
warehouses and cheap hotels.
Fueled by an obsession with
death and the mental scars of a
life of violence Hollow takes
this case personally and will
stop at nothing to destroy the
people who murdered this poor
child for their own debased
pleasures. Not for readers
under 18 years of age, this
book takes the noir genre and
grinds it mercilessly into a new
direction: **HARD CORE
NOIR**. This is a raw, sweaty
fistful of a crime story, filled
with contemptible creeps and
believable, nasty action. Reid
Hollow is a relentless, violent
and lawless character... and
he's the "good guy!" This gory
noir would have scared all of
the other books out of the wire
rack in a 1930s smoke

beginning of recorded communication, with four hundred hours of video uploaded every minute. (It would take you more than sixty-five years just to watch the vlogs, music videos, tutorials, and other content posted in a single day!) This activity reflects who we are, in all our glory and ignominy. As Allocca says, if aliens wanted to understand our planet, he'd give them Google. If they wanted to understand us, he'd give them YouTube. In Videocracy, Allocca lays bare what YouTube videos say about our society and how our actions online--watching, sharing, commenting on, and remixing the people and clips that captivate us--are changing the face of entertainment, advertising, politics, and more. Via YouTube, we are fueling social movements, enforcing human rights, and redefining art--a lot more than you'd expect from a bunch of viral clips.

NCIS Trivia - Brandi Humphrey

2020-11-28

NCIS is an American action police procedural television series, revolving around a fictional team of special agents from the Naval Criminal Investigative Service. The concept and characters were initially introduced in two episodes of the CBS series JAG (season eight episodes 20 and 21: "Ice Queen" and "Meltdown"). The show, a spin-off from JAG, premiered on September 23, 2003, on CBS. To date it has entered into the seventeenth full season and has gone into broadcast syndication on the USA Network. Donald P. Bellisario and Don McGill are co-creators and executive producers of the premiere member of the NCIS franchise. As of 2020, it is the second-longest-running scripted, non-animated U.S. primetime TV series currently airing, surpassed only by Law & Order: Special Victims Unit (1999-present), and is the 7th-longest-running scripted U.S. primetime TV series overall.

While Mommy Is Out - Teri Errico Griffis 2017-05-17

In every child's life there comes a point when he or she realizes that the babysitter coming means Mommy is leaving. Whether the child has known the babysitter for his or her whole life, or whether she is a complete stranger, it's terrifying to be left behind-and worse to wonder if Mommy will ever come back. Follow Little One's adventures as Mommy says good-bye and he meets his babysitter for the first time. He'll face his biggest fears, make a new friend, and hug his Mommy once again. This book, inspired by real events, is an exceptional narrative for children who need an introduction to what a babysitter is and why she really isn't so scary after all, as well

as reassurance that Mommy will always come back home to her Little One in the end.

High in the Clouds - Paul McCartney 2006

Imagine a land where all the animals are free . . . To the creatures of the woodland, the land of Animalia sounds like a dream - a tropical island where all the animals live in harmony. They are over-shadowed by a much more evil community; the polluted Megatropolis, whose dirty skyscrapers block the horizon. And then one day, Wirral the Squirrel's woodland is destroyed by developers and he is thrown into the nightmare world of Megatropolis. But Wirral believes in Animalia and he joins with Froggo, a world-class amphibian balloonist, and Wilhamina, a girl squirrel, to lead the enslaved animals of the city to a new life. So begins an exciting adventure through the mean streets of Megatropolis, over the sea and through the sky. Developed out of an exceptional fusion of creative talents, this story explodes onto every page. The plot is fast, furious and funny;

the illustrations are full of rich depth and colour; and the characters live on long after you have turned the final page. It will delight children of all ages and is sure to become an enduring classic. 'Young audiences will delight in the clever wordplay and smartly-drawn comic characters.'

The Way of the Warrior - Erwin Raphael McManus 2021-08-24

A best-selling author, pastor, futurist, and cultural thought leader argues that to experience and establish inner peace, we must first confront the battles that rage within. Your longings for inner peace and deep purpose are attainable, but they won't come easy. They require a warrior's mentality. Fighting for them requires passion, perseverance, and precision. This is an invitation to an unflinchingly honest look at your interior life guided by the ancient principles and methods revealed through Scripture. Erwin Raphael McManus delivers wisdom, instills passion, and provides the

sacred movements needed to become the warrior you were meant to be. We live in a time of global and personal chaos. The world is at war because our souls are at war. The path to peace begins with you overcoming your most frequent and fierce enemy: yourself.

