Frost Hollow Hall - Emma Carroll 2013-10-01  
From the queen of historical fiction, a ghostly tale about love, loss and forgiveness with an instant classic feel. The gates to Frost Hollow Hall loomed before us. They were great tall

things, the ironwork all twisted leaves and queer-looking flowers. And they were very definitely shut. Tilly's heart sinks. Will's at the door of their cottage, daring her to come ice-skating up at Frost Hollow Hall. No one goes

near the place these days. Rumour has it that the house is haunted . . . Ten years ago the young heir, Kit Barrington, drowned there in the lake. But Tilly never turns down a dare. Then it goes horribly wrong. The ice breaks, Tilly falls through and almost drowns. At the point of death, a beautiful angel appears in the water and saves her. Kit Barrington's ghost. Kit needs Tilly to solve the mystery of his death, so that his spirit can rest in peace. In order to discover all she can, Tilly gets work as a maid at Frost Hollow Hall. But the place makes her flesh crawl. It's all about the dead here, she's told, and in the heart of the house she soon discovers all manner of dark secrets . . . Frost Hollow Hall is a thrilling historical fiction debut. Told in Tilly's unique voice, it is a tale of love and loss, and how forgiveness is the key to recovery. 'Believable, moving and just the right sort of frightening.' Daily Telegraph 'A perfect ghostly mystery for fans of Eva Ibbotson, Ellen Renner and Marie-Louise Jense.' We Love This Book 'The

Silberjunge - Kristina Ohlsson 2015-10-05  
Immer wieder sieht Aladdin einen geheimnisvollen Jungen, der spurlos verschwindet, sobald man ihn anspricht. Doch er hat andere Sorgen: Das Restaurant seiner Familie läuft schlecht, seine Eltern wollen in die Türkei zurück, dabei ist Schweden ihr Zuhause. Als er erfährt, dass vor hundert Jahren Silber aus einer Schmiede verschwand und auf dem Gelände des Restaurants vergraben sein soll, macht er sich auf die Suche. Jedoch muss er zuerst den Dieb erwischen, der aus dem Restaurant Essen stiehlt. Ob es der rätselhafte Junge ist? Kommt er von dem Flüchtlingsboot, das seit Wochen im Hafen vor Anker liegt? Zum Glück hat Aladdin seine Freundinnen Billie und Simona, die ihm tatkräftig helfen, die ineinander verflochtenen Rätsel zu lösen.

**Bruderlüge** - Kristina Ohlsson 2017-06-13

Wer Schwesterherz gelesen hat, darf Bruderlüge nicht verpassen. Martin Benner befindet sich in der Hand von Unterweltboss Lucifer, der ihm den Auftrag erteilt, Mio zu finden – den Sohn der Serienmörderin Sara Texas. Wohl fühlt sich Benner damit nicht, schließlich arbeitet er nun für denjenigen, der Sara solche Angst einjagte, dass sie von einer Brücke gesprungen ist. Doch damit nicht genug: Jemand ist dabei, Benner zwei Morde anzuhängen, und er hat keine Ahnung, wer das ist. Als Benner von seiner eigenen Vergangenheit eingeholt wird, begreift er, dass er nicht durch Zufall in die ganze Geschichte geraten ist, sondern dabei eine wichtige Rolle spielt.

*Principles of Change* - Kristina Olsen 2022-02

This book draws from organizational change management principles to examine Teresa of Avila's 16th-century reform of the Carmelite

Order. During the last twenty years of her life, Teresa addressed the problems she saw in the Carmelite monasteries of her day, including ineffective administration, overcrowding, and laxity in spiritual practices. By returning to the original purpose and written Rule of the Carmelite founders, Teresa launched a reform of the Carmelite Order using principles similar to those used in change management and information technology (IT) adoption today. This book examines her reform in light of change management theory and practice, in order to shed light on what made her reform successful and how we might apply her approach to the management of change in spiritual and secular organizations today.

*aschenputtel-thriller-fredrika-bergman-stockholm*

Kristina Ohlsson's internationally acclaimed crime series. Shortly after a crowded New York-bound Boeing 747 takes off from Stockholm, a bomb threat is found in one of the aircraft's lavatories. The demands are directed at both the Swedish and US governments. Police superintendent Alex Recht teams up with the energetic and often abrasive Eden Lundell from the security service's counterterrorism unit to deal with the hijacking. Fredrika Bergman, who is currently working at the Justice Department, returns to the police force to act as a liaison between the government and the police. The investigation team soon realizes that the plot behind the hijacking is far more complex than they initially thought, and they also must battle against the US government's fear of a new terrorist attack. Now it's a race against time as Fredrika, Alex, and Eden search for possibilities to save the plane and its passengers. Will they find a solution before the plane runs out of fuel?

Work orientations and work attitudes have to do with the productive capacities in society. Insofar as individuals are positively oriented towards contributing their labour, we can expect a great amount of work to be done and to be carried out efficiently, carefully and responsibly. These subjective factors are thus very vital in modern working life. *Work Orientations: Theoretical Perspectives and Empirical Findings* offers up-to-date research on people's commitment to work and employment and job satisfaction in economically advanced countries. It will also analyse changes that have taken place in these respects over the last decades. Among the key issues in *Work Orientations* are questions about whether patterns of work centrality and employment commitment tend to remain stable or have changed across time in various countries. Moreover, we assume that the circumstances under which people participate in the social division of labour colour their subjective relationships to their jobs and to

employment in general. A major aim of the book is to explore the impact of factors such as occupation, education, age and gender on work orientations and work attitudes. *Work Orientations* will be invaluable for researchers and scholars in the fields of organizational studies, the sociology of work, employee engagement and related disciplines.

Readers looking for an enchanting read, a story of overcoming the odds, or a tale of suspense will love this traditional Agatha Christie, whodun-it mystery, matched and raised by a hint of magic. Seth is a kitchen boy at the remote Last Chance Hotel. His father has long ago left, leaving him imprisoned until he is old enough to set out on his own. If there's any hope he has, it's to be the greatest chef that ever lived... just like his father. One night, a band of magicians begin to arrive to participate in a secret meeting -- a Prospect Selection Procedure to determine

the most talented magicians in the world, judged by their leader Dr. Thallonius. Seth has one task: to make Dr. Thallonius the greatest dessert he's ever tasted. Then, maybe he will help Seth find a way to freedom. But when the doors to the private meeting open, and Dr. Thallonius lay dead on the floor, the group blames the dessert, which means that it's Seth who will pay the price. But Seth knows he's innocent, and only has so much time to eliminate each suspect and prove his innocence.

**Blood Magick** - Nora Roberts 2022-09-06

From #1 New York Times bestselling author Nora Roberts comes the final novel in a trilogy about the land we're drawn to, the family we learn to cherish, and the people we long to love... Book Three of The Cousins O'Dwyer Trilogy Blood Magick County Mayo is rich in the traditions of Ireland, legends that Branna O'Dwyer fully embraces in her life and in her work as the proprietor of The Dark Witch shop, which carries soaps, lotions, and candles for tourists, made with Branna's special touch. Branna's strength and selflessness hold together a close circle of friends and family—along with their horses and hawks and her beloved hound. But there's a single missing link in the chain of her life: love... She had it once—for a moment—with Finbar Burke, but a shared future is forbidden by history and blood. Which is why Fin has spent his life traveling the world to fill the abyss left in him by Branna, focusing on work rather than passion. Branna and Fin's

relationship offers them both comfort and torment. And though they succumb to the heat between them, there can be no promises for tomorrow. A storm of shadows threatens everything that their circle holds dear. It will be Fin's power, loyalty, and heart that will make all the difference in an age-old battle between the bonds that hold their friends together and the evil that has haunted their families for centuries.

*Bridges to Scandinavia* - Andrea Meregalli

2020-01-15

This volume is the final output of a project started in 2013 on the occasion of the fortieth anniversary of the Scandinavian Section of the University of Milan. A group of scholars working on different European and non-European cultural and literary traditions come together here to discuss the relationships between their areas of study and the Nordic countries. The range of the contributions expands over time and space, from the Middle Ages to the present day, from Poland in the east to the United States in the west, across various European countries. Through various kinds of expertise and different perspectives, this intercultural discourse deals with diverse themes, including the perception of Nordic culture(s) by foreign writers as well as

the image of other cultures in Scandinavian works. In particular, the literary and cultural interchange of models and ideas between the North and other areas is investigated in a number of essays devoted to numerous authors, including, among others, Klaus Bödl, Carmen de Burgos, Carlo Emilio Gadda, Gerhart Hauptmann, Henrik Ibsen, Stieg Larsson, Carl von Linné, Rainer Maria Rilke, J.D. Salinger, Henryk Sienkiewicz, Mme de Staël, August Strindberg, and Tomas Tranströmer.

*One Dog and His Boy* - Eva Ibbotson 2011-07-07  
All Hal ever wanted was a dog - but a dog would damage the expensive carpets in his parents' glamorous home, and they refuse to consider one. That's until they discover Easy Pets, a dog-rental agency. Fleck the terrier arrives on Hal's birthday, and Hal is overjoyed. But when Hal discovers to his horror that his dog is to be returned, he runs away... along with a bunch of pedigree hounds, all joyfully escaping from Easy Pets! Soon Hal and his dogs - including Otto the

wise St Bernard, and the fierce and excitable Pekinese Li-Chee - are being chased across the country by ruthless pursuers. Helped by a travelling circus and some orphanage children, can they race to freedom? Written in the timeless tradition of *101 Dalmations*, this is a tail-wagging grand adventure that every dog-lover will adore. Praise for Eva Ibbotson: "Readers of classic children's fiction will be familiar with the bliss that steals over one when a new Eva Ibbotson novel is published." Amanda Craig, *The Times* "Eva Ibbotson weaves a magic like no other. Once enchanted, always enchanted." Michael Morpurgo "This kind of fun will never fail to delight." Philip Pullman