Stories of the Vikings - Mary MacGregor 2018-03-01

On a summer day nearly twelve hundred years ago, three ships with bright red sails drew near to one of the little ports of the Dorset coast in the south of England. The townsfolk saw the ships, and paying no heed to the bright sails, said carelessly one to another, 'The merchantmen will be in port today.' And the harbour-master gathered together a few of his men and hastened to the quay. For he, too, had seen the ships, and, as in duty bound, he went to meet them, to demand from the captains the port taxes which were lawfully due to the king. But townsfolk and harbour-master alike had made a grievous mistake that summer day. For, as they soon discovered to their cost, and as

the red sails might have forewarned them, the three ships were no peaceful merchantmen...

[Hermeneutic Approaches to Interpretive Research](#) - Philip Cushman 2021-08-23

This unique and insightful book brings together a collection of impactful essays written by former psychology doctoral students, which feature hermeneutics as a method of qualitative inquiry. Philip Cushman brings together eleven chapters in which his former students describe their hermeneutic dissertations—how they chose their topics, their approach to research, what they discovered, what it was like emotionally for them, and how the process has influenced them in the years since completion. The contributors explore important contemporary issues like social justice, identity, gender inequality, and the political consequences of psychological theories and offer fresh, critical perspectives rooted in lived experiences. This book

showcases the value and importance of hermeneutics, both as a philosophy, and as an orientation for conducting research that aids in critical, culturally respectful, interdisciplinary approaches. This is illuminating reading for graduate students and scholars curious about the hermeneutic approach to research, particularly those engaged in fields like theoretical psychology, clinical psychology, psychotherapy, mental health, cultural history, and social work.

new novel is a gift both to her millions of loyal fans and to the lucky readers who have yet to discover her. In the ten years since her extraordinary debut novel, *Outlander*, was published, beloved author Diana Gabaldon has entertained scores of readers with her heart-stirring stories and remarkable characters. The four volumes of her bestselling saga, featuring eighteenth-century Scotsman James Fraser and his twentieth-century, time-travelling wife, Claire Randall, boasts nearly 5 million copies in the U.S. The story of *Outlander* begins just after the Second World War, when a British field nurse named Claire Randall walks through a cleft stone in the Scottish highlands and is transported back some two hundred years to 1743. Here, now, is *The Fiery Cross*, the eagerly awaited fifth volume in this remarkable, award-winning series of historical novels. The year is 1771, and war is approaching. Jamie Fraser's wife has told him so. Little as

he wishes to, he must believe it, for hers is a gift of dreadful prophecy - a time-traveller's certain knowledge. To break his oath to the Crown will brand him a traitor; to keep it is certain doom. Jamie Fraser stands in the shadow of the fiery cross - a standard that leads nowhere but to the bloody brink of war.

Just before summer begins, 13-year-old Ali finds an odd photograph in the attic. She knows the two children in it are her mother, Claire, and her aunt Dulcie. But who's the third person, the one who's been torn out of the picture? Ali figures she'll find out while she's vacationing in Maine with Dulcie and her four-year-old daughter, Emma, in the house where Ali's mother's family used to spend summers. All hopes for relaxation are quashed shortly after their arrival, though, when the girls meet Sissy, a kid who's mean and spiteful and a bad influence on Emma. Strangest of all, Sissy keeps talking about a girl named Teresa who drowned under mysterious circumstances back when Claire and Dulcie were kids, and whose body was never

found. At first Ali thinks Sissy's just trying to scare her with a ghost story, but soon she discovers the real reason why Sissy is so angry. . . . Mary Downing Hahn is at her chilling best in this new supernatural tale that's certain to send shivers down her readers' spines.