Silenced - Kristina Ohlsson 2013-03-05

From “one of Sweden’s best” (Los Angeles Times Magazine) comes the third installment in the psychological thriller series featuring the savvy, sharp, and fearless investigative analyst Fredrika Bergman. Fifteen years ago: A teenage girl is viciously assaulted as she picks flowers in a field one night in midsummer. The crime is never reported. Present day: A man with no identification is killed in a hit-and-run. He is never reported missing. Across the city, a priest and his wife are found dead in an apparent suicide. Fredrika Bergman is assigned to the case. What she and her colleagues discover is that a sinister evil, the roots of which date back decades, is the link behind these seemingly

unrelated crimes. There's a reason why none of them were ever reported, and it has to do with a shocking and horrendous cover-up unlike anything Fredrika could have possibly imagined. Skillfully crafted and highly suspenseful, *Silenced* is a gripping thriller in which the consequences of past tragedies continue to haunt the present, reaching further and deeper than anyone ever expected.

placed in a neighbourhood museum, under the watchful eye of a priest named Joel. But Joel has a lot more on his mind than simply protecting the riches that have apparently rained down from heaven. His wife has just revealed that she is pregnant. Unfortunately Joel has strong reason to think the baby isn't his. As Joel tries to fend off repeated and bungled attempts to steal the meteorite, he must also come to terms with his own situation, and discover who the father of the baby really is. Transporting the reader to the culture, landscape and mores of northern Finland, *Little Siberia* is both a crime novel and a hilarious, blacker-than-black comedy about faith and disbelief, love and death, and what to do when bolts from the blue--both literal and figurative--turn your life upside down.

[Killer Deal](#) - Sofie Sarenbrant 2016-05-02

"Sofie Sarenbrant is the most exciting rising star among Swedish crime authors today."—Camilla Läckberg, crime author *The morning after* an open-house showing in a posh Stockholm

suburb, a father is found dead by his six-year-old daughter Astrid. There are no signs of a break-in, and the murder weapon is one of the family's own kitchen knives. The only hint that someone from the outside might be involved is that Astrid claims a strange man stroked her cheek during the night. Police Inspector Emma Sköld takes up the case. She suspects that the man's wife could be the culprit, but when more murders occur tied to open-house showings, her theory is turned on its head. What's the truth behind the events in the ostensibly idyllic and prosperous residential area? And what is the connection between the victims? Sofie Sarenbrant has established herself as one of Sweden's most popular crime fiction authors. She has written six novels in the Emma Sköld series, which have sold more than five hundred thousand copies. *Killer Deal* is her first novel to be translated into English.

The unspoken secrets and buried lies of one family rise to the surface in this stunning crime drama featuring Scotland Yard members Detective Inspector Thomas Lynley and Detective Sergeant Barbara Havers, from #1 New York Times bestselling author Elizabeth George. As Inspector Thomas Lynley investigates the London angle of an ever more darkly disturbing case, his partner, Barbara Havers, is looking behind the peaceful façade of country life to discover a twisted world of desire and deceit. The suicide of William Goldacre is devastating to those left behind who will have to deal with its unintended consequences—could there be a link between the young man's leap from a Dorset cliff and a horrific poisoning in Cambridge? After various issues with her department, Barbara Havers is desperate to redeem herself. So when a past encounter gives her a connection to the unsolved Cambridge murder, Barbara begs Thomas Lynley to let her pursue the crime, knowing one mistake could

mean the end of her career. Full of shocks, intensity, and suspense from the first page to the last, *A Banquet of Consequences* reveals both Lynley and Havers under mounting pressure to solve a case both complicated and deeply disturbing.

A moving ghost story that explores the overcoming of loss, and how to move on Thomasine has spent months living in her great-great-aunt's dusty, dark house with her father, and her aunt, uncle and cousins. While her father's siblings bicker about how much the house must be worth, her distant, elderly aunt is upstairs, dying, and her father has disappeared inside himself, still mourning the death of Thomasine's little brother. But one day, her youngest cousin makes a discovery: a wardrobe, filled with all the mirrors missing from the big house. And through the mirrors, a different world - one in which you can find not what you

most wish for, but perhaps what you most need... A beautiful tale of love, grief and growing up, *A House Without Mirrors* is an unforgettable adventure into families and the power of love.

*The Lies We Tell* - Kristina Ohlsson 2018-06-14

How do you choose who to save? Stockholm criminal lawyer Martin Benner is frantically chipping away at the false confession and fabricated evidence linking the deceased Sara Texas to a string of killings. Mio, Sara's four-year-old son, is missing, and Martin has been dragged into finding the child against his will. Meanwhile, someone is trying to frame Martin for murders he didn't commit. Investigators are closing in on him, and time is running out. The bodies continue to pile up, as the people with whom Martin has shared his story begin to die, one by one. And when it becomes clear that the identity of the killer and that of Mio's kidnapper are one and the same, Martin realizes that he cannot save both Mio and himself. He has to choose...