God's Feminist Movement - Amber Picota 2016-07-19

Experience True Liberation by Seeing Your Beauty, Femininity, and Freedom From Heavens Point of View Has Christianity kept women trapped in the stone age? In many ways, yes; but this is not by Gods design. As society offers women opportunities to explore outer-space and govern nations, the church often stifles and limits them. The tide is changing, though. Amber Picotas Gods Feminist Movement is a new covenant manifesto calling women to embrace their true identity in

Christ and fulfill their destiny as revolutionaries who shape the course of history with the Kingdom of God. There is a powerful new feminist movement emerging in the body of Christ. Its not politically driven and its not being championed by an uprising of angry man-haters. Based on an intense study of Scripture, factoring in historical and contextual hermeneutics and original languages, Picota shares a practical, non-legalistic, and non-traditional (yet deeply Biblical) look at topics that women commonly face, such as: Dating and Modesty Female Leaders in the Church Submission in Marriage Beauty and Self-Image Celebrate the power and beauty of womanhood. God has given you permission to change the world by being you! Break off religious traditions that keep women trapped in old school legalism and move beyond Christian clichs that minimize a womans true position in Christ! *Exploring Feelings* - Susan B. What if—whoosh, right now, with no explanation—a number of us simply vanished? Would some

of us collapse? Would others of us go on, one foot in front of the other, as we did before the world turned upside down? That's what the bewildered citizens of Mapleton, who lost many of their neighbors, friends and lovers in the event known as the Sudden Departure, have to figure out. Because nothing has been the same since it happened—not marriages, not friendships, not even the relationships between parents and children. Kevin Garvey, Mapleton's new mayor, wants to speed up the healing process, to bring a sense of renewed hope and purpose to his traumatized community. Kevin's own family has fallen apart in the wake of the disaster: his wife, Laurie, has left to join the Guilty Remnant, a homegrown cult whose members take a vow of silence; his son, Tom, is gone, too, dropping out of college to follow a sketchy prophet named Holy Wayne. Naughty Crosswords -

Nerve.com 2006-10-05

These are definitely not your daily paper's crossword puzzles. Conceived by the devious minds at Nerve.com, these 50 puzzles test the old S.Q. (that's sexual quotient). What's a five-letter word for well endowed? In what country is oral sex illegal? Who was the first woman to expose a nipple on TV? Of course, not all the clues in Naughty Crosswords relate to sex. These puzzles test a wide range of knowledge, from geography (63 Across: One of the U.S. Virgin islands) to pop culture

(47 Down: Twins who became legal on June 13, 2004) to politics (52 Across: Place where Bill and Hillary started screwing, presumably). Ok, so maybe they're mostly about sex. But that's what makes it so much fun! The Wire-O format makes it handy to write in no matter where you are. With four levels of difficulty and themes ranging from S&M to virginity, *Naughty Crosswords* revels in the fact that, when it comes to sex, no trivia is too trivial.

E - Kate Wrath 2014-05-04

A poignant tale of love and

friendship in a world beyond hope...Outpost Three: a huddle of crumbling buildings choked by a concrete wall. Cracked pavement, rusted metal, splintering boards. Huge robotic Sentries police the streets, but the Ten Laws are broken every time one turns its back. Eden is determined, smart, and a born survivor. Stripped of her memories and dumped on the streets of the Outpost, slavers and starvation are only the beginning of her problems. A devastating conflict is coming that threatens to consume her world and tear her newfound family apart. Life is harsh. It makes no exceptions. Not even for the innocent. "Absolutely heart-stopping! Grizzly, dark, haunting and gripping in a way that kept me glued in to the very end. If you are looking for a strong and smart heroine in a kick butt dystopian world, this is the book for you." - Leti Del Mar, author of Land of the Unaltered "A dark dystopian world, intelligent robots, warlords, rats...oh and sexy boys. 'E' has everything you

Early Echoes - Carol Frith
2016-03-02

In this collection, the "early echoes" are the isolating sirens of patrol cars and ambulances in the darkness, along with poems of morning glories in urban alleyways, of seedy coffee shops and neglected stone fountains in vacant back yards. These poems explore the present by reworking it in terms of the past. Sonnets and villanelles alternate with free verse as present and past subsume and modify the solitary echoes of experience lived and reworded,

abbreviated and re-amplified. Experience in these poems is concentric rather than linear, echoes of circles and spheres, of repetitions and refrains. The subject matter is time-self-referential hours and decades, time at once alternating and static, cyclic and monolithic, alienating and echoing, time circular and frozen as stone.
